Biography

Walter was born after 1890. He was the son of [Harry Musk](#) and [Lucy Champion](#). He passed away after 1950.^[1]

Walter Henry James Musk's parents were [Harry Musk](#) and [Lucy Frances Champion](#). He was baptized September 9, 1917 in the St Alban's Cathedral in the Pretoria Diocese, Northern Transvaal, South Africa. His father's trade is given as Mason in the baptism register. Witnesses at the baptism were [Walter Harry Evans](#), [Harry \(Eustace\) Booker](#) and [Phoebe \(Faulkner\) Duggan](#)^{[2][3]}

Water's mother married [Walter Harry Evans](#) after Walter's father, Harry Musk, passed away in 1917.

He was 6 foot 1 and half inches tall, of fair complexion with grey eyes, brown hair. Religiously he identified as Wesleyan (Methodist).^[4]

He served in World War II as a private in Technical Services Corps (TSC) in 66 T.S. Workshops General and was trained as a Moulder. He was initially based in SA and he

Private Walter Musk served in the South African Army in World War II
Service started: 1 Mar 1940
Unit(s): Technical Services Corps, saw action in East Africa, Abyssinia, Egypt and Italy
Service ended: 26 Aug 1945

DNA Connections

It may be possible to confirm family relationships wit Walter by comparing test results with other carriers of [his Y-chromosome](#) or [his mother's mitochondrial DNA](#). However, there are no known yDNA test-taker in his direct paternal line. Mitochondrial DNA test-takers in the direct maternal line:

mt [Adri \(Bekker\) O'Neil](#) ♂ : [Family Tree DNA mtDNA Test Full Sequence, haplogro H, FTDNA kit #453711](#)

Have you taken a DNA test? If so, login to add it. If not, [see our friends at Ancestry DNA](#).

Historians trace Elon Musk's Swiss roots to Emmental

▲ Elon Musk's maternal side of the family can be traced back to villages in the Emmental region of Switzerland. Keystone / Patrick Pleul

Tesla CEO Elon Musk has roots in a small, picturesque farming region in central Switzerland. Using genealogy websites and local archives, historians have been able to connect Musk with the Haldimann name,

which is still present in the Emmental region today.

May 1, 2022 - 17:45

SonntagsZeitung/jdp

There are few images as quintessentially Swiss as the green pastures, farmhouses and distinctive holey cheese in the Emmental region in Canton Bern. According to research by the *SonntagsZeitung*, the ancestors of the world's richest man, Elon Musk, come from this area.

Maye Musk, Elon Musk's mother, was born Maye Haldeman on April 19, 1948 in Canada. In her autobiography she says that her father's family emigrated from Switzerland to Philadelphia as early as 1727. Maye Musk and others who have written about Musk's family have never been able to identify exactly which village in Switzerland the family comes from.

Using genealogy websites, the *SonntagsZeitung* was able to trace the family history back to 1544. At that time Bartholomeus Haldimann was born in the town of Signau in Emmental. This is eleven generations before Elon Musk's great grandfather John Elon Musk was born. Bartholomeus' son Andreas Haldimann was born in 1572 and his grandson Peter Haldimann on August 19, 1593. Local archives, based on church records, validate this.

Based on the journalist's research, the Haldimann family emigrated to the US in 1719. There they renamed themselves Haldeman and settled in Pennsylvania.

“It is clear that Elon Musk has roots in Signau and Eggiwil because the Haldimanns have lived in this area since time immemorial. Another origin is impossible, because outside of the Emmental region this

surname never appeared at that time,” said local historian Hans Minder.
