ESTABLISHMENT CANDIDATES HAVE PROVEN THEMSELVES UNTRUSTWORTHY

ABUSES OF PRIVACY, PROPERTY, FRAUD AND GREED DRIVE THEIR PLATFORMS. AMERICANS NO LONGER BELIEVE THEIR LIES.

CONTRIBUTING WRITERS | OPINION | *AMERICANS FOR INNOVATION* | MAR. 14, 2016 | PDF

FIG. 1 – MITT ROMNEY, HILLARY CLINTON & their Wall Street donors and investment managers have contributed equally to the toxic level of distrust in both political parties. The average American is in revolt against these scoundrels who have corrupted American business and politics to consolidate their wealth into the top 1/10th of 1 percent.

(MAR. 14, 2016)—Pundits scratch their heads at why outsiders like Donald Trump and Bernie Sanders are doing so well in the 2016 popular vote. We believe the reason is that Americans no longer trust the “establishment” candidates in either party.

The lies are well known. Obama lied about Obamacare. Hillary Clinton lied about Benghazi

and her private email. Hillary obstructed justice in *Leader v. Facebook* while she promoted Facebook inside the U.S. State Department. Mitt Romney hid his investments in Obama's energy stimulus. Mitch McConnell and John Boehner flip flopped like wet dish rags after the Republicans gained a majority in 2014. Voters across the board believe they are being lied to and manipulated.

THIEVES AND SCOUNDRELS DRESSED UP AS "ESTABLISHMENT ELITES"

The following chart illustrates the problem (Fig. 3). It shows how both the Democratic and Republican establishments are **secretly united against the interests of the Republic**.

The recent Republican meeting on a private Georgia resort unmasked their contempt for the American voter. Mark Halperin's SHOWTIME special captured Ed Rogers, former Reagan and Bush adviser, puzzling over Donald Trump's popularity, said of Donald Trump, "All he has going for him is a lot of votes."

Ahhhemmm, the last time we checked the votes of "We The People" are supposed to govern our democratic Republic. This cynical comment from a former White House adviser proves what more and more voters now conclude: that elected officials use voters to get elected, then march to the tune of their financial handlers . . . into great wealth for them and their cronies. That's the game, and Bernie Sanders and Donald Trump are right. It is a rigged system. The chart below proves it. And, the perpetrators are robbing all of us of our liberty, property and privacy to gain power.

FIG. 2—Mark Halperin, MSNBC political analyst, interviewed members of the Republican Establishment on their views of 2016 presidential candidate Donald Trump. Ed Rogers, former Reagan and Bush adviser, expressed his disdain for the views of the voting public (@49secs). Video: The Circus.

We chose to illustrate the financial holdings and related relationships of five prominent Democratic and Republican players: Hillary and Bill Clinton, Mitt Romney, John Boehner and Mitch McConnell. **This vividly illustrates their common taskmasters.**

WHAT CAN YOU DO?

Resist in any way you can. Dismiss untrustworthy candidates and their crony bureaucrats. Start stepping away from the cliff's edge. Get your feet planted on firm moral ground. Americans have allowed themselves and the Constitution to be compromised. That acquiescence must stop. Knowledge is power. [NOTE: For example, stop using Facebook and comparable social platforms. Stop backing corrupt politicians. Vote for people who may start cleaning up our corrupt government . . .]

Here is yet another example of the utter arrogance of this Administration. Eric Holder called blockage of President Obama's Supreme Court nominee the "height of arrogance." Excuse me. This is the man who allowed the NSA to collect phone and internet data on

FIVE CRITICAL AFI POSTS ON JUDICIAL COMPROMISE

Fully updated Mar. 25, 2014 in the wake of the Scribd censorship:

1. HOW PATENT JUDGES GROW RICH ON THE BACKS OF AMERICAN INVENTORS

Patent Office filings are shuffled out the USPTO backdoor to crony lawyers, banks and deep-pocket clients.

2. WAS CHIEF JUSTICE ROBERTS BLACKMAILED into supporting Obamacare by his ethical compromises in Leader v. Facebook?

3. JUSTICE ROBERTS MENTORED Facebook Gibson Dunn LLP attorneys.

4. JUSTICE ROBERTS HOLDS substantial Facebook financial interests.

5. JUDGE LEONARD STARK FAILED to disclose his Facebook financial interests and his reliance on Facebook's Cooley Godward LLP attorneys for his appointment.

all Americans without a warrant -- an action that was declared ILLEGAL. This is the man who picked and chose what laws he would enforce. This is the man who gave arms to Mexican drug smugglers that got U.S. Border Agent Brian Terry murdered.

Eric Holder should be muzzled, then jailed for his criminality.

Proving the premise of this post that "establishment" Repubs and Democrats are secretly aligned to feed each other, check this out about Ohio Governor John Kasich, who just had Mitt Romney and Senator Rob Portman (Cartel suck ups) stumping for him yesterday:

Pfeiffer, A. (Mar. 14, 2016). Soros Associate Gives \$200,000 To Pro-Kasich Super PAC. The Daily Caller.

The fact that George Soros loves Republican establishment candidates tells all.

STOP FACEBOOK PROPERTY THEFT

WILL HUMANK ND EVER LEARN? Facebook's Orwellian doublespeak about property and privacy (theft) merely repeats the eventual dehumanization of the individual under MAO's Red Star, Stalin's SOVIET Hammer & Cycle and Hitler's NAZI Swastika. Respect for the inalienable rights of each individual is a bedrock value of democracy. The members of the Facebook Cabal abuse this principle at every opportunity. They evidently believe that they deserve special privileges and are willing to lie, cheat and steal in order to treat themselves to these privileges.

ASK CONGRESS: PASS THE INVENTOR PROTECTION ACT!

LEADER TECHNOLOGIES
Inventor Protection Act
(Proposed)

America needs to practice what it preaches.

We have no business lecturing the world about free enterprise and the rule of law, when we permit the investors in Ohio-based innovator Leader Technologies to go uncompensated for the risks they took to help invent social networking . . .

—a technology upon which the President and U.S. government now rely;

—a technology *stolen* by the "Facebook Cabal" who recruited the federal courts and Patent Office into their club of corruption.

Rescind. Investigate.
Sanction. Certify.

Contact your representatives. Ask them to pass it.
Real American inventors need your support.
