# HEALTHCARE.GOV DOOMED BY WIDESPREAD UNETHICAL CONDUCT

## PRES. OBAMA'S FACEBOOK COMPLICITY MAKES THE WEBSITE A FOOL'S ERRAND

CONTRIBUTING WRITERS | OPINION | [AMERICANS FOR INNOVATION](#) | NOV. 26, 2013, [UPDATED NOV. 23, 2017](#) | PDF

DEEP STATE SHADOW GOVERNMENT POSTER

[Harvard](#) | [Yale](#) | [Stanford](#) | Sycophants

Updated Oct. 29, 2017.

**CLICK HERE TO SEE COMBINED TIMELINE OF THE HIJACKING OF THE INTERNET**

**PAY-to-PLAY NEW WORLD ORDER**  
 This timeline shows how insiders sell access & manipulate politicians, police, intelligence, judges and media to keep their secrets

Clintons, Obamas, Summers were paid in cash for outlandish speaking fees and Foundation donations. Sycophant judges, politicians, academics, bureaucrats and media were fed tips to mutual funds tied to insider stocks like Facebook. Risk of public exposure, blackmail, pedophilia, "snuff parties" (ritual child sexual abuse and murder) and Satanism have ensured silence among pay-to-play beneficiaries. The U.S. Patent Office is their toy box from which to steal new ideas.

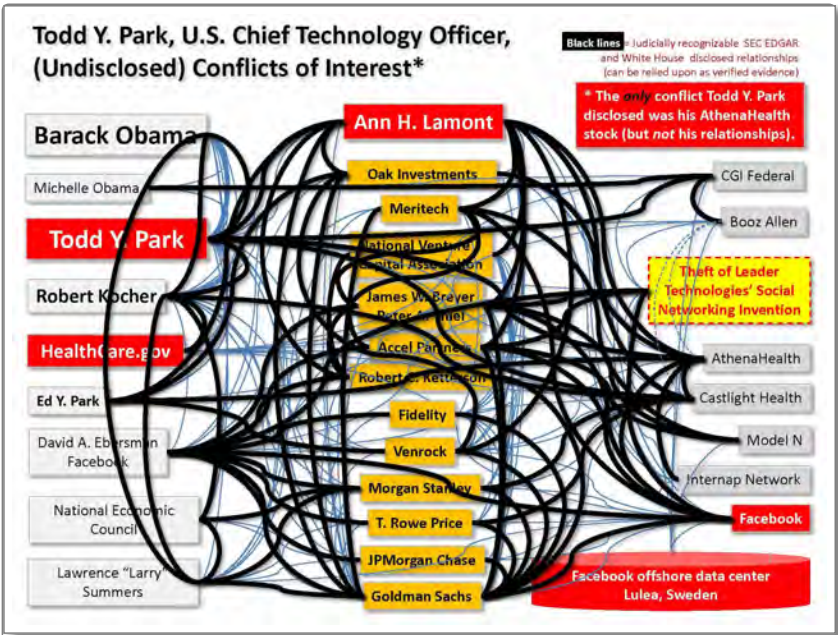

FIG. 1—TODD Y. PARK, U.S. CHIEF TECHNOLOGY OFFICER (CTO) UNDISCLOSED CONFLICTS OF INTEREST. Graphic: Americans For Innovation Contributor.

(NOV. 26, 2013)—New evidence proves that President Obama is ethically bound to recuse himself from Obamacare decisions, as should his chief technology officer, Todd Y. Park.

Yesterday, AFI received a copy of the 2006 Senate financial disclosure for Edward M. ("Ned") Lamont and his wife Ann H. Lamont ([CLICK HERE](#)). Investigation into the Lamonts began after discovery of her close business associations with Todd Y. Park.

We the People

FIG. 2—Todd Y. Park, U.S. CTO, HHS CTO, founder athenahealth and Castlight Health, White House CTO, Hillary 2016 campaign (on White House loan).

## A SPIDER'S WEB

A spider's web of self-dealing and conflicts of interest emerged. See, Fig. 1.

The [Standards of Ethical Conduct for Employees of the Executive Branch](#) tell employees to "avoid even the appearance of impropriety." Actual undisclosed conflicts of interest are serious offenses, and demand immediate redress to prevent damage to the body politic.

## PARK ONLY PRETENDED TO DIVEST HIS

## CONFLICTS

Massive corruption renders Obamacare and HealthCare.gov dead on arrival

When President Obama first appointed Park to be chief technology officer (CTO) for Health and Human Services (HHS), [the press asked Park about his conflicts of interest](#) as founder, director and lobbyist for Athenahealth. Park promised to sell his \$30 million in stock and options. Fair enough.

However, instead of divesting himself of his conflicts in 2009, he doubled down. Chief among Athenahealth's shareholders were Ann H. Lamont; Lamont's venture firm Oak Investments; venture capitalists Draper Fisher, Cardinal Health and Venrock; and his brother Ed Y. Park.

## THE PRICE OF TODD Y. PARK'S SOUL: \$160 MILLION

A year earlier, in Jan. 2008, Park had formed Castlight Health. On Aug. 4, 2009, Park was appointed HHS CTO by President Obama. Then, just 10 months later in Jun. 2010, Park's private Castlight Health company received a whopping \$60 million investment from Morgan Stanley, Oak Investments (Ann H. Lamont), Venrock and the Cleveland Clinic. He received another \$100 million in May 2012. T. Rowe Price jumped on the second-round bandwagon.

Park's conflicts are astounding. No less than three of the Athenahealth entities with whom Park had earlier admitted conflicts, were now back on center stage privately funding Castlight Health. Concurrently, Park was designing and developing HealthCare.gov—without disclosing these conflicts. As troubling, President Obama's chief adviser on Obamacare, Robert Kocher, MD, joined Venrock and the Castlight Health board of directors, along with Ann H. Lamont, and Facebook's CFO, David A. Ebersman.

These conflicts were layered on top of Park's prior association with government contractor Booz Allen Hamilton where he was formerly employed. Booz Allen is the primary subcontractor to HealthCare.gov contractor CGI Federal. CGI's senior vice president, Toni Townes-Whitley, is a friend and fellow college alum of Michelle Obama. In any professional public board room, giving preference to friends and family is a conflict of interest on its face. CGI received the \$634 million HealthCare.gov contract without a bid. Such conduct can only be described as audacious impropriety.

**Social Networking: The True Story**

*A Matter of Fairness*

**HealthCare.gov's confiscation of this property cannot stand**

**Leader:** 145,000 man-hours • over \$10 million • 20 people • solid engineering • hackers not welcome • affirms privacy, security, property • no foreign influence • respects U.S. Constitution

**Facebook:** "one to two weeks" • beer money • all by myself • 28 hidden hard drives • stole Harvard photos • hacks email • PayPal Mafia handlers • scofs at privacy • corrupts markets, judges, politicians & gov't agencies

OpenTrial.org

**Leader v. Facebook**

Facebook — a force for freedom perhaps, but at odds with the rule of law in the U.S.

John Adams, or ...?

**Federal Corruption**

In addition, the HealthCare.gov website claims the social networking technology it uses is "open source," yet fails to disclose that Columbus innovator Leader Technologies proved Facebook guilty on 11 of 11 counts of infringing Leader's patent. Facebook's counter is that it prevailed on an "on-sale bar" verdict. ([See previous post.](#)) The on-sale bar verdict was achieved without evidence, and is mired in corruption since all the judges, including Chief Justice John G. Roberts, held stock in Facebook during the proceedings.

In yet another layer, Mark Zuckerberg withheld 28 hard drives and Harvard emails from Leader's attorneys, then lied to the court that they were lost. In fact, they were in the possession of Facebook's appeals attorney, Thomas G. Hungar, Gibson & Dunn LLP, the entire time, by the admission of [Facebook's own experts in Ceglia v. Zuckerberg.](#) The courts have taken no steps to redress this evident misconduct. All Facebook arguments are attorney sophistry, not hard evidence. Clearly, that's all that these corrupt federal judges needed not to rule against Facebook to protect their personal financial interests.

# TODD Y. PARK WORKS FOR FACEBOOK. PRES. OBAMA ALONG FOR THE RIDE

Researchers discovered late last week that Ann Lamont served as a director of the National Venture Capital Association (NCVA) at the same time as James W. Breyer, Accel Partners (Facebook former director and largest shareholder); Robert C. Ketterson, Fidelity Funds (large Facebook investor); and Anne Rockhold, a previous Vanguard (large Facebook investor) CFO and current Accel Partners CFO. The researchers suspected that direct financial relationships were lurking in the weeds.

The White House and HHS failed to produce Park's financial disclosures, but Ned and Ann Lamont's was located. Lamont ran as the Democratic candidate against Democrat turned Independent Senator Joe Lieberman in the 2006.

**UPDATE MAR. 25, 2014**

### FIVE CRITICAL AFI POSTS ON JUDICIAL COMPROMISE

Fully updated Mar. 25, 2014 in the wake of the Scribd censorship:

- HOW PATENT JUDGES GROW RICH ON THE BACKS OF AMERICAN INVENTORS**

Patent Office filings are shuffled out the USPTO backdoor to cronny lawyers, banks and deep-pocket clients.
- WAS CHIEF JUSTICE ROBERTS BLACKMAILED** into supporting Obamacare by his ethical compromises in *Leader v. Facebook*?
- JUSTICE ROBERTS MENTORED** Facebook Gibson Dunn LLP attorneys.
 
- JUSTICE ROBERTS HOLDS** substantial Facebook financial interests.
- JUDGE LEONARD STARK FAILED** to disclose his Facebook financial interests and his reliance on Facebook's Cooley Godward LLP attorneys for his appointment.
 

## BARACK OBAMA'S DARK POOLS OF CORRUPTION

FIG. 3—EDWARD M. ("NED") LAMONT AND ANN HUNTRESS LAMONT (A.K.A. ANN H. LAMONT) Senate Financial Disclosure, 2006. [Click Here](#) for a copy of the full 96 page disclosure. Source: U.S. Senate.

The hard proof of Park's conflicting relationships emerged on page 93 of 96. The impropriety of Lamont's failure to disclose the value of these holdings aside, Lamont nonetheless disclosed the names of [four venture capital funds owned by Ann H. Lamont](#), namely:

- 1. Meritech Capital Affiliates II, LP.
- 2. Meritech Capital Affiliates, LP.
- 3. Oak Meritech II, LLC.
- 4. Oak Meritech Associates III, LLC.

Venture capitalists use mundane names like these for their investing entities. The names tend to be variations of "Affiliates," "Associates," "Holdings" along with roman numerals. It is not unusual to see five or ten variants of the same fund in a single round of investing.

# PARK AND LAMONT ARE MEMBERS OF THE FACEBOOK CLUB

In 2004, Lamont's ["Meritech Capital Affiliates, LP"](#) (see No. 2 above) invested with James W. Breyer and many of his partners at Accel Partners in **PEOPLESUPPORT, INC.** Lamont and Breyer were both National Venture Capital Association directors at the time. These SEC records prove that Lamont and Park are tied to Breyer and other key Facebook interests. In addition, Meritech was a part of the group of Facebook insiders who cashed in over \$16 billion of their shares on Day 3 of the Facebook IPO, during the supposed NASDAQ "glitch," before the price plummeted.

Lamont's portfolio shows [62 Goldman Sachs and 19 JPMorgan Chase investment funds](#) valued at up to \$71 million. The portfolio reads like a Who's Who of the Facebook IPO. Fidelity, JP Morgan Chase, Morgan Stanley, T. Rowe Price, Microsoft, IBM, even Boston Scientific. All these entities had a vested financial interest in ensuring that Facebook went public years later. This explains the silence from the financial press when Leader Technologies proved in 2010 that Facebook is infringing its patent.

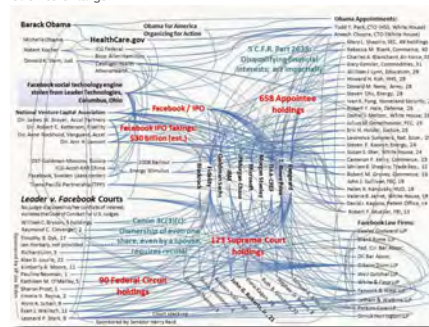

**TODD PARK'S RECUSAL:** Todd Y. Park's broad conflicts of interest dictate that he recuse himself from involvement in Obamacare and HealthCare.gov

**PRES. OBAMA'S RECUSAL:** Due to Michelle's conflicts and the tainted advice of Todd Park and other advisers, President Obama should recuse himself from decision making on Obamacare and HealthCare.gov. The President of the United States must set the example of propriety. Not to disqualify himself is to send the signal that ethics is unimportant.

# AMERICA'S HEALTHCARE DATA SHIPPED TO SWEDEN

Facebook has a fully operational server center offshore, in Lulea, Sweden ([Ashlee Vance](#), [Oct. 04, 2013](#)). "Inside the Arctic Circle, Where Your Facebook Data Lives." Business Week. .) If we let these people continue to manipulate America's healthcare data, it is certain that America's private healthcare information will be "liberated" to overseas locations like Sweden, well beyond the reach of U.S. law and accountability. It should also be noted that

**CLICK HERE FOR WASHINGTON'S ETHICAL DISEASE DISCOVERIES RE. FACEBOOK "DARK POOLS"**

## STOP FACEBOOK PROPERTY THEFT

WILL HUMANKIND EVER LEARN? Facebook's Orwellian doublespeak about property and privacy (theft) merely repeats the eventual dehumanization of the individual under MAO's Red Star, Stalin's SOV ET Hammer & Cycle and Hitler's NAZI Swastika. Respect for the inalienable rights of each individual is a bedrock value of democracy. The members of the Facebook Cabal abuse this principle at every opportunity. They evidently believe that they deserve special privileges and are willing to lie, cheat and steal in order to treat themselves to these privileges.

## ASK CONGRESS: PASS THE INVENTOR PROTECTION ACT!

**LEADER TECHNOLOGIES**  
**Inventor Protection Act**  
 (Proposed)

America needs to practice what it preaches.

We have no business lecturing the world about free enterprise and the rule of law, when we permit the investors in Ohio-based innovator Leader Technologies to go uncompensated for the risks they took to help invent social networking . . .

- a technology upon which the President and U.S. government now rely;
- a technology *stolen* by the "Facebook Cabal" who recruited the federal courts and Patent Office into their club of corruption.

*Rescind. Investigate. Sanction. Certify.*

**Contact your representatives. Ask them to pass it.**  
 Real American inventors need your support.  
<http://www.contactingthecongress.org/>  
<http://americans4innovation.blogspot.com>

Click image above to download a poster-quality PDF optimized for a 11in. x 17in. (ledger-size) poster. America should not be in the business of cheating its entrepreneurial investors simply because the cheaters buy off judges with the money gained from their theft. Such permissiveness is obscene.

Sweden currently leads the charge for the Islamification of Europe where rape of Swedish women by immigrants from the Middle East is hardly enforced.

## HEALTHCARE.GOV: PARABLE OF THE WISE AND FOOLISH BUILDERS

Jesus Christ's parable of the wise and foolish builders comes to mind when considering what must be done with Obamacare and HealthCare.gov. The foolish builder built his house on sand. When the rains came, and the rivers rose, and the winds blew, the house fell with a great crash. [Matthew 7:24-29](#)

Obamacare and HealthCare.gov have been rendered useless by the massive corruption that began with the Commander in Chief, trickled down through his Chief Technology Officer, flowed through his staff, cabinet, and agencies; it compromised courts and media, and threatens to destabilize American democracy itself. The President's response to this demand for recusal will be telling.

Dale's comment illustrates why these scoundrels are getting away with their criminality. The average person tends to believe what they are told when they are looking at a process like software that they do not fundamentally understand. This is no different than a mechanical novice taking his car to a garage and being handed a huge bill and his keys with assurances that everything is fixed. Two hours later, the engine stops running because the mechanic was lying. The only difference is the cleverness of the explanations

### LEADER V. FACEBOOK BACKGROUND

**Jul. 23, 2013 NOTICE:** DonnaKlineNow! has gone offline. All her posts are available as a [PDF collection here](#) (now updated, post-Scribd censorship).

**Mar. 20, 2014 READER NOTICE:** On Mar. 7, 2014, all of our documents linked to Scribd were deleted by that "cloud" service using the flimsiest of arguments. Some of our documents have been there for two years and some had almost 20,000 reads.

George Orwell wrote in 1984 that one knows one is in a totalitarian state when telling the truth becomes an act of courage.

**Darren** December 2, 2013 at 9:55 AM

Wow! Another kool-aid drinker!  
I hope they don't use the same standards you just gave when repairing boats, planes and trains. The Facebook crowd seems to think it is OK and acceptable to have substandard programs and software! The cost is 100's of times more expensive than what could have been developed in the private sector and then supposedly gets fixed in less than 30 days except for the glitches they say still exist.  
3 1/2 years and \$300-\$500 million to develop. I wonder what the repair bill will be in a 80% running program and they are not yet finished!

8-0

Experts in application and system tuning use the terms: "hogs, frogs, and dogs" to describe different types of transactions. Hogs use up a lot of system resources. Frogs are efficient applications that run quickly and smoothly. Dogs are applications that need a lot of work for provide proper functionality and then run efficiently. To get to an 80% level of efficiency for the functions the Administration has announced, it looks like the team worked on the hogs and frogs. The dogs need to be triaged for a later effort. They also added major "horsepower" in hardware to help the applications run faster.

However, this does not even address the serious privacy and security issues embedded in these systems.

And don't be fooled by proclamations of success. It's like the baseball team announcing victory after 80% of the innings were played (22 of the 27 outs had been achieved---still leaving another 5 outs to go.) And we know what can happen in the last two innings of a game.

False promises were made and continue to be made. The cover ups will continue, too. It looks like the hogs, frogs, and dogs have been joined by skunks.

David London you supposedly have all of these emails showing the Facebook fraud. Why in the works haven't you posted them if they actually exist?

## GIBSON DUNN LLP exposed as one of the most corrupt law firms in America

Investigative Reporter Julia Davis investigates Facebook's Leader v. Facebook attorney Gibson Dunn LLP. She credits this firm with the reason why not

a single Wall Street banker has gone to jail since 2008. [Click here](#) to read her article "Everybody hates whistleblowers." [Examiner.com, Apr. 10, 2012](#). Here's an excerpt:

"Skillful manipulation of the firm's extensive media connections allows Gibson Dunn to promote their causes, while simultaneously smearing their opponents and silencing embarrassing news coverage."

This statement followed right after Davis cited Facebook's chief inside counsel in the Leader v. Facebook case, Theodore Ulyot, who appears to have helped lead the Leader v. Facebook judicial corruption. Interesting word choices associated with Gibson Dunn LLP: manipulation, smear. Attorneys swear a solemn oath to act morally, ethically, and in support of democratic principles. They promise to conduct themselves in a manner than instills confidence among the citizenry in the rule of law and the judicial system. These promises appear to be meaningless. [Click here for a PDF version of Julie Davis' article.](#)
