Sure. I need the list of people we are thinking about and Teddy's report when done.

Sorry I just saw the typo in my email so maybe it was misleading. I was saying I don't think we need MORE than 30 minutes. (Not sure if that was interpreted as we don't need the time at all). I definitely think we need to talk about post Eday schedule as soon as possible. That can be with her but I wonder if it's better for the three of us to get on the same page first. I just don't know where her mind is right now so you guys would be better to determine what's best to propose.

On the digital piece I hope to have a memo for her tomorrow pm but I'm a bit skeptical it will arrive on time. We have him working on a ton of stuff for no money so I've been trying to cut him a little slack but I'll check in again now.

Happy to talk sat. I'm completely off the grid 8am-12pm and then have calls after that but can jump off. What time are you thinking? I will just make sure I'm open.

I don't necessarily think we need not time I was just curious on agenda. Teddy told me his memo would be done by the end of this week so hopefully we have that to her by then (although I'm worried that realistically means Monday). Otherwise do you want me to give an update on the site?

Should we discuss the timeline I sent?

Are you free to follow-up on the call with HRC for 30 minutes on Sunday at 9am. I commit to get us done by 10am so it still will be only an hour of your time.

Dear all

Can you advise Joanne if a call at 9am Sunday will work for a follow up call?

Best.
