PUBLIC NOTICE: ZUCKERBERG'S MONEY IS A FRAUDULENT CONVEYANCE FOR ANY CHARITY OR PERSON WHO TAKES IT

U.S. LAW REQUIRES CHARITIES TO PAY BACK DONATIONS FROM FRAUDSTERS.

USING THE FRUIT OF ZUCKERBERG'S CRIMES DEFRAUDS THE TRUE INVENTOR OF SOCIAL NETWORKING—COLUMBUS, OHIO INNOVATOR LEADER TECHNOLOGIES.

[CONTRIBUTING WRITERS](#) | [OPINION](#) | [AMERICANS FOR INNOVATION](#) | [DEC. 02, 2015](#), [UPDATED DEC. 03](#) | [PDF](#)

FIG. 1—MARK ZUCKERBERG'S CRIMES TAINT DONATIONS IRREPARABLY.

Mark Zuckerberg was recruited as a 19-year old Harvard sophomore to front for an emerging NSA spy state cartel. This group was made up of Harvard Law School sycophants who cooked up the Harvard Facebook "narrative" as a smokescreen for their unprecedented intelligence scheme to spy on the world. This plan was led by IBM, IBM's Eclipse Foundation, Larry Summers and James P. Chandler, attorney to the NSA, IBM and Leader Technologies—the true inventor of social networking. Chandler secretly siphoned Leader's engineering innovations in 2001-2002 to form and enable Eclipse. The Eclipse DE (Interface Development

—Federal Circuit Censored Docket

Environment) enabled social media. All of "secret sauce" innovations appeared overnight in [Version 2.0.1 on Aug. 09, 2002](#), just 11 weeks after Chandler took custody of Leader's source code in a confidence trick on his law client, Leader.

Photo: Daily Telegraph (UK).

(DEC. 02, 2015)—[Mark Zuckerberg](#) announced yesterday his scheme to give away his \$45 billion in Facebook stock to charity "over our lives." The highly-staged announcement included a cutesy video of the larcenous couple with their new baby that The New York Times dutifully made available on their website.

On the surface, this announcement probably makes charity fund raisers salivate. But there's a "poison pill" for any charity that swallows a Zuckerberg donation. By seducing charities, Zuckerberg lures them into his schemes to defraud—whether or not they are aware of his criminal acts.

The law is clear. Charities who accept donations from fraudsters, whether or not they knew the donor was donating fraudulent funds, must [pay back](#) those funds—even if the money is already spent. It doesn't matter what good work was done with the donations. That's the law on "fraudulent conveyance."

Anyone or any organization that uses, aids, abets, counsels, commands, induces or procures the commission of an act (like Zuckerberg's theft of property) [is as responsible for that act as if he had directly committed the act himself](#), 18 U.S.C. 2(a).

The charities' liabilities for Zuckerberg's crimes pile on from there. Ignorance is no defense.

If the charity knows Zuckerberg is guilty, then the specter of triple damages arises. In other words, the charity might have to pay back three times what they owe if they knew the property they received was obtained fraudulently.

A landmark 7th Circuit case gave this illustration ([Scholes v. Lehmann](#), 56 F. 3d 750 (7th Cir. 1995)) to illustrate the liability of a charity for unknowing gain from tainted funds:

"A thief rushes into a church, and, unobserved by anyone, drops the money he has stolen from his victim into the collection plate. Does the church obtain good title as against the thief's victim? It does not." — 7th Circuit 1995.

In the Scholes case, the churches who received donations were ordered to pay back the funds that they had already spent for laudable activities like missionary work, earthquake relief, and construction of a chicken hatchery and children's dormitory in Africa.

Likewise, Zuckerberg will not be able to pass good title to the charities he targets to receive his dirty funds.

The only rightful recipient of the funds Zuckerberg has stolen to generate Facebook's revenues is Columbus innovator, Leader Technologies—the inventors who proved in federal court are the true creators of the engine running Facebook.

ZUCKERBERG'S \$45 BILLION IS THE FRUIT OF THE POISONOUS TREE

UPDATE MAR. 25, 2014

FIVE CRITICAL AFI POSTS ON JUDICIAL COMPROMISE

Fully updated Mar. 25, 2014 in the wake of the Scribd censorship:

1. **HOW PATENT JUDGES GROW RICH ON THE BACKS OF AMERICAN INVENTORS**

Patent Office filings are shuffled out the USPTO backdoor to crony

FIG. 2—Mark Zuckerberg's wealth is the fruit of a poisonous tree that will poison any charity or person who accepts Zuckerberg's donation. Graphic: Origins of Facebook's Technology.

For starters, any charity that accepts and/or spends Zuckerberg's tainted donations will, at minimum, be ordered to pay it back.

Further, not counting conspiracy and collusion charges, accepting Zuckerberg's donations makes the recipient liable for a host of criminal offenses associated with aiding and abetting Zuckerberg's crimes, including:

[CLICK HERE FOR WASHINGTON'S ETHICAL DISEASE DISCOVERIES RE. FACEBOOK "DARK POOLS"](#)

STOP FACEBOOK PROPERTY THEFT

WILL HUMANKIND EVER LEARN? Facebook's Orwellian doublespeak about property and privacy (theft) merely repeats the eventual dehumanization of the individual under MAO's Red Star, Stalin's SOVIET Hammer & Sickle and Hitler's NAZI Swastika. Respect for the inalienable rights of each individual is a bedrock value of democracy. The members of the Facebook Cabal abuse this principle at every opportunity. They evidently believe that they deserve special privileges and are willing to lie, cheat and steal in order to treat themselves to these privileges.

ASK CONGRESS: PASS THE INVENTOR PROTECTION ACT!

On Jul. 27, 2010, Leader Technologies proved that Facebook is guilty of infringing their U.S. Patent No. 7,139,761 for social networking. The resulting judicial actions to protect Facebook have exposed a horrific level of Washington corruption, including the Chief Justice John G. Roberts, Jr. himself, who holds substantial Facebook financial interests and cozy relationships with Facebook's attorneys.

The facts show that Facebook was a **fabrication** of the NSA to spy on Americans more freely and cheaply. Zuckerberg was a pawn in this illegal surveillance scheme. He played along as a willing front man, as have many other technology and banking executives. See Figs. 2, 3 below.

Zuckerberg's charity announcement is a naked attempt to garner public favor in order to cover over his many crimes.

He is also tempting charities to come over to the dark side where their integrity can be subsumed by and recruited to this criminality.

Such conduct is not new. "Giving back" what one has previously stolen is a well known and ancient practice.

RUN FROM ANY ZUCKERBERG BEARING GIFTS

In Zuckerberg's case, any **legitimate** charity will run from any Zuckerberg or Facebook crony bearing gifts.

Don't take Zuckerberg's bait. It is poison.

Whistleblowers are encouraged to come forward to put an end to this madness while we still have a Republic. Contact the House Oversight Committee, an investigative journalist with integrity, like Sheryl Attkisson, or post your evidence anonymously on any number of websites like AFI. Be smart about it, but do it.

LETTER TO CONGRESS:

[Word Doc](#)
[PDF Doc](#)

Bookmark: #spy-state-surveillance

The Takings Clause of the Fifth Amendment empowers Congress to legislate a payday for Leader Technologies shareholders. This would provide adequate financing for Leader to offer a **rational social** networking environment—one that offers the application utility that people have come to enjoy about Leader's invention **without** sacrificing security and privacy.

Contact your elected representatives and ask them to use Congress' power of the purse to pay Leader Technologies and unplug the Cartel.

FIG. 3—The evidence is unmistakable. A Cartel of private companies, in collusion with the NSA, collect ALL relationship data between American citizens and the federal government. Much of that data is stored overseas, e.g., [Lulea, Sweden](#), outside the jurisdiction of the U.S. Constitution ("Inside the Arctic Circle, Where Your Data Lives," Business Week).

LEADER TECHNOLOGIES Inventor Protection Act (Proposed)

America needs to practice what it preaches.

We have no business lecturing the world about free enterprise and the rule of law, when we permit the investors in Ohio-based innovator Leader Technologies to go uncompensated for the risks they took to help invent social networking . . .

—a technology upon which the President and U.S. government now rely;

—a technology *stolen* by the "Facebook Cabal" who recruited the federal courts and Patent Office into their club of corruption.

*Rescind. Investigate.
Sanction. Certify.*

Contact your representatives. Ask them to pass it.

Real American inventors need your support.
