British press have woken up...@carolecadwalla @peterjukes @lukeharding1968 I will try to be kind.

President Trump tonight said that he will declassify the FISA warrants! In addition to my book and congressional testimony released, I think America is about to awaken to many incredible facts about the last three years that no msm has covered. Hold on to your seatbelts. FISA.

Trump and Congress are on the war path! they know what happened.

G’Day cobbers, for all you Joseph Mifsud geeks out there. Mifsud was invited to the Australian government’s World Summit on Uncontrolled Migration in Adelaide, 8-9 March 2016...I wonder if Alexander Downer gave him the invitation. @Brian_Whit @jonworth @LeeSmithDC

Did you arrange for the aborted meeting between Mifsud, Mark Ryan and Dr. John Bruni in Adelaide?

Why did they use a 007 theme for the conference?

Were Julie Bishop and Malcolm Turnbull really meant to be there to meet with Joseph?

Mike Smith?

Mifsud, alleged 'Kremlin' super spy, was working with Nawaf Obaid and @CNNFreedom at Link Campus.

A BIG story even if you subtract the ‘spy’ that launched Crossfire Hurricane.

What was CNN doing getting into bed with someone linked to the 1MDB scandal? Were they doing PR?

Coming up next @DevinNunes Exclusive @morningsmaria @FoxBusiness. 8am et There ought to be a reckoning for the intelligence officials and other fantasists who pushed the Russia-collusion narrative, writes @wjmcgurn
I think I have new approach for trying to get through to those still pushing the Russia collusion hoax & denying the DOJ/FBI/CIA abused their power: Ask if they are okay with Trump, RNC & Trump’s Administration doing exact same thing to eventual Democratic presidential candidate.

At least there will be some form of justice....

@SenSchumer on President-elect Trump in Jan. 2017:

“You take on the intelligence community, they have six ways from Sunday at getting back at you.”

What did he mean by that? Was the highest ranking Democrat in Congress suggesting the Intel community would target the President?
@RepAdamSchiff says this week: "Undoubtedly there is collusion."

AG Barr’s letter: No new indictments, no sealed indictments, no collusion, no obstruction.

Did Chairman Schiff read the Attorney General's letter? Why does he continue to mislead the American people?
