HILLARY & BILL SHILL FOR A SECRET INTELLIGENCE AGENCY CARTEL

BILL'S EXECUTIVE ORDERS CREATED A WHITE HOUSE SPY-AGENCY CONTROLLED BY WALL STREET & SILICON VALLEY; HILLARY ALLOWED TO HIDE INFORMATION

CONTRIBUTING WRITERS | OPINION | AMERICANS FOR INNOVATION | AUG. 12, 2015 UPDATED JUN. 22, 2016 | PDF

MORE BREAKING NEWS, AUG. 16, 2015:

BILL & HILLARY FIDDLER WHILE ROME BURNED IN 2008

NEW: OBAMA'S FREUDIAN SLIP IN EXECUTIVE ORDER 13691, FEB. 13, 2015

Barack Obama revealed his pathology that Executive Orders and American law are not the same. In giving more private crony tech company access to his spy-state machine, he stated in [Sec. 8\(a\)\(i\)](#): "Nothing in this order shall ...impair ...the authority granted by law or Executive Order ..."

Former Clinton advisor, James P. Chandler, continues his secret re-write of the Constitution.

A week after Barack Obama's election —during America's worst economic crisis since the Great Depression—Bill Clinton flew to Germany to give a \$450,000 speech to [AWD Holdings AG](#). AWD is a personal financial planner with no business in the U.S, now called Swiss Life. The \$450,000 fee is his largest ever reported. A week later, Obama appointed Lawrence "Larry" Summers, Bill's former Treasury Secretary, to oversee the bank bailout. Summers protégés, Sheryl K. Sandberg and Russian oligarch Yuri Milner, figure prominently in the Facebook spy-state surveillance platform. AWD wrote in 2008 that the U.S. banking crisis "strengthened us." This trading on inside knowledge is evident. Exploitation of children by the spy-state is clearly not an issue for the ambitious couple.

FIG. 1—BILL CLINTON. On Nov. 15, 2008, Bill flew to Germany a week after Obama's election to collect a \$450,000 speaking fee from his financial planner.

Photo: America Rising PAC.

Between 2001-2015, Bill & Hillary gave 75 speeches to members of IBM's The Eclipse Foundation—the

technology behind White House spy-state surveillance that was stolen from Ohio innovator Leader Technologies by Professor James P. Chandler, Leader's attorney and Clinton's adviser. Up to the 2008 banking crisis, Bill Clinton was paid \$4 million for 26 speeches to Eclipse members. In 2008, Bill gave only one Eclipse speech on Nov. 15, 2008 to AWD Holdings—this was 11 days after Obama's election and eight days before [Larry Summers](#) assumed bank bailout control.

NEW: OBAMA'S EXECUTIVE ORDER SHELL GAME

On Feb. 13, 2015, Obama issued [Executive Order 13691](#) to help his IBM Eclipse private sector spy-state cronies. Buried in [Sec. 5\(g\)](#) is an amendment to [EO 12829](#) that designates EO 12356 ([Apr. 6, 1982](#)) as the new authority. However, [EO 12356 was revoked on Oct. 14,](#)

Request for Congressional Intervention

DOWNLOAD

PDF HTML

We Be People

Summers immediately gave \$13 billion to Goldman Sachs. See [2008 Clinton Timeline](#). In 2010, Bill made \$2.2 million for 11 Eclipse speeches. In 2012 (the year Facebook went public), Bill made \$3.2 million for 16 Eclipse speeches. One 2012 speech was to Facebook's attorney, White & Case LLP. (On Dec. 5, 2008, Obama picked another Facebook attorney from [Cooley Godward LLP](#), Donald K. Stern, to help him pick judges, one of whom was the last-minute replacement judge in *Leader v. Facebook*, Leonard P. Stark, who as a rookie muscled out 25-year veteran, Joseph J. Farman.) His 2012 speeches also included six Facebook underwriters (JPMorgan, Goldman Sachs, UBS, Deutsche Bank, Bank of America and Vanguard. See [Clinton-Eclipse Speech Map](#) below.

1995 according to [EO 13292, Sec. 6.2\(d\)](#)— during the time of the hearings for Chandler's Economic Espionage Act. Obama also cites the wrong date for EO 12356 ([Apr. 2, 1982](#)). These [built-in ambiguities](#) ensure that **ALL interpretations of the order will return to its author, James P. Chandler, our secret, unelected and unaccountable spy-state master.** Confused yet? Precisely.

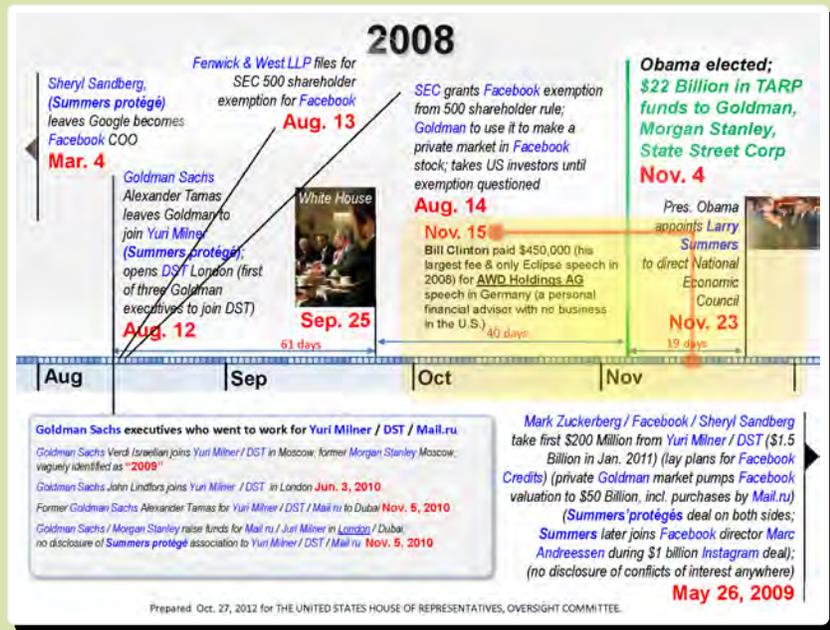

FIG. 2—BILL & HILLARY CLINTON 2008 TIMELINE. Bill & Hillary fiddled while Washington, D.C. burned.

Social Networking: The True Story

HealthCare.gov's confiscation of this property cannot stand

Leader: 145,000 man-hours • over \$10 million • 20 people • solid engineering • hackers not welcome • affirms privacy, security, property • no foreign influence • respects U.S. Constitution

Facebook: "one to two weeks" • beer money • all by myself • 28 hidden hard drives • stole Harvard photos • hacks email • PayPal Mafia handlers • scoofs at privacy • corrupts markets, judges, politicians & gov't agencies

Faces of Facebook Corruption

Updated Mar. 19, 2014

BREAKING NEWS, AUG. 15, 2015: HILLARY WIPED SERVERS— JAMES P. CHANDLER WROTE BILL'S SECURITY RULES IN 1995

SPY-STATE SMOKING GUN EXECUTIVE ORDER 12958, APR. 17, 1995

On [Aug. 13, 2015](#), Hillary Clinton just turned over an empty private email server to the Justice Department. However, the **Justice Department is not impartial** since they had oversight of Hillary's activities, along with Hillary herself, as Secretary of State.

On Apr. 17, 1995, Bill Clinton's national security confidante, Professor James P. Chandler, drafted [Executive Order No. 12958](#)—Classified National Security Information. Successive Presidents cite back to this order in dozens of related orders, so it governs Hillary Clinton's current email server conduct. [Section 6.1\(b\)](#) authorizes the **Attorney General** to interpret the Order. [Sec. 5.4\(a\)](#) established the **Secretaries of State & Defense, Attorney General, C.I.A Director** and two Presidential aides as oversight. If the principals are colluding, then accountability is non-existent.

Truly, the foxes are guarding the White House hen house.

FIG. 2—PROFESSOR JAMES P. CHANDLER may have recommended the wiping of Hillary's servers. He certainly wrote the executive orders. To make sure the Clintons were untouchable, on [Oct. 11, 1996](#), Chandler slipped through the law that makes lying to Congress not punishable.

liability. Apparently, she hopes Saul Alinsky's army of "Useful Idiots" (the unthinking American public) will forgive her and vote for her anyway.

BILL STARTED A WHITE HOUSE SPY AGENCY THAT WRITES ITS OWN RULES—WITHOUT CONGRESS

These national security Executive Orders set up a private intelligence agency operating out of the White House. The C.I.A. is subservient to it, so is the NSA, FBI, DIA, NRO. . . —all U.S. intelligence operations.

WHITE HOUSE INTELLIGENCE AGENCY (W.H.I.A.)

For this article we'll call this super agency the **WHITE HOUSE INTELLIGENCE AGENCY (W.H.I.A.)**.

W.H.I.A. makes its own rules, gets stealth funding from other agencies, classifies and declassifies its own secrets, co-opts, protects (and sometimes threatens) private industry cronies. W.H.I.A. is accountable only to the President—not Congress or the Courts. In fact, the Courts and the Patent Office tucked tail long ago.

W.H.I.A. operates totally outside Constitutional checks and balances. In reality, W.H.I.A. seems to answer only to designated "critical infrastructure partners" in Wall Street and Silicon Valley.

C.I.A., NSA AND FBI REPORT TO W.H.I.A.

Until this new research emerged, AFI investigators had concluded that an out-of-control C.I.A. was the agency that was scrambling our republican governmental processes. However, the last three American presidents have each used W.H.I.A. as their private White House intelligence operation.

W.H.I.A. MAKES NIXON'S PLUMBERS LOOK LIKE SCHOOL BOYS

Richard Nixon resigned over a bungled third rate burglary of the Democratic National Headquarters at the [Watergate](#) apartment complex in Washington, D.C. By contrast, Bill Clinton, George Bush and Barack Obama have each used W.H.I.A. to get what they wanted by subverting the checks and balances of the Constitution itself. Nixon's Plumbers look like school boys by comparison.

BILL CLINTON used these orders to invoke national security over the Monica Lewinsky scandal. He alleged that Monica worked for Israeli intelligence and that Bill was working her for counterintelligence. Who could prove him wrong since W.H.I.A. operates under the unilateral control of the President? Since W.H.I.A. never received Congressional authorization, no normal due process accountability structures exist.

GEORGE BUSH used W.H.I.A. to justify the second Iraq war, including the lies about weapons of mass destruction. It was on George's watch that W.H.I.A. stole Leader Technologies' social networking invention. The theft was led by W.H.I.A. progenitor, Professor James P. Chandler—Bill & Hillary's mentor and Leader's attorney. W.H.I.A. turned Leader's invention into a spy-state surveillance platform by luring users, including children. Facebook is just one of their many social creations.

BARACK OBAMA has used W.H.I.A. to fool Saul Alinsky's "Useful Idiot" masses into electing him, funding his campaigns and stonewalling efforts to get information from this Administration—the "most transparent administration in history."

NOW, HILLARY CLINTON relies on W.H.I.A. executive orders to justify her lies to Congress about Benghazi, her email servers and The Clinton Foundation, by its various names*

FIG. 3—QUEEN HILLARY acts lawlessly because Executive Orders issued by Bill, and perpetuated by George Bush and Barack Obama, give secret instructions to insiders to which Congress and the general public are not privy. Her mentor in this Executive Order oligarchy is George Washington Law Professor Emeritus, James P. Chandler. In 1996, Chandler deceived Congress into passing the False Statements Accountability Act of 1996, [Subsection \(b\)](#), that permits Hillary to lie to Congress with impunity. Chandler was Columbus innovator Leader Technologies,' patent attorney at the time he handed Leader's source code for social networking to IBM to start The Eclipse Foundation for use by the W.H.I.A.

3. [JUSTICE ROBERTS MENTORED](#) Facebook Gibson Dunn LLP attorneys.

4. [JUSTICE ROBERTS HOLDS](#) substantial Facebook financial interests.

5. [JUDGE LEONARD STARK FAILED](#) to disclose his Facebook financial interests and his reliance on Facebook's Cooley Godward LLP attorneys for his appointment.

BARACK OBAMA'S DARK POOLS OF CORRUPTION

[Click to enlarge](#)

13691, "Promoting Private Sector Cybersecurity Information Sharing." Both Holder and Kappos have moved to Cartel jobs since leaving Obama, as have many others in this White House.

EXECUTIVE BRANCH STONEWALLING EMANATES FROM W.H.I.A.

Obama's latest order is just the latest in a string of related orders he has issued since 2009. These orders have given the Attorney General (Eric H. Holder, Jr.) almost dictatorial powers over W.H.I.A.

Among these W.H.I.A. orders were authorizations to issue security clearances for commercial vendors, to classify and declassify documents by their own rules (Hillary's email server was not classified if she said so), and invoke executive privilege on information requested by subpoena and FOIA requests. W.H.I.A. appears to be the authority being used by the White House to stonewall Congress, Inspectors General and FOIA requests.

ORDERS ESTABLISHING W.H.I.A. ARE A RAT'S NEST OF LEGAL GOBBLEDYGOOK

The Executive Orders are chock full of bureaucratic legalese and gobbledygook. No human can decipher the nested references from one order to another. Consequently, they are an unscrupulous lawyer's playground, which appears to be by design.

For example (now stay with us):

TRANSCRIPT of Kelley Clements' stenographer's notes above:

paper presented to C.I.A. made public, provide the same to,

>programs of NIPLI [Chandler's National Intellectual Property Law Institute] as well as depth,

Reference to Nat'l Sec. Acad., no info on WWW [world wide web],

Chandler has faith in the government, JPC [James P. Chandler] enjoys his life in Montgomery County

Graphic: Chandler Notes.

Sec. 6. General Provisions. (a) This order does not change the requirements of Executive Orders 13526, 12968, 13467, or 12829, as amended, and their successor orders and directives.

(b) Nothing in this order shall be construed to supersede or change the authorities of the Secretary of Energy or the Nuclear Regulatory Commission under the Atomic Energy Act of 1954, as amended (42 U.S.C. 2011 *et seq.*); the Secretary of Defense under Executive Order 12829, as amended; the Director of the Information Security Oversight Office under Executive Order 13526 and Executive Order 12829, as amended; the Attorney General under title 18, United States Code, and the Foreign Intelligence Surveillance Act (50 U.S.C. 1801 *et seq.*); the Secretary of State under title 22, United States Code, and the Omnibus Diplomatic Security and Antiterrorism Act of 1986; or the Director of National Intelligence under the National Security Act of 1947, as amended, Executive Order 12333, as amended, Executive Order 12968, as amended, Executive Order 13467, and Executive Order 13526.

FIG. 6 - Executive Order No. 13549. (Aug. 18, 2010). Classified National Security Information Program for State, Local, Tribal and Private Sector Entities. Barack Obama. White House, p. 5. GPO.

Graphics: Government Printing Office.

A STUPID SMART LAW PROFESSOR CREATED W.H.I.A.

What would possess a Washington, D.C. insider to conceive of such a scheme and think he could get away with it? Only a well-healed national security law professor like James P. Chandler could keep an operation like this together and secret through three presidents.

Chandler is intelligent and cunning. He appears to be almost single handedly responsible for much of the racial agenda emerging from the White House. His oversized intellect keeps him ahead of most people. In Chandler's mind, payback would

indeed be a bitch, we believe.

Chandler was a Harvard Law professor. Barack Obama appears to be Chandler's Manchurian candidate. The same is true for two other Chandler protégés: Eric H. Holder, Jr. as Attorney General and IBM's David J. Kappos as Patent Office Director.

This doesn't even count Lawrence "Larry" Summers who was president at Harvard when Chandler, Fenwick & West LLP and James W. Breyer, Accel Partners LLP, came to him with the Leader Technologies' University Initiative, albeit repackaged as Facebook.

Summers hired his former Harvard student, Sheryl K. Sandberg, and fledgling Russian banker Yuri Milner as his researchers when he became Chief Economist at the World Bank in 1992. See [Summers-Sandberg-Milner Timeline](#). Does anyone think it is coincidence that Sandberg is Facebook's chief operating officer and Milner's Moscow, Russia investments drove Facebook's pre-IPO valuation to \$100 million by 2012?

Instead of doing the right thing, Breyer deployed his venture capital influence at the [National Venture Capital Association \(NVCA\)](#) to carve up and fund exploitation of Leader's invention into market-by-market pieces. Facebook for universities, LinkedIn for professionals, Instagram for pictures, Twitter for messages, Groupon for coupons, Zynga for games, Palantir for spy-state surveillance, athenahealth for medical offices. . . you get the picture.

It was a feeding frenzy. That's when 19-year old Mark Zuckerberg agreed to lie for them and be their Harvard front man in 2003.

Ethically, Chandler evidently prefers patent theft, subversiveness, deception and skin color over legal acumen, morals and common decency. . . all for the common good and national security, of course.

Chandler also appears to be the person within the White House who orchestrates the FOIA stonewalling that was recently revealed to the House Oversight Committee.

Washington, D.C. court records show that Chandler has been involved in at least three civil rights cases, one involving himself, and two his son. All three cases were complaints involving police. His case was settled and his son's were dismissed. This focus on race cases may help explain why the flames in Ferguson are fueled by well-financed outsiders. Chandler appears to have his largesse stashed in the Cayman Islands in James LLC, among others.

CHANDLER DEMANDS PUBLIC ADMIRATION

Chandler's recently leaked stenographer notes from 2002 revealed a Trump-sized self-promoter when he told Montgomery County, Maryland officials: "We do valuable work for our country and it is important for that to be understood and acknowledged." See Fig. 5.

CHANDLER FORMED THE ECLIPSE FOUNDATION IN 2001 WITH IBM, HIS GO TO W.H.I.A. TECHNOLOGY PROVIDER

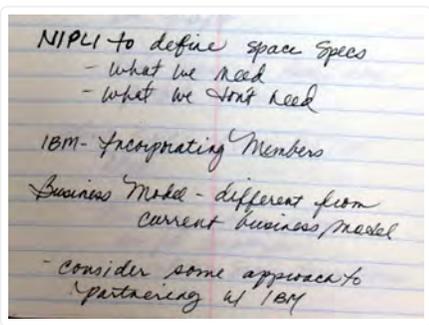

FIG. 7—On Aug. 30, 20002, [whistleblower information proved](#) that James P. Chandler was colluding with IBM (David J. Kappos, chief intellectual property counsel) and the U.S. Patent Office were colluding in the formation of The Eclipse, Foundation. Doug Duncan was Montgomery County, Maryland executive (mayor). Kappos was appointed director of the Patent Office by President Obama in a rare recess appointment on Aug. 07, 2009. Soon after, [Kappos converted all of his IBM stock to Vanguard stock](#). IBM's chief financial officer, Mark Loughridge, is now a director of Vanguard. Loughridge wrote the \$40 million "donation" check at IBM to fund The Eclipse Foundation on Nov. 29, 2001. [Chandler's whistleblown notes experts here](#); show he is starting to spend the Eclipse cash and recruit IBM partners without disclosing his conflicts of interest to his other client, Leader Technologies, Inc.

TRANSCRIPT of Kelley Clements' stenographer's notes above:

We have no reluctance to share info. with the County - DO NOT GO PUBLIC w/ this

We do valuable work for our country and it is important for that to be understood and acknowledged
-Doug Duncan is aware [Montgomery County, Maryland, Executive]

GIBSON DUNN LLP exposed as one of the most corrupt law firms in America

Investigative Reporter Julia Davis investigates Facebook's Leader v. Facebook attorney Gibson Dunn LLP. She credits this

firm with the reason why not a single Wall Street banker has gone to jail since 2008. [Click here](#) to read her article "Everybody hates whistleblowers." [Examiner.com, Apr. 10, 2012](#). Here's an excerpt:

"Skillful manipulation of the firm's extensive media connections allows Gibson Dunn to promote their causes, while simultaneously smearing their opponents and silencing embarrassing news coverage."

This statement followed right after Davis cited Facebook's chief inside counsel in the Leader v. Facebook case, Theodore Ulyot, who appears to have helped lead the Leader v. Facebook judicial corruption. Interesting word choices associated with Gibson Dunn LLP: manipulation, smear. Attorneys swear a solemn oath to act morally, ethically, and in support of democratic principles. They promise to conduct themselves in a manner than instills confidence among the citizenry in the rule of law and the judicial system. These promises appear to be meaningless. [Click here for a PDF version of Julie Davis' article](#).

GOVERNOR JOHN KASICH HOLDS MUCH STOCK IN OSU TRUSTEE PRIVATE INTERESTS

On Nov. 29, 2001, IBM and Chandler formed The Eclipse Foundation, ostensibly to become a repository for "contributed" IBM Open Source software, an oxymoron in itself.

IBM is the largest holder of patents on the planet. IBM does not do Open Source. What IBM did was receive was Leader's source code from Chandler, then IBM claimed Leader's invention as their own. In short, the Eclipse IDE (interface development environment) is Leader's invention.

The innovative elements of the Eclipse IDE were not IBM's and Chandler's property to give away.

BILL & HILLARY (AND BARACK) ARE PIED PIPERS FOR THE ECLIPSE FOUNDATION, FACEBOOK & W.H.I.A. AGENDA FOR GLOBAL DOMINATION—NO WONDER THEY RAISED \$2 BILLION (WITH A "B") FOR THEIR FOUNDATIONS!

An analysis of Hillary Clinton's 2009, 2010, 2011 and 2014 financial disclosures reveal a correlation between Eclipse Foundation members and Bill's speaking engagements over a 40-month period, 22 companies are direct members of Eclipse, while dozens others are financiers and customers of those Eclipse vendors that include Microsoft, Cisco, Salesforce.com, DocuSign, Verisign, CareerBuilder, Visa, McAfee, Deloitte & Touche, Oracle, UBS, AT&T, SAP, Deutsche Bank, Castlight Health, eBay, Qualcomm, Xerox, GE, Vanguard, Bank of America/Merrill Lynch, and Barclays. Over half of these companies are Facebook underwriters and beneficiaries. See [The Washington Post](#). [Return shortly to this post for a link to a spreadsheet being prepared to be linked here.]

HILLARY'S FINANCIAL DISCLOSURES CONTAIN CRIMINAL OMISSIONS

Prior to Hillary's appointment as Secretary of State in 2009, she submitted a financial disclosure on Jan. 05, 2009. However, her 2008, 2009 and 2010 disclosures have disappeared from the [Office of Government Ethics](#) website.

AFI obtained a copy nonetheless from [OpenSecrets.org](#). Click here for [Hillary Clinton's 2008 financial disclosure](#). Why did the White House block public access to Hillary's financial report, which had been public? It is evidently because she totally neglected to disclose her financial interests in her foundations.

Hillary failed to disclose her Clinton Foundation and PAC activities in any manner that an experienced attorney like her knows she should. For example, here is the extent of her now concealed 2008 disclosure:

1	The Clinton Family Foundation, Chappaqua, NY	Non-profit Charity	Secretary/Treasurer	12/2001	Present
2	William Jefferson Clinton Irrevocable Life Insurance Trust	Life Insurance Trust	Trustee	07/1996	Present

FIG. 9—HILLARY R. CLINTON'S only disclosure about her foundations in her 2008 financial disclosure. The disclosure omits the tens of millions accumulated to her benefit by Bill Clinton's speaking fees, which averaged \$117,000 per event. Such nondisclosure is illegal, if it was a knowing omission intended to deceive the public.

Hillary did not disclose a single dollar of financial interest associated with her foundations or PACs. However, according to [The Washington Post](#), Bill and Hillary have raised over \$2 billion for the foundations. Propriety dictates that such enormous cash flow must be disclosed. Failure to disclose is not inadvertent, but obviously willful, and therefore criminal.

Bill Clinton has made over \$104.9 million in speeches since leaving office in 2001 to promote The Eclipse Foundation and W.H.I.A, also according to [The Washington Post](#). Hillary disclosed nothing about the financial's of her foundations in 2008. Perhaps this explains why the White House has removed that report from the Office of Government

FIG. 8—IBM Eclipse Foundation Members, page 1, prepared as of Sep. 09, 2008 and reported to the Board of Directors on Sep. 17, 2008. Click here for image of page 2.

FIG. 10—HILLARY R. CLINTON'S FINANCIAL DISCLOSURES (2000–2015).

Public Data Sources: U.S. Office of Government Ethics (OGE); [OpenSecrets.org](#).

CHRISTINA M. CHEN, HILLARY'S CHIEF OF STAFF, IS EQUALLY DECEPTIVE

The financial disclosure for Christina M. Tchen, Hillary's chief of staff, has also disappeared from the OGE website. However, AFI was able to obtain a copy from a whistleblower. Click here for [Christian M. Tchen 2008 Financial Disclosure](#).

Tchen apparently couldn't get a good scanner on her \$2.2 million Skadden Arps LLP annual Chicago lawyer salary before coming to work at the White House. Here is her disclosure in regular and zoomed modes:

Tina M. Tchen Disclosure @ 100% (full size) Magnification (illegible):

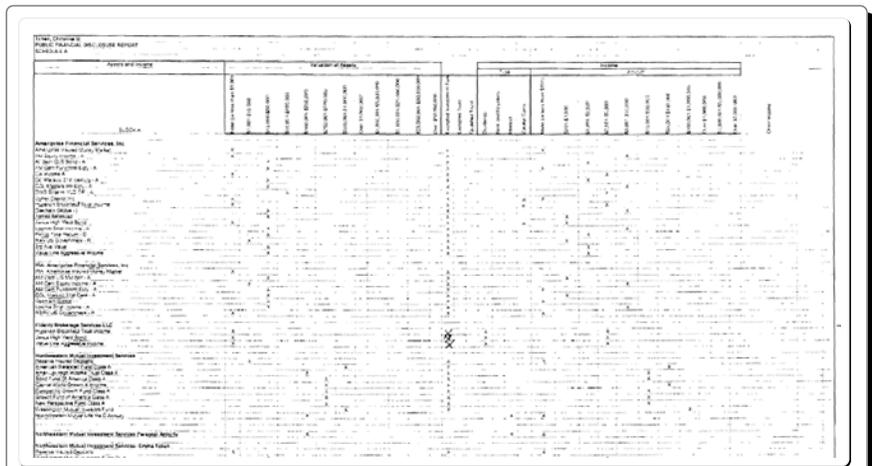

FIG. 11—CHRISTINA TCHEN 2008 FINANCIAL DISCLOSURE. Tchen was Hillary Clinton's chief of staff. She was formerly employed at Skadden Arps LLP in Chicago. Skadden Arps has a sullied reputation as an uber-corrupt law firm.
Data: [U.S. Office of Government Ethics \(OGE\)](#).

Tina M. Tchen Disclosure @ 200% (2x) Magnification (still almost unreadable):

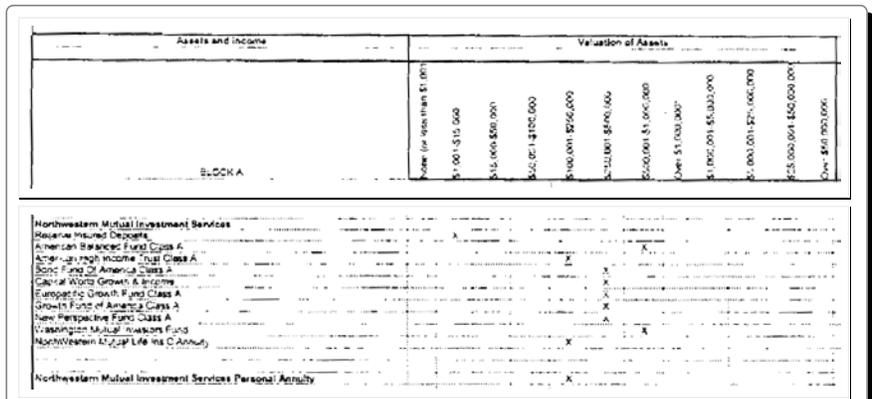

FIG. 12—CHRISTINA TCHEN 2008 FINANCIAL DISCLOSURE. Tchen's disclosure is intentionally obscured and almost unreadable. One can just make out that her salary at Skadden Arps LLP law firm before becoming Hillary Clinton's chief of staff was \$2.2 million per year. Apparently, Skadden Arps' scanner was on the fritz the day Ms. Tchen prepared her financial disclosure for public review.
Data: [U.S. Office of Government Ethics \(OGE\)](#).

OUR MISSION

American citizens must fight abuse of the constitutional right for authors and inventors to enjoy the fruits of their inventions, as a matter of matter of basic property rights and sound public policy. Otherwise, instead of innovation, creativity, genius, ideas, vision, courage, entrepreneurship, respect, property, rejuvenation, morals, ethics, values, renewal, truth, facts, rights, privacy, solutions and judicial faithfulness,

. . . our society and economy will be dragged down (and eventually destroyed) by copying, infringement, thievery, counterfeiting, hacking, greed, misinformation, exploitation, abuse, waste, disrespect, falsity, corruption, bribery, coercion, intimidation, doublespeak, misconduct, lies, deception, attorney "dark arts," destruction, confusion, dishonesty, judicial chicanery and lawlessness.

If we do not speak up, impeach derelict judges and imprison corrupt attorneys, we cannot possibly hope to start fixing the current ills in our society. Without justice and respect for private property, democracy has no sure foundation.

CURRENT EDITORIAL FOCUS

We are an opinion blog that advocates for strong intellectual property rights. We welcome commenters and contributors. The Leader v. Facebook patent infringement case first came to our attention after learning that the trial judge, Leonard P. Stark, U.S. District Court of Delaware, ignored his jury's admission that they had no evidence to support their on-sale bar verdict, but the judge supported it anyway.

The judicial misconduct has deteriorated from there, replete with two of the three judges on the Federal Circuit appeal panel, Judges Alan D. Lourie and Kimberly A. Moore, holding Facebook stock that they did not disclose to the litigants, and later tried to excuse through a quick motion slipped in at the last minute by the Clerk of Court, Jan Horbaly, and his close friends at The Federal Circuit Bar Association. (The DC Bar subsequently revealed that Mr. Horbaly is not licensed to practice law in Washington D.C.)

The judges ignored **shocking new evidence** that Mark Zuckerberg withheld 28 hard drives of 2003-2004 evidence from Leader Technologies that could prove actual theft (and therefore claims even more serious than infringement). In addition, Facebook's appeal attorney, Thomas G. Hungar of Gibson Dunn LLP, has close personal ties to just

An AFI researcher studied the Tchen's disclosure until her eyes bled. (Eyes folks, eyes [inside joke for those following Donald Trump's dust up with FoxNews' Megyn Kelly].) She determined that Tchen worked for Skadden Arps LLP. Skadden Arps currently represents JPMorgan in Dr. Lakshmi Arunachalam's patent infringement battle. Arunachalam-Pi-Net v. JPMorgan. Skadden has been proven to lie for JPMorgan in every court filing and in front of the judge.

One judge in that case, [Richard G. Andrews](#), actually admitted on the record that he holds JPMorgan stock, yet still refused to disqualify himself, citing the "safe harbor rule," which is not a rule or even an opinion. The [Advisory](#), where it appears (p. 200) refers to it merely as a "concept" with four pages of exceptions. Earlier in the advisory, in [Section 20 on page 24](#), it says that even one share of stock held by a spouse requires a judge to recuse! And, yet, these corrupt judges have created their excuse and they're sticking too it. Tchen's association with the crooked Skadden Arps law firm speaks volumes about her ethical standards brought to Hillary and The White House.

Tchen disclosed that her salary at Skadden Arps in Chicago was \$2.2 million per year. She also disclosed that had up to \$8,725,000 in financial holdings.

Hillary's chief of staff, a seasoned attorney, filed an illegible financial disclosure by accident? Um, uh huh.

CHANDLER'S GREED, ARROGANCE & NARCISSISM

In conclusion, Bill & Hillary work for the W.H.I.A. Eclipse Cartel. This Cartel stole Leader Technologies' social networking patent, gave it to IBM, Eclipse and Facebook, used it get Barack Obama funded and elected, twice. Obama's social networking cronies have been raping and pillaging ever since.

The NSA has exploited the user data of the world's children, then lied about it to Congress. It took a brave whistleblower named [Edward Snowden](#) to reveal the truth about this illegal activity.

It took another brave whistleblower, HSBC Swiss [Hervé Falciani](#), to reveal that this Cartel is cavorting with drug and arms dealers in offshore banks to hide their illegal activity.

NEW: It took the bravery of [Julian Assange and WikiLeaks](#) to blow the whistle on Austin-based Stratfor by releasing five million emails from this C.I.A. disinformation front. These documents validated that Facebook was founded and funded by the C.I.A. and this same group of technology providers and banks cavort with the arms and drug leaders exposed by Falciani. See previous post: [Facebook started by C.I.A. as spy-state tool](#).

The current bastardization of Leader Technologies' social networking invention by the Eclipse Foundation cartel started when a previously well-respected law professor, James P. Chandler, who ignored his ethical oath, betrayed his client, then sold his soul for thirty pieces of silver.

Like [Narcissus](#), Professor Chandler's admiration of himself will likely be his undoing. He does not appear to be as smart as advertised, in our opinion.

Whistleblowers we await your additional revelations! If you wait too long, your information

FIG. 13—CHRISTINA M. TCHEM.

Hillary Clinton's chief of staff, former partner at the corrupt Skadden Arps LLP international law firm. Despite her \$2.2 million salary at Skadden, she had difficult scanning her, cough, financial disclosure before working for The People.

Photo: Wikipedia.

FIG. 14—PROFESSOR JAMES P. CHANDLER, III, THE OBAMA ADMINISTRATION'S LEGAL AND INTELLIGENCE W.H.I.A. SPY MASTER. Chandler is uniquely qualified to have directed the unholy W.H.I.A. IBM Eclipse Foundation alliance among Silicon Valley, Wall Street, the NSA and the Justice Department during the Obama administration.

Ironically, Chandler is the author of the Economic Espionage Act of 1996 and the Federal Trade Secrets Act. Chandler was a law professor at Harvard Law. He is a mentor to U.S. Attorney General Eric H. Holder, Jr. and David J. Kappos, former IBM chief intellectual property counsel and later director of the U.S. Patent Office. Chandler has also advised U.S. Attorneys like Preetinder Bharara (U.S. v. Ceglia) on trade secrets and economic espionage. Apparently that advice extended beyond how to defend against it . . . all in the name of "national security," of course, including the NSA's exploitation of Facebook customer data and exploitation of children.

Photos: NIPLI.org

about every judicial player in this story. The misconduct appears to reach into the U.S. Patent Office through abuse of the reexamination process by Facebook. We will stay focused on Leader v. Facebook until justice is served, but we also welcome news and analysis of intellectual property abuse in other cases as well.

WELCOME TO DONNA KLINE NOW! READERS!

AFI has been supporting Donna and is now picking up the main Leader v. Facebook coverage (she will continue coverage as well).

NEW, AUG. 15, 2015

HILLARY & BILL CLINTON SPEAKING FEES BETWEEN 2001-2015 FROM IBM ECLIPSE FOUNDATION MEMBERS

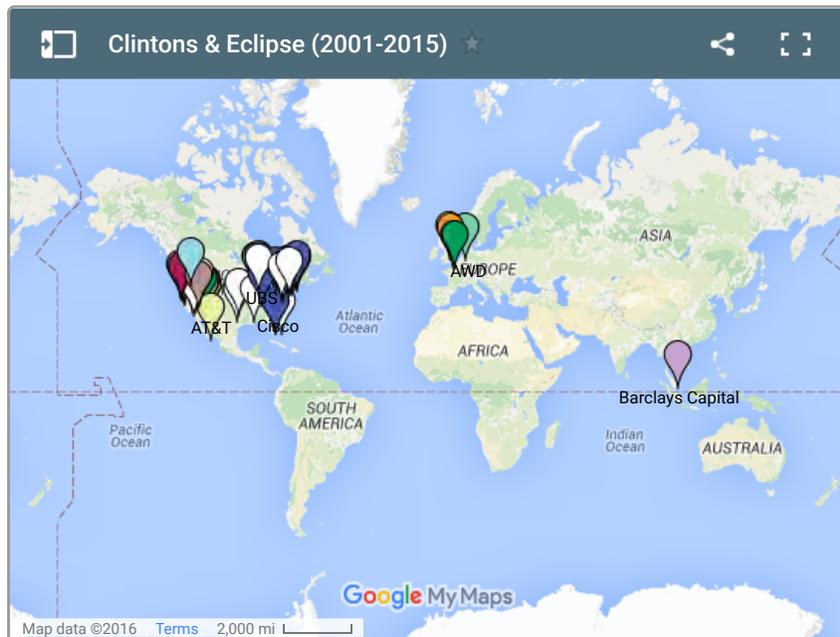

FIG. 15—Between 2001 and 2015, Bill & Hillary Clinton disclosed in public financial disclosures that they have been paid \$15.5 million from 75 events (\$206,000 average) for IBM Eclipse Foundation members. Overall, they have been paid \$117 million from 593 events (\$117,000 average). The Eclipse IDE (Interface Development Environment) is based on the inventions of Columbus, Ohio innovator, Leader Technologies, that were stolen and shuffled to IBM and Eclipse for exploitation by the C.I.A., NSA and W.H.I.A. in general by James P. Chandler, who in 2001 was intellectual property patent counsel to both IBM and Leader Technologies. Click here for Hillary & Bill Clinton 2001-2015 IBM Eclipse Foundation Member Speaking Fee Summaries: [Excel Spreadsheet \(*.xlsx\)](#). Click here for a [PDF Version](#).

IBM Eclipse Members from whom Bill & Hillary Clinton received \$15.5 million in speaking fees between 2001 and 2015: AT&T, Autodesk, AWD, Bank of America, Barclays Capital, BBC, CareerBuilder.com, Castlight Health, Cisco, Citigroup, Credit Suisse, Dell Deloitte & Touche, Deutsche Bank, DocuSign, eBay, Experian, Fiserv, GE, Goldman Sachs, IBM, JPMorgan, KPMG, McAfee, McKinsey, Merrill Lynch, Microsoft, Morgan Stanley, Oracle, PeopleSoft, PriceWaterhouse, Qualcomm, Salesforce.com, Samsung, SAP, UBS, Vanguard, VeriSign, Visa, Vista Equity, White & Case and Xerox.

CODE OF CONDUCT FOR U.S. JUDGES

"CANON 2: A JUDGE SHOULD AVOID IMPROPRIETY AND THE APPEARANCE OF IMPROPRIETY IN ALL ACTIVITIES"

GALLERY OF JUDICIAL MISCONDUCT

Judge Leonard P. Stark, U.S. District Court of Delaware, trial judge in Leader Techs, Inc. v. Facebook, Inc., 770 F. Supp. 2d 686 (D.Del. 2011). Judge Stark heard his jury foreman admit that the jury made the on-sale bar decision without any evidence other than speculation, and yet he supported that verdict anyway. Just months before trial, Judge Stark allowed Facebook to add the on-sale bar claim after the close of all fact discovery and blocked Leader from preparing its defenses to this new claim. Judge Stark allowed the claims despite Leader's prophetic argument that the action would confuse the jury and prejudice Leader. He also permitted the jury to ignore the Pfaff v. Wells Electronics, Inc. test for on-sale bar, even after instructing the jury to use it. ([See that Jury Instruction No. 4.7 here.](#)) He also contradicted his own instruction to Leader to answer Interrogatory No. 9 in the present

Email comment by TEX:

My gal Friday, Flavia, bounced in the office this morning and said, " they will never prosecute Hillary, she knows too much. She will squeal like a little pigshe has something nefarious on everyone in the cartel. ". Bingo !!! But they (the DOJ) have to play the game, nonetheless. It will be a quick DOJ review of her emails, and , wahla , a proclamation of innocence. The big danger for the cartel is the FBI. They seem to be outside the control of Chandler, Obama, Clinton, the DOJ, et al. It is clear that the Obama's , especially man/woman Michelle, do not care for Hillary. If the FBI pursues Hillary's obvious criminality, she will sing like a full throated warbler. You think the Donald can get ugly, you ain't seen nothing yet. This big ball of yarn has a loose end, and Mr Gowdy and the boys are going to pull that string into hell for the Clintons . I can't get this smile off of my face.....

Have a great day, TEX

PS. Flavia didn't say nefarious. I made that up . She used a potty mouth word. She thinks nefarious is a ride at the Fair.

AT&T Helped U.S. Spy on Internet on a Vast Scale

Angwin, J., Savage, C., Larson, H., Moltke, H., Poitras, L., Risen, J. (Aug. 15, 2015). AT&T Helped U.S. Spy on Internet on a Vast Scale. The New York Times.

<http://www.nytimes.com/2015/08/16/us/politics/att-helped-nsa-spy-on-an-array-of-internet-traffic.html>

According to the map just published above:

<http://americans4innovation.blogspot.com/2015/08/hillary-bill-shill-for-secret.html#clinton-eclipse-speech-map>

Bill Clinton was paid \$225,000 by AT&T to speak at an event in Tucson on Nov. 20, 2014. Judging from the NSA documents cited in the Times article, Bill was a prime mover in the current global snooping. Also, we noted in the slides that the NSA relies heavily on that 2008 FISA amendment (FAA) that Chandler pushed through weeks after Obama was elected in 2008 and six weeks before Eric Holder was appointed in earlier 2009. That amendment gave Holder almost dictatorial powers. AFI has written about that Amendment at:

<http://americans4innovation.blogspot.com/2014/07/eric-holder-exploits-secret-fisa-laws.html>

K. Craine  August 18, 2015 at 10:09 AM

Given the central role of the Secretary of State in Obama's secret national security infrastructure, created by Executive Orders, Presidential Policy Directives (PPDs) and Homeland Security Policy Directives (HSPDs), it is inconceivable that Hillary Clinton did not receive and respond to secret and top secret communications in her 60,000 emails. That is, unless Chelsea's wedding rivaled organizing for the Olympics!

For example, here is just one Top Secret PPD-20 leaked by Edward Snowden pulling back the covers on Obama's spy state:

U.S. Cyber Operations Policy, PPD-20 TOP SECRET:

<http://www.fbcoverup.com/docs/library/2012-10-16-PPD-20-Presidential-Policy-Directive-20-US-Cyber-Operation-Policy-Marked-TOP-SECRET-Oct-16-2012.pdf>

<http://fas.org/irp/offdocs/ppd/ppd-20.pdf>

Westwood, S. (Aug. 17, 2015). State Dept. uncovers 17,000 missing emails. Washington Examiner.

tense (2009), then permitted the jury to interpret it as a 2002 admission as well. Facebook's entire on-sale bar case is based upon this interrogatory. (Editorial: Hardly sufficient to meet the "heavy burden" of the clear and convincing evidence standard.)

Judge Alan D. Lourie, U.S. Court of Appeals for the Federal Circuit, panel judge in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Judge Lourie stood to benefit financially from undisclosed holdings in Facebook. [See analysis of Judge Lourie's T. Rowe Price holdings re. the Facebook IPO.](#)

Judge Lourie also failed to apply his own law-test in *Group One v.*

Hallmark Cards to the evidence. After debunking all of Facebook's evidence on appeal, Judge Lourie created new argument in the secrecy of chambers to support Facebook and prevent the on-sale bar verdict from being overturned—a clear breach of constitutional due process.

Judge Kimberly A. Moore, U.S. Court of Appeals for the Federal Circuit, panel judge in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Judge Moore stood to benefit financially from undisclosed holdings in Facebook. [See disclosure of substantial holdings in Facebook and Facebook-related stocks.](#) Judge Moore failed to follow the long-held precedent for testing on-sale bar evidence in *Pfaff v. Wells*

Electronics, Inc.—an evident and intentional omission coming from a former patent law professor. After debunking all of Facebook's evidence on appeal, Judge Moore created new argument in the secrecy of chambers to support Facebook and prevent the on-sale bar verdict from being overturned—a clear breach of constitutional due process.

Judge Evan J. Wallach, U.S. Court of Appeals for the Federal Circuit, member of the three-judge panel in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Judge Wallach is not a patent attorney. This begs the question as to why a judge with no knowledge of patent law was assigned to the case. Would anyone ask a dentist to perform brain surgery? The Federal Circuit was specially formed to appoint patent-knowledgeable judges to patent cases. There is no evidence so far in the judicial disclosures that Judge Wallach holds stock in Facebook, although when he was asked on a motion to disclose potential Facebook holdings and other conflicts of interest, he refused along with the other judges. See *Motion to Disclose Conflicts of Interest*. Judge Wallach continued

in silence even after Clerk of Court Horbaly failed to provide him with Dr.

Lakshmi Arunachalam's motions (according to his Federal Circuit staffer Valeri White), and yet the Clerk signed an order regarding that motion on Judge Wallach's behalf. [See a full analysis of these events at Donna Kline Now!](#) Judge Wallach also failed to police his court's violation of Leader's Fifth and 14th Amendment constitutional right to due process when he participated in the fabrication of new arguments and evidence for Facebook in the secrecy of judge's chambers after he had just invalidated Facebook's sole remaining item of evidence (using disbelieved testimony as ostensible evidence of an opposite). Judge Wallach also failed to police his court when he failed to apply the Supreme Court's *Pfaff v. Wells Electronics, Inc.* test for on-sale bar evidence, which included even the Federal Circuit's own *Group One v. Hallmark Cards, Inc.* test—a test which Judge Lourie should have advised Judge Wallach to follow since Judge Lourie helped write that opinion. [Group One test omission analysis.](#)
