THE MILLER ACT NOTICE IS A HUGE PITCHFORK AGAINST THE GLOBALISTS

The Act and the Fifth Amendment order the federal government to pay for property it has confiscated

Leader Technologies proposes a Win-Win-Win solution

Miller helps reestablish a truly Free Press

ROGER STONE SPEAKS: On Nov. 18, 2017, Twitter censored New York Times best-selling author Roger Stone completely. Every red-blooded American should be outraged, Republican, Democrat and Independent alike. If Roger's voice is silenced today, yours is next. We must break this embargo. [Click here](#) to read and share Roger's latest perspectives on the Battle for our Republic, including his responses to his critics (who have not been censored).

HIJACKING OF THE INTERNET**

PAY-to-PLA Y NEW W ORLD ORDER

This timeline shows how insiders sell access & manipulate politicians, police, intelligence, judges and media to keep their secrets

Clintons, Obamas, Summers were paid in cash for outlandish speaking fees and Foundation donations. Sycophant judges, politicians, academics, bureaucrats and media were fed tips to mutual funds tied to insider stocks like Facebook. Risk of public exposure, blackmail, pedophilia, "snuff parties" (ritual child sexual abuse and murder) and Satanism have ensured silence among pay-to-play beneficiaries. The U.S. Patent Office is their toy box from which to steal new ideas.

(FEB. 23, 2018)—Listen (click video above) to Douglas Gabriel from American Intelligence Media, and Michael McKibben, founder of Leader Technologies, explain how The Miller Act Notice, if signed by the President, could help establish a truly Free Press.

Pundits predict that the funding of the Miller Act notice may effectively take down the fake tech industry, stop wholesale spying by Google, wholesale lying by Facebook and the criminality of the Silicon Valley boy kings.

We the People are asked to send this truth bomb to The White House. Get the word out. Activate this brilliant Win-Win-Win solution proposed by Leader's shareholders.

As we go to press with this post, reports are coming in that YouTube and Facebook are moving to censor alt-media sites at an accelerated level. If that happens to this embedded video, click on ([Raw *.mp4 video file](#)) where you can view the video directly from one of AFI's library sites. The file will use the video player on your computer or phone.
