The screenshot shows the website <https://www.sos.state.co.us/pubs/elections/main.html>. At the top, there is a green "Monitor This" button and a "https" icon. Below the address bar is a "Thumbnail" section. The main content area features the Colorado Secretary of State's header with Val Wynne W. Williams' name and a search bar. The "Elections & Voting" section is highlighted, showing a "2018 General Election" announcement and a list of links including "Where do I vote or drop off my ballot?", "Enter registered voting address", and "Find out where to vote, what's on your ballot, and more...". A "Certificate" tab is visible at the bottom left of the page.

In Jul. 2009, ENTRUST was purchased by Thoma Bravo, LLC where Hillary Clinton's 19-year law partner at the Rose Law Firm, Jerry C. Jones, was director and chief officer.

In Dec. 2013, Thoma Bravo sold ENTRUST to Entrust Datacard via Chertoff Group owned by Michael Chertoff, former Bush Homeland Security director, co-author of the Bill of Rights destructing Patriot Act
