ROGER STONE SPEAKS: On Nov. 18, 2017, Twitter censored New York Times bestselling author Roger Stone completely. PAY-to-PLAY NEW WORLD ORDER

This timeline shows how insiders sell access & manipulate politicians, police, intelligence, judges and media to keep their secrets. Clintons, Obamas, Summers were paid in cash for outlandish speaking fees and Foundation donations. Sycophant judges, politicians, academics, bureaucrats and media were fed tips to mutual funds tied to insider stocks like Facebook. Risk of public exposure, blackmail, pedophilia, “snuff parties” (ritual child sexual abuse and murder) and Satanism have ensured silence among pay-to-play beneficiaries. The U.S. Patent Office is their toy box from which to steal new ideas.

Fig. 1—Privy Council Lord President (2010-2015) Nicholas William Peter CLEGG ("Sir Nick"). He was nominated for a knighthood by Queen Elizabeth on Dec. 30, 2017 and actually knighted on Mar. 07, 2018.

See Sir Nick’s definitive biography, timeline and conflicts of interest.

FACEBOOK DAMAGE CONTROL: Within months he began negotiating with Facebook CEO Mark E. Zuckerberg and COO Sheryl K. Sandberg “over the summer” to become vice-president of global affairs and communications (chief propagandist). These desperate negotiations appear to have occurred concurrently with Zuckerberg’s and Sandberg’s disingenuous Congressional testimony. On Oct. 19, 2018, Sir Nick was appointed at Facebook. It appears that Clegg’s pecadillos may hasten Facebook’s decline into further immorality.

(Oct. 25, 2018) On Oct. 19, 2018, Facebook announced that Sir Nick Clegg was appointed vice-president of Global Affairs and Communications.

Source Photo: The Daily Mail.
Clegg’s appointment comes amidst widespread and unprecedented Facebook, YouTube, Twitter and Google blacklistings of politically conservative sites including Dennis Prager, Alex Jones, David Knight, Gateway Pundit, Western Journalism, Tommy Robinson, Roger Stone, President Trump’s Facebook page, Matt Bracken, Mark Dice, Milo Yiannopoulos, Breitbart, Infowars, Sibel Edmonds, Newsbud, Right Wing News, Anti-media, Natural News, Sarah Palin, Stefan Molyneux, Pamela Geller and Diamond & Silk.

Clegg arrives in the wake of uniformly arrogant testimony from Mark E. Zuckerberg, Sheryl K. Sandberg and Jack P. Dorsey before Congress several weeks ago.

NICK CLEGG: GROOMED FOR GLOBALISM

Clegg’s bloated biography (33-pages on Wikipedia) oozes globalism. He has never held a real job. He has only ever worked in groomed globalist EU and Privy Council politics his entire life.

He attended a notorious private school named Caldicott Preparatory School where he was the Head Boy (Prefect) (1980-1983). During that time, it is now known that his Head Master, Roland Peter Wright, and some of the staff had engaged in decades of pedophilia at Caldicott. Clegg claims he knew nothing about the ritual sodomy of his schoolmates by the Caldicott staff. These facts only came to light after the documentary Chosen in 2008. After Caldicott, Clegg was prefunctorily whisked off to Cambridge University for a degree in social anthropology. After Cambridge, he immediately went to work for the European Union. This is a similar schooling pattern for many in the Queen’s Privy Council. See Crimeline re. Cambridge involvement in global corruption.

After an internship with the notorious Marxist Christopher Hitchens, Clegg teamed with people like Larry H. Summers and Sheryl K. Sandberg to press the establishment of corrupt Russian oligarchs to push the globalist takeover agenda at the same time as George Soros was allowed by the Bank of England and the Privy Council to crash the U.K. pound and pocket $1.4 billion overnight (Sep. 17, 1992) for their WAM (walking around money).
Clegg then worked in various positions at the European Union and
the World Trade Organization (WTO) feeding cash to control the
ex-Soviet oligarchs that he and Summers had created (2003-
2005).

Between 2005-2015 Clegg was a
member of Parliament and leader of
the Liberal Democrat party. During
that time he served as Deputy Prime
Minister in the government of David
Cameron.

Between 2010-2015, Clegg was Lord
President of the 600-person Queen’s
Privy Council. During this time his
political priorities sounded uncannily
similar to socialist Bernie Sanders.
Free tuition. Free public shares in
banks. Hold the 1% accountable.
Handouts for the poor. None of these
priorities gained traction and were the subject of popular
sarcasm, including the song “Nick Clegg says I’m sorry.” See Fig.
5 below.

CLEGG RECRUITS (PREYS UPON?) INNOCENT
YOUNG LONDONERS FOR JP MORGAN CHASE

On Jul. 23, 2015, Clegg was appointed director of The Social
Mobility Foundation Co. No. 05488354, Charity No. 1115888. On
paper, their mission is to give education and life chances to
disadvantage young people in Greater London. However, their
financial statements indicate that this foundation is little more
than a London recruit-em-young-and-innocent tool for J.P.
Morgan Chase and the Privy Council.

Stop Facebook Property Theft

Ask Congress: Pass the Inventor Protection Act!
On Jul. 24, 2015, while still an MP, Nick founded OPEN REASON with donations from globalist fascists George Soros’ Open Society Initiative and Sir Richard Branson’s Virgin Group. (Definition of fascism: the government aligns with selected corporations and allows them to monopolize an industry in exchange for that corporation paying tribute to the tyrant and doing his/her bidding.)

All in the Family: Branson’s grandfather was Sir George Arthur Harwin Branson. His grandfather was a judge of the High Court of Justice and a member of the Privy Council. So, grandson Richie was himself schooled in the ways of global corruption.

Clegg also started RADIX GROUP LIMITED to “reimagine Europe,” along with numerous globalists.

A year before Clegg was unseated as MP (Jun. 08, 2017), his “glam” Spanish lawyer wife Miriam was appointed director of UBS Limited bank (Sep. 06, 2016). Suspiciously, she was immediately appointed chair of the powerful audit committee. UBS is a Facebook underwriter.

This is Nick's book cover (right):

On Dec. 30, 2017, Clegg was knighted in a puzzling move since he was a failed MP and left his Liberal Democrat Party in tatters.

On Jul. 18, 2018, UBS Limited (Swiss) bank made now Lady Miriam Clegg chair of the compensation committee. UBS is a Facebook underwriter.

Then three months later, on Oct. 19, 2018, Sir Nick was appointed as Facebook’s vice-president of global affairs and
The purpose of Sir Nick’s Facebook appointment in the days before the U.S. midterm elections is beyond suspicious. His involvement is foreign meddling in both U.S. and UK elections by Facebook.

SIR NICK DIRECTED THE "DIRTY DOSSIER" AS LEADER OF THE PRIVY COUNCIL

As Lord President of the Privy Council (2010-2015), Sir Nick directed the world’s top propagandists at SCL (Strategic Communications Laboratories aka Cambridge Analytica). This included key British conspirators in the totally discredited “dirty dossier” Christopher Steele (MI-6), Sir Richard Dearlove (MI-6), Stefan Halper (dual UK-US citizen, FBI, State Department, DoD, C.I.A.), warlord Sir Geoffrey E. Pattie and election-rigger Lord Mark Malloch-Brown, Alexander Downer, Joseph Mifsud (MI6), Sir Andrew Wood (MI6) and others. See Crimeline re. Cambridge involvement in global corruption.

Facebook’s, the Privy Council’s and Sir Nick’s attempts to consolidate the globalist propaganda system are evidently threatened by MAGA, Brexit and Project Dragonfly.

SIR NICK: SENT IN TO DESTROY MAGA, BREXIT & UNIFY PROJECT DRAGONFLY GLOBALLY

Therefore, the Queen’s Privy Council evidently was compelled to send Sir Nick as their clean up man to Facebook. For them, the coming MAGA and Brexit votes need to be neutralized. So, they sent their chief propagandist to keep control of the narrative for the globalist Atlantic Council—the Privy Council’s U.N. public face.

Sir Nick’s biography and timeline below shows that he is a dedicated monarchist, a globalist in bed with the likes of George Soros, and he’s an enemy of American and British national sovereignty. It is outrageous that such a person should be put in charge of Facebook’s global MSM propaganda machine. He must be stopped. As people come to realize just how bad he is, he will be stopped.

Readers are encouraged to read the primary evidence confirming the information we have presented by following the embedded links to the source documents.

SIR NICK’S FIDUICIARY DUTY TO DISCLOSE ALL PROSPECTIVE FACEBOOK CONFLICTS OF INTEREST

Readers should also note that as an officer of an AMERICAN public company, the Business Judgment Rule says that Sir Nick has a fiduciary duty to disclose all of his potential conflicts of interest—which would include the names included in this biography and timeline, including all current and former members of the Queen’s Privy Council. Such a list should certainly disqualify Nick from being involved in ANY Facebook business.

Readers are encouraged to forward this post and Nick’s biography to all public officials and decision influencers in both America and Britain.

GLOBAL MENACE

It is clear that Sir Nick Clegg is a global menace who has never worked a day in his life, and has been groomed since youth as an instrument of globalist tyranny.

CALL TO ACTION:

We must protect the vote. Now. We cannot allow these criminals to hijack any more elections. Free and fair elections are the property of the citizens in this Republic, not the government. We have gone to sleep. Now that we are awake, we must take action across this country in the coming weeks to protect the 2018 midterm elections.

We must ensure an unbroken bipartisan chain of custody. That should be your rallying cry. This will essentially eliminate the imminent danger from rigged electronic voting machines. Back to the future: (1) Paper ballots, (2) Inked thumbs, and (3) Unbroken bipartisan chain of custody! It is really that simple.

In addition, God-fearing citizens of the United States and the world must call upon President Trump and loyal American leaders to defund the feeder systems used by these SES corruptocrats.

Ask President Trump to write the check to Leader Technologies for their Miller Act Notice so they can help implement new technologies that respect Constitutional privacy and property and help implement a truly Free Press.

MR. PRESIDENT: DEFUND THESE CRIMINALS AND FUND THE MILLER ACT NOTICE
Mr. President, please pull the plug on these corruptocrats and their illegal funding streams. Since they are all based on fake values, no real services will be affected.

In addition, write the Miller Act Notice check to Leader Technologies for 18 years of unpaid use of their revolutionary social networking invention—which these Privy Council criminals (Sir Geoffrey E. Pattie and Lord Mark Malloch-Brown) have hijacked with the Senior Executive Service (SES) to takedown the American Republic. This will generate new cash streams to free up our economy from the globalist stranglehold. This will also empower Leader Technologies and other actually creative people in America to fix our foundering ship of state. See Leader Technologies files trillion dollar bond lien on the U.S. Government.

One Miller Act Notice check starts the ball rolling, Mr. President.

In addition, Leader shareholders have proposed a win-win solution to the collapse of the American Free Press, as well a large new revenue source without raising taxes. Leader principals are willing to funnel these payments back into establishing a truly Free Press. See Leader proposes trillion dollar fed revenue while lowering taxes.

As one of many British citizens reading this blog, I am totally horrified at the extent of corruption amongst the so-called British 'elite', who are being PROVED to be amongst the most evil and corrupt in the world. This latest revelation on the VILE Nick Clegg is unbelievable. Everyone I have ever known, has said they knew he was useless, misguided and NEVER deserved praise - let alone a knighthood - but this is BEYOND INCREDIBLE. It is also a revelation of very real danger to the American voting system and the extent of the hidecotsies of Facebook

See a full analysis of these events at Donna Kline Now! Judge Wallach also failed to police his court’s violation of Leader’s Fifth and 14th Amendment constitutional right to due process when he participated in the fabrication of new arguments and evidence for Facebook in the secrecy of Judge’s chambers after he had just invalidated Facebook’s sole remaining item of evidence (using disbeliefed testimony as ostensible evidence of an opposite). Judge Wallach also failed to police his court when he failed to apply the Supreme Court’s Pfaff v. Wells Electronics, Inc. test for on-sale bar evidence, which included even the Federal Circuit’s own Group One v. RACHEL ALEXANDER, (Oct. 26, 2018), THE SWAMP EXPOSED: INSIDE THE DOJ 'HIT SQUAD'. WND.

Exclusive: Rachel Alexander relates corruption wider, deeper than anyone can possibly realize

As more information comes out, peeling back the onion of the Department of Justice, Republican leaders are becoming increasingly alarmed at the abuse of power there.

Here’s what we know: Former Attorney General under Barack Obama, Eric Holder, identified and placed sympathetic ideologies in key departments of the DOJ and FBI. They were also placed in the IRS, the FEC and the State Department. This all combined to form a “Red Team” that would target, isolate and destroy opponents of Obama or his legacy. Reportedly, both Democrats and Republicans were on the list, but the majority was conservative leaders.

They mapped out weak targets, then the IRS, SEC or FEC would research them deeply, looking for any mistakes or missteps. Once information was gathered that would spark interest, it was leaked to friends in the press, politicians or sympathetic nonprofits, such as the Sunlight Foundation. By doing, so they covered their tracks to avoid the charge of targeting.

Multiple sources in Congress have told me the DOJ would then hijack these administrative agencies’ actions, bringing these investigations “in house” and handling them as felony investigations. The targeted list (enemies list) was developed and fleshed out by the Red Team (or “hit squad”).

Papadopoulos: 'I have absolutely no contacts whatsoever in Russia'

After testifying in Congress on Thursday, George Papadopoulos, a key figure in special counsel Robert Mueller’s Russia investigation, said in a television interview Friday morning he has evidence that he was framed.

“I believe there was tremendous misconduct on the government’s behalf regarding my case,” he said in an interview with “Fox and Friends.”

Papadopoulos, who was a volunteer foreign adviser for the Trump campaign, said that based on new information he learned from congressional investigators, which he can’t publicly disclose, he is considering withdrawing his plea of lying to the FBI.

He served only one day of a two-week sentence, but he said he would press the case because of the precedent it set.

Papadopoulos explained that there was a misunderstanding that he was a Russia insider.

“I have absolutely no contacts whatsoever in Russia,” he said. “I’ve never been to Russia. I have no Russian friends.”

The election of Donald Trump was without a doubt the strangest and most controversial presidential campaign in the history of the United States. A significant portion of the electorate didn’t vote for Trump, they voted against Clinton. Despite media claims to the contrary, Trump won legitimately and significantly over Clinton.

Department continues to hold, review possible Judicial Watch challenges

(Washington, DC) — Judicial Watch announced today that it received 288 pages of newly uncovered emails of former Secretary of State Hillary Clinton that were transmitted over her unsecure, non-"state.gov" email system, three of which contain classified information.

Judicial Watch obtained the documents in response to a Freedom of Information Act (FOIA) lawsuit filed on May 6, 2015, after the State Department failed to respond to a March 4, 2015, FOIA request (Judicial Watch v. U.S. Department of State (No. 1:15-cv-00687)) seeking:

All emails sent or received by former Secretary of State Hillary Rodham Clinton in her official capacity as Secretary of State, as well as all emails by other State Department employees to Secretary Clinton regarding her non-"state.gov" email address.

The documents are part of an accelerated schedule of production ordered by U.S. District Court Judge James E. Boasberg, which required the State Department to complete processing by September 28, 2015, the remaining documents of the 72,000 pages recovered by the FBI in its investigation into Hillary Clinton’s illicit email server. These new classified and other emails appear to be among those that Clinton had attempted to delete or had otherwise failed to disclose.

My wife is researching her lineage. It is interesting, that her entire family, benefitted from the early patent discipline (don’t have a better adjective), and the rewards from building machines under the protections offered by these contracts with the U.S. government. In 1910, her great uncle invented a machine that efficiently stripped over burden from the layers of earth covering coal deposits in Pennsylvania. His name was ‘Peterman’ who came to America from Germany. He made a sizeable fortune for the whole family. His generations moved West to Washington State, in the Bellingham area. His sons and daughters married ‘Irish’ immigrants who received the benefits of the ‘Peterman’ wealth. The lineage from the ‘Irish’ named ‘Rooney’ invented the ‘hermetically sealed can’, purchased by ‘American Can’, who built an empire on ‘canning salmon’ in the Pacific NW and Alaska. The ‘Rooney’s’ were financed by the ‘Peterman’s’. Here we have the Irish and German’s working outside the British Empire Privy Council, building wealth globally. If one connects the dots, it is the second generation of British Empire mercantilists that created the Malthusian theology of wealth confiscation, with layers of British philosophy to justify confiscation and ‘fiat’ chicanery.

My wife’s entire lineage is based on ‘escaping’ the British Empire to prosper by their own hand. There are ‘novels’ to be written, and heroes to be made, to counter the false history that echoes in the collective subconscious in America. Let’s write a novel and make a movie. The world is ready, Douglas, you know how to create and structure this from your experience. It has to be done!

Kathleen Joyce. (Oct. 27, 2018). Texas voters casting early ballots claim voting machines are switching their ballot choices. Fox News.

Voters casting their ballots early in Texas claimed this week that when casting Democratic or Republican straight-ticket ballots, voting machines in at least 80 counties in the Lone Star State flipped their votes to the other party in key midterm races, including the high-profile competition between incumbent Sen. Ted Cruz and his Democratic opponent Beto O’Rourke.

The Texas secretary of state’s office on Friday said that there have been issues reported with Hart eSlate voting machines, which are used in approximately 30 percent of counties statewide. The machines feature a wheel for selecting candidates and buttons to move from screen to screen.

But the secretary of state’s office said the issues were not caused by the voting machines, but by voters themselves.

“The Hart eSlate machines are not malfunctioning, the problems being reported are a result of user error – usually voters hitting a button or using the selection wheel before the screen is finished rendering,” said Sam Taylor, spokesman for the office of Secretary of State Rolando Pablos.

The Houston Chronicle reported that Democratic voters claimed the machines indicated that they were about to cast a vote for Cruz, when they originally intended to choose O’Rourke. Several people said they were able to get help from employees at polling places in order to change their vote back.

Well done. Isn't Trump's raw guts to hold steady and not rush in amazing? I think it is. When you write a book about this/Trump, The Man Who Gave Out the Rope Until They Hung Themselves, may be the title of it. Such brazen high wire acts of courage the pithy Sifthy probably had no algorithm nor derivative calculation on. And with utmost relief he has been able to take them by surprise and even ambush at times. Of course, with the Queen at Westminster or somewhere, the absolute corruption of power may have simply overwhelmed them. Take every advantage, every soft spot of Brennan, Clapper, DudeFB, Sheryl Sandberg's (perished husband) Eric Schmidt's investment company, as long as they continue to function as humans, they are subject to God wherein the vulnerabilities of mind are known.

co prime minister with Cameron became a lot of influence in Europe just by this combined nationality ground. And he is well spoken guy know a lot of languishes where under Dutch. Do not underestimate this liberal who saved the conservatives the power against the Socialists party and act better then Cameron the so called big prime guy, because he understands the European different people far better then a Brit! He was in better relations with most of the leaders including our prime minister Rutte (also a liberal but in Holland a group against the socialism) and accepted in high roller circles, speaker or understanding Dutch, French, Spanish and German, so he can move in high circles of the most important economies politics and Royals on their own particular languishes. He studied also four years in Paris and in the States for a couple of years (after Cambridge) why? To create networks. Just as a Dutch Company leader to be do, because his mother of East Indonesian company family suffers the Japonese concentration camps and all these backgrounds makes him more acceptable for Europeans then a stud up as Cameron etc.........

Thank you. I had voted LibDem (Clegg) hoping for proportional representation that was promised, also that he said he wouldn’t join with Cameron which he did asap to be deputy prime minister (or that is what was presented to us at the time.) Now see it was probably all set up. I was surprised he was so influential, he has never come across as effective to me.

Also I came across these 2 videos and see them as being very tied into your continuing content if anyone is interested. https://www.youtube.com/watch?v=c5aChW2h1k and https://www.youtube.com/watch?v=A01aQBdKvQ. One from USA and one from UK both shocking.

Paedophilia is the very best means of controlling people - ie if you appoint someone whom you know is a paedophile to a public office, you also know that you can control what he does in public office. It is true that the British boarding school/public school system, the intake of which has until very recently been entirely male, has been for years an ideal place to groom future ‘leaders’ - that single sex community, during the years that boys are maturing to adulthood, inevitably lends itself to sexual perversions. I live in England, and know that we have many at Westminster who are also involved, who whenever there is a police investigation into their activities, are NEVER prosecuted, even when the police team doing the investigating have clear evidence against them and want the Crown Prosecution Service to green light a prosecution. Senior police officers (often themselves involved, either bribed or threatened) always obey their masters and “shelve” the files. The junior officers find it infuriating that their work to bring a perpetrator to justice is never used, but they can’t do anything to change it, because they have no power over their seniors. You are right about Nick Clegg - few of us in UK had a high opinion of him - but he’s evidently...
paid his dues to those who count, now he's got 'his K' - knighthood!

In March 1946, as Europe lay broken from World War II, Winston Churchill signaled the beginning of the 43-year-long Cold War between Western civilization and the Soviet Union by declaring that an “Iron Curtain has descended across the continent” as the Soviets stiffened their harsh control of Eastern Europe.

In that same speech, Churchill noted: “In the United States where Communism is in its infancy, the Communist parties or fifth columns constitute a growing challenge.” Today, we are threatened with our own iron curtain, the product of the descendants and dupes of that fifth column. A curtain of censorship steadily is descending on America.

Curiously, the Constitution doesn’t specifically protect us. Here’s the wording of the First Amendment:

Congress shall make no law respecting an establishment of religion, or prohibiting the free exercise thereof; or abridging the freedom of speech, or of the press; or the right of the people peaceably to assemble, and to petition the Government for a redress of grievances.
