CHINESE "SOCIAL CREDIT" DIGITAL PRISON WAS CREATED IN AMERICA BY THE CLINTONS

Creators of this digital dystopia: Hillary's Acxiom and ENTRUST, FTC, SES, Silicon Valley, In-Q-Tel, Highlands Group, IBM Eclipse Foundation

A persecuted Chinese minority is Hillary's beta testing guinea pig

On Oct. 01, 2018, Hillary's Acxiom transferred America's "dark profile" personal data to China where Acxiom also controls China's digital keys via ENTRUST

LEGEND: Some corruptocrat photos in this blog contain a stylized Christian Celtic Wheel Cross in the background alongside the text "Corruption Central" meaning we have put the person's conduct under the microscope and discovered that he or she is at the center of global corruption. Judge Amy Berman Jackson asserts that it is unambiguously (to her anyway) a rifle cross hair. This shows her woeful ignorance of theology, history, symbology and engineering. It could be many things, but she clearly wanted to see a rifle sight (ask her about her role in Fast and Furious gun running). Others assert equally ignorantly that it is a pagan or white supremacist symbol. This stylized Christian Chi-

Rho Cross dates to 312 A.D. when Emperor Constantine adopted the symbol after his history-changing "By this sign, you shall conquer" vision on the Milvian Bridge. A similar Wheel Cross form was widely used in Ireland by the eighth century. The triple entendre indicates that the person's corrupt life, when studied under a microscope, has been found wanting, but that there is hope in Christ if the person repents from his or her wicked ways. It triples as a reticle or graticule built into all sorts of eyepieces in microscopes, oscilloscopes, surveying instruments, astronomy optics, precision pointers, binoculars, etching equipment, and yes, gun sights, but also computer mouse pointers! Therefore, to claim that it could only mean a gun sight, as Judge Jackson did, is truly ignorant. As shown, it is a call to prayer and repentance based upon microscopic observation of the corruptocrat's conduct. For Judge Jackson to use her ignorance of this symbol as the excuse to gag Roger Stone's FREE SPEECH right to defend himself is heinous abuse of authority. Chief Justice John Roberts should censor her immediately. Patriots must demand it.

ROGER STONE SPEAKS: On Nov. 18, 2017, Twitter censored New York Times best-selling author Roger Stone completely. Every red-blooded American should be outraged, Republican, Democrat and Independent alike. If Roger's voice is silenced today, yours is next. We must break this embargo. [Click here](#) to read and share Roger's latest perspectives on the Battle for our Republic, including his responses to his critics (who have not been censored).

PROOF SOCIAL CREDIT SCORE IS OPERATING IN CHINA RIGHT NOW

Fig. 1—James O'Malley. (Oct. 29, 2018). Here's a dystopian vision of the future: A real announcement I recorded on the Beijing-Shanghai bullet train. @Psythor.

<https://www.fbcoverup.com/docs/library/2018-10-29-Here-s-a-dystopian-vision-of-the-future-A-real-announcement-l-recorded-on-the-Beijing-Shanghai-bullet-train-James-O-Malley-ATPsynth-Oct-29-2018.mp4> (Raw *.mp4 video file). For educational purposes only. Fair Use relied upon.

Source: James O'Malley.

Fig. 1—The Chinese government has already deployed a "social credit score" system in the Xinjiang Uyghur Autonomous Region (XUAR) (21.8 million people—more than Florida). On Oct. 10, 2018, the U.S. Congress published findings that China has "expanded collection of biometric data, growing surveillance networks, and continued development of the social credit system. Reports show that social and political management of the Chinese people was aided by smart technology and advances in artificial intelligence (AI) in new ways this past year, including efforts to create 'a pervasive system of algorithmic surveillance.'" The digital dragnet includes low-paid "convenience police stations" laid out in a 500 meter grid across whole cities to preemptively arrest people with low social credit scores.

On Sep. 21, 2018, Google-Alphabet's Eric Schmidt sang the praises of Chinese business while he lied that such totalitarian restrictions on the Chinese Internet would not occur for a decade. They are here now, and Google-Alphabet-Schmidt rogue C.I.A.) is helping the Chinese government repress its people.

H. Rept. 115-NN. (Oct. 10, 2018). Congressional-Executive Commission on China, Annual Report, 2018. 115th Congress, 2nd Session. Congressional-Executive Commission on China. GPO.

Photos & Graphics: Unknown...

Are we witnessing in the social credit score the implementation of "The Mark of the Beast?"

—"It also forced all people, great and small, rich and poor, free and slave, to receive a mark on their right hands or on their foreheads, so that they could not buy or sell unless they had the mark, which is the name of the beast or the number of its name. This calls for wisdom."

The Book of Revelations 13: 16-18

See Fig. 8 below—"The BEAST is here. What is your SM number?"

(OCT. 12, 2018)—Most Americans know about a FICO score. It measures consumer credit risk. It is named after the Fair, Isaac and Company data analytics firm based in San Jose, CA. It scores a person's ability to pay back loans. The higher your score, the easier it is to get a loan on better terms. The lower your score, the more difficult it becomes.

Social networking has created new opportunities for data brokers to collect more kinds of data on you. Vulture lawyers now hover over this new space. In 2001, they re-wrote end user license agreements to lure unsuspecting Internet users into giving away their personally identifiable data in return for free stuff. The typical unformed user response is "I don't have anything to hide" as the data brokers rub their hands together fiendishly.

COMBINED TIMELINE OF THE
HIJACKING OF THE INTERNET

PAY-to-PLAY NEW WORLD ORDER

This timeline shows how insiders sell access & manipulate politicians, police, intelligence, judges and media to keep their secrets

Clintons, Obamas, Summers were paid in cash for outlandish speaking fees and Foundation donations. Sycophant judges, politicians, academics, bureaucrats and media were fed tips to mutual funds tied to insider stocks like Facebook. Risk of public exposure, blackmail, pedophilia, "snuff parties" (ritual child sexual abuse and murder) and Satanism have ensured silence among pay-to-play beneficiaries. The U.S. Patent Office is their toy box from which to steal new ideas.

Social Networking: The True Story
HealthCare.gov's confiscation of this property cannot stand

Leader: 145,000 man-hours • over \$10 million • 20 people • solid engineering • hackers not welcome • affirms privacy, security, property • no foreign influence • respects U.S. Constitution

Facebook: "one to two weeks" • beer money • all by myself • 28 hidden hard drives • stole Harvard photos • hacks email • PayPal Mafia handlers • scofs at privacy • corrupts markets, judges, politicians & gov't agencies

SOCIAL END USER LICENSES: IMMORAL ABUSES OF THE BILL OF RIGHTS

For example, the current [Google Terms of Service](#), under “Your Content in our Services,” paragraph one says “You retain ownership of any intellectual property rights that you hold in that content. In short, what belongs to you stays yours.” So far so good.

But now, the legal sleight of hand follows in the *very next sentence*:

“When you upload, submit, store, send or receive content to or through our Services, **you give Google** (and those we work with) **a worldwide license** to use, host, store, reproduce, modify, create derivative works (such as those resulting from translations, adaptations or other changes we make so that your content works better with our Services), communicate, publish, publicly perform, publicly display and distribute such content.” [Sucker]

Google-Alphabet giveth, and Google-Alphabet taketh away.

This is proof positive that freedom loving peoples cannot allow spies, lawyers, bankers, accountants and programmers to control our social discourse.

This is proof that these people, in whom we invested our trust, are criminals and not worthy of that trust.

Eric Schmidt, CEO, Google / Alphabet, DoD, rogue C.I.A.; gave Barack Obama White House and Hillary 2016 \$1.5 billion to create the [U.S. Digital Service \(Apr. 15, 2014\)](#), aka “The Eric Schmidt Project (Cheryl Mills email)” (WikiLeaks) to attempt interference in the 2016 Presidential election.

UPDATE MAR. 25, 2014

FIVE CRITICAL AFI POSTS ON JUDICIAL COMPROMISE

Fully updated Mar. 25, 2014 in the wake of the Scribd censorship:

1. **HOW PATENT JUDGES GROW RICH ON THE BACKS OF AMERICAN INVENTORS**

Patent Office filings are shuffled out the USPTO backdoor to crony lawyers, banks and deep-pocket clients.

2. **WAS CHIEF JUSTICE ROBERTS BLACKMAILED** into supporting Obamacare by his ethical compromises in *Leader v. Facebook*?

3. **JUSTICE ROBERTS MENTORED**

Facebook Gibson Dunn LLP attorneys.

4. **JUSTICE ROBERTS HOLDS** substantial Facebook financial interests.

5. **JUDGE LEONARD STARK FAILED** to disclose his Facebook financial interests and his reliance on Facebook's Cooley Godward LLP attorneys for his appointment.

BARACK OBAMA'S DARK POOLS OF CORRUPTION

Click to enlarge

CLICK HERE FOR WASHINGTON'S ETHICAL DISEASE DISCOVERIES RE. FACEBOOK "DARK POOLS"

STOP FACEBOOK PROPERTY THEFT

WILL HUMANKIND EVER LEARN? Facebook's Orwellian doublespeak about property and privacy (theft) merely repeats the eventual dehumanization of the individual under MAO's Red Star, Stalin's SOVIET Hammer & Sickle and Hitler's

ABUSE OF THE U.S. CONSTITUTION STARTED THIS SLIDE INTO TOTALITARIANISM

This abuse of the Fourth and Fifth Amendment (*rights to privacy and property*) has its legal genesis in the [Highlands Group](#), [Sir Geoffrey E. Pattie](#) and the Queen's Privy Council, [IBM \[rogue C.I.A.\] Eclipse Foundation](#), Obama's eventual Patent Office director and former IBMer [David J. Kappos](#), and law professor [James P. Chandler, III](#) who promoted an "[IBM Common Public License 0.5](#)" draft. This occurred at the same time that these criminals began *giving away* to Silicon Valley the social networking invention on ([Aug. 29, 2002](#)) that Chandler had stolen from his client—innovator Leader Technologies, Columbus, Ohio. Other innovators, like Dr. Lakshmi Aranachalam (Menlo Park, CA) and Joannes Van Der Meer (Amersfoort, Netherlands), were equally abused.

OBAMA'S BIG DATA "DATAPALOOZA"—FEASTING ON THE SEVEN DEADLY SINS

With the advent of social networking data, data brokers starting in 2004 after [IBM EclipseCon 2004](#) (Feb. 2-5, 2004), became like wild dogs feasting on red meat. The rush to feed on the new social data was a **literal stampede of immorality**. [By 2007](#), everyone was jumping on board and the rogue C.I.A. was loving it. Note: Facebook launched during this conference. They did not resist the temptation to engage in the seven deadly sins (i.e., pride, greed, lust, envy, gluttony, wrath and sloth) to exploit these new kinds of data on social interactions suddenly available to them.

In an unguarded moment, George Washington University law professor James P. Chandler, III told Leader's lead inventor and CEO, Michael McKibben (his client), that he believed if a person could invent something, he or she should invent that thing—no matter the moral consequences. He said he believed that the law (lawyers) would eventually catch up to the bad consequences.

McKibben says he pushed back, saying that lack of respect for the image of God reflected in a fellow human being ([Gen. 1:27](#)) should be a natural check on an inventor, especially for computer systems where the average person cannot see the bits and bytes. McKibben observed that unchecked technological changes would overwhelm the plodding legal process unless technologists themselves practiced moral restraint.

Hindsight proves that Chandler's argument was self-serving since his conspirators at IBM were busy stripping out the privacy and security controls in McKibben social networking invention that Chandler had fed to them off of Leader's storyboards. . . all in the name of national security and counterterrorism, of course.

James P. Chandler, III, chief legal advisor to the SES, IBM Deep State shadow governments under Bill Clinton, George Bush, Barack Obama; former treacherous trade secrets and patent attorney for Leader Technologies, inventor of social networking, from whom Chandler stole then [weaponized](#) the invention. See [Crimeline](#).

NAZI Swastika. Respect for the inalienable rights of each individual is a bedrock value of democracy. The members of the Facebook Cabal abuse this principle at every opportunity. They evidently believe that they deserve special privileges and are willing to lie, cheat and steal in order to treat themselves to these privileges.

ASK CONGRESS: PASS THE INVENTOR PROTECTION ACT!

LEADER TECHNOLOGIES
Inventor Protection Act
(Proposed)

America needs to practice what it preaches.

We have no business lecturing the world about free enterprise and the rule of law, when we permit the investors in Ohio-based innovator Leader Technologies to go uncompensated for the risks they took to help invent social networking . . .

—a technology upon which the President and U.S. government now rely;

—a technology *stolen* by the "Facebook Cabal" who recruited the federal courts and Patent Office into their club of corruption.

Rescind. Investigate. Sanction. Certify.

Contact your representatives. Ask them to pass it.
Real American inventors need your support.

By stripping out the privacy and security controls in McKibben's version of social networking, the data broker rogues have had their way with your personal data.

TECHNO-FASCIST SIREN SONG: "PRIVACY IS FOR OLD PEOPLE"

NO, PRIVACY IS THE RIGHT OF CITIZENS IN A CONSTITUTIONAL REPUBLIC

To promote the death of privacy, Silicon Valley bad boy Reid Hoffman (Reid Hoffman (PayPal, C.I.A., LinkedIn, Facebook, WhatsApp, Instagram) famously said at a 2010 World Economic Forum seminar that "privacy is for old people." This was certainly a self-serving Siren Song by one of the world's most heinous privacy abusers.

On Mar. 09, 2012, President Obama hired Silicon Valley trickster Todd Y. Park as his White House chief technology officer. Park promoted "Datapalooza" across all key agencies of the Executive Branch to "unlock" that data they keep.

In sophomoric rah rah Datapalooza cheerleader gatherings, Park released massive amounts of "Big Data" to his Silicon Valley venture capital cronies in all sorts of fields including healthcare, weather, space, housing, environment, food, agriculture, disease, commerce, financing, banking, geology, census, law, transportation, disasters, oceans, forests, aid, education, science, research, money, shipping, communications, fish & wildlife, recreation, safety, intelligence, policing, insurance, labor, border protection, patents, copyrights, trademarks, animal life, rail, trucking, automobiles and manufacturing

Park disclosed no conflict with his Silicon Valley handlers. As a reward, Obama even let Park take his healthcare data company, Castlight Health, public *while Park worked at the White House!* That is so illegal. It violates our most basic conflict of interest laws prohibiting a public figure from trading on his public position for private gain. Equally illegal, Obama loaned Park to the Hillary for President 2016 campaign to coordinate the highly illegal collaboration between Facebook and Eric Schmidt's U.S. Digital Service run out of the White House.

Reid Hoffman (PayPal, C.I.A., LinkedIn, Facebook, WhatsApp, Instagram): "Privacy is for old people."

Todd Y. Park, Obama and Hillary's Silicon Valley "Big Data" technology shill

GIBSON DUNN LLP exposed as one of the most corrupt law firms in America

Investigative Reporter Julia Davis investigates Facebook's *Leader v. Facebook* attorney Gibson Dunn LLP. She credits this firm with the reason why not

a single Wall Street banker has gone to jail since 2008. [Click here](#) to read her article "Everybody hates whistleblowers." *Examiner.com*, Apr. 10, 2012. Here's an excerpt:

"Skillful manipulation of the firm's extensive media connections allows Gibson Dunn to promote their causes, while simultaneously smearing their opponents and silencing embarrassing news coverage."

This statement followed right after Davis cited Facebook's chief inside counsel in the *Leader v. Facebook* case, Theodore Ulyot, who appears to have helped lead the *Leader v. Facebook* judicial corruption. Interesting word choices associated with Gibson Dunn LLP: manipulation, smear. Attorneys swear a solemn oath to act morally, ethically, and in support of democratic principles. They promise to conduct themselves in a manner than instills confidence among the citizenry in the rule of law and the judicial system. These promises appear to be meaningless. [Click here for a PDF version of Julie Davis' article](#)

WHY CHINA?

Why China? Because China's leader Xi Jinping has already implemented a "[Social Credit System](#)" that has combined much more than financial data to create detailed profiles on its citizens. Commentator Douglas Gabriel from [American Intelligence Media](#) calls them "digital boxes."

[On May 01, 2013](#), Obama's Federal Trade Commissioner Anita Ramirez—a long-time member of the Senior Executive Service (SES, [Plum Book 2016](#), p. 178)—gave the green light for Acxiom (the largest data broker she studied) to build a Social Credit System in the U.S. without consequence. She published "an in depth study of nine data brokers" titled "Data Brokers - A Call for Transparency and Accountability."

They reported that an unnamed company (probably Acxiom) was keeping track of over 2,000 types of information on you. With this level of detail they are actually able to accurately predict your thoughts. See "[Illustrative List of Data Elements and Segments](#)" (FTC/SES Ramirez, p. 97).

Ramirez's conclusions were maddening. After calling for transparency and

Xi Jinping, General Secretary of the Communist Party of China, President of the People's Republic of China, and Chairman of the Central Military Commission.

abuse, waste, disrespect, falsity, corruption, bribery, coercion, intimidation, doublespeak, misconduct, lies, deception, attorney "dark arts," destruction, confusion, dishonesty, judicial chicanery and lawlessness.

If we do not speak up, impeach derelict judges and imprison corrupt attorneys, we cannot possibly hope to start fixing the current ills in our society. Without justice and respect for private property, democracy has no sure foundation.

CURRENT EDITORIAL FOCUS

We are an opinion blog that advocates for strong intellectual property rights. We welcome commenters and contributors. The *Leader v. Facebook* patent infringement case first came to our attention after learning that the trial judge, Leonard P. Stark, U.S. District Court of Delaware, ignored his jury's admission that they had no evidence to support their on-sale bar verdict, but the judge supported it anyway.

The judicial misconduct has deteriorated from there, replete with two of the three judges on the Federal Circuit appeal panel, Judges Alan D. Lourie and Kimberly A. Moore, holding Facebook stock that they did not disclose to the litigants, and later tried to excuse through a quick motion slipped in at the last minute by the Clerk of Court, Jan Horbaly, and his close friends at The Federal Circuit Bar Association. (The DC Bar subsequently revealed that Mr. Horbaly is not licensed to practice law in Washington D.C.)

The judges ignored [shocking new evidence](#) that Mark Zuckerberg withheld 28 hard drives of 2003-2004 evidence from *Leader Technologies* that could prove actual theft (and therefore claims even more serious than infringement). In addition, Facebook's appeal attorney, Thomas G. Hungar of Gibson Dunn LLP, has close personal ties to just about every judicial player in this story. The misconduct appears to reach into the U.S. Patent Office through abuse of the reexamination process by Facebook. We will stay focused on *Leader v. Facebook* until justice is served, but we also welcome news and analysis of intellectual property abuse in other cases as well.

WELCOME TO DONNA KLINE NOW! READERS!

AFI has been supporting Donna and is now picking up the main *Leader v. Facebook* coverage (she will continue coverage as well).

Anonymous Posts Are Welcomed! Blogger has more posting constraints than Donna's WordPress, but we will continue to welcome anonymous posts. Simply send us an email at NEWLeader@PrivateEmail:afi@leader.com with your post. Once the moderator verifies that your email address is real, your comment will be posted using your real name or handle, whatever you wish, like John Smith or Tex.

accountability, and decrying the scope and secrecy of the data collection, she admitted that "in the nearly two decades since the Commission first began to examine data brokers, **little progress has been made to improve transparency and choice.**" She then called for nothing more than "ongoing dialogue." (READ: Do nothing, thus allowing the data brokers to abuse their uses of the intimate details of every American's life and well-being.

Edith Ramirez, former Commissioner of Federal Trade Commission (FTC), Senior Executive Service (SES) member.

Indeed, Ramirez "pulled a Comey" on the public. She laid out the sins of the data brokers, just like Comey outlined Hillary Clinton's private server sins, then she essentially exonerated Hillary and Acxiom by taking no regulatory action. In short, Ramirez gave the data brokers the go ahead to continue their abuses.

Now we know why our government is so flaccid. Too many of our regulators and members of Congress are *beneficiaries* of this Datapalooza. Most of them are deeply invested in illegal stock tips (insider trading) that they have received from these wrongdoers. They are beneficiaries of this immorality.

Many of the people that we have entrusted with governing us are abusing us instead. It is past time for We The People to seize the reigns of control of our government. We have that right and duty. The fact is, we may never have had the freedoms we think we have, given the way our banking system has been manipulated by the British City of London following the American Revolution.

But now, perhaps we can finally establish a working version of governance that our Founders envisioned.

ALIBABA, ANT FINANCIAL AND ALIPAY

The largest Chinese mobile payment platform supporting this dystopian digital surveillance and social credits is Ant Financial. Ant is a subsidiary of the megalopolis Alibaba—a creation of American, British and European banks, the usual suspects: Goldman Sachs, JP Morgan Chase, Wells Fargo, Deutsche Bank, HSBC, Barclays, Citibank and Credit Suisse.

Jack Ma Yun, alleged founder (1999) and CEO of Alibaba; second largest Alibaba shareholder; director of Alibaba Partnership

ALIBABA (NYSE: BABA GLOBALIST DIRECTORS & OFFICERS

CODE OF CONDUCT FOR U.S. JUDGES

"CANON 2: A JUDGE SHOULD AVOID IMPROPRIETY AND THE APPEARANCE OF IMPROPRIETY IN ALL ACTIVITIES"

GALLERY OF JUDICIAL MISCONDUCT

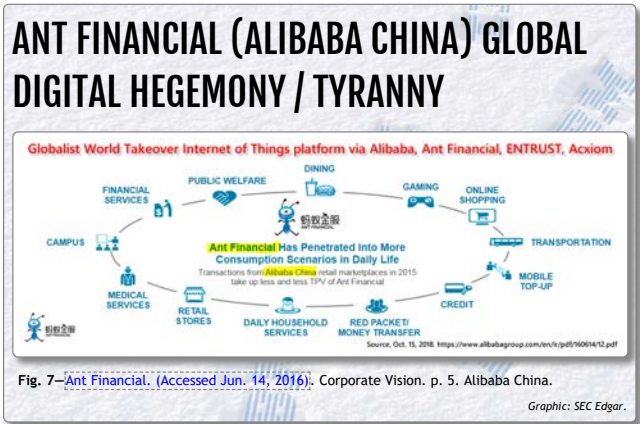

Judge Leonard P. Stark, U.S.
District Court of Delaware, trial judge in *Leader Techs, Inc. v. Facebook, Inc.*, 770 F. Supp. 2d 686 (D.Del. 2011). Judge Stark heard his jury foreman admit that the jury made the on-sale bar decision *without any evidence other than speculation*, and yet he supported that verdict anyway. Just months before trial, Judge Stark allowed Facebook to add the on-sale bar claim after the close of all fact discovery and blocked Leader from preparing its defenses to this new claim. Judge Stark allowed the claims despite Leader's prophetic argument that the action would confuse the jury and prejudice Leader. He also permitted the jury to ignore the *Pfaff v. Wells Electronics, Inc.* test for on-sale bar, even after instructing the jury to use it. (See that [Jury Instruction No. 4.7 here.](#)) He also contradicted his own instruction to Leader to answer Interrogatory No. 9 in the present tense (2009), then permitted the jury to interpret it as a 2002 admission as well. Facebook's entire on-sale bar case is based upon this interrogatory. (Editorial: Hardly sufficient to

[Ant Financial](#), as an Alibaba subsidiary, recently received a \$14 billion investment from Silicon Valley, including Warburg Pincus, Carlyle Group, Sequoia Capital, Wharton Alumni Angels and IDG Capital (Accel Partners, James W. Breyer, John P. Breyer, Facebook).

Bookmark: #ant-financial-tyranny | <https://tinyurl.com/y9zsm4dw>

On paper, Alibaba is about 30% owned by [Softbank](#) which is dominated by the usual Deep State shadow government SES suspects like Vanguard, Wells Fargo, Fidelity, Sequoia, Carlyle, IDG, Accel Partners, James W. Breyer, John P. Breyer, Kleiner Perkins, etc.

Fig. 7—James W. Breyer's father, John P. Breyer, dropped off the radar screen twenty years ago after he founded Computer World. He moved to China, organized IDG Capital Partners (China) and IDG-Accel (China) and has been secretly coaching his son James at Accel Partners LLP ever since. Pundits believe that John Breyer, along with his fellow Hungarian refugees, George Soros and Andy Grove, has been patiently steering the global technology world toward their New World Order agenda. They have evidently chosen to

meet the "heavy burden" of the clear and convincing evidence standard.)

Judge Alan D. Lourie, U.S. Court of Appeals for the Federal Circuit, panel judge in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Judge Lourie stood to benefit financially from undisclosed holdings in Facebook. See analysis of Judge Lourie's T. Rowe Price holdings re. the Facebook IPO. Judge Lourie also failed to apply his own law-test in *Group One v. Hallmark Cards* to the evidence. After debunking all of Facebook's evidence on appeal, Judge Lourie created new argument in the secrecy of chambers to support Facebook and prevent the on-sale bar verdict from being overturned—a clear breach of constitutional due process.

Judge Kimberly A. Moore, U.S. Court of Appeals for the Federal Circuit, panel judge in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Judge Moore stood to benefit financially from undisclosed holdings in Facebook. See disclosure of substantial holdings in Facebook and Facebook-related stocks. Judge Moore failed to follow the long-held precedent for testing on-sale bar evidence in *Pfaff v. Wells Electronics, Inc.*—an evident and intentional omission coming from a former patent law professor. After debunking all of Facebook's evidence on appeal, Judge Moore created new argument in the secrecy of chambers to support Facebook and prevent the on-sale bar verdict from being overturned—a clear breach of constitutional due process.

Judge Evan J. Wallach, U.S. Court of Appeals for the Federal Circuit, member of the three-judge panel in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Judge Wallach is not a patent attorney. This begs the question as to why a judge with no knowledge of patent law was assigned to the case. Would anyone ask a dentist to perform brain surgery? The Federal Circuit was specially formed to appoint patent-knowledgeable judges to patent cases. There is no evidence so far in the judicial disclosures that Judge Wallach holds stock in Facebook, although when he was asked on a motion to disclose potential Facebook holdings and other conflicts of interest, he refused along with the other judges. See Motion to Disclose Conflicts of Interest. Judge Wallach continued in silence even

drive this bus from China. Hence James' exclamation that he is "Super bullish on China."

BREYER (2005): SECRET "WIN-IN-CHINA" HONG KONG COMPANY INCORPORATED (HSBC SWISS LEAKS)

On Mar. 02, 2005, Accel Partners' managing partner, **James W. Breyer**, secretly incorporated "**Win-in-China**" as first revealed in the HSBC Swiss Bank Leaks. Breyer was appointed chairman of the National Venture Capital Association (NVCA) on **May 13, 2004**, just as the confiscation of Leader Technologies' invention by IBM's Eclipse Foundation was gaining steam.

Also on paper, the Chinese government has 51% control of Alibaba, but this recent \$14 billion Silicon Valley investment in Ant Financial aka Alipay—the major moneymaker—gives the Silicon Valley banks effective control of the companies and their profits. In short, they give this control to Hillary Clinton via Acxiom and **ENTRUST**. These convolutions are used to confuse everyone (that's how they have hidden their treachery), but we now see through these banker shell games.

[Return to this article. We will be adding more financial documents to show these convoluted corporate conspiracies.]

On Oct. 1, 2018, Hillary Clinton's Acxiom / ENTRUST companies officially moved to China.

On paper, Alibaba, Ant Financial and Alipay are majority Chinese owned. But, in reality, American banks and European hangers on like Deutsche Bank, Credit Suisse, HSBC and Barclays, run the show.

This constellation of facts proves that American money from Wall Street and Silicon Valley is *enabling* China's dictator Xi Jinping to pursue massive abuses of human rights, as we speak.

As observed earlier, it is past time for American citizens to retake control of our lawless bureaucrats and their accomplices—before the social credit score system is fully implemented on our shores.

Bookmark: #what-is-your-social-score | <https://tinyurl.com/ydxlnux4>

WHAT IS YOUR [CHINESE] SOCIAL CREDIT SCORE?

The BEAST is here. What is your SM number?

Source: Australia Broadcasting Corporation.

after Clerk of Court Horbaly failed to provide him with Dr. Lakshmi Arunachalam's motions (according to his Federal Circuit staffer Valeri White), and yet the Clerk signed an order regarding that motion on Judge Wallach's behalf. [See a full analysis of these events at Donna Kline](#) Now! Judge Wallach also failed to police his court's violation of Leader's Fifth and 14th Amendment constitutional right to due process when he participated in the fabrication of new arguments and evidence for Facebook in the secrecy of judge's chambers after he had just invalidated Facebook's sole remaining item of evidence (using disbelieved testimony as ostensible evidence of an opposite). Judge Wallach also failed to police his court when he failed to apply the Supreme Court's *Pfaff v. Wells Electronics, Inc.* test for on-sale bar evidence, which included even the Federal Circuit's own *Group One v. Hallmark Cards, Inc.* test—a test which Judge Lourie should have advised Judge Wallach to follow since Judge Lourie helped write that opinion. [Group One test omission analysis.](#)

Clerk of Court Jan Horbaly, U.S. Court of Appeals for the Federal Circuit, clerk who signed all the opinions in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Clerk Horbaly and his staff obfuscated when the court's ruling was challenged by an *amicus curiae* brief revealing clear mistakes of law and new evidence. [See analysis of the misconduct and misrepresentations within the Federal Circuit Clerk of Court in Leader v. Facebook](#). Mr. Horbaly failed to disclose his conflicts of interest and close associations with numerous Facebook attorneys and law firms, as well as his close association with one of Facebook's largest shareholders, Microsoft, who is a Director of The Federal Circuit Bar Association where Mr. Horbaly is an ex officio officer. Additionally, the DC Bar revealed in a written statement that Clerk Horbaly is not licensed to practice law in the District of Columbia. [Editorial: What does that make the Federal Circuit with its location within in a stone's throw of the White House? A self-governing state?]

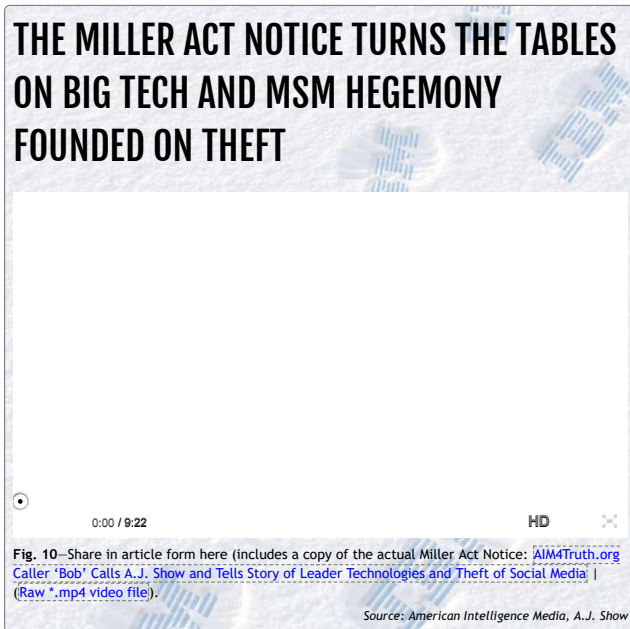

Judge Randall R. Rader, U.S. Court of Appeals for the Federal Circuit, chief judge responsible for the (mis)conduct of his judges and Clerk of Court in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Judge Rader failed to manage his court resulting in a likely situation where his judges never even received briefs that they allegedly ruled on in favor of Facebook. Judge Rader also failed to disclose his conflicting relationships with a Leader principle with whom he may have

CALL TO ACTION:

We must protect the vote. Now. We cannot allow these criminals to hijack any more elections. Free and fair elections are the property of the citizens in this Republic, not the government. We have gone to sleep. Now that we are awake, we must take action across this country in the coming weeks to protect the 2018 midterm elections.

We must ensure an unbroken bipartisan chain of custody. That should be your rallying cry. This will essentially eliminate the imminent danger from rigged electronic voting machines. Back to the future: (1) Paper ballots, (2) Inked thumbs, and (3) Unbroken bipartisan chain of custody! It is really that simple.

In addition, God-fearing citizens of the United States and the world must call upon President Trump and loyal American leaders

had deep professional differences during his time at the Senate Judiciary Committee—his former professor of law at George Washington University Law Center, former Leader director Professor James P. Chandler. [See analysis of Judge Rader's undisclosed conflicts of interest in Leader v. Facebook.](#) Judge Rader also did not stop his judges from creating new arguments and evidence for Facebook in the secrecy of chambers—after they had debunked all of Facebook's evidence on appeal, which is a clear breach of constitutional due process.

to defund the feeder systems used by these SES corruptocrats.

Ask President Trump to write the check to Leader Technologies for their Miller Act Notice so they can help implement new technologies that *respect* Constitutional privacy and property and help implement a truly Free Press.

MR. PRESIDENT: DEFUND THESE CRIMINALS AND FUND THE MILLER ACT NOTICE

Mr. President, please pull the plug on these corruptocrats and their illegal funding streams. Since they are all based on fake values, no real services will be affected.

In addition, write the Miller Act Notice check to Leader Technologies for 18 years of unpaid use of their revolutionary social networking invention—which these [Privy Council](#) criminals ([Sir Geoffrey E. Pattie](#) and [Lord Mark Malloch-Brown](#)) have hijacked with the [Senior Executive Service \(SES\)](#) to takedown the [American Republic](#). This will generate new cash streams to free up our economy from the globalist stranglehold. This will also empower Leader Technologies and other *actually* creative people in America to fix our foundering ship of state. See [Leader Technologies files trillion dollar bond lien on the U.S. Government](#).

One Miller Act Notice check starts the ball rolling, Mr. President.

In addition, Leader shareholders have proposed a win-win solution to the collapse of the American Free Press, as well as a large new revenue source without raising taxes. Leader principals are willing to funnel these payments back into establishing a truly Free Press. See [Leader proposes trillion dollar fed revenue while lowering taxes](#).

I think most people now realize that China is enemy number one of the USA...and these NEW REVELATIONS PROVE IT, But THEY ADD that Hillary is driving the bus AND IS THEREFORE, HERSELF, ABSOLUTELY ENEMY NUMBER ONE!! She HAS to be stopped. Whatever that takes.

Cameron Cawthorne. (Oct. 10, 2018). Tester Retains Close Financial Ties to JPMorgan Chase, Bank's Lobbying Team. Free Beacon.

Sen. Jon Tester / Getty

Sen. Jon Tester (D., Mont.), who serves on the Senate Banking Committee, has received tens of thousands of dollars from the financial institution where one of his top former advisers currently serves as the chief lobbyist.

Jason Rosenberg, who served as Tester's senior economic policy advisor from 2007 to 2010, was promoted in December 2017 to be the head of JPMorgan Chase's Washington, D.C. government relations office. In his current role, he lobbies Congress on economic issues that relate to the bank's business interests.

Andrew Mark Miller. (Oct. 12, 2018). Rare 2001 Interview of Obama Is Dug Up: ‘I Was a Thug. I Got into Fights. I Drank and Consumed Substances That Weren’t Always Legal’. Young Conservatives.

Over the past few weeks we’ve been hearing a lot about what a bad guy Brett Kavanaugh is for drinking beer in college. The left desperately tried to demonize him for everything under the sun. He gropes women, he gang rapes women, he gets black out drunk all the time, he plays drinking games, blah blah blah. None of it was true of course except for the fact he enjoys beer. Who doesn’t?

Email comment by CS:

FYI after speaking with Tony and the request that Walker speak in re the TWEA /,EBRA / NRA and their relation to the Hoover Meyer appointment to the FRB Chair. The important point is that Hoover initiated the "First" New Deal as a little known fact and that the Corporate takeover after SMO JPO Kennedy collapsed the market and gobbled evrythoing upsinmg the Laterin Treaty proceeds lands him the first SEC job in 1933 that remains and or reigns to this day accordingly.

In the context of the post Civil War creation of the administrative state leading to several additional assassinations and eventually the Trilat Com creation of the Senior Executive Service in 1978 that are the actual "Deep State" per se who run things asthe Multinational Corproate controlled fourth branch of government, Bill Van Allen and I are about to go back into the USCAAF this week on the dilemma posed by the voting machine software represents to the "Redwave" notwithstanding paper ballots; paper that nevertheless are fed through the counting machine whose software that is foreign controlled through the Romney Family ties to the QE2 Privy council and Chinese Red Army central committee hackers reference a few days ago by VP Pence, and that are part and parcel to both the Clinton and Bush Maoist / Jesuit corporate crime machine.

To the extent that no one else is up to the filing we are the only ones qualified to do it under the March Title 10 changes linked with the latest EO emergencies giving the Military jurisdiction over the eltelctions per se.

Stay tuned

Howard Roark. (Oct. 14, 2018). Maria Bartiromo Comes Forward, Ruins Bob Mueller’s Sunday With Bombshell About Russia Probe. Magadoodle.

Property Law Institute, NIPLI; The Chandler Law Firm Chartered; advisor to Asst. Att’y Gen. Eric H. Holder, Jr., Dept. of Justice; Member, National Infrastructure Assurance Commission, NIAC; advisor to Federal Circuit Chief Judge Randall R. Rader; advisor to Sen. Orrin Hatch; author, The Federal Trade Secrets Act and the Economic Espionage Act of 1996; Leader Technologies’ legal counsel, along with Fenwick & West LLP)

C. Facebook puppet masters:

81. **President Barack Obama** (appointed Leonard P. Stark to the judge’s seat in Delaware Federal District Court eight days after Stark’s court allowed Facebook to get away with jury and court manipulation of an on-sale bar verdict which was attained without a single piece of hard evidence; Barack and Michelle Obama were evidently protecting their 47 million “likes” on Facebook)
82. **Lawrence "Larry" Summers** (Harvard President who aided Zuckerberg’s light-speed rise to prominence with unprecedented *Harvard Crimson* coverage; Obama bailout chief; Clinton Treasury Secretary; World Bank Chief Economist; "Special Advisor" to Marc Andreessen in **Instagram**; co-creator of the current Russian robber baron economy; close 20-year relationships with protégés Sheryl Sandberg and Yuri Milner; aided in recommendations that *created* the Russian robber baron economy—and Yuri Milner/DST/Asmanov’s money used to purchase Facebook stock)
83. **James W. Breyer, Accel Partners LLP**; Facebook director; client of Fenwick & West LLP since the 1990’s; apparently received technology from other Fenwick clients that was shuffled to Zuckerberg, incl. Leader Technologies’ inventions)
84. **David Plouffe**; directed Obama’s 2008 and 2012 campaigns; a self-described "statistics nerd;" likely directed the activities of the Facebook Club; employed Robert F. Bauer, Perkins Coii LLP in 2000 at the Democratic Congressional Campaign Committee
85. **McBee Strategic** (one of the main "private" arms responsible for dolling out the billions in Obama "green energy" stimulus funds; partnered with Cooley Godward LLP)
86. **Mike Sheehy** (Cooley-McBee Strategic principal; former National Security Adviser to House Speaker Nancy Pelosi)
87. **Nancy Pelosi** (U.S. Congresswoman; appears to be running political cover in the House for Facebook, McBee Strategic, Cooley Godward, Fenwick & West, Breyers, etc.)
88. **Harry Reid** (U.S. Senator; Judge Evan J. Wallach patron)
89. **Thomas J. Kim** (SEC, Chief Counsel & Assoc. Director) approved Facebook’s 500-shareholder exemption on Oct. 14, 2007, one day after it was submitted by Fenwick & West LLP; Facebook used this exemption to sell \$3 billion insider stock to the Russians Alisher Asmanov, Yuri Milner, DST, Digital Sky, Mail.ru which pumped Facebook’s pre-IPO valuation to \$100 billion; another Harvard grad, Kim worked at Latham & Watkins LLP which was the chief lobbyist for the National Venture Capital Association in 2002-2004 whose Chairman was . . . James W. Beyer, Accel Partners LLP; in other words Breyer and Kim, both Harvard grads, were associated at the time of the Zuckerberg hacking and theft of Leader Technologies’ software code)
90. **Ping Li** (Accel Partners, Zuckerberg handler)
91. **Jim Swartz** (Accel Partners; Zuckerberg handler)
92. **Sheryl K. Sandberg** (Facebook, Summers protégé; Facebook director)
93. **Yuri Milner** (DST aka Digital Sky, Summers protégé; former **Bank Menatep** executive; Facebook director)

The plot thickens. Look, with each passing day and Mueller announces nothing America starts to ask the hard questions.

If this was such a slam dunk case, and with the obvious political neophytes like Kushner and Don Jr running an unconventional campaign, one would expect there would be smoking guns all over the place.

With the powers of the state combined with the inexperience of Trump's team, it is hard to believe there would not be incontrovertible evidence of guilt and collusion.

Email comment by JF:

Bob Unruh. (Oct. 14, 2018). SCHOOL DATABASE PROVIDER SUED FOR GIVING KIDS PORN Articles included 'How to have oral sex,' 'How to have anal sex'. WND.

A company that provides database resources to public schools, including pornography embedded in computer files, is being sued by the Thomas More Society under Colorado's Deceptive Trade Practices Act for boasting its products are age-appropriate.

"These databases definitely are not age-appropriate, nor can parents consider them reliable, as EBSCO claims," said Matt Heffron, the organization's senior counsel.

Along with EBSCO, the lawsuit names the Colorado Library Consortium, a tax-supported organization that "knowingly" brokers EBSCO's "pornographic databases to schools and libraries," the legal organization said.

Colorado law makes it illegal to make false claims to sell a product.

Email comment by Roger Stone:

Roger Stone. (Aug. 29, 2018). Finally the truth about DNC 'Hacking', The Russians, Guccifer 2.0, WikiLeaks, Julian Assange, Roger Stone & the Trump campaign. StoneZone.

In the second part of this report, we saw that correcting the flagrant misrepresentations and filling in the strategic gaps in Robert Mueller's July 13 indictment yields a tale that revolves around four important dates in the annals of 2016 presidential election skullduggery: one in March and three over a four-day period in June of that year.

March 19: Clinton campaign chairman John Podesta is tricked into giving away the password to his main Gmail account. As a result, hostile actors gained possession of all of Podesta's campaign emails; including one containing a file of Trump opposition research.

June 12: Julian Assange announces that his organization WikiLeaks gained possession of and will soon be releasing Clinton campaign emails.

18/25

In one 2013 email headlined “My Hero,” former Kennedy School Dean Ellwood thanked Harvard’s admissions dean for his help accepting a set of students with very particular qualifications. “[Redacted] and [redacted] are all big wins. [Redacted] has already committed to a building.”

Affirmative Action Trial

The University’s General Counsel Robert W. Iuliano ’83 exits the courthouse on the third day of the Harvard admissions trial.
Photo: Caleb D. Schwartz

Getting into Harvard is hard. But it’s a lot less hard if your family promises to pay for a new building, according to internal emails presented in court on the third day of the Harvard admissions trial.

John M. Hughes, a lawyer for Students for Fair Admissions — the anti-affirmative action group suing the College over its race-conscious admissions policies — introduced the emails in a bid to prove Harvard unfairly prefers the wealthy and well-connected. Hughes read each message aloud before grilling the College’s long-serving Dean of Admissions and Financial Aid William R. Fitzsimmons ’67 on their contents.

Hughes and Fitzsimmons faced off in court Wednesday as part of the high-stakes and high-profile trial in SFFA’s four-year-old suit alleging Harvard discriminates against Asian-American applicants. The trial, which kicked off Oct. 15 in a Boston courthouse, will likely continue for three weeks. If the case reaches the Supreme Court, it could decide the fate of affirmative action in the United States.

Email comment by JM:

<https://defence.pk/pdf/threads/major-jordans-diaries.452430/>

The historical background of the creation of the PRC. Lend lease funds, food, and arms from Russia were given to Mao. This is how he defeated the Nationalists...with American taxpayer money...debt formed through the Federal Reserve. In fact, they were given Federal Reserve plates to 'print' dollars. China was financed and created from 'nothing', but America's 'paid interest' on its creation. If there was ever a reason to declare the debt with the FED null and void this is it.

Email comment by Sharyl Attkisson:

Sharyl Attkisson. (Oct. 19, 2018). Flu shots-behind the promotion. Full Measure.

The Centers for Disease Control (CDC) is conducting its annual promotion of flu shots.

It might be worthwhile reviewing some of my past reporting.

Major U.S. government study finds flu shots don't work in elderly.

When the major study found negative results about the effectiveness of flu shots in the elderly (above link), the government wouldn't let the scientists who conducted the research do interviews with me.

On another topic, CDC has recently said this stands to be the worst flu season since the swine flu epidemic.

HOW TO FILE A FRAUD COMPLAINT AGAINST A UNIVERSITY

The following universities were announced as participants in Ohio State Provost Joseph A. Steinmetz's corrupt MOOC education initiative named "University Innovation Alliance" (UIA). We have identified the instructions and online forms you need to file a complaint with the participants. MOOC stands for "Massive Open Online Course."

You should complain about:

(1) the intellectual property theft of social networking source code from Leader Technologies, Columbus, Ohio that is the software engine running the UIA;

(2) the corruption at Ohio State University and OSU's collusion with Battelle Memorial Institute which helped steal the software being used by UIA; and

(3) the mistreatment of OSU Marching Band Director Jon Waters regarding fabricated Title IX charges that were used to pave the way for Steinmetz to announce UIA.

Universities pride themselves on protection of intellectual property.

Therefore, these universities cannot participate in this abuse of inventor copyrights, patents and trade secrets by The Ohio State Trustees and Administration. If these universities participate knowingly with Ohio State in its theft of intellectual property, then they are aiding and abetting the theft of intellectual property on a "massive" scale... Massive Open Online Course (MOOC) also known as The Eclipse Foundation.

Email comment by Joseph Farah:

BOB UNRUH. (Oct. 19, 2018). SURVEY: EVANGELICALS DON'T UNDERSTAND CHRISTIANITY 53% say everyone sins but most people 'good' by nature. WND.

Evangelicals apparently need a few lessons in the basics of Christianity, according to a new survey.

The State of Theology survey by Ligonier Ministries indicates 53 percent of evangelical Christians believe everyone sins a little, but "most people are good by nature."

"This idea flatly contradicts the Bible," Ligonier said, "which teaches the radical corruption of every human being and declares that no one does good by nature (Rom. 3:10-12). This is why we need the gospel in the first place - because none of us is good."

Email comment by Roger Stone:

Roger Stone. (Oct. 17, 2018). STONE ON DIRTY TRICKS & POLITICS. Stone Cold Truth, The Daily Caller.

****ORIGINALLY APPEARED IN THE DAILY CALLER****

CNN is reporting that Special Counsel Robert Mueller is using my reputation as a “dirty trickster” to frame a case against me.

Anyone who has read my book, “Stone’s Rules,” or seen the Netflix documentary “Get Me Roger Stone” knows that while I cop to playing hardball politics, I draw the line at breaking the law.

I guess Mueller’s henchman forgot to mention that part when addressing the grand jury. In reality, I’m no more of a dirty trickster than any hardball political player in America today; the only difference is, I’m honest about it. Politics ain’t bean-bag.

Both CNN and the Washington Examiner report that Muller’s minions are showing people my e-mails and text messages from 2016!

Email comment by Jamie White:

Jamie White. (Oct. 20, 2018). REPORT: UN, SOROS BEHIND MIGRANT CARAVAN INVASION - This is how globalists plan to collapse Western civilization. A.J.

The UN and billionaire globalist George Soros are the driving forces behind the massive migrant caravan marching to the U.S. southern border, according to reports.

As with the previous caravan that sprung up last spring, the open borders group Pueblo Sin Fronteras, which is connected to Soros' Open Society Foundation, is involved with organizing the caravan of 4,000, and the leader of the group was arrested Thursday for attacking Mexican immigration agents.

Email comment by KL:

JOE PINKSTONE. (Aug. 21, 2018). Communist China will use a 'social credit score' to rank its citizens and give those with the most favoured behaviour perks

- The project rates citizens based on their behaviour - both positive and negative

-Benefits include priority public housing, travel visas and job promotions

-Those with a negative score can be blacklisted and not allowed to get a flight

-The system is made possible by the growing network of surveillance that uses artificial intelligence to identify people and vehicles

All of China's 1.4 billion citizens are about to be put under greater scrutiny as the country prepares to launch its 'social credit score' scheme.

The project rates citizens based on their behaviour, and those who do not play by the rules are added to a list that prohibits them from certain luxuries.

Fears are growing regarding the ethical implications of scheme, with some questioning the morality of the big-brother culture.

Email comment by DL:

HEADS UP ALL PATRIOTS, THE PRIVY COUNCIL TAKEDOWN OF DONALD TRUMP IS IN PLAY. LOOK AT THIS LATEST DEVELOPMENT.

Mark Sweney. (Oct. 19, 2018). Facebook hires [Sir] Nick Clegg as head of global affairs - Former UK deputy PM says he 'will no longer seek to play a public role' in Brexit debate. The Guardian.

Facebook has hired Sir Nick Clegg, the former UK deputy prime minister, as its head of global policy and communications.

Clegg, 51, will join Facebook as it struggles to cope with mounting political pressure over issues including fake news, data protection and the threat of government regulation.

The former head of the Liberal Democrats will move to Silicon Valley in January.

While the appointment of Clegg to a top role at a tech giant may come as a surprise, rumours had been circulating for weeks that the Facebook founder Mark Zuckerberg was close to appointing a top former British politician.
