07/18/2010	<u>593</u>	SEALED Letter to THE HONORABLE LEONARD P. STARK from PHILIP A. ROVNER, ESQ. regarding OFFERS FOR SALE AND PUBLIC DEMONSTRATIONS – re Pretrial Conference – Final. (Rovner, Philip) (Entered: 07/18/2010)
07/18/2010		ORAL ORDER by Judge Leonard P. Stark: Having reviewed Facebooks July 17, 2010 motion to admit evidence of four offers for sale and two public demonstrations of Leader2Leader in addition to those disclosed by Facebook in its supplemental interrogatory responses of April 19, 2010, and Leaders July 18, 2010 opposition to Facebooks motion, IT IS HEREBY ORDERED THAT Facebooks motion is DENIED. Facebooks motion does not provide a basis either for reconsideration of the Courts decision during the final pretrial conference (July 16, 2010) to limit Facebook to the evidence disclosed in its April 19, 2010 interrogatory responses or for the admissibility of the additional offers for sale and public demonstrations. Moreover, the exhibits Facebooks motion seeks to admit

		appeared on Facebooks Amended Exhibit List, dated June 30, 2010, and Facebook provides no satisfactory explanation for why it waited more than two additional weeks until serving its Fifth Supplemental responses to interrogatories on July 16, 2010 to notify Leader it intended to use these exhibits as a basis for seeking to invalidate the patent-in-suit. Nor can the Court conclude that Facebook was unable to provide such notice to Leader on or around June 11 (after the first deposition of Zacks), or June 16 (after Facebook received copies of the entire Zacks document production), or July 6 (after the second deposition of Zacks). Additionally, Facebook does not explain why, with trial set to begin in 13 days, it took nine days after Zacks second deposition (July 6) for Facebook to obtain Zacks authentication declaration. Given the attention devoted by the parties and the Court to Facebooks affirmative defenses based on offers for sale and public demonstrations even after the passage of the discovery deadline, the notice requirement of 35 U.S.C. § 282, and the imminency of trial, waiting until the last business day before trial to advise Leader of these additional bases for its invalidity contentions, under all the circumstances, rendered Facebooks notice untimely. (D.I. 675 at 2) There is no evidence of record nor argument from Facebook to the contrary. Moreover, the information Facebook seeks to redact consists of general discussion of some of the processes by which Facebook writes and revises its sourcecode; it does not disclose any of the content of Facebook's sourcecode.
