## CONGRESSIONAL BRIEFING: SHERYL K. SANDBERG'S FACEBOOK CONSPIRACY TO CREATE A POLICE STATE IN AMERICA

Zuckerberg was only eight-years old when Sandberg became an anti-American globalist agent directed by Larry H. Summers

Sandberg conspired with Hillary Clinton, IBM and the rogue C.I.A. to organize the George Soros takeover using social networking inventions that they stole from Leader Technologies

#### ROGER STONE SPEAKS:

On Nov. 18, 2017, Twitter censored *New York Times* best-selling author Roger Stone completely. Every red-blooded American should be outraged, Republican, Democrat and Independent alike. If Roger's voice is silenced today, yours is next. We must break this embargo. #### PAY-to-PLAY NEW WORLD ORDER

This timeline shows how insiders sell access & manipulate politicians, police, intelligence, judges and media to keep their secrets

Clintons, Obamas, Summers were paid in cash for outlandish speaking fees and Foundation donations. Sycophant judges, politicians, academics, bureaucrats and media were fed tips to mutual funds tied to insider stocks like Facebook. Risk of public exposure, blackmail, pedophilia, "snuff parties" (ritual child sexual abuse and murder) and Satanism have ensured silence among pay-to-play beneficiaries. The U.S. Patent Office is their toy box from which to steal new ideas.

**Fig. 1—Sheryl K. Sandberg** is one of the globalist leaders of the Deep State shadow government's attack on Free Speech and the U.S. Constitution. She is also a member of the Senior Executive Service (SES) along with all her handlers and her rogue C.I.A. assets in the U.S. and abroad. They are currently trying to silence the alternative conservative media in the run up to the midterm elections. They have hijacked most of our nation's electronic voting machines in order to change vote totals, as well as use man-in-the-middle hijacking of county vote tally reporting to each State's secretary of state. In evident conspiracy with Facebook and the shadow government, the State of Washington is actually using Facebook to register voters. See [WA Writ of Mandamus to stop broken chains of custody](#).

Video: American Intelligence Media, Americans for Innovation..

**(AUG. 31, 2018)**—On Sep. 05, 2018, Sheryl K. Sandberg, chief operating officer of Facebook, and Jack Dorsey, chief executive officer of Twitter, are scheduled to testify to Congress.

Zuckerberg's testimony a few weeks ago proved that Congress was not prepared to play hardball. They were unequipped to follow up on any questions that could get to the heart of Zuckerberg's lies and obfuscations.

ZUCKERBERG: "I don't know." "I don't remember." "I'll have to get back to you on that." "Well gee, we're just trying to provide a safe space free of hate and intolerance [and free-thinking ideas the 'Ministry of Truth' doesn't approve of]." Blah, blah, blah. It was not even good theater.

They should have marched Mr. Zuckerberg right to jail for his perfidy. Will Congress grow a backbone? We'll see if they ignore the hard evidence we are providing them.

## CITIZENS WILL NOT TOLERATE MORE MEALY-MOUTHED POLITICIANS AND WITNESSES

Therefore, anonymous patriots have prepared a hard hitting Congressional Briefing for Congress. It provides detailed, judicially-recognizable proofs of Sheryl K. Sandberg's conspiracies against the American people. With Sandberg and Dorsey, Congress will not have an excuse for continuing to ask softball questions, or to tolerate mealy-mouthed answers. If they do, then we will know definitively that they are bought off by Twitter and/or Facebook.

We encourage you to put this briefing in the hands of every decision influencer you can think of, immediately.

UPDATE MAR. 25, 2014

## FIVE CRITICAL AFI POSTS ON JUDICIAL COMPROMISE

Fully updated Mar. 25, 2014 in the wake of the Scribd censorship:

### 1. HOW PATENT JUDGES GROW RICH ON THE BACKS OF AMERICAN INVENTORS

Patent Office filings are shuffled out the USPTO backdoor to crony lawyers, banks and deep-pocket clients.

### 2. WAS CHIEF JUSTICE ROBERTS BLACKMAILED into supporting Obamacare by his ethical compromises in *Leader v. Facebook*?

### 3. JUSTICE ROBERTS MENTORED Facebook Gibson Dunn LLP attorneys.

### 4. JUSTICE ROBERTS HOLDS substantial Facebook financial interests.

### 5. JUDGE LEONARD STARK FAILED to disclose his Facebook financial interests and his reliance on Facebook's Cooley Godward LLP attorneys for his appointment.

## BARACK OBAMA'S DARK POOLS OF CORRUPTION

across this country in the coming weeks to protect the 2018 midterm elections.

We must ensure an unbroken bipartisan chain of custody. That should be your rallying cry. This will essentially eliminate the imminent danger from rigged electronic voting machines. Back to the future: (1) Voter IDs, (2) Paper ballots, (3) Inked thumbs, and (4) Unbroken bipartisan chain of custody! It is really that simple.

In addition, God-fearing citizens of the United States and the world must call upon President Trump and loyal American leaders to defund the feeder systems used by these SES corruptocrats.

Ask President Trump to write the check to Leader Technologies for their Miller Act Notice so they can help implement new technologies that *respect* Constitutional privacy and property and help implement a truly Free Press.

## MR. PRESIDENT: DEFUND THESE CRIMINALS AND FUND THE MILLER ACT NOTICE

Mr. President, please pull the plug on these corruptocrats and their illegal funding streams. Since they are all based on fake values, no real services will be affected.

In addition, write the Miller Act Notice check to Leader Technologies for 18 years of unpaid use of their revolutionary social networking invention—which these Privy Council criminals have hijacked with the SES to takedown the American Republic. This will generate new cash streams to free up our economy from the globalist stranglehold. This will also empower Leader Technologies and other *actually* creative people in America to fix our foundering ship of state. See [Leader Technologies files trillion dollar bond lien on the U.S. Government](#).

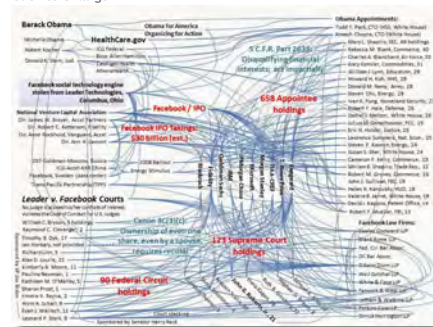

One Miller Act Notice check starts the ball rolling, Mr. President.

In addition, Leader shareholders have proposed a win-win solution to the collapse of the American Free Press, as well a large new revenue source without raising taxes. Leader principals are willing to funnel these payments back into establishing a truly Free Press. See [Leader proposes trillion dollar fed revenue while lowering taxes](#).

**STOP FACEBOOK PROPERTY THEFT**

WILL HUMANKIND EVER LEARN? Facebook's Orwellian doublespeak about property and privacy (theft) merely repeats the eventual dehumanization of the individual under MAO's Red Star, Stalin's SOVIET Hammer & Cycle and Hitler's NAZI Swastika. Respect for the inalienable rights of each individual is a bedrock value of democracy. The members of the Facebook Cabal abuse this principle at every opportunity. They evidently believe that they deserve special privileges and are willing to lie, cheat and steal in order to treat themselves to these privileges.

**ASK CONGRESS: PASS THE INVENTOR PROTECTION ACT!**

**LEADER TECHNOLOGIES**  
Inventor Protection Act  
(Proposed)

America needs to practice what it preaches.

We have no business lecturing the world about free enterprise and the rule of law, when we permit the investors in Ohio-based innovator Leader Technologies to go uncompensated for the risks they took to help invent social networking...

—a technology upon which the President and U.S. government now rely;

—a technology *stolen* by the "Facebook Cabal" who recruited the federal courts and Patent Office into their club of corruption.

*Rescind. Investigate. Sanction. Certify.*

**Contact your representatives. Ask them to pass it.**  
Real American inventors need your support.

 **Looking to the Passive Environment** 

- Many targets on Facebook lock down their profiles, so it is not possible to view all of their information...

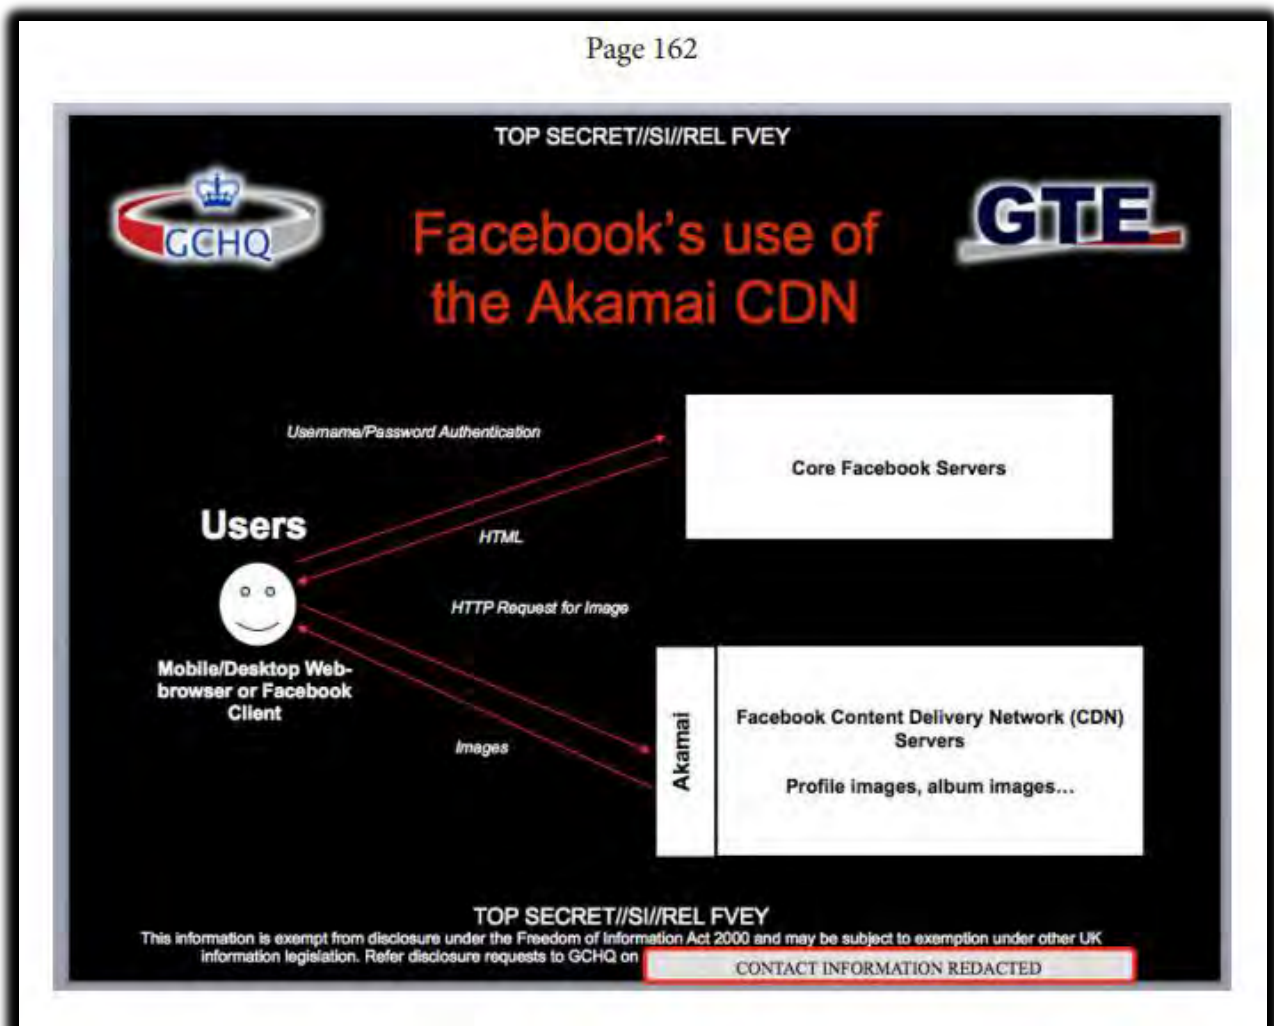

But passive offers the opportunity to collect this information by exploiting inherent weaknesses in Facebook's security model.
