ROGER STONE SPEAKS: On Nov.

PAY-to-PLA Y NEW W ORLD ORDER

This timeline shows how insiders sell access & manipulate politicians, police, intelligence, judges and media to keep their secrets

Clintons, Obamas, Summers were paid in cash for outlandish speaking fees and Foundation donations. Sycophant judges, politicians, academics, bureaucrats and media were fed tips to mutual funds tied to insider stocks like Facebook. Risk of public exposure, blackmail, pedophilia, "snuff parties" (ritual child sexual abuse and murder) and Satanism have ensured silence among pay-to-play beneficiaries. The U.S. Patent Office is their toy box from which to steal new ideas.

FIG. 1: FREDERICK WILLIAM ("BILL") McNABB III, was appointed CEO of the Vanguard Group. McNabb organized Vanguard's effective control of the entire U.S. economy. Who knew? Only the insiders. By controlling all companies in all sectors, Vanguard played the markets against themselves and never losing. Vanguard's control over markets makes George Soros' hedge fund scams look like school yard antics. [See Table 1 below.](#)

Photo The Wall Street Journal

(DEC. 29, 2017)—President Trump's new executive order has declared a "national emergency" as a declaration of war against all forms of crime - not just human trafficking and human rights abuses. Criminals from Saudi Arabia to Washington, D.C. knew this was coming from the moment Trump was elected. The Obama "age of lawlessness" has come to an end and the new sheriff in town is the fastest gunslinger (tweet-slinger) around.

That is why [Frederick William "Bill" McNabb III, Eric Schmidt, and the 200 or so other top CEOs are resigning their compromised posts and running for cover.](#)

Of course, some have already been called out for sexual harassment, pedophilia, and theft, among others crimes. Some are just resigning, gathering up their off-shore monies and hiding, while other the corporate Alpha Dogs are just moving to another position in the company in an effort to create distance from their crimes and possible plausible deniability before the second shoe drops.

The CEOs (corporate warlords) of some of the largest companies in the world have coincidentally "stepped down" at the same time that the first president in U.S. history formally announced a "national emergency." President Trump has declared a type of war against every criminal in America, the international corporate world, and every country and organization in the world that wishes to break U.S. laws (including the United Nations who Trump has already "called out" for their crimes and begun to defund them).

It is great to see the roaches scatter when the exterminator shows up. Just look at the tidal waves that Trump recently caused in Saudi Arabia, Syria, Iraq, Turkey, Iran, etc., etc., etc. by simply announcing that [America was now going to be moral and honest.](#) Does the phrase "too much winning" come to mind?

Trump has named 13 international criminals in his executive order (EO) whose funds and assets have already been seized. He also mentioned in the EO that there is an Annex list that names 39 other criminals and/or criminal organizations (including foreign nations).

Thus, every criminal in the world who has an off-shore account is shaking in their boots. The U.S. Treasury can seize assets anywhere in the world and certainly have done so many times before through executive orders. But Trump's new EO is the most comprehensive and all-encompassing war on transnational criminals ever written by a president.

The [Anonymous Patriots](#) told their subscribers what [Eric Schmidt](#) is up to with his continuing plans to take over the world after stepping down from being the CEO of Google.

CORPORATE TRANSNATIONAL WARLORD PIRATES ARE ON TH...

But when we see the CEO of Vanguard—one of the largest investment companies in the world with over 5 trillion dollars in managed assets—step down from the cushiest CEO job in the world - you know that Trump has the lawless corporate warlords extremely nervous.

These corporate warlords are covering their criminal trails like Hillary bleaching her server.

Decades of negligent government oversight of huge transnational corporations, like Vanguard and Google, have lead the CEOs to be very careless in their crimes which created a long and clear trail of evidence that was ignored by the Daddy Bush / Clinton / Bush Jr. / Obama administrations. Crime had become a way of life and the Queen of Thieves was ready to ascend the ultimate throne of crime - the White House.

The CEO of Vanguard, Frederick William “Bill” McNabb III, like hundreds of other CEOs simply got out while they could because they certainly know that they are guilty and could come to be identified as one of the already named Annex list 39 that are going down next.

FIG. 2: FREDERICK WILLIAM (“BILL”) McNABB III, presided over ALL the investments in the companies in the table below. Despite being the Lord of Lords over the American economy, he resigned unexpectedly on July 13, 2017. In large public companies, a 2+% holding is enough for effective controlling interest. [See Table 1 below.](#)

Trump will be known in history for bringing back the “rule of law” to a country that had already been sold out to the highest international bidders.

Bill, Hillary and Obama sold America out to China, Russia, North Korea, Iran, the United Nations, etc., etc., etc. through criminal conspiracies. International corporate warlords (including warlord brokers like Vanguard) sold America out in lock step with the Clintons.

For instance, Vanguard is the largest investor in companies that have the greatest number of U.S. military contracts. Vanguard is also a criminal enterprise that has been sued many times and has avoided approximately \$65 billion in taxes through spurious means.

STOP FACEBOOK PROPERTY THEFT

WILL HUMANKIND EVER LEARN? Facebook's Orwellian doublespeak about property and privacy (theft) merely repeats the eventual dehumanization of the individual under MAO's Red Star, Stalin's SOVIET Hammer & Sickle and Hitler's NAZI Swastika. Respect for the inalienable rights of each individual is a bedrock value of democracy. The members of the Facebook Cabal abuse this principle at every opportunity. They evidently believe that they deserve special privileges and are willing to lie, cheat and steal in order to treat themselves to these privileges.

ASK CONGRESS: PASS THE INVENTOR PROTECTION ACT!

LEADER TECHNOLOGIES
Inventor Protection Act
(Proposed)

America needs to practice what it preaches.

We have no business lecturing the world about free enterprise and the rule of law, when we permit the investors in Ohio-based innovator Leader Technologies to go uncompensated for the risks they took to help invent social networking . . .

—a technology upon which the President and U.S. government now rely;

—a technology *stolen* by the “Facebook Cabal” who recruited the federal courts and Patent Office into their club of corruption.

Rescind. Investigate. Sanction. Certify.

Contact your representatives. Ask them to pass it.
Real American inventors need your support.

MILITARY

Vanguard is the largest shareholder in BAE Systems, Boeing, General Dynamics, Humana, L3 Communications, Lockheed-Martin (second largest), Northrop Grumman, Raytheon, United Technologies—the best of the supreme warlords.

MESSAGE TO MCNABB: YOU CAN RUN BUT YOU CANNOT HIDE

Frederick William “Bill” McNabb III has very good reasons to obfuscate his CEO decisions that were criminal. This type of criminal corporate behavior was accepted as “standard operating procedure” during the Clinton/Bush/Obama administrations, which condoned unregulated corporate fleecing of America that was not policed by the criminally compromised Department of Justice.

To Frederick William “Bill” McNabb III, prior CEO of Vanguard, and Eric Schmidt, prior CEO of Google, and the other hundreds of CEOs “stepping down” from positions at the top of the corporate pyramid, we have a message for you—You can run but you cannot hide!

WHY IS TRUMP TARGETING TRANSNATIONAL CORPORATIONS?

When you look at the shareholders of the largest corporate military contractors, media companies, technology companies, patent holders, Internet companies, telecommunications companies, you find Vanguard.

Vanguard is a notorious warlord corporation that is owned by banks and a network of corporations who are all interconnected.

Trump is up against warlord brokers and bankers who own 43,000 transnational companies which comprise 60% of the world’s income.

The top 1,300 transnational companies generate about 20% of the world’s income, and 80% of the ownership of the top 1300 corporations is in the hands of 737 corporations world-wide.

Of those 737 corporations, 147 corporations directly own 40% of the income. These corporations in turn own industry, oil, weapons, perpetual military contracts, pharmaceuticals, food, telecom, IT and the other profitable companies—especially war related.

Essentially, these elite corporations own each other through shared stock and investments.

These transnational corporations have silently declared war on America years ago and were winning until Trump came to office.

Vanguard is an excellent example of the type of transnational criminal corporations that Trump has declared war upon. He has already “kicked ass” (seized assets) and “taken names” (the Annex list of 39). Interestingly enough, some of the names on Trump’s “naughty” list are good friends of Hillary and Bill.

The bottom line is basically that the CEOs jumping ship are simply letting Trump know that they are guilty and should be put on his “naughty” list, if they were not already there to begin with.

IS VANGUARD ON TRUMP’S NAUGHTY LIST?

CEO McNabb has been involved in Vanguard’s many financial scams. For instance, by design, the Vanguard Group does not earn any profits, even though every other major mutual fund company does. This is an elaborate way of paying less or no taxes. In one case, Vanguard did not charge its own “member” investors \$19.8 billion in investment fees in 2007 and did not pay almost \$35 billion in taxes.

In June of 2017, Vanguard had to pay Brazil’s Petrobras shareholders \$445 million over corruption charges. While Petrobras managed to settle with most of the shareholders out of court, a class-action suit in which plaintiffs claim tens of billions of dollars in damages remains active in New York federal court.

The Vanguard Group is not an independent company; it is owned by all the investors in Vanguard mutual funds, and one board of directors oversees both. Vanguard Group does not take a profit from the mutual funds it manages because of its unique structure. Making a profit matters because of a widely used tax dodge involving related companies, known as transfer pricing.

The goal of such maneuvers is earning “stateless income,” so-called because no government taxes the profit. This is tax evasion, plain and simple. Also, another scam at Vanguard is that nobody has any idea what anyone at Vanguard makes as salary. They can pay themselves whatever they want because it’s a “black box without any disclosures.”

Does Vanguard sound like a corporation that might be, or need to be, on Trump’s Annex list of 39 criminals?

The 200 or more corporate CEOs who have recently resigned might just be the tip of the iceberg. Trump has upset the applecart of DC lawlessness and the criminal apple vendors don’t know which way to run first to pick up their apples.

It sounds like the Art of the Deal may actually be the Art of War.

a single Wall Street banker has gone to jail since 2008. [Click here](#) to read her article “Everybody hates whistleblowers.” [Examiner.com, Apr. 10, 2012](#). Here’s an excerpt:

“Skillful manipulation of the firm’s extensive media connections allows Gibson Dunn to promote their causes, while simultaneously smearing their opponents and silencing embarrassing news coverage.”

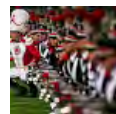

This statement followed right after Davis cited Facebook’s chief inside counsel in the Leader v. Facebook case, Theodore Ulyot, who appears to have helped lead the Leader v. Facebook judicial corruption. Interesting word choices associated with Gibson Dunn LLP: manipulation, smear. Attorneys swear a solemn oath to act morally, ethically, and in support of democratic principles. They promise to conduct themselves in a manner than instills confidence among the citizenry in the rule of law and the judicial system. These promises appear to be meaningless. President Trump and our Republic are in peril from Deep State operatives like Robert S.

On Aug. 06, 2009, IBM's chief intellectual property counsel David J. Kappos was appointed director of the U.S. Patent Office by Barack Obama in a rare recess appointment. Notably, Kappos had to quickly sell off his up to \$2.5 million in IBM stock in one month between Aug. 19 - Nov. 16, 2009.

A week later Kappos hurriedly purchased up to \$1.1 million in Vanguard mutual funds, on Oct. 27, 2009.

Two weeks after Kappos bought Vanguard exclusively, Facebook filed a complaint with Kappos' new Patent Office.

They asked Kappos to invalidate Leader's patent on social networking using a bizarre unconstitutional "reexamination" provision that confiscates property rights already granted. The "reexamination" concept was promoted by none other than Leader Technologies former patent attorney James P. Chandler, III in the mid-1990's under Bill Clinton.

Facebook subsequently lost these invalidation arguments three times before asking Kappos a fourth time to invoke never-used directorial power to invalidate the patent just before he departed in 2013.

As readers can see from the table below, Vanguard is now Facebook's largest shareholder.

Vanguard is now IBM's largest shareholder where Kappos worked for twenty-five years.

Vanguard is the largest shareholder in all the underwriter banks for Facebook's initial public offering in which all the judges in the *Leader v. Facebook* lawsuit held substantial financial interests.

IBM is the largest holder of patents in the world.

Remarkably, the 12 largest patent grants in 2016 are ALL members of the IBM Eclipse Foundation. Eclipse was used to distribute Leader Technologies' social networking invention to these companies after its formation on [Nov. 29, 2001](#).

As described earlier, Vanguard is the largest shareholder in ALL of the chief beneficiaries of Leader Technologies' social networking invention.

question shout for attention, Dec. 27, 2012

3. Two Policy Changes That Will Make America More Democratic (and less contentious), Dec. 21, 2012

OUR MISSION

American citizens must fight abuse of the constitutional right for authors and inventors to enjoy the fruits of their inventions, as a matter of matter of basic property rights and sound public policy. Otherwise, instead of innovation, creativity, genius, ideas, vision, courage, entrepreneurship, respect, property, rejuvenation, morals, ethics, values, renewal, truth, facts, rights, privacy, solutions and judicial faithfulness,

. . . our society and economy will be dragged down (and eventually destroyed) by copying, infringement, thievery, counterfeiting, hacking, greed, misinformation, exploitation, abuse, waste, disrespect, falsity, corruption, bribery, coercion, intimidation, doublespeak, misconduct, lies, deception, attorney "dark arts," destruction, confusion, dishonesty, judicial chicanery and lawlessness.

If we do not speak up, impeach derelict judges and imprison corrupt attorneys, we cannot possibly hope to start fixing the current ills in our society. Without justice and respect for private property, democracy has no sure foundation.

CURRENT EDITORIAL FOCUS

We are an opinion blog that advocates for strong intellectual property rights. We welcome commenters and contributors. The Leader v. Facebook patent infringement case first came to our attention after learning that the trial judge, Leonard P. Stark, U.S. District Court of Delaware, ignored his jury's admission that they had no evidence to support their on-sale bar verdict, but the judge supported it anyway.

The judicial misconduct has deteriorated from there, replete with two of the three judges on the Federal Circuit appeal panel, Judges Alan D. Lourie and Kimberly A. Moore, holding Facebook stock that they did not disclose to the litigants, and later tried to excuse through a quick motion slipped in at the last minute by the Clerk of Court, Jan Horbaly, and his close friends at The Federal Circuit Bar Association. (The DC Bar subsequently revealed that Mr. Horbaly is not licensed to practice law in Washington D.C.)

The judges ignored [shocking new evidence](#) that Mark Zuckerberg withheld 28 hard drives of 2003-2004 evidence from Leader Technologies that could prove actual theft (and therefore claims even more serious than infringement). In addition, Facebook's appeal attorney, Thomas G. Hungar of Gibson Dunn LLP, has close personal ties to just about every judicial player in this story. The misconduct appears to reach into the U.S. Patent Office through abuse of the

CODE OF CONDUCT FOR U.S. JUDGES

"CANON 2: A JUDGE SHOULD AVOID IMPROPRIETY AND THE APPEARANCE OF IMPROPRIETY IN ALL ACTIVITIES "

GALLERY OF JUDICIAL MISCONDUCT

Judge Leonard P. Stark, U.S. District Court of Delaware, trial judge in *Leader Techs, Inc. v. Facebook, Inc.*, 770 F. Supp. 2d 686 (D.Del. 2011). Judge Stark heard his jury foreman admit that the jury made the on-sale bar decision without any evidence other than speculation, and yet he supported that verdict anyway. Just months before trial, Judge Stark allowed Facebook to add the on-sale bar claim after the close of all fact discovery and blocked Leader from preparing its defenses to this new claim. Judge Stark allowed the claims despite Leader's prophetic argument that the action would confuse the jury and prejudice Leader. He also permitted the jury to ignore the *Pfaff v. Wells Electronics, Inc.* test for on-sale bar, even after instructing the jury to use it. ([See that Jury Instruction No. 4.7 here.](#)) He also contradicted his own instruction to Leader to answer Interrogatory No. 9 in the present tense (2009), then permitted the jury to interpret it as a 2002 admission as well. Facebook's entire on-sale bar case is based upon this interrogatory. (Editorial: Hardly sufficient to meet the "heavy burden" of the clear and convincing evidence standard.)

Judge Alan D. Lourie, U.S. Court of Appeals for the Federal Circuit, panel judge in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Judge Lourie stood to

David Martosko. (Dec. 29, 2017). Jailed pervert Anthony Weiner had CLASSIFIED emails belonging to wife Huma Abedin on his laptop - which the FBI seized after he sexted 15-year-old girl

- The FBI found 2,800 of Huma Abedin's work-related emails and documents on disgraced husband Anthony Weiner's computer

- Weiner turned over the laptop to authorities as they investigated him in a teen sexting case

- Judicial Watch had sued for the materials, and the State Department said in September that it expected to have them processed by year's end

- Government lawyers had to examine the files for classified material that the public can't see - the same things that it's illegal to keep on unsecured systems

They found five classified emails about delicate talks with Middle East leaders including some from Israel, Hamas, Saudi Arabia and the Palestinian Authority.

Judge Moore failed to follow the long-held precedent for testing on-sale bar evidence in *Pfaff v. Wells Electronics, Inc.*—an evident and intentional omission coming from a former patent law professor. After debunking all of Facebook's evidence on appeal, Judge Moore created new argument in the secrecy of chambers to support Facebook and prevent the on-sale bar verdict from being overturned—a clear breach of constitutional due process.

Judge Evan J. Wallach, U.S. Court of Appeals for the Federal Circuit, member of the three-judge panel in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Judge Wallach is not a patent attorney. This begs the question as to why a judge with no knowledge of patent law was assigned to the case. Would anyone ask a dentist to perform brain surgery? The Federal Circuit was specially formed to appoint patent-knowledgeable judges to patent cases. There is no evidence so far in the judicial disclosures that Judge Wallach holds stock in Facebook, although

Kathryn Watson. (Dec. 29, 2017). State Department releases Huma Abedin emails from Anthony Weiner's laptop. CBS News.

The State Department has released a number of emails from former key Hillary Clinton aide Huma Abedin that were found on the laptop of her then-husband and disgraced former congressman Anthony Weiner. The release was a result of a lawsuit by Judicial Watch, a conservative watchdog group that specializes in Freedom of Information Act (FOIA) requests and lawsuits.

The State Department webpage appeared to not be working on Friday afternoon, but Judicial Watch said it was able to pull some of those emails. Much of what they obtained includes redacted information, while other content includes things like Clinton's daily schedules.

Admin. (Dec. 30, 2017). Wikileaks Drops Bombshell Proof of New York Times Colluding with Hillary Clinton. True Pundit.

That didn't take long.

Hours after the New York Times dropped yet another thinly-sourced Trump Russia conspiracy collusion story, Wikileaks pounded the washed-up partisan newspaper with a heavy dose of journalistic reality

when he was asked on a motion to disclose potential Facebook holdings and other conflicts of interest, he refused along with the other judges. [See Motion to Disclose Conflicts of Interest](#). Judge Wallach continued in silence even after Clerk of Court Horbaly failed to provide him with Dr.

Lakshmi Arunachalam's motions (according to his Federal Circuit staffer Valeri White), and yet the Clerk signed an order regarding that motion on Judge Wallach's behalf. [See a full analysis of these events at Donna Kline Now!](#) Judge Wallach also failed to police his court's violation of Leader's Fifth and 14th Amendment constitutional right to due process when he participated in the fabrication of new arguments and evidence for Facebook in the secrecy of judge's chambers after he had just invalidated Facebook's sole remaining item of evidence (using disbelieved testimony as ostensible evidence of an opposite). Judge Wallach also failed to police his court when he failed to apply the Supreme Court's *Pfaff v. Wells Electronics, Inc.* test for on-sale bar evidence, which included even the Federal Circuit's own *Group One v. Hallmark Cards, Inc.* test—a test which Judge Lourie should have advised Judge Wallach to follow since Judge Lourie helped write that opinion. [Group One test omission analysis](#).

Clerk of Court Jan Horbaly, U.S. Court of Appeals for the Federal Circuit, clerk who signed all the opinions in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Clerk Horbaly and his staff obfuscated when the court's ruling was challenged by an amicus curiae brief revealing clear mistakes of law and new evidence. [See analysis of the misconduct and misrepresentations within the Federal Circuit Clerk of Court in Leader v. Facebook](#). Mr. Horbaly failed to disclose his conflicts of interest and close associations with numerous Facebook attorneys and law firms, as well as his close association with one of Facebook's largest shareholders, Microsoft, who is a Director of The Federal Circuit Bar Association where Mr. Horbaly is an ex officio officer. What we are living in the world today, is defined clearly as the goal by Carol Quigley in "Tragedy and Hope", p. 342. I am reading the book. It all makes sense. We are in a 'simulation'. Question: to escape, it will take 'credit' and 'currency'. From what source is this derived? This is clearly, the most 'salient' question for Freedom.

Glenn Greenwald. (Dec. 30 2017). Facebook Says It Is Deleting Accounts at the Direction of the U.S. and Israeli Governments. The Intercept.

IN SEPTEMBER OF last year, we noted that Facebook representatives were meeting with the Israeli government to determine which Facebook accounts of Palestinians should be deleted on the ground that they constituted "incitement." The meetings — called for and presided over by one of the most extremist and authoritarian Israeli officials, pro-settlement Justice Minister Ayelet Shaked — came after Israel threatened Facebook that its failure to voluntarily comply with Israeli deletion orders would result in the enactment of laws requiring Facebook to do so, upon pain of being severely fined or even blocked in the country.

The predictable results of those meetings are now clear and well-documented. Ever since, Facebook has been on a censorship rampage against Palestinian activists who protest the decades-long, illegal Israeli occupation, all directed and determined by Israeli officials. Indeed, Israeli officials have been publicly boasting about how obedient Facebook is when it comes to Israeli censorship orders:

Shortly after news broke earlier this month of the agreement between the Israeli government and Facebook, Israeli Justice Minister Ayelet Shaked said Tel Aviv had submitted 158 requests to the social media giant over the previous four months asking it to remove content it deemed "incitement." She said Facebook had granted 95 percent of the requests.

She's right. The submission to Israel dictates is hard to overstate: As the New York Times put it in December of last year, "Israeli security agencies monitor Facebook and send the company posts they consider incitement. Facebook has responded by removing most of them."

Judge Rader failed to manage his court resulting in a likely situation where his judges never even received briefs that they allegedly ruled on in favor of Facebook. Joe DePaolo. (Dec. 27, 2017). Ari Melber Shreds Mark Zuckerberg: Facebook Will 'Work With Anyone' For Money, Even Duterte. Media-ite.

Since the July 24 launch of The Beat, host Ari Melber has carved out a an important niche as arguably the leading critic of Facebook CEO Mark Zuckerberg in all of television. Again, and again, and again, Melber has slammed the social networking mogul for focusing on his company's profits and casting aside its responsibilities to society as a powerful corporation.

Wednesday, Melber was back on the warpath, slamming Zuckerberg for denying that he knew that Facebook was susceptible to bots and Fake News prior to the U.S. election.

"That doesn't look very true," Melber said. "Because Facebook is a global company, and it was ground zero for this [Vladimir] Putin/[Rodrigo] Duterte playbook long before Zuckerberg was playing naive about Fake News after November, and repeating their mantra, 'they're just neutral.' In fact, there was a whole scandal in that country, the Philippines, over fake news and bots and the election which was – wait for it – held in may 2016, long before ours."

In a comprehensive report, Melber zeroed in on Facebook's relationship with Duterte – who has overseen a violent drug war in which thousands of people have died in extrajudicial police killings. The Beat host ripped Zuckerberg for Facebook sending employees to train Duterte (along with the country's other presidential candidates) to use the social networking platform.

Let's examine the historical context of financial collapse:

1. Over valuation of currency
2. Cost of production is more rigid than prices
3. Gold reserves are non-existent or currency is not tied to commodity value
4. The burden of public debt is too great to be covered by 'ANY' liquidation of 'real assets'
5. Liabilities of private debt are greater than the value of the underlying assets in short term holdings so that private wealth is susceptible to deflationary pressures (PANIC/CONFISCATION)
6. Finally, no level of taxation of marginal value within the system can overcome the 'friction' or 'entropy' induced by the misallocation of resources in total of that system....the plane crashes

Every financial bubble has these characteristics. These are characteristics of a contrived system of mathematical algorithms purposefully put into motion to stimulate growth in 'real terms' to harvest the leveraged value from the growth.

This is performed by 'debt' creation', known as a 'Ponzi Scheme', so that the 'collapse' of the scheme creates short term deflationary opportunity for the 'debt holders' to seize the 'real assets' for pennies on the dollar.

Those who control the 'Ponzi Scheme' gain tremendous leveraged value during the growth of the bubble by utilizing the 'first round of value issuances' to purchase 'cheaper value' before the prices rise. This artificial horizon keeps moving upward until it collapses.

The 'insiders' always have the timing for 'issuances of currency', 'purchasing of value', and 'short selling', planned ahead of everyone else in the bubble, for the insiders control all of the mechanisms to perform their feats of 'magic'.

The end result is the 'rapid' concentration of wealth over time into 'dynastic' empires. This is the process under which the global economies currently labor. This is the system of economies known from the past as 'Oligarchical Mercantilism' and 'Free Trade'.

The greatest expression of this over the last 500 years has been the rise and prosperity of the 'British Empire', the evil embodiment of genetic horror, so vile in its corruption, that the 'common man' cannot even comprehend its scope without going into 'cognitive meltdown' of dissociative denial.

Under the hand of the HMS British Crown policy, we have the "Boer War" to subdue the African continent to control the vast resources of gold, fertile land, diamonds, cobalt, uranium, agriculture such as the world has never known. The creation of the sugar trade

BEGIN, JM comment, Part 2

The population of India was subdued into horrific poverty by organizing them into 'Raj' controlled directly by the 'Crown' until 1947. The creation of the cotton plantations in America, utilizing the horrific slavery of the disrupted African economy to sell cheap cloth to the Indians, organizing it into the most lucrative trades in history...all created by the HMS British Crown.

The creation of the most hidden and secretive weapon of mass destruction in the history of mankind, whose cleverness exceeds biblical descriptions ascribed to 'SATAN'...the 'Central Bank'. Conceived in illegitimacy to fund the transfer of control of England to the Saxe-Coburg-Gotha criminal cabal from the 'English people', the 'central bank Ponzi scheme' is the 'nuclear weapon' of economic terror.

Through its mechanisms, all wars have been funded, empires conquered, wealth confiscated, dynasties created and destroyed, and 'nation state sovereignty' subordinated under the heel of the 'Crown'. The central bank creates a permanent 'tax' called 'inflation' on the people's marginal value that taxes all future value of output 24/7 without regard to whom it defiles.

It is wrapped in secrecy, complexity, technical mystery, and great obfuscations of academic chicanery, so that the 'common man' will not dare question the Crown's evil hand in his pocket from which it extracts its vampire's blood. It is the blood-sport of Kings and their 'ass-wiping' sycophants who live to touch the body of the 'sovereign'.

This is the world in which we struggle, the same world described in Dante Alighieri Cantos known as Dante's Inferno, where these vampires are submitted to punishment befitting their worldly crimes, increasing in veracity as one descends deeper into the Hell of the Inferno, until the greatest punishment of all is reaped upon those who proselytize in the name of 'innocence' with hidden mysteries of evil to lord over the souls of man for their own profit and pleasures.

In this world, man is a 'beast' without a soul, set upon the firmament to toil ceaselessly as a 'Sisyphus' absurdity, unwilling and genetically incapable of 'escapement' by a 'leap of faith' into the realm of enlightenment to escape the horrors of a "Brave New World" of drug induced inhumanity.

Man's body is harvested like a crop, bred for desirable characteristics to serve the 'Raj' system of control that serves the 'elite' or 'Alphas'. In this world there is no 'leap of faith' that can escape the absurdity and all such attempts are met with swift retribution.

The 'Crown' will 'draw and quarter' those who attempt to escape. This is a dark world and a description of the tools utilized to create and control it...the reality of today inside the Matrix.

There exists another universe of ideas for the human, his body and soul. It is the universe where mankind makes the leap of 'absurdity' into God's hands. This is known as the '5,000 Year Leap' and was embodied by great souls into the American Constitution as stated by the Declaration of Independence away from the 'Crown'.

This 'Leap of Faith' across the abyss of nothingness is the power that can defeat the 'Crown'. It is the most feared weapon by the Crown. It is the shield against their nuclear weapon of central banking, Artificial Intelligence, drugs, debauchery, Raj controls, and vampirism.

Faith is the 'stake through the heart' that transports these souls to Dante's ninth level of hell where fire and brimstone eternally torture the 'Crown'. However, it would be absurd to contrive another Matrix solely to defeat the Crown, for all authority to do such exists only with Jesus Christ, and railing against the principalities of darkness with the expectation of success is its own absurdity. We

cannot stop others from performing their sins by pretending to 'bind the principalities' of darkness, by which we have no authority. The greatest admonition for man is to 'love'. In the same sense, we cannot sit idly, hoping for salvation, ignoring the flesh and the world in which it has been instantiated after making the "leap of faith".

It is within this context of cognition, faith, and love that man must 'act'. It is within this context that man ceases to be a 'beast', a hunter gatherer, where man utilizes the 'godliness' activated by the 'leap' that differentiates and elevates man above the beast.

It is this world that the Crown hates with all its evil power, for in this world man has control as an individual, who stands apart in the flesh, in the firmament, in a universe of creativity, not above God, but under great faith in the power of God, through man, into the firmament.

Man now becomes the 'lens' that focuses his godhood into understanding of the laws of God(nature) so that he may multiply and live in harmony within this 'existential universe'. This is the 'nuclear power' of every man that the Crown will act in any vile form necessary to destroy.

The greatest secret of all time that destroys the Crown and its central bank Raj mechanism is the concept of the 'holy trinity', the Father who is the authority, the Son who brings the message to the firmament in the flesh, and the holy spirit, which is the binding mechanism of communication such that nothing happens until all things are in agreement within the Godhead. (It's good in the 'hood)

The mystery is that this all exists simultaneously without time, without end, and without a beginning. These ideas had never been inculcated directly outside of the bible into a system of self-governance until the Magna Carta and the American Constitution. Republics had existed in name, but never under the 'Holy Trinity' to short circuit imbalances between the 'authority'(President), 'the message of the son(lawmakers)', and the 'balance of Justice(Holy Spirit, Supreme Court); all gathered into one document.

This is why the 'Crown' seeks above all else to destroy the word of Christ, the authority of God, and the 'balance of justice' no matter what, for it is the Trinity that replaces the Crown with God in the firmament.

Self-governance outside the total Matrix Raj control of the Crown began the 'American System'. It was always intended that the American System be dependent upon participation after the 'leap' by the citizens. The underpinnings of the Son's message was put on the American soil in various forms and sects of religion. Like water in a hydraulic system the 'Spirit' seeks balance among good men relative to laws of Nature and Nature's God.

The colonists experimented in many forms, but the 'Spirit' was among them and it grew in the firmament among them in total and gained strength. The 'American System' was born, in pain, in turmoil, and tumult, but it gained strength as set forth under the new Liberalism of self-governance. As an ongoing experiment today, we are in a great battle to carry on. I cannot think of better words than what President Lincoln said at Gettysburg:

"Four score and seven years ago our fathers brought forth on this continent, a new nation, conceived in Liberty, and dedicated to the proposition that all men are created equal. Now we are engaged in a great civil war, testing whether that nation, or any nation so conceived and so dedicated, can long endure. We are met on a great battle-field of that war. We have come to dedicate a portion of that field, as a final resting place for those who here gave their lives that that nation might live. It is altogether fitting and proper that we should do this.

But, in a larger sense, we cannot dedicate—we cannot consecrate—we cannot hallow—this ground. The brave men, living and dead, who struggled here, have consecrated it, far above our poor power to add or detract. The world will little

The American System is the balance of the Trinity where man is elevated above the beast by his own actions, under meekness, in Faith, Love, Hope, and Charity among his neighbors. This is not a free-for-all nor is it a new ‘Raj’. It is the Trinity acted out among the citizens through many layers of control starting from the local to the Federal levels. Boundaries of controls exist at each level of ascendancy (opposite of Dante’s spiral into Hell). The boundaries exist to dampen the ‘Raj’ that exists in each man so that the ‘Son’ can bring the message so that the community can be ‘balanced’ in the ‘spirit’.

The needs of the local community are best served when local control and the message to the next level are untainted from the higher levels, accept for the controls provided in accordance to the ‘rule of law’ by which all have ‘voted’. This justice is the feedback loop of the ‘spirit’ seeking balance and concordance within the Trinity.

This is unpopular today among the Libertarians who eschew any feedback loop that may hamper their ‘individualisms’. In the same vain, those who are predisposed to serving the ‘Raj’ for convenience and the opportunities to plunder, are also controlled by the boundary layers between ascending levels of political control. The greatest mechanism for assuring that the Trinity is being served and in balance is ‘participation, transparency, and communications’. That which is not performed in secret cannot grow under public scrutiny to become an unbalanced malevolent ‘Raj’.

Under self-governance, Justice, or the ‘rule of law’ gains ascendancy and becomes the ‘great leveler’ which allows the ‘spirit’ to input energy into the ‘lens’ of those who ‘leap’ over the abyss to create insight into the laws of Nature and God, so that mankind can benefit. This ascendancy is the “American System”, under God, in balance within the Trinity.

Each person in the ‘American System’ is empowered to develop God’s gifts to them, and assures each person the minority rights of protection within the American System, to act according to the ‘rule of law’, so that they may participate at a level of their own choosing; and being dissatisfied with their starting point in life, can achieve a more satisfactory level by their own volition.

BEGIN, JM comment, Part 6

Self-governance requires participation. It requires the 'rule of law'. It requires meekness and love, and hope, and energy, and all of the good things God intended man to achieve in the firmament.

It does not guarantee any of these things. It is fragile for it depends on balance within the Trinity. It is a sovereign nation on a tightrope above the 'abyss of nothingness'. It is called a "Constitutional Republic", and it is an ongoing experiment for man to achieve greatness. It is only within this context that man 'can achieve greatness' instead of 'infamy' and 'nothingness'.

The greatness weakness in the 'current paradigm' of the weakened American System is financial capitalism. Financial capitalism is the mechanism whereby 'value' is not based on real material but on 'speculative velocity' which creates a 'canard' of whimsical value from which the 'Raj' extracts 'value' to actually purchase 'real things'.

In short, it is a means by which to plunder the 'Eloi'. Short circuiting this mechanism, and replacing it with real commodity value based currency is the primary goal of our time. The 'Crown Raj' is using the outdated bankrupt Bretton-Woods petro-dollar as weaponized currency against the world. It is this mechanism that feeds the coffers of the 'Crown Raj' who use it to finance America's military through the control mechanisms within the CIA, FBI, and other letters.

These 'letters of mark' allow them to plunder without transparency to the American people who are mostly in a deep coma induced by various doses of 'Soma'. The key to gaining back control of the American System is to funnel the false value into key investment instruments, owned by the government and maintain public ownership of these key assets until such time that the financial system allows them to be properly harvested so that 'citizens' benefit from the value created. One key place for this, will be American's infrastructure. FDR did this for the very same reason.

Many call this investment a bad thing. It was not. We are in exactly the same position today as pre-WWII economically. Either we provide a mechanism that feeds the 'Eloi' while developing their potential, or we will fall into the abyss. To do this, we have to divert the flow of false value into real value while it still exists. In the meantime, we have to put government regulations in place that separate the 'Eloi's' marginal value (savings) from the 'Ponzi Raj Crown' financial speculative machinery.

There was a reason the President Clinton led the charge to repeal the Dodd-Frank legislation, besides being a 'ass-wiping' Crown Raj sycophant, it allowed all of the precious pension fund money to be funneled into speculative banking, thus providing the means by which 'mortgage backed securities(MBS)' could be used to extract the 'ELOI's' pension cash from their future. It is that simple. It was a planned theft that played out until the largess collapsed in 2008, from which the "American System" has not and will not recover without severe restructuring. Clinton setup the greatest theft in history in the shortest time period in history, all the while he was getting blowjobs from Monica in his spare time.

Such is the psychopathy of the 'Crown Raj Kingsman'. Dodd-Frank must be reinstated. However, this will create a signal to the 'Crown Raj Kingsman'. They will utilize the Federal Reserve to thwart such mechanisms. They will 'print' as much 'Ponzi dollars' as needed to bribe the corrupt legislators and judges as needed to stop this legislation. This must be anticipated.

Strategically, the American people must be educated within a simple sloganized mechanism that forewarns them of the problem, and to provide and action plan against the repercussions. This must be performed on an emergency footing, as if we were at war. First, food must be secured. One mechanism that does not destroy Liberty is a national program of 'Victory Gardens'.

This is absolutely necessary to feed the population and to short-circuit 'government dependency'. For every action, the reaction must be anticipated and countered to protect the "Eloi", for they are the precious souls that are the future. The second important action must be 'work'. Only work will provide the mechanism of value distribution. It cannot be 'handed out'.

This is counter intuitive to the American System, as it destroys the 'Son's message' within the firmament and causes imbalances in a spiritual context. People want to have meaning and value and they have to be provided a mechanism by which to perform work to develop spiritually. We do not want 'birds', we want 'men' who will have the desire to 'leap across the abyss'.

Thirdly, a method of credit has to be established. This is mysterious to the 'Eloi'. Credit has to be redefined. Mathematically it simply means that a 'thing' is more desired in the 'present' than in the 'future'. This has always been the weakness of nations, people, and economies.

It is the great question of how do we assemble value now, without theft, such that we can apply our enlightened minds to 'resources' to produce value, profit, and pay for that which we assemble. It is precisely this mechanism that the 'Crown Raj' exploits to perfection. The 'Crown Raj' uses the simple mechanisms of the dialectic to move nations and groups into hatred so they will arm themselves against one another...while the 'Crown Raj' debauches children in castles and benefits from arming both sides.

To counter this mechanism, commodity value based currency has to be reintroduced into the global economy. What....is this not what we have in the petro-dollar? The answer is no. The petro-dollar is too volatile, and the 'Crown Raj' controls the spigot. But what of gold, silver, and platinum? Metals are the best mechanisms for commodity value. An ounce of gold will buy approximately the same thing now as it did in Rome thousands of years ago. T

his is a good testament to durability. This is why I say that the Ponzi value must be fed into commodity value before it bursts. Another mechanism for credit is land and natural resources. This is why public lands are so critical and must be protected from plunder, so that the marginal value can be internalized within each nation state. This is not 'communism', this is a pure regulatory protection of internal nation state sovereignty. Private companies can bid for the rights to 'conversion' while science based conservation for sustainability and resource management are implemented. This is simple good stewardship, as God intended within the 'Trinity'.

Fourthly, justice has to be rebalanced. The blind lady of justice must again be held in the highest esteem. The scales must be in public display and the "Eloi" re-educated on what is just and what is not. Start with the Ten Commandments. This must be a major sloganized and spiritual renewal, the same as 'victory gardens'.

I discussed how man makes the 'leap of faith' across the abyss of nothingness and attains the spark of God that ignites his creative potential to become 'man' instead of 'beast'. In doing such, a man must be rewarded for his intellectual capacity.

This intellectual property must be protected, as it is the 'spark of God' within the man that propels society and economies forward.

This 'spark' must be protected from theft by the 'Crown Raj' so that they will wither and die; for the 'Crown Raj' does not receive the 'spark of God', and they cannot create...this is why they have become 'thieves' and 'must plunder' to sustain their evil selves.

So, the patent laws and courts must be fully reformatted and made 'sacred'. Without this, the 'spark' cannot be shared among men, society, and within the economy to propel man forward as needed to reinvent resource utilization as

The 'Crown Raj' would 'freeze' each paradigm to exact each 'farthing' of theft value before the introduction of the next phase state. This is wrong and is the part of the entire problem. To rectify the past sins of the 'Crown Raj' as they must be brought to justice.

This is of critical importance, as these soulless lizards do not have the 'spark of God' within them. 'thou shalt not kill the innocent'; however, the 'Crown Raj Kingsman' are not 'innocent', and they MUST be destroyed.

This is not hatred, it is a great love for the future of mankind, and we are on the cusp of a descent into the 'abyss of nothingness' unless this act of justice is performed. I do not rail against the principalities of darkness, nor curse the fallen angels, nor judge that which is the universe of our lord, I call for justice within the firmament so that we can gain peace, hope, and love in the firmament, and as such, the "Crown Raj Kingsman" must be destroyed.
