# JFK: DISMANTLE THE ROGUE C.I.A.

## WILL WE CHOOSE ACCOUNTABILITY TO GOD OR ENSLAVEMENT TO BULLIES?

## MANY NSA AND C.I.A. WHISTLEBLOWERS CONFIRM JFK'S WARNING

CONTRIBUTING WRITERS | OPINION | AMERICANS FOR INNOVATION | MAY 09, 2017 | PDF

FIG. 1: PRESIDENT JOHN F. KENNEDY SAW THE EVIL NATURE OF THE C.I.A IN THE 1960'S. TODAY, NOTHING HAS CHANGED, AND THE C.I.A. CONTINUES UNCHECKED.

The whistleblowers cited below confirm that the C.I.A., in likely collusion with the Chicago mob and Vice President Lyndon B. Johnson, assassinated President Kennedy and covered it up. Of course, an age-old disinformation tactic labels such information as "conspiracy theory." The tactic is repeated to this day because it works to discredit truth tellers. However, the fact is, President Kennedy was killed soon after making this statement. Coincidence? In President Kennedy's day, the official Deep State media narrative was controlled by the TV networks ABC, CBS and NBC. Today by contrast, cable news, as well as the alternative media, can now provide more truthful alternatives to the sycophant mainstream. As a result, America today has a **unique historical opportunity to stop the global tyranny of this rogue C.I.A.** before it completely takes over global communications infrastructure and snuffs out competitors.

 This timeline shows how insiders sell access & manipulate politicians, police, intelligence, judges and media to keep their secrets

Clintons, Obamas, Summers were paid in cash for outlandish speaking fees and Foundation donations. Sycophant judges, politicians, academics, bureaucrats and media were fed tips to mutual funds tied to insider stocks like Facebook. Risk of public exposure, blackmail, pedophilia, "snuff parties" (ritual child sexual abuse and murder) and Satanism have ensured silence among pay-to-play beneficiaries. The U.S. Patent Office is their toy box.

(MAY 09, 2017)—Have Americans become cowards?

Is America's Judeo-Christian spiritual heritage vanquished?

Are we so addicted to TV binge watching that we will sacrifice our Republic in exchange for perpetual titillation?

Why do we so readily ignore the destructive jihadi foundations of Islam? Why are we so accepting of the unholy alliance between the radical left and jihadi Islamists? Are these seemingly unlikely allies playing our traditional Judeo-Christian culture like a fiddle? (Yes.)

How many C.I.A. / FBI / NSA whistleblowers do we need before the American people will **wake up and take action**? Edward Snowden is just one of our patriots. This article highlights others below.

## COURAGE

The video testimony of the following NSA and C.I.A. senior whistleblower agents is available below:

1. FBI: [Ted L. Gunderson](#)
2. NSA: [William Binney](#)
3. CIA: [Kevin Shipp](#)
4. CIA: [Robert David Steele](#)
5. CIA: [Susan Lindauer](#)

Perhaps former decorated C.I.A. Agent Kevin Shiff said it best:

"The United States Constitution is the supreme law of the land. It supercedes every other law in the US criminal justice system and the judicial branch. That's worth remembering. When the US government violates the Constitution, they are committing multiple felonies based on the foundation of our government."

Regarding the C.I.A. secrecy and fraud: "The Founding Fathers wrote document after document after document saying the Constitution was created to protect the people from the tyranny of government because government will go evil every time. That's its nature."

"The Bill of Rights was not written to govern the people. It was written to protect the people from the tyranny of government."

... That's our government. They want us to be scared of them with this big mean face, but they're a bunch of little tiny bureaucrats pulling levers trying to make you afraid of them ... the only thing that is going to change this is courage."

JFK: DISMANTLE THE ROGUE C.I.A.

# BENJAMIN FRANKLIN: "A REPUBLIC, IF YOU CAN KEEP IT."

In an unprecedented departure from history, America's Founders placed all political power in the hands of "We the People. "

America's Founders implemented a radical departure from the rule of men. In the American Republic, all government activity derives its power from The People.

However, even Benjamin Franklin expressed some doubt about the will of We the People to maintain and nurture the responsibility that comes with power. When asked by a politically active Philadelphian, Mrs. Powel, "What kind of government the Founders had given us?" Mr. Franklin replied, "A Republic, if you can keep it."

As Shipp emphasized, the U.S. Constitution was written to protect the People from the tyranny of government, not to protect government from the power of The People.

When The People fear the government, tyranny rules.

When the government fears the people, freedom rules.

## FREEDOM IS NOT POLITICAL

However, the current state of affairs in America should raise the alarm for all freedom-loving people of every race, creed, color and political leaning left to right.

The pace of whistleblowing about an **uncontrolled global spy state** has increased exponentially. Do we really need more evidence than we already have?

Indeed President Kennedy warned about the dangers of our current surveillance state and collusion with the mainstream media "fake news" on [Apr. 27, 1961](#) in his address to the American Newspaper Publishers Association:

The very word "secrecy" is repugnant in a free and open society; and we are as a people inherently and historically opposed to secret societies, to secret oaths and to secret proceedings. We decided long ago that the dangers of excessive and unwarranted concealment of pertinent facts far outweighed the dangers which are cited to justify it.

This post reviews some of the more prominent contemporary whistleblowers:

# FBI: TED L. GUNDERSON

FBI Special Agent In Charge Ted Gunderson was an FBI superstar. He was chief of the Dallas, Memphis and Los Angeles FBI Offices. He was a candidate for FBI Director in 1979. He spent his retirement exposing the profound corruption within of the American intelligence community in collusion with the political and commercial establishment.

"Let me tell you something ladies and gentlemen, there are people in our government, a rogue outfit, whatever I'm not sure, who are actually behind these terrorist acts. The reason they're behind terrorist acts is so they can pass bills like the Patriot Act. The reason the Congressmen and Senators vote for these stupid bills, stupid by our terms, in our definition, is because many of them have been set up and framed through sex and drugs."

William Binney was the chief architect of the NSA system until 2001. He resigned after discovering that a secret group within the NSA was collecting metadata and content intelligence on American citizens in clear violation of the law that prohibits the NSA from spying on Americans.

## STOP FACEBOOK PROPERTY THEFT

WILL HUMANKIND EVER LEARN? Facebook's Orwellian doublespeak about property and privacy (theft) merely repeats the eventual dehumanization of the individual under MAO's Red Star, Stalin's SOV ET Hammer & Cycle and Hitler's NAZI Swastika. Respect for the inalienable rights of each individual is a bedrock value of democracy. The members of the Facebook Cabal abuse this principle at every opportunity. They evidently believe that they deserve special privileges and are willing to lie, cheat and steal in order to treat themselves to these privileges.

## ASK CONGRESS: PASS THE INVENTOR PROTECTION ACT!

**LEADER TECHNOLOGIES**  
**Inventor Protection Act**  
 (Proposed)

America needs to practice what it preaches.

We have no business lecturing the world about free enterprise and the rule of law, when we permit the investors in Ohio-based innovator Leader Technologies to go uncompensated for the risks they took to help invent social networking . . .

- a technology upon which the President and U.S. government now rely;
- a technology *stolen* by the "Facebook Cabal" who recruited the federal courts and Patent Office into their club of corruption.

*Rescind. Investigate. Sanction. Certify.*

**Contact your representatives. Ask them to pass it.**  
*Real American inventors need your support.*

"It had never occurred to me that our entire intelligence community was a fraud. Never mind all the atrocities, OK? Never mind the drone assassination program that kills 98% innocents, or the torture and rendition program, or the fact that we bribe people for a living, OK? Never mind all that. The fact is the U.S. intelligence community is a fraud. And now, it's a dangerous fraud because, since 9/11, NSA has basically been surveilling, spying on all U.S. politicians, and CIA has been blackmailing U.S. politicians, including Senator John McCain and Senator Lindsey Graham.

Susan Lindauer was a C.I.A. Asset. She was the liaison between the U.S. government and the Libyan and Iraqi governments, via their UN Missions, at the time when the U.S. did not have formal diplomatic contacts. She revealed that it was common knowledge within the senior Bush Administration that plans were being made to fly jets into the World Trade Center as early as April 2001. She further testified that demolition explosives were placed inside the Towers to ensure their controlled collapse. She agrees with FBI Agent In Charge Ted Gunderson that the World Trade Center was intended to be a Pearl Harbor-like event to push passage of The Patriot Act.

[Examiner.com, Apr. 10, 2012](#). Here's an excerpt:

"Skillful manipulation of the firm's extensive media connections allows Gibson Dunn to promote their causes, while simultaneously smearing their opponents and silencing embarrassing news coverage."

This statement followed right after Davis cited Facebook's chief inside counsel in the Leader v. Facebook case, Theodore Ulyot, who appears to have helped lead the Leader v. Facebook judicial corruption. Interesting word choices associated with Gibson Dunn LLP: manipulation, smear. Attorneys swear a solemn oath to act morally, ethically, and in support of democratic principles. They promise to conduct themselves in a manner than instills confidence among the citizenry in the rule of law and the judicial system. These promises appear to be meaningless. ## HOPELESSLY BRAINWASHED, OR READY TO FIGHT FOR OUR RIGHTS?

Will humanity turn over its will to this global technocratic tyranny?

Is humanity already so brainwashed by the mainstream media and education propaganda machines that this tyranny is an inevitability?

Time will tell.

The Bible in [The Book of Genesis 1:27](#) says human beings are made in the image and after the likeness of God:

"And God created man in His own image, in the image of God He created him; male and female He created them."

## RESPECT

Since the stamp of the Almighty is imprinted on the heart of every human being, that person is deserving of respect for that image of God stamped on his or her soul, no matter who they are. This is a theological essence of both Judaism and Christianity.

## BY CONTRAST, TO A TECHNOCRAT YOU ARE A WASTE OF AIR, SOIL AND WATER

Technocratic tyrants are on record as believing the exact opposite to the Judeo-Christian view of humankind.

They reject God. They praise Lucifer. They believe human beings are mere lumps of flesh. These self-described "elites" use pedophilia, including child sodomy and sacrifice to feed their lusts. They intentionally contaminate vaccines and infuse the atmosphere with harmful aerosols in jet streams (now admitted by C.I.A. Director Brennan) as experiments in weather warfare for depopulation. The virtues of character are turned upside down as mechanism of deception and control.

These tyrannies are not new; they have been with us since the dawn of time.

## OUR MISSION

American citizens must fight abuse of the constitutional right for authors and inventors to enjoy the fruits of their inventions, as a matter of matter of basic property rights and sound public policy. Otherwise, instead of innovation, creativity, genius, ideas, vision, courage, entrepreneurship, respect, property, rejuvenation, morals, ethics,

What is different today is the ability of these people to control information flow digitally. This control of the Internet is quickly devolving humans into a jellyfish existence.

## Have we become too tolerant of intolerance?

The future of our Republic is in your hands. Will you act to stop it? Or, will you excuse this misconduct and just hope it goes away so you don't have to deal with it?

## "POST-CONSTITUTIONAL GOVERNMENT . . . IN A TYRANNICAL FORM"

These whistleblowers have all said the same thing: a rogue C.I.A. runs America. Kevin Shipp believes "It is almost too late to stop what is a post-constitutional government. The People are no longer ruling our country. The government in a tyrannical form is now ruling the people by subversion, force and fear."

Will you must the courage to resist, or will you just let it happen? What kind of world will this leave for your family and friends?

## "LET YOUR LIGHT SHINE"

For those Christians who believe they should withdraw from this fight and pray in a closet, we remind you of Christ's words in the [Gospel of Matthew 5:15-16](#):

"Neither do people light a lamp and put it under a bowl. Instead they put it on its stand, and it gives light to everyone in the house. In the same way, let your light shine before others, that they may see your good deeds and glorify your Father in heaven."

Prayer takes many forms. We posit that it is a combination of on your knees and with your voice and feet.

Choose wisely. The future of the American Republic hangs in the balance.

. . . our society and economy will be dragged down (and eventually destroyed) by copying, infringement, thievery, counterfeiting, hacking, greed, misinformation, exploitation, abuse, waste, disrespect, falsity, corruption, bribery, coercion, intimidation, doublespeak, misconduct, lies, deception, attorney "dark arts," destruction, confusion, dishonesty, judicial chicanery and lawlessness.

If we do not speak up, impeach derelict judges and imprison corrupt attorneys, we cannot possibly hope to start fixing the current ills in our society. Without justice and respect for private property, democracy has no sure foundation.

## CURRENT EDITORIAL FOCUS

We are an opinion blog that advocates for strong intellectual property rights. We welcome commenters and contributors. The *Leader v. Facebook* patent infringement case first came to our attention after learning that the trial judge, Leonard P. Stark, U.S. District Court of Delaware, ignored his jury's admission that they had no evidence to support their on-sale bar verdict, but the judge supported it anyway.

The judicial misconduct has deteriorated from there, replete with two of the three judges on the Federal Circuit appeal panel, Judges Alan D. Lourie and Kimberly A. Moore, holding Facebook stock that they did not disclose to the litigants, and later tried to excuse through a quick motion slipped in at the last minute by the Clerk of Court, Jan Horbaly, and his close friends at The Federal Circuit Bar Association. (The DC Bar subsequently revealed that Mr. Horbaly is not licensed to practice law in Washington D.C.)

The judges ignored [shocking new evidence](#) that Mark Zuckerberg withheld 28 hard drives of 2003-2004 evidence from *Leader Technologies* that could prove actual theft (and therefore claims even more serious than infringement). In addition, Facebook's appeal attorney, Thomas G. Hungar of Gibson Dunn LLP, has close personal ties to just about every judicial player in this story. The misconduct appears to reach into the U.S. Patent Office through abuse of the reexamination process by Facebook. We will stay focused on *Leader v. Facebook* until justice is served, but we also welcome news and analysis of intellectual property abuse in other cases as well.
