*Attorneys for Plaintiff
Leader Technologies, Inc.*

Dated: May 18, 2009

I, Paul Andre, hereby declare:

1. I am a Partner with the law firm King & Spalding LLP, counsel of record for Plaintiff Leader Technologies, Inc. ("Leader"). I have personal knowledge of the facts set forth in this declaration and can testify competently to those facts.

2. On April 2, 2009, the parties had a telephone conference regarding Facebook's disapproval of Leader's definition of the Facebook Website and Leader's preliminary infringement contentions. During the call, Leader explained that Claim 1 of the '761 Patent was essentially comprised of two elements, a "context component" and a "tracking component." Leader also stated that it would need back-end technical information in order to provide further detail to its preliminary infringement contentions. However, Facebook refused to provide Leader with any technical information.

3. In an attempt to resolve the dispute regarding Leader's preliminary infringement contentions, Leader provided further detail to its infringement contentions relating to specific representative elements of the asserted claims on April 6, 2009.

I declare under penalty of perjury under the laws of the State of California and the United States that the foregoing is true and correct. Executed this 17th day of May 2009, at Redwood Shores, California.

A handwritten signature in cursive script, appearing to read "P. Andre", is written above a solid horizontal line.
