ABC ACTIONS WERE DELIBERATE, DEVASTATING AND CLINTONS COMPLICIT, AGAIN

THE INCREDIBLE BACKSTORY:

IN 2011, BARRY DILLER PLACED CHELSEA CLINTON ON THE BOARD OF IAC/INTERACTIVECORP MEDIA TROJAN HORSE

DILLER’S INFLUENCE SPANS ABC, NBC, CBS, DISNEY, FOX, USA, PARAMOUNT, HSN, UNIVISION, VIVENDI, COKE, FCC (JULIUS GENACHOWSKI), THE DAILY BEAST AND MORE

OTHER DIRECTORS, EDGAR M. BRONFMAN, JR. AND SONALI DE RYCKER, ALSO DIRECT FACEBOOK AND AMAZON

HILLARY CLINTON OBSTRUCTED JUSTICE IN LEADER V. FACEBOOK & CEGLIA V. ZUCKERBERG BY INVOLVING CHELSEA IN FACEBOOK/ACCEL PARTNERS
(DEC. 06, 2017) – On Friday, ABC News anchor Brian Ross deliberately broadcast fake news about the Gen. Michael Flynn witch hunt by former FBI globalist don Robert S. Mueller. A day later, Ross was suspended. After Ross’ news, the stock market dropped 350 points. This devaluation prompted President Trump to call on ABC stockholders to sue ABC for the “many millions of dollars in damages!”

This event challenged AFI researchers to map out the mainstream media relationships that are directing these obviously intentional acts. The reaction from the MSM was breathless—which we now know is the telltale sign of a staged “false flag” event.

We discovered a Gordian knot of devilish interrelationships surrounding mainstream media don Barry C. Diller.
FIG. 2: A GORDIAN KNOT is an intertwined set of relationships that can only be unwound by bold action. Here are some of the knotted snakes trying to destroy the American Republic:

[The Jeff Bezos Cardboard Cut Out, Amazon, IBM Eclipse Foundation, Graciela Chichilnisky, The Kyoto Protocol, Carbon Credits, Global Thermostat, Stephen Chu, Daddy/Boy Edgar M. Bronfman, IAC/Interactivecorp, Stephen Chu, C.I.A. In-Q-Tel, DARPA.

[The Chelsea Clinton Cardboard Cut Out, Bill & Hillary Clinton, Clinton Foundation, Clinton Global Initiative (CGI), IAC/Interactivecorp, Barry Diller, Daddy/Boy Edgar M. Bronfman, Seagram’s, Michael Eisner, State Department “diplomacy,” George Soros, Open Society Foundations, Facebook, Google, Twitter IBM Eclipse Foundation, C.I.A. In-Q-Tel, DARPA.

[The Michael Eisner Cardboard Cut Out, Barry Diller, IAC/Interactivecorp, Daddy/Boy Edgar M. Bronfman, ABC, NBC, CBS, Fox, Daily Beast, C.I.A. In-Q-Tel, DARPA.

[The Eric Schmidt Cardboard Cut Out, Google (new faked parent: Alphabet), Highlands Group, National Infrastructure Assurance Council (NIAC), Kleiner Perkins, Accel Partners, U.S. Digital Service (WH), Hillary for America, 18F (FEC), C.I.A. In-Q-Tel, DARPA.

While this research can take many directions, this post will focus on relationships among Diller, the Clintons, Facebook and Amazon.

UPDATE MAR. 25, 2014
FIVE CRITICAL AFI POSTS ON JUDICIAL COMPROMISE
Fully updated Mar. 25, 2014 in the wake of the Scribd censorship:

1. HOW PATENT JUDGES GROW RICH ON THE BACKS OF AMERICAN INVENTORS
   Patent Office filings are shuffled out the USPTO backdoor to crony lawyers, banks and deep-pocket clients.

2. WAS CHIEF JUSTICE ROBERTS BLACKMAILED into supporting Obamacare by his ethical compromises in Leader v. Facebook?

3. JUSTICE ROBERTS MENTORED Facebook Gibson Dunn LLP attorneys.

4. JUSTICE ROBERTS HOLDS substantial Facebook financial interests.

5. JUDGE LEONARD STARK FAILED to disclose his Facebook financial interests and his reliance on Facebook’s Cooley Godward LLP attorneys for his appointment.

BARACK OBAMA’S DARK POOLS OF CORRUPTION
CHELSEA CLINTON

On Sep. 22, 2011, Barry Diller appointed Chelsea Clinton, then a college student, to be a director of IAC/Interactivecorp which has a current market value of $10 billion. At the same time, Diller appointed Sonali De Rycker of Accel Partners LLP London and formerly Goldman Sachs. Accel is the largest inside shareholder in Facebook after Mark Zuckerberg.

See the Dec. 13, 2016 verified SEC list of IAC/Interactivecorp media holdings. It includes many leading dating sites in North America and Europe including:

- Ask Jeeves search
- Datings sites all over the planet (e.g., Match.com everywhere, Five Star Matchmaking (China), FriendScout (Germany), SpeedDate, Mash Dating)
- Home Advisor
- IAC Search
- Newsweek
- ABC
- Tutor.com
- The Daily Beast
- NBC Universal
- Vivendi
- Vimeo
- … and 177 other companies

OUTRAGEOUS: DILLER / IAC & GOOGLE MONEY LAUNDERING? MOST LIKELY.

It should also be noted that on Mar. 11, 2009, IAC/Interactivecorp received what has been, in effect, a PERMANENT CONFIDENTIALITY EXEMPTION from the SEC from reporting its Google AdSense revenue numbers in its public
reporting. This is totally outrageous. See the redacted revenue numbers from Google AdSense on IAC/Interactivecorp's 10-K, Exhibit 10-25 on Mar. 11, 2009.

Chelsea was appointed to the IAC/Interactivecorp board of directors on Sep. 22, 2011 with Accel Partners' (Facebook) Sonali De Rycker. Since Chelsea was just a college student at the time, the evident reason for her appointment was her association with Bill & Hillary Clinton, as Chelsea’s SEC disclosure verifies. See Fig. 4 below.

![Fig. 4: Form 8-K (Sep. 26, 2011). IAC/Interactivecorp (NASDAQ:IAC) Form 8-K director appointment of Chelsea Clinton (The Clinton Foundation, Clinton Global Initiative) and Sonali De Rycker (Accel Partners, Facebook, Goldman Sachs).](https://tinyurl.com/y8k8avk6)

Most telling of the endemic corruption among Chelsea Clinton, The Clinton Foundation, Silicon Valley, mainstream media, notably ABC, the FCC and the rogue C.I.A. that is lurking inside Barry Diller's IAC/Interactivecorp is their SEC INSIDER TRADING REPORT. See Fig. 5 below.

George Orwell wrote in 1984 that one knows one is in a totalitarian state when telling the truth becomes an act of courage.

MICHAEL EISNER IS A BARRY DILLER ROGUE C.I.A. CARDBOARD CUT OUT

Earlier that year, on Mar. 15, 2011, Diller appointed his serial protégé and former Disney CEO Michael D. Eisner to the IAC board also. According to Eisner’s biography, he has dutifully followed Diller around most of his career—from NBC, CBS, ABC Paramount to Disney.

FIG. 6: MICHAEL D. EISNER, former Disney CEO, turns out to be a Barry Diller cut out for his prior work at ABC, NBC, CBS and Paramount.

Photo: Business Insider.

Following Hillary Clinton’s 2016 election loss to Donald Trump, on Mar. 17, 2017, Barry Diller appointed Chelsea to be a director of Expedia, which has a current market value of $18.6 billion.

CHELSEA'S FACEBOOK & ACCEL PARTNERS BUDDIES—ROGUE C.I.A.
Chelsea’s fellow IAC director Sonali De Rycker is a too-cute-by-half “Silicon Valley Girl” cut out and former Goldman Sachs banker who directs the London office for Accel Partners LLP. Accel is Facebook’s largest inside investor. It was founded by Harvardian James W. Breyer who was Facebook’s first chairman and venture capitalist.

FIG. 7: JAMES W. BREYER, is Facebook’s largest inside investor. He was Facebook’s first venture capitalist and served for years as chairman. On Day 3 of the Facebook initial public offering he cashed out $6.15 billion of his insider shares. This dump of insider stock by insiders including Breyer, Accel Partners, Peter Thiel, Goldman Sachs, Meritech Management (Ann H. Lamont), Zuckerberg, Microsoft and Yuri Milner (Mail.ru, DST, Digital Sky Technologies) is highly irregular and was a total surprise to the market. It promoted an "epic Jim Cramer rant on CNBC." This action caused the stock price to plummet. Breyer and his father James P. Breyer have set up in China as IDG-Accel Capital where they are “Super Bullish on China.” Daddy Breyer is a George Soros contemporary from Hungary. See also the Timeline.

Photo: Breyer Capital.

FIG. 8: SONALI (ISN’T SHE JUST THE CUTEST THING?) DE RYCKER, was appointed in 2011 with Chelsea Clinton as director of IAC/Interactivecorp by media don Barry Diller. De Rycker is a “Silicon Valley Girl” running the London office of venture capitalist Accel Partners—the largest inside investor in Facebook. She also worked for Goldman Sachs.

Photo: Accel Partners LLP.

On May 13, 2004, Breyer was elected chairman of the National Venture Capital Association (NVCA) along with other globalist directors including Gilman Louie. Louie was installed by the rogue C.I.A. to run its “private” venture capital company In-Q-Tel by Bill Clinton, Larry Summers and the Highlands Group secret and illegal U.S. Department of Defense "public-private" think tank. Other NVCA directors with Breyer included Fidelity Investments (Facebook’s largest mutual fund investor) and Kleiner Perkins (Google’s lead investor).

OUR MISSION

American citizens must fight abuse of the constitutional right for authors and inventors to enjoy the fruits of their inventions, as a matter of matter of basic property rights and sound public policy. Otherwise, instead of innovation, creativity, genius, ideas, vision, courage, entrepreneurship, respect, property, rejuvenation, morals, ethics, values, renewal, truth, facts, rights, privacy, solutions and judicial faithfulness, . . . our society and economy will be dragged
HILLARY & OBAMA WERE SILENT ABOUT THESE MSM CONFLICTS OF INTEREST

FIG. 9: CHELSEA & HILLARY. As Secretary of State, Hillary Clinton had an ethical duty to disclose to the public her conflicts of interest in Chelsea Clinton’s appointment as director of IAC/Interactivecorp in 2011. Given Chelsea’s ties to Facebook director and venture capitalist Accel Partners, the Clinton’s engaged in obstruction of justice in the Leader v. Facebook patent infringement lawsuit as well as the Ceglia v. Zuckerberg contract dispute. Also, Chelsea’s relationship to Barry Diller shows that mainstream media was engaging in undisclosed bias for the Clintons and against Donald Trump.

Neither Hillary nor Obama disclosed these massive conflicts of interest and media biases to the American public while they ran our government, interfered in Leader v. Facebook and Ceglia v. Zuckerberg, and ran for President.

Given Diller’s evident iron grip over MSM, it is no wonder that Hillary was surprised that she lost the election. Thank God.

FACEBOOK & THE ROGUE C.I.A. CUT OUT MARK ZUCKERBERG

CURRENT EDITORIAL FOCUS

We are an opinion blog that advocates for strong intellectual property rights. We welcome commenters and contributors. The Leader v. Facebook patent infringement case first came to our attention after learning that the trial judge, Leonard P. Stark, U.S. District Court of Delaware, ignored his jury’s admission that they had no evidence to support their on-sale bar verdict, but the judge supported it anyway.

The judicial misconduct has deteriorated from there, replete with two of the three judges on the Federal Circuit appeal panel, Judges Alan D. Lourie and Kimberly A. Moore, holding Facebook stock that they did not disclose to the litigants, and later tried to excuse through a quick motion slipped in at the last minute by the Clerk of Court, Jan Horbaly, and his close friends at The Federal Circuit Bar Association. (The DC Bar subsequently revealed that Mr. Horbaly is not licensed to practice law in Washington D.C.)

The judges ignored shocking new evidence that Mark Zuckerberg withheld 28 hard drives of 2003-2004 evidence from Leader Technologies that could prove actual theft (and therefore claims even more serious than infringement). In addition, Facebook’s appeal attorney, Thomas G. Hungar of Gibson Dunn LLP, has close personal ties to just about every judicial player in this story. The misconduct appears to reach into the U.S. Patent Office through abuse of the reexamination process by Facebook. We will stay focused on Leader v. Facebook until justice is served, but we also welcome news and analysis of intellectual property abuse in other cases as well.

FIG. 10: MARK ZUCKERBERG, FACEBOOK, is evidently a rogue C.I.A. cardboard cut out for the weaponization of the social networking invention that was stolen from Columbus innovator Leader Technologies.

Photo: Time.

Chelsea’s association with De Rycker of Accel Partners should have placed all of Clinton’s Facebook associations off limits while she was Secretary of State.

Instead, Hillary paid Facebook starting on Nov. 26, 2009 to write a “template for winning elections” directed by Russian Dmitry Shevelenko. Hillary’s intimate and illegal Facebook relationship while Secretary of State obstructed justice in the patent infringement trial of Leader v. Facebook, as well as in Ceglia v. Zuckerberg, since she was showing bias to a litigant in a federal case.

Hillary also openly promoted Facebook, Google and Twitter as “eDiplomacy” tools in a Council on Foreign Relations speech written for her on Jul. 09, 2009 by her rogue State Department advisor Sidney Blumenthal. She even issued a Four-part Facebook User Guide for State Department employees.

Recent FOIA requests to see the communication between the State Department and Facebook during the Leader v. Facebook trial continues to be stonewalled by the State Department. For example, Facebook Field Guide Part 2, page 3 actually published a U.S. Statement Department Facebook email address.

AMAZON & THE ROGUE C.I.A. CUT OUT JEFF BEZOS

Click here to view a complete Donna Kline Now! posts archive.
The Clinton’s association with Jeff Bezos and Amazon flows through Chelsea’s fellow IAC/Interactivecorp director Edgar M. Bronfman, Jr. – a.k.a. Boy Bronfman.

In this Aug. 11, 1999 file photo, President Clinton, right, awards the Presidential Medal of Freedom, the nation’s highest civilian honor, to Edgar M. Bronfman at a ceremony held in the East Room of the White House in Washington. Bronfman, a Canadian born billionaire and longtime World Jewish Congress president. Bronfman died Saturday, Dec. 21, 2013, in New York, at the age of 84. (AP Photo/Pablo Martinez Monsivais).

A month earlier, on Jul. 14, 1999, Bill Clinton issued Executive Order 13130 that formed the National Infrastructure Assurance Council (NIAC). The stated goal was to coordinate ‘effort by both government and private sector entities to address threats to our Nation’s critical infrastructure.’ Hindsight shows that NIAC has been a main vehicle for the weaponization of the social networking invention stolen by the rogue C.I.A.

A month later, on Sep. 29, 1999, the Central Intelligence Agency (C.I.A.) formed In-Q-Tel and hired its first CEO, Gilman Louie. In-Q-Tel violated the laws forbidding government ownership of private business, especially on an unaccountable global scale as C.I.A. In-Q-Tel has become.
Daddy Edgar M. Bronfman, Sr. has had known, close associations with the C.I.A. through its OSI Branch (Office of Scientific Intelligence, 1949). He is touted as the primary backer of Columbia economics professor couple Graciela Chichilnisky and Peter Eisenberger, founders of Global Thermostat (2010).

While Eisenberger was mentor to future Obama Energy Secretary Stephen Chu at AT&T Bell Labs (Chu was Obama's energy stimulus giveaway director in 2009 that literally created Elon Musk out of whole cloth), Chichilnisky mentored Jeff Bezos. This is certainly a cozy group of elitist insiders.

In fact, Bezos’ resume says that upon graduation he turned down job offers from Intel, Bell Labs, and Andersen Consulting to work for Chichilnisky in her start-up named Fitel. They were attempting to corner the market in electronic financial trading, but the technology did not come along until Columbus innovator Leader Technologies invented social networking and solved the “scalability” problem.

Bezos’ grandfather worked for the Atomic Energy Commission and DARPA (Defense Advanced Research Projects Agency, 1948)—both rogue C.I.A. fronts for stealing whatever technology they thought they needed and could profit from among their “public-private” insiders.

In 1988, Bezos went to work for Banker’s Trust as a product manager. Banker’s Trust is a well-known rogue C.I.A. money laundering operation.

In 1990, Bezos went to work for a new hedge fund named D.E. Shaw. He eventually became vice president in 1994. Tellingly, ten years later, Lawrence H. Summers left Harvard as President (after being Zuckerberg’s
godfather to create the fake Facebook Harvard origins narrative) to become managing partner at Bezos’ D.E. Shaw hedge fund, before becoming Barack Obama’s director of the National Economic Council: in charge of the so-called “bank bailout.” The totally fabricated crisis gifted $100’s of billions of dollars to globalist banks including Goldman Sachs, Morgan Stanley, J.P. Morgan Chase, Bank of America, Wells Fargo and others.

In 1994, Bezos founded Amazon.

In 1998, Bezos was an early investor in Google.

Bezos is either a financial genius, or he is corrupt as can be.

Never mind that his mentor Graciela Chichilnisky is the creator of the Kyoto Protocols on carbon credits that gave birth to global warming-ism. That’s right, she’s an economist, not even a scientist!

Never mind that Diller’s former IAC executive vice president, Julius Genachowski, was Obama’s chairman of the Federal Communication Commission (FCC) overseeing Net Neutrality. Did we mention that Genachowski attended Harvard Law School with Barack Obama.
Never mind that Chichilnisky’s live-in Eisenberger mentored Obama’s future Energy Secretary Stephen Chu at AT&T Bell Labs.

Never mind that Chichilnisky’s and Eisenberger’s carbon dioxide (CO2) sucking company Global Thermostat is bankrolled by Daddy Bronfman, and now Boy Bronfman.

**FIG. 16: STEPHEN CHU.** Obama’s Energy Secretary pushing the energy stimulus cash giveaway, was mentored by a Daddy Edgar M. Bronfman beneficiary, Peter Eisenberger, whose wife Graciela Chichilnisky mentored Jeff Bezos.

**FIG. 17: EDGAR M. BRONFMAN, JR.** (aka Boy Bronfman) Chelsea Clinton’s fellow director in Barry Diller’s IAC/Interactivcorp.
Boy Bronfman sits on Barry Diller’s IAC/Interactivecorp board with . . .

Chelsea Clinton.

FIG. 18: THE CLINTON CRIME FAMILY.

Never mind that Diller’s minions at ABC, NBC, CBS, Univision and The Daily Beast have become the sources of fake news propaganda for the globalist agenda.

What is the moral here?

These are way more than coincidences. These are New World Order globalists who live in another world outside of the U.S. Constitution, ethics, decency, morals and respect for their fellow human beings.

Echoing the world’s cry: lock Hillary up.

Defund these criminals—their corruptly-acquired power must be removed.

Ask President Trump to pay Leader Technologies’ [Miller Act Notice]. This generates hundreds of billions of dollars in new revenue for the federal government without raising taxes, among the many benefits.

Justice Department officials are reading through "over 10,000 texts" between FBI officials Peter Strzok and Lisa Page, Fox News has learned, after it emerged Strzok was removed from Special Counsel Robert Mueller's Russia probe following the discovery of anti-Trump messages between them.

Department of Justice officials told Fox News they are in the process of going through the texts so they can hand them over to the House Intelligence Committee.

Strzok, who was an FBI counterintelligence agent, had worked on the Mueller probe, but was reassigned to the FBI's human resources division after the discovery of anti-Trump text messages with Page, with whom he was having an affair. Page was briefly on Mueller's team, but since has returned to the FBI.

Email comment by GH:

Spanning more than a decade, former FBI directors Robert Mueller and his successor and protégé James Comey relied on their inner circles to help cover up a surging and troubling amount of sexual misconduct complaints filed by physically violated and emotionally battered female FBI agents.

There is a culture of corruption in the FBI. Or the FBI is a culture of corruption.

“They (Mueller and Comey) didn’t care as long as they were insulated politically,” one female FBI insider said. “It’s rampant. People wouldn’t believe it. Agents are being sexually assaulted and they are terrified to speak out.”

Cristina Laila. (Dec. 06, 2017). WHISTLEBLOWER WITNESSED TOP FBI EXECUTIVE SUGGEST FBI HAD PERSONAL MOTIVE IN INVESTIGATING FLYNN TO RUIN HIS CAREER. Gateway Pundit.

A whistleblower told Rep Ron DeSantis that he witnessed a senior FBI executive suggest the FBI had a personal motive and targeted Flynn’s career.

A video of this exchange between FBI brass and agents commenting on ruining Flynn’s career may exist.

Via The Hill:

...He said he also had talked to another whistleblower who witnessed a video teleconference last February between bureau leadership and their special agents in charge on the day former Trump national security adviser Michael Flynn resigned over lying to Vice President Pence over his contacts with Russia’s ambassador to the United States.

Flynn pleaded guilty on Friday to making false statements to the FBI.

DeSantis said the person he spoke with said a senior FBI executive made an inappropriate comment suggesting the bureau had a personal motive in investigating Flynn and ruining his career. DeSantis wants the FBI to tell him if the videotape was saved.
“The wildly divergent ways these investigations have been conducted appear to dovetail with the political bias that has been uncovered,” DeSantis said.

No doubt General Flynn was targeted.

Email comment by GH/JM-GN:

GOP lawmakers say they have heard new stories about political bias or interference within the FBI on the eve of new testimony Thursday by FBI Director Christopher Wray.

Rep. Ron DeSantis (R-Fla.) said Wednesday he interviewed a recently retired FBI supervisor who told him he was instructed by Deputy Director Andrew McCabe not to call the 2012 Benghazi attack an act of terrorism when distributing a report on the FBI findings to the larger intelligence community.

The agent found the instruction concerning because his unit had gathered incontrovertible evidence showing a major al Qaeda figure had directed the attack and the information had already been briefed to President Obama, the lawmaker said.
