LEGEND: Some corruptocrat photos in this blog contain a stylized Christian

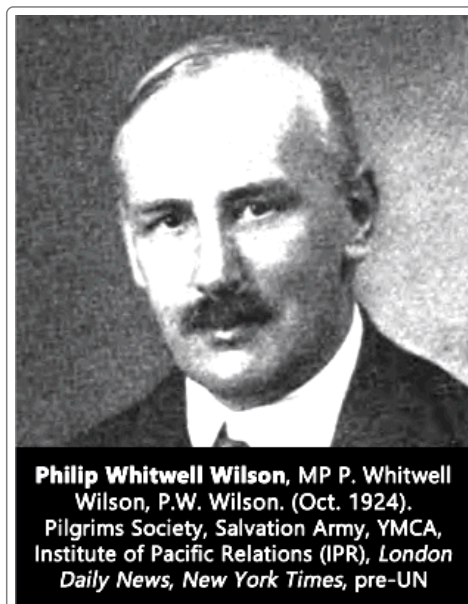

Celtic Wheel Cross in the background alongside the text "Corruption Central" meaning we have put the person's conduct under the microscope and discovered that he or she is at the center of global corruption. Judge Amy Berman Jackson asserts that it is unambiguously (to her anyway) a rifle cross hair. This shows her woeful ignorance of theology, history, symbology and engineering. It could be many things, but she clearly *wanted* to see a rifle sight (ask her about her role in *Fast and Furious* gun running). Others assert equally ignorantly that it is a pagan or white supremacist symbol. This stylized Christian Chi-Rho Cross dates to 312 A.D. when Emperor Constantine adopted the symbol after his history-changing "By this sign, you shall conquer" vision on the Milvian Bridge. A similar Wheel Cross form was widely used in Ireland by the eighth century. The triple entendre indicates that the person's corrupt

life, when studied under a microscope, has been found wanting, but that there is hope in Christ if the person

**When we write "British," we mean self-anointed, debauched British East India Company banking & trade monopolists, not the English, Scots, Welsh or Irish people**

**Philip Whitwell Wilson:** the "Christian" socialist Pilgrims Society journalist viper pope of the British Empire new world order—probably did more to eviscerate Christianity with his forked tongue and inverted theology than any other influencer in the 20th century

**"...Christianity is a democracy, a Socialism, a Communism..."**

An Unofficial Statesmen - Robert C. Ogden, p. 162. Doubleday, Page & Company.

Anglophiles want debauched aristocracy for themselves, and socialism / communism for you; 1776 only slowed them down.

America must dissemble every institution overrun by Britannia's demons before they totally consume us too.

Without a Christian moral rudder, the American ship of state will sink (paraphrasing John Adams).

British bankers were overtaken centuries ago by an addiction to abuse of their fellow

repents from his or her wicked ways. It triples as a reticle or graticule built into all sorts of eyepieces in microscopes, oscilloscopes, surveying instruments, astronomy optics, precision pointers, binoculars, etching equipment, and yes, gun sights, but also computer mouse pointers! Therefore, to claim that it could only mean a gun sight, as Judge Jackson did, is truly ignorant. As shown, it is a call to prayer and repentance based upon microscopic observation of the corruptocrat's conduct. For Judge Jackson to use her ignorance of this symbol as the excuse to gag Roger Stone's FREE SPEECH right to defend himself is heinous abuse of authority. Chief Justice John Roberts should censor her immediately. Patriots must demand it.

#### **PAY-to-PLAY NEW WORLD ORDER**

This timeline shows how insiders sell access & manipulate politicians, police, intelligence, judges and media to keep their secrets

Clintons, Obamas, Summers were paid in cash for outlandish speaking fees and Foundation donations. Sycophant judges, politicians, academics, bureaucrats and media were fed tips to mutual funds tied to insider stocks like Facebook. Risk of public exposure, blackmail, pedophilia, "snuff parties" (ritual child sexual abuse and murder) and Satanism have ensured silence among pay-to-play beneficiaries. The U.S. Patent Office is their toy box from which to steal new ideas.

human beings through slavery, sodomy, rape and pedophilia; this has not stopped or even slowed, it has only changed its veneer.

Faithful Christians have been their only counter, so they cajoled many Christian clergy into socialism, who followed blindly in exchange for notoriety, accolades, dinner party invitations, sexual favors and haughty resumes.

One heretofore unknown actor in this tragedy is **Phil Whitwell Wilson**, son of a London Bible publisher turned socialist advocate of the “social gospel” to replace the Christian Church; his double-knighted Hope Simpson family conspired with him to set Palestine's policy, form the League of Nations and the United Nations.

P. Whitwell Wilson's socialist influence spans Bolshevism, communism, Salvation Army, Y.M.C.A., Vladimir Lenin, journalism, spying, propaganda, human and drug trafficking, money laundering, United Nations, "Five Eyes"—whatever it took to destroy Christian opposition.

Notice to readers: We have solid supporting evidence for everything we discuss herein. We decided to err on getting these facts out, then providing the supporting links over the next several weeks. You are invited to return. There is a lot to unpack here.

## STOP FACEBOOK PROPERTY THEFT

WILL HUMANKIND EVER LEARN? Facebook's Orwellian doublespeak about property and privacy (theft) merely repeats the eventual dehumanization of the individual under MAO's Red Star, Stalin's SOVIET Hammer & Sickle and Hitler's NAZI Swastika. Respect for the inalienable rights of each individual is a bedrock value of democracy. The members of the Facebook Cabal abuse this principle at every opportunity. They evidently believe that they deserve special privileges and are willing to lie, cheat and steal in order to treat themselves to these privileges.

## ASK CONGRESS: PASS THE INVENTOR PROTECTION ACT!

**(Aug. 24, 2021)—Honest people see it. America is unraveling morally.**

*Empathy has faded. 65 millions innocent babies have been murdered and are being dismembered for profit. TV now openly promotes family-species-destroying sexuality. Banks and mutual funds are funding endless wars to feed human trafficking in fresh refugee meat. Too many "churches" and NGOs play along. Propaganda false flags fool the unsuspecting. Fake news. Suffering children are mere propaganda sound bites. NGOs speak peace but foment war. Spies smuggle drugs, launder money and blackmail politicians. Bankers tip judges and bureaucrats, then blackmail them. The mockingbird press lies. Other churches hide behind the Johnson Amendment excuse for not becoming a moral voice against this depravity.*

America was founded as a Christian country, *intentionally*. Founder John Adams emphasized this to the Massachusetts Militia on [Oct. 11, 1798](#) in Quincy (south of Boston):

**"Our Constitution was made only for a moral and religious People. It is wholly inadequate to the government of any other."**

**John Adams (1798)**

Speech to the Massachusetts Militia on Oct. 11, 1798 in Quincy (south of Boston):

**"Our Constitution was made only for a moral and religious People. It is wholly inadequate to the government of any other."**

In the same speech, Adams, a Congregationalist Christian and son of a deacon, said that no government is capable of contending with human passions [if they are] "unbridled by morality and Religion." His hearers knew that he was referring to Christian morality and religion.

**In other words, John Adams said that the American Constitution *needs* Christianity to function.**

## LEADER TECHNOLOGIES Inventor Protection Act

(Proposed)

America needs to practice what it preaches.

We have no business lecturing the world about free enterprise and the rule of law, when we permit the investors in Ohio-based innovator Leader Technologies to go uncompensated for the risks they took to help invent social networking . . .

—a technology *stolen* by the "Facebook Cabal" who recruited the federal courts and Patent Office into their club of corruption.

We struggled about using our negative headline about the British. It confronts 200 years of propaganda and brainwashing about our “special relationship.”

We found ourselves wading through a lifetime of [pro-British propaganda](#) in our heads trying to convince us we were wrong. However, the facts are what they are, as you will read below.

Americans did not always think Britain was special.

We used to think the British monarch was a tyrant. Truth is, he/she was then and still is. We are not referring to the British people or British Christians, but rather their tyrannical government that turned demonic many centuries ago—the moment they made slavery (black, brown, white and yellow) an integral part of their economy and lifestyle, that continues to this day.

The difference now is that in 1909 at the First Imperial Press Conference, the British Pilgrims Society seized control of intelligence, propaganda and the ability to fund fake wars by “creating” and “guiding” public opinion . . .

. . . like a dog on a leash.

With intelligence and propaganda well in hand, by 1915 Britain began [pumping pro-British stories into America](#) and suppressing all others (paid for by Andrews Carnegie, J.P. Morgan and John D. Rockefeller—and their mentor, Lord Rothschild, back in London through the Empire Press Union, today called BBC, Reuters and Associated Press). *See also* [“J.P. Morgan Controls Major Newspaper Editorial Policy.”](#)

Over this last 100 years, that has worked. Netflix has always been totally Anglophile, as is NBC (Peacock, MSNBC, CNBC), ABC, CBS, CNN, NPR, PBS, BBC, *New York Times*, *Washington Post*, *Chicago Tribune*, *L.A. Times*, etc. They’re all sycophantic British propaganda mouthpieces. Take note of how many British accents now flood our airwaves. They are vastly over represented for a country the size of Ohio and population of California + Texas.

## GIBSON DUNN LLP exposed as one of the most corrupt law firms in America

Investigative Reporter Julia Davis investigates Facebook's *Leader v. Facebook* attorney Gibson Dunn LLP. She credits this firm with the reason why not

a single Wall Street banker has gone to jail since 2008. [Click here](#) to read her article "Everybody hates whistleblowers."

*Examiner.com*, Apr. 10, 2012. Here's an excerpt:

"Skillful manipulation of the firm's extensive media connections allows Gibson Dunn to promote their causes, while simultaneously smearing their opponents and silencing embarrassing news coverage."

This statement followed right after Davis cited Facebook's chief inside counsel in the *Leader v. Facebook* case, Theodore Ulyot, who appears to have helped lead the *Leader v. Facebook* judicial corruption. Interesting word choices associated with Gibson Dunn LLP: manipulation, smear. Attorneys swear a solemn oath to act morally, ethically, and in

In fact, it was not until the end of World War II that Anglo-American agents of the British Pilgrims Society had so infiltrated American communications infrastructure, the U.S. Navy and State Department that the current British takeover was set in motion.

This is not to say that Congress did not push back. They did. But that push back is now virtually gone.

For example:

[In 1935](#), Congress challenged the 1919 dictatorial actions of former deputy Navy secretary Franklin D. Roosevelt's Pilgrims Society order to merge British Marconi Wireless technology into the American communications infrastructure to form Radio Communications of America (RCA) with AT&T, Westinghouse, General Electric (GE), Western Electric, United Fruit Company (Central and South America). Marconi Wireless was already a global monopoly controlled by the British Admiralty and Post Office. Thousands of patents were confiscated in this Roosevelt order, setting the pattern for future wholesale theft and weaponization of patents when the Pilgrims wanted them to maintain their corporate monopolies.

[In 1940](#), Rep. Jacob Thorkelson Disclosures (MT 1st 1939-41) challenged the infiltration of the British Pilgrims Society into every phase of American government, media and commerce.

Thorkelson preserved the brave 1912 investigative journalism of [Ms. Lillian Scott Troy](#) who was investigating Andrew Carnegie, J.P. Morgan and the Anglo-American interlocking bank and corporate directorates.

From 1914-50, Congress consistently challenged the *interlocking directorates* of multi-national corporations that were monopolizing commerce and industry through the globalist banks of the British Pilgrims Society. (Congressional Records: [1917](#), [1939](#), [1940](#), [1955](#)). For example: [Feb. 09, 1917](#) (PDF, p. 54):

"In March 1915, the J.P. Morgan interests, the steel, ship-building, and [gun]powder interests, and their subsidiary

support of democratic principles. They promise to conduct themselves in a manner than instills confidence among the citizenry in the rule of law and the judicial system. These promises appear to be meaningless. [Click here for a PDF version of Julie Davis' article.](#)

## OUR MISSION

American citizens must fight abuse of the constitutional right for authors and inventors to enjoy the fruits of their inventions, as a matter of matter of basic property rights and sound public policy. Otherwise, instead of innovation, creativity, genius, ideas, vision, courage, entrepreneurship, respect, property, rejuvenation, morals, ethics, values, renewal, truth, facts, rights, privacy, solutions and judicial faithfulness,

*. . . our society and economy will be dragged down (and eventually destroyed) by copying, infringement, thievery, counterfeiting, hacking, greed, misinformation, exploitation, abuse, waste, disrespect, falsity, corruption, bribery, coercion, intimidation, doublespeak, misconduct, lies, deception, attorney "dark arts," destruction, confusion, dishonesty, judicial chicanery and lawlessness.*

If we do not speak up, impeach derelict judges and imprison corrupt attorneys, we cannot possibly hope to start fixing the current ills in our society. Without justice and respect for private property, democracy has no sure foundation.

## CURRENT EDITORIAL FOCUS

the (U.N.-directed) Korean War started on Jun. 25, 1950—*five days earlier*—where nearly 5 million souls died so these interlocking companies could avoid Congressional accountability, profit and consolidate British U.N. power.

Anglo-American (British) Pilgrims Society, that she (and many at the time) saw as undermining the sovereignty of the American Republic. Their voices have largely been silenced by the mockingbird Pilgrims Society-controlled world press, until now.

## INTERLOCKING DIRECTORATES: The Korean War "false flag" was staged to divert world attention from this 538 pg. report exposing the British new world order agenda

"The members of J. P. Morgan & Co.'s firm hold 72 directorships in 47 of the largest companies of the country.  
 "Here is what the Pujo Committee found in regard to the members of the firm of J. P. Morgan & Co. and the directors of their controlled trust companies and of the First National and the National City Bank. They hold:  
 "One hundred and eighteen directorships in 34 banks and trust companies having total resources of \$2,679,000,000 and total deposits of \$1,983,000,000.  
 "Thirty directorships in 10 insurance companies having total assets of \$2,293,000,000.  
 "One hundred and five directorships in 32 transportation systems having a total capitalization of \$11,784,000,000 and a total mileage—excluding express companies and steamship lines—of 150,200.  
 "Sixty-three directorships in 24 producing and trading corporations having a total capitalization of \$3,339,000,000.  
 "Twenty-five directorships in 12 public-utility corporations having a total capitalization of \$2,150,000,000.  
 "In all, 341 directorships in 112 corporations having aggregate resources or capitalization of \$22,245,000,000.

Henry S. Wellcome. (ca. Jun. 1909). THE EVOLUTION OF JOURNALISM ETCETERA. Souvenir of the INTERNATIONAL PRESS CONFERENCE, LONDON, 1909. Hon. President Lord Burnham (Sir Edward Levy-Lawson, Baron, The Daily Telegraph). 371 pgs., PDF p. 238. Burroughs Wellcome.

We are an opinion blog that advocates for strong intellectual property rights. We welcome commenters and contributors. The *Leader v. Facebook* patent infringement case first came to our attention after learning that the trial judge, Leonard P. Stark, U.S. District Court of Delaware, ignored his jury's admission that they had no evidence to support their on-sale bar verdict, but the judge supported it anyway.

The judicial misconduct has deteriorated from there, replete with two of the three judges on the Federal Circuit appeal panel, Judges Alan D. Lourie and Kimberly A. Moore, holding Facebook stock that they did not disclose to the litigants, and later tried to excuse through a quick motion slipped in at the last minute by the Clerk of Court, Jan Horbaly, and his close friends at The Federal Circuit Bar Association. (The DC Bar subsequently revealed that Mr. Horbaly is not licensed to practice law in Washington D.C.)

The judges ignored [shocking new evidence](#) that Mark Zuckerberg withheld 28 hard drives of 2003-2004 evidence from *Leader Technologies* that could prove actual theft (and therefore claims even more serious than infringement). In addition, Facebook's appeal attorney, Thomas G. Hungar of Gibson Dunn LLP, has close personal ties to just about every judicial player in this story. The misconduct appears to reach into the U.S. Patent Office through abuse of the reexamination process by Facebook. We will stay focused on *Leader v. Facebook* until justice is served, but we also welcome news and analysis of intellectual property abuse in other cases as well.

Morgan into the control of British and American banking for the Society of the Elect cum Round Table cum Pilgrims Society.

Rosebery, a notorious non-Jew homosexual, was allied closely with homosexual J.P. Morgan, and homosexuals W.T. Stead and Cecil Rhodes' Society of the Elect, Round Table, and co-founded the Pilgrims Society in 1902. A maternal Rothschild, [Lord Pirbright](#) (Baron Henry de Worms), was minister of trade and the colonies who worked in lockstep with Rhodes and the British South Africa Company. ## PILGRIMS COMMUNIST INFILTRATION AT THE STATE DEPARTMENT AND U.N. PROVEN YEARS BEFORE THE MCCARTHY HEARINGS

Why have these meticulous proofs been ignored by our history lessons, excoriated as "conspiracy theories." Have our reasoning faculties been turned into mush by incessant, well-researched [Tavistock Institute \(London\)](#) brain washing techniques? Yes, unequivocally.

[In 1950](#), the McCarran Senate Judiciary Committee challenged the infiltration of communist influences through the **Institute of Pacific Relations (IPR)** that was, guided by **British Chatham House** (an agency staffed with known communists from the **London School of Economics, MI6**), creating **State Department** policy and had organized the **United Nations** in 1946.

The Senate Judiciary Committee convened the

**Judge Leonard P. Stark**, U.S. District Court of Delaware, trial judge in *Leader Techs, Inc. v. Facebook, Inc.*, 770 F. Supp. 2d 686 (D.Del. 2011). Judge Stark heard his jury foreman admit that the jury made the on-sale bar decision *without any evidence other than speculation*, and yet he supported that verdict anyway. Just months before trial, Judge Stark allowed Facebook to add the on-sale bar claim after the close of all fact discovery and blocked Leader from

McCarran Committee to investigate the communist infiltration of the U.N. and State Department as directed by **British Chatham House**, sometimes called the **British Council of the IPR**, and also called the **Royal Institute of International Affairs**.

Several watershed moments in this agenda were:

1. The establishment of the United Nations in San Francisco on Oct. 24, 1945 by American communists at the State Department—the entire event was organized by the Institute of Pacific Relations (IPR) that was secretly directed by British Chatham House (the Pilgrims Society) out of London using State Department shills, all hiding inside the Y.M.C.A.;
2. The establishment of intelligence sharing in [1946](#) among British and American spy agencies now called “[Five Eyes](#)” (in parallel with the establishment of the C.I.A. in 1947)—not even American policy makers were to be told about the existence of Five Eyes; euphemistically called the “**special relationship**,” and
3. The funding of the [Marshall Plan](#) by these IPR communist State Department forces at the U.N. along with [William J. Donovan](#), Office of Strategic Services (OSS) imminently to become the C.I.A. run by British MI6 via the “special relationship.”

## AMERICAN CHRISTIANS GAVE UP THE FIGHT IN THE FACE OF FABIAN "NUDGING"

At some point, Christians in America gave up the fight against this immoral British onslaught. We’ve wondered when this happened. The answer is that it happened gradually, in true Fabian form.

The Fabian socialists of the 1880’s in London developed a strategy sometimes called “gradualism,” “incrementalism” or “nudging.” Cecil Rhodes and the Pilgrims Society adopted it. In contrast to calling for violent socialist revolutions, the Fabians called for *gradual* takeovers where socialist ideas

preparing its defenses to this new claim. Judge Stark allowed the claims despite Leader’s prophetic argument that the action would confuse the jury and prejudice Leader. He also permitted the jury to ignore the *Pfaff v. Wells Electronics, Inc.* test for on-sale bar, even after instructing the jury to use it. ([See that Jury Instruction No. 4.7 here.](#)) He also contradicted his own instruction to Leader to answer Interrogatory No. 9 in the present tense (2009), then permitted the jury to interpret it as a 2002 admission as well. Facebook’s entire on-sale bar case is based upon this interrogatory. (*Editorial*: Hardly sufficient to meet the “heavy burden” of the clear and convincing evidence standard.)

**Judge Alan D. Lourie**, U.S. Court of Appeals for the Federal Circuit, panel judge in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Judge Lourie stood to benefit financially from undisclosed holdings in Facebook. [See analysis of Judge Lourie’s T. Rowe Price holdings re. the Facebook IPO.](#)

Judge Lourie also failed to apply his own law-test in *Group One v. Hallmark Cards* to the evidence.

After debunking all of Facebook’s evidence on appeal, Judge Lourie created new argument in the secrecy of chambers to support Facebook and prevent the on-sale bar verdict from being overturned—a clear breach of constitutional due process.

## ENTER PHILIP WHITWELL WILSON

Into the London socialist milieu of the late 1800s entered a young Cambridge graduate named Philip Whitwell Wilson.

By then, the Y.M.C.A. was already 55 years old and the Salvation Army was 35 years old. Both organizations were spanning the planet by then. The budgets, personnel and physical plants were so enormous that they were either a testament to Christian faith, or they were part of a well-financed Pilgrims Society colonization hiding behind Christianity. It was the latter.

Whitwell Wilson was enamored by the “settlement movement” socialist model of the notoriously homosexual philosopher John Ruskin. Ruskin advocated common-property socialist communities run by benevolent leaders.

## THE "SOCIAL GOSPEL" WAS A PILGRIMS SCHEME TO DESTROY CHRISTIAN OPPOSITION TO BRITISH CORPORATIST NEW WORLD ORDER DEMONIC DOMINATION

The first communities to implement Ruskin's communist theories were universities (Toynbee Hall) and the Salvation Army. The Salvationists” [pivoted dramatically in 1890](#) under the influence of necromancer W.T. Stead, a member of Cecil Rhodes "Society of the Elect" inner circle, to embrace a “social gospel” where talk of social

*Electronics, Inc.*—an evident and intentional omission coming from a former patent law professor. After debunking all of Facebook's evidence on appeal, Judge Moore created new argument in the secrecy of chambers to support Facebook and prevent the on-sale bar verdict from being overturned—a clear breach of constitutional due process.

**Judge Evan J. Wallach**, U.S. Court of Appeals for the Federal Circuit, member of the three-judge panel in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Judge Wallach is not a patent attorney. This begs the question as to why a judge with no knowledge of patent law was assigned to the case. Would anyone ask a dentist to perform brain surgery? The Federal Circuit was specially formed to appoint patent-knowledgeable judges to patent cases. There is no evidence so far in the judicial disclosures that Judge Wallach holds stock in Facebook, although when he was asked on a motion to disclose potential Facebook holdings and other conflicts of interest, he refused along with the other judges. [See Motion to Disclose Conflicts of Interest](#). Judge Wallach continued in silence even after Clerk of Court Horbaly failed to provide him with Dr.

Lakshmi Arunachalam's motions (according to his Federal Circuit staffer Valeri White), and yet the Clerk signed an order regarding that motion on Judge Wallach's behalf. [See a full analysis of these events at Donna Kline Now!](#) Judge Wallach also failed to police his court's violation of Leader's Fifth and 14th Amendment constitutional right to due process when he participated in the fabrication of new arguments and evidence for Facebook in the secrecy of judge's chambers after he had just invalidated Facebook's sole remaining item of evidence (using disbelieved testimony as ostensible evidence of an opposite). Judge Wallach also failed to police his court when he failed to apply the Supreme Court's *Pfaff v. Wells Electronics, Inc.* test for on-sale bar evidence, which included even the Federal Circuit's own *Group One v. Hallmark Cards, Inc.* test—a

brotherhood and peace replaced talk of eternal salvation in Jesus Christ.

In 1890, with the publishing *In Darkest England and the Way Out* the Salvation Army took a hard left political turn into the settlement movement “social gospel” brotherhood and peace philosophy with the encouragement of author, publisher and spiritualist W.T. Stead and Lord Rothschild funds.

This Ruskin/W.T. Stead “social gospel” idea bifurcated Christianity into eternal salvation and social salvation where “Christians” could advocate for social brotherhood and peace without believing in Jesus Christ. The spiritualist Stead also believed in necromancy - talking to the dead, so one can only imagine the demonic teachings that crept into the Salvation Army from his influence.

As stated earlier, in this “social gospel” mix were Fabians (est. 1884) who advocated the idea of “nudging” humanity into socialism in incremental, gradual, nudged steps rather than by revolution. This nudging became a strategic element in Cecil Rhodes’ 200-year plan once he took charge of the British South African Company in 1889. W.T. Stead, P. Whitwell Wilson’s journalism mentor, was the sole benefactor in Rhodes’ first will.

Another key element in this new approach to a newly-minted socialist Christianity was sodomy (Brit. buggery), rape and pedophilia.

British slavers knew from *hundreds* of years of practice that an absolute requirement to maintain a slave economy was to emasculate their men, rape their women and traffick their children.

**Clerk of Court Jan Horbaly**, U.S. Court of Appeals for the Federal Circuit, clerk who signed all the opinions in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Clerk Horbaly and his staff obfuscated when the court’s ruling was challenged by an *amicus curiae* brief revealing clear mistakes of law and new evidence. [See analysis of the misconduct and misrepresentations within the Federal Circuit Clerk of Court in \*Leader v. Facebook\*.](#) Mr. Horbaly failed to disclose his conflicts of interest and close associations with numerous Facebook attorneys and law firms, as well as his close association with one of Facebook’s largest shareholders, Microsoft, who is a Director of The Federal Circuit Bar Association where Mr. Horbaly is an ex officio officer. Additionally, the DC Bar revealed in a written statement that Clerk Horbaly is not licensed to practice law in the District of Columbia. [Editorial: What does that make the Federal Circuit with its location within in a stone’s throw of the White House? A self-governing state?]

**Judge Randall R. Rader**, U.S. Court of Appeals for the Federal Circuit, chief judge responsible for the (mis)conduct of his judges and Clerk of Court in *Leader Techs v. Facebook, Inc.*, 678 F.3d 1300 (Fed. Cir. 2012). Judge Rader failed to manage his court resulting in a likely situation where his judges never even received briefs that they allegedly ruled on in favor of Facebook. Judge Rader also failed to disclose his conflicting relationships with a *Leader* principle with whom he may have had deep professional differences during his time at the Senate Judiciary Committee—his former professor of

Besides keeping slaves poor, British slavers institutionalized sodomy (buggery) and raped the slave women. These practices were modernized inside the Y.M.C.A. and Salvation Army as a way to control their new white and yellow slaves. By placing these dehumanizing practices under the name "Christian," Christianity was further diminished as a moral force.

## MANY CHRISTIANS HAVE BEEN TEMPTED, BLACKMAILED INTO SILENCE AND ACQUIESCENCE

When one adds unlimited funding from the Rothschilds and Barclays Banks, and the sexual pleasures dangled in front of Christian leaders, it is understandable how quickly these British and American banking demons were able to subdue the one belief system that had opposed and would continue to oppose their immorality.

Whitwell and his Pilgrims Society conspirators knew all about the biblical [Mark of the Beast - 666](#). They knew real Christians opposed and would continue to oppose any attempt to form a one-world order British corporatist empire. Therefore, it was imperative in the Rhodes 200-year plan that Christianity must be destroyed, or at least neutralized and silenced as a moral counter-force.

P. Whitwell Wilson graduated from Cambridge University and moved into Toynbee Hall ca. 1898—the first socialist settlement movement community closely affiliated with the Salvation Army. This was at the time privy councilor Cecil Rhodes was establishing the British South Africa Company and London-trained "Salvationists" were being shipped to colonize South Africa to replace the blacks and Boers during the 1st and 2nd Boer Wars.

Rhodes' Society of the Elect viewed "Salvationists" as paramilitary soldiers in their idyllic socialist corporatist state funded by N.M. Rothschild and Lord Pirbright—a Rothschild by blood, Lord Rosebery—a Rothschild by inheritance, and J.P. Morgan, Andrew Carnegie, John D. Rockefeller, Vanderbilts—Rothschilds by grooming.

The primary Pilgrims "Society of the Elect" spiritual strategist and journalist, W.T. Stead, certainly saw Wilson as a god

law at George Washington University Law Center, former Leader director Professor James P. Chandler. [See analysis of Judge Rader's undisclosed conflicts of interest in \*Leader v. Facebook\*.](#) Judge Rader also did not stop his judges from creating new arguments and evidence for Facebook in the secrecy of chambers—after they had debunked all of Facebook's evidence on appeal, which is a clear breach of constitutional due process.

Wilson was a uniquely gifted writer. Stead no doubt saw Wilson's intimate knowledge of the Bible and the Church as vital to the socialist propaganda cause.

P. Whitwell Wilson's mother, Anne Bagster, was a renowned Bible publisher—[Bagster & Sons](#) (*Christian Literature*, 1894, 56 MB). In 1816, the company was the first to publish an annotated "polyglot" Bible. They broke the Crown's monopoly on Bible printing by including annotations and cross references. Anne's grandfather [Samuel Bagster](#) (d. 1772-1851), declined a knighthood proffered by King William IV.

In 1821, the Bagsters published an "octaglot" edition of the Book of Common Prayer (in English, French, German, Italian, Spanish, ancient Greek, modern Greek, and Latin). In 1828, they published a cross-reference Bible containing six languages. In 1841, they published the six most important English versions of the New Testament combined together, being those of Wycliffe (1380), Tyndale (1534), Cranmer (1539), the Genevan (1557), the Anglo-Rhemish (1582), and the authorized King James (1611), together with the Scholz Greek text, and a valuable historical account of the English translations. Another noteworthy publication was the large-scale "Bible of every land" supplying specimens of over 270 different languages and versions.

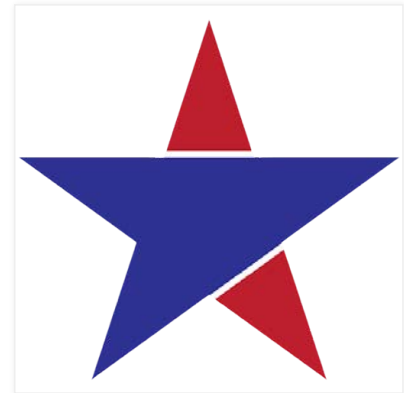

In short, P. Whitwell Wilson was raised in a family *steeped in Christianity and Christian theology and praxis*.

However, the P. Whitwell Wilson side of the family was equally steeped in the aristocracy. His grandfather, John Jowitt Wilson (1809-1875), was alderman and mayor for the Borough and County of Westmoreland and (barony of) Kendal that dated from Roman times.

**Contextual Note:** In 1979, British Pilgrims Society leader [Lord Mark Malloch-Brown](#) continued the **curiously intense globalist interest in refugees** when he became a chief of field operations for the United Nations High Commissioner for Refugees (UNHCR), Thailand Field Operations for Cambodian Refugees (Camps Sakhae-I-Dang). Then, Malloch-Brown became a UNHCR deputy chief; received a Nobel Prize for this work; then in 1991, he co-founded the International Crisis Group (ICG) with George Soros. Malloch-Brown is the current chairman of the election rigging voting machine company SGO Smartmatic in London. Smartmatic licenses its OpTech election ballot scanning software to Dominion, ES&S, Hart InterCivic, Diebold, Sequoia, [Scytl](#) and [Paragon Group](#).

If you start thinking of refugees as walking human meat lockers for cheap slave labor and organ harvesting, then you start to understand this disingenuous concern for their welfare. Also in 1995, Privy Councillor [Sir Geoffrey Pattie](#) (former CEO of RCA, Marconi Plc, sold to British Aerospace) took over control of the [British patent office](#).

**Fig. 12—[Sir John Hope Simpson](#).** (1868-1961); Brother of [Sir James Hope Simpson](#). In addition to his League of Nations and United Nations refugee manipulation re. Palestine, Sir John used the Y.M.C.A. to press the British Pilgrims Society hegemony globally, hiding behind a fake Christianity through the Y.M.C.A.

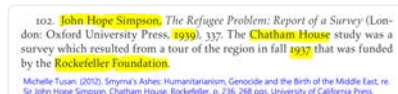

**Sir John gives away his jingoism and non-Christian vocabulary:**

For example, in 1910 Sir John published a 15-page instruction manual for the Y.M.C.A. titled "The Layman Abroad." The pamphlet exudes British jingoism and a fake Christianity with phrases like referring to a church staff person as a "professional agent of the Church." In the opening paragraph he talks awkwardly about "the cause of Christianity in the East or in Africa." No real Christian would say that. He refers to a fellow missionary as a "fellow-exile" who should start reading and exercise (at the Y.M.C.A.) so as not to be lonely when away from the "pleasures" of England. He promotes the Y.M.C.A. as a "provision for the British layman abroad" and a gathering place for men of "his own race." He refers to Y.M.C.A. missions as a "secular calling." Photo: NPR UK. ## NECROMANCER W.T. STEAD SAID: NEWSPAPERS ARE BETTER THAN CHURCHES AND GOVERNMENTS TO "GUIDE" AND "CREATE" PUBLIC OPINION

Stead saw his newspaper editorials as better than Sunday sermons, and better than Parliament for guiding public opinion.

P. Whitwell Wilson evidently knew the Bible—like few young Cambridge students in history.

His Bagster family Bible publishing activity would have been arduous and peopled with theologians from every denomination and jurisdiction in Christendom, clerics, preachers, linguists, archeologists, translators, librarians, historians, curators, explorers, museums, archivists, antiquarians, academics, educators, politicians, editors, binders, printers, advertisers and writers, not to mention financiers.

The discussions and debates that a young Philip W. Wilson would have overheard were meaty, lively, scholarly and went on for months and years.

This writer knows this first hand, having played small parts in the publishing of an annotated study Bible in the U.S. and one in Estonia. In short, the level of editorial criticism in Bible publishing *must* be intense in order to be credible. Bagsters' books were widely acclaimed because they were no doubt as accurate as possible in the day.

Having been steeped in Christian traditions, P. Whitwell Wilson would certainly have been exposed to the best and worst of the Christian world—exposed to both its saints and its scoundrels.

In the same way an unscrupulous lawyer can exploit the weaknesses of the legal system for personal gain, P. Whitwell Wilson was uniquely positioned to use his publishing platforms at the Pilgrims Society, *London Daily News*, Y.M.C.A., Institute of Pacific Relations (Chatham House), Salvation Army, *The New York Times* and the United Nations to take down Christianity with Fabian-inspired incrementalism, gradualism or nudging.

## PILGRIMS SOCIETY, FABIANISM, SETTLEMENT MOVEMENT, VLADIMIR LENIN, BOLSHEVISM, RUSKIN, SALVATION ARMY, CECIL RHODES, SOCIETY OF THE ELECT, TOYNBEE HALL

First, P. Whitwell Wilson was attracted to the first Ruskin settlement movement house at [Toynbee Hall](#). It was modeled on the common-property and "social gospel" concepts of the redirected Salvation Army in 1890. At Toynbee Hall, the young Cambridge student Wilson was schooled in the virtues of dialectic materialism by an anti-Christian Bolshevik Russian émigré named Vladimir Lenin ca. 1900.

Within a few years, 1902-1912. [Philip Whitwell Wilson hosted Lenin](#) in his home while Lenin was attending the 3rd Congress of the Russian Social Democratic Labour Party conference.

Philip Whitwell Wilson disclosed that by 1902, he was being schooled by Vladimir Lenin himself in Bolshevism at [Toynbee Hall](#), the community of the "settlement movement" started by John Ruskin. The socialist Fabian Society movement essentially emerged from Ruskin. Lord Alfred Milner and the members of Rhodes' Society of the Elect (including George and Bramwell Williams, Salvation Army founders) were early proponents of Ruskin's socialist philosophy.

1902 was the same year that the raging [2nd Boer War](#) stopped suddenly after the premature death of Cecil Rhodes, Queen Victoria had died, and the perpetrators rushed home from South Africa to found the Pilgrims Society.

In 1924-1925, Philip Whitwell Wilson began publishing a 3-page article every month for a year in *Association Men* during the run up to the Y.M.C.A.-organized Institute of Pacific Relations (IPR) Jun. 30-Jul. 14, 1925.

### ***Inverted Christian Theology***

He also published an anti-Christian screed carrying the innocuous title *An Unofficial Statesmen* where he openly *inverts* Christian theology as the purest messenger of socialism, communism and "democracy" (rather than a republic). See Fig. 14 below.

Philip Whitwell Wilson's favorite rhetorical technique was to interview Pilgrims Society insiders and use alleged quotes of the person he was lionizing to support his socialist agenda.

In *An Unofficial Statesman* alone, Whitwell Wilson jammed it with favorable comments about many of his Pilgrims Society co-conspirators, including Andrew Carnegie, John D. Rockefeller, Jr. ("And there was a rich young man, eager for the Kingdom of Heaven, called John D. Rockefeller. Jr."), Roosevelt, Harvard, Oxford, Yale, Cambridge, Union Theological Seminary, William Booth (YMCA) (Rhodes' Society of the Elect), George Vanderbilt, Cardinal Manning (Rhodes' Society of the Elect), James Bryce, Lloyd George, Pilgrims Society, Chamber of Commerce, Red Cross, Elihu Root, Russell Sage, Woodrow Wilson and YMCA.

### **HOW TO FILE A FRAUD COMPLAINT AGAINST A UNIVERSITY**

The following universities were announced as participants in Ohio State Provost Joseph A. Steinmetz's corrupt MOOC education initiative named "University Innovation Alliance" (UIA). We have identified the instructions and online forms you need to file a complaint with the participants. MOOC stands for "Massive Open Online Course."

You should complain about:

- (1) the intellectual property theft of social networking source code from Leader Technologies, Columbus, Ohio that is the software engine running the UIA;
- (2) the corruption at Ohio State University and OSU's collusion with Battelle Memorial Institute which helped steal the software being used by UIA; and
- (3) the mistreatment of OSU Marching Band Director Jon Waters regarding fabricated Title IX charges that were used to pave the way for Steinmetz to announce UIA.

Universities pride themselves on protection of intellectual property.

Therefore, these universities cannot participate in this abuse of inventor copyrights, patents and trade secrets by The Ohio State Trustees and Administration. If these universities participate knowingly with Ohio State in its theft of intellectual property, then they are aiding and abetting the theft of intellectual property on a "massive" scale... Massive Open Online Course (MOOC) also known as The Eclipse Foundation.

# COMMUNISM, SOCIALISM & DEMOCRACY (NOT A REPUBLIC) (FOR THE MASSES, NOT THE CLASSES)

The difficulty with many excellent people who are going to Heaven on the Limited Vestibule Pullman train, with reserved seats, for which they pay high prices, is that they are in utter ignorance of the fact that Christianity is a democracy, a Socialism, a Communism in the broadest and most absolute sense, and also fail to absorb the truth that general social life, and association in Christian Service, have no relation to each other. Experience in England shows that the British type of Christianity is in this respect far more healthy than the American, and I assert, without fear of contradiction, that it has remained for republican and democratic United States of America to construct a miserable aristocracy of religion such as the world has never yet seen, and that such an aristocracy as expressed in our churches, established by the swell classes, exists, is the greatest obstacle to the progress of the Gospel in this country. Many people

Philip Whitwell Wilson bifurcated "general social life" from "Christian Service" as mutually exclusive existences (a totally unChristian theology). He promoted British Christianity (under a Pilgrims Society-controlled Monarch) juxtaposed with America's "miserable aristocracy of religion" (Churches who did not embrace Wilson's unChristianism) which he called "the greatest obstacle to the progress of the Gospel" in America.

The articles were not normal non-profit subjects, but *evident geopolitical posturing* for the Pilgrims geopolitical priority to implement communism in all the countries of the British Empire (incl. China), America, Japan and Russia .

Note Philip Whitwell Wilson's race-baiting. And, just so you don't miss it, his "[One Hundred Percent Chinese](#)" propaganda piece was published in preparation for the founding of the communist [Institute of Pacific Relations \(IPR\)](#) in Jun. 30-Jul. 14, 1925 and the bringing forward their freshly-groomed Mao Tse-tung to rule China for the British Pilgrims. Also note that Stanford University president Ray Lyman Wilbur is assisting, as is notorious Fabian socialist and British Chatham House policy director H. Duncan Hall.

Eugenics and depopulation were on Whitwell Wilson's Pilgrims Society agenda.

Robeson toured extensively in the [U.S.S.R.](#) including being nationally televised.

After Robeson, no other American Gospel group ever performed on national Soviet television again, until that is, the contemporary Gospel music group Living Sound performed on [Jul. 23, 1981](#) produced by acclaimed Evgeny Ginzburg.

Living Sound members remember Soviet host officials asking about Robeson, who was the only prominent American Gospel singer they had ever heard of (since Gospel music had been previously forbidden by Soviet anti-Christian policy). None of Living Sound’s 20-something musicians had heard of Robeson, and none were aware of his communist politics.

Social networking inventor Michael McKibben was the European Director of Living Sound and organized these unprecedented Gospel music visits starting in the late 1970’s.

Some say “[The Singing Revolution](#)” in the Baltics in the late 1980’s was inspired by Living Sound’s earlier musical work organized by McKibben and brave Soviet Christians—some who spent time in prisons and labor camps as a result.

Our modern culture, for good or ill, is the outcome, the fruit, of this secret British Pilgrims Society world domination plan set in motion at the beginning of the 20th century.

The British and their American sycophants have gotten away with it primarily because of the Chatham House rule and hiding their activity behind "State Secrets" and "national security."

For example, the existence of the "[Five Eyes](#)" (Mar. 05, 1946) control of the C.I.A., NSA and FBI by British MI-6 was only first disclosed in 2010. Up until this time the genesis of the modern control of global intelligence inside British Empire newspapers (1909-) was not known, and the histories falsified.

**Shhhh! Don't tell the American people, and we won't tell the British people. Tee hee hee.**

## THE HISTORY OF THE LAST 150 YEARS WE WERE TAUGHT HAS ALL BEEN BRITISH PROPAGANDA

In other words, history education in our lifetimes has all been British newspaper propaganda to keep us in the dark, while these demons play out their agenda for world control, culminating in current "The Great Reset."

It is no coincidence that during this same time period, the influence of Christians in civil discourse has faltered.

This research has uncovered another major reason for this in the intentional neutering of Christian influence: the fabrication of the "social gospel." This bred all the -isms

(Salvationism, fascism, communism, Bolshevism, Fabianism, Marxism, Leninism, Stalinism, Maoism).

The world's bankers, chiefly N.M. Rothschild and his demon spawn including Barclays, J.P. Morgan, John D. Rockefeller, Andrew Carnegie and Cornelius Vanderbilt funded parachurch organizations and NGOs who, like a cackle of hyenas, picked off Christians and their leaders, one by one.

*Note:* Of late, Internet trolls are dragging out fanciful stories about the French Paysuer family as supposedly dwarfing Rothschild wealth. Ask for verification, evidence, not just hearsay. We cannot find any. It is evident to our researchers that this is a propaganda blind alley.

## BRITISH PILGRIMS SOCIETY ATTEMPTS TO DESTROY CHRISTIANITY

Remember this Apr. 06, 1966 *Time* magazine cover? What publisher would be so rude as to print such a cover unless he was intentionally working to demean faith in God and humiliate Christians?

Henry Luce III (1925-2005), Time-Life London bureau chief and *Time* vice-president and Rockefeller protégé was willing.

In 1997, [Henry Luce became the president of the Pilgrims Society](#) of the United States until his death in 2005—recent history!

We must remind you that the first president of the Pilgrims Society in New York was [Bishop Henry Codman Potter \(PDF\)](#), a Columbia University trustee, who promoted the "social gospel" concurrently with W.T. Stead, Philip Whitwell Wilson and the British Pilgrims who fomented fascism, communism and socialism.

# BRITISH PILGRIMS AND THEIR AMERICAN SYCOPHANTS BELIEVE CHRISTIANITY MUST BE DESTROYED AS A MORAL COUNTERFORCE

The *Time* cover shown above was part of a conscious British Pilgrims Society's demonic plan to destroy Christianity as a moral adversary.

During this same time they were heavily financing the Salvation Army, Y.M.C.A., Y.W.C.A., Volunteers of America and Boy Scouts to grow generations of sexual perverts. Who needs Jeffrey Epstein when one has the Pilgrims Society's global four million-person paramilitary "social gospel" global operation?

How many Christian leaders have been/are compromised by these demonic tactics? How many ministers think they are homosexual because they were systematically buggered as youth at Y.M.C.A. camps?

After Y.M.C.A. New York was founded in 1852 by J.P. Morgan, Cornelius Vanderbilt, and Elihu Root (all co-founders of the Pilgrims Society in 1902), they had a well-publicized explosion of pornographic materials at their well-appointed, Pilgrims-financed facilities, replete with sleeping rooms and nude swimming. A long time recording secretary was [L. Bolton Bangs \(PDF\)](#), who made his career as a highly published genito-eurologist. The mind doesn't have to wander too far to see the objective here—to destroy the chastity of young men and women and enslave them to sex addictions.

Christians are forgiving people. They generally give others the benefit of the doubt and try to believe the best in others. This ethic has been exploited to the *n*th degree by the demons and specters who run the British Pilgrims Society and their protector: the British Crown.

Jesus warned:

“Beware of false prophets, who come to you in sheep’s clothing, but inwardly they are ravenous wolves. You will know them by their fruits. Do men gather grapes from thorn bushes or figs from

thistles? Even so, every good tree bears good fruit, but a bad tree bears bad fruit. A good tree cannot bear bad fruit, nor can a bad tree bear good fruit. Every tree that does not bear good fruit is cut down and thrown into the fire. Therefore by their fruits you will know them. [Matthew 7:15-20](#) (NKJV).

The "social gospel" was devised by demons to eviscerate Christianity as a moral and spiritual counterforce to the British Empire's satanic bent toward total world control. The outgrowths in socialism, communism and fascism are just different colored lipstick on the pigs.

The Johnson Amendment silenced our pulpits. Forget about the tax benefits. Start preaching the truth and stop avoiding political discussions. Politics are part of life.

These subjects need to be worked out in the crucible of Faith, not in the devil's caldron of secrets and lies.

He makes his messengers winds, his ministers a flaming fire. [Psalm 104:4](#) (NIV).

## THE GOLDEN RULE

Christians, wake from your slumber. Start engaging! Humanity needs you. Help lead us to our high calling in Christ Jesus.

### The Golden Rule:

"Do to others what you would have them do to you, for this sums up the Law and the Prophets." ([Matthew 7:12](#)) NIV.

It really is that simple, and that profound.

The time has come, Christians, to cut down the bad fruit and throw it into the fire.

# POSTSCRIPT: THE 1954 JOHNSON AMENDMENT HAS MUZZLED THE CHRISTIAN CHURCH FOR 67 YEARS

On May 4, 2017, President Trump signed an executive order to ease the muzzle of the IRS 501(c)(3) "Johnson Amendment" on the involvement of non-profits, especially Churches, in the exercise of free speech and religion in political discourse.

In 1954, then freshman U.S. Senator Lyndon B. Johnson was running for re-election in a hotly-contested Democratic primary against fellow-Democrat State Representative [Dudley T. Dougherty](#). Johnson was a member of the British Pilgrims Society

Johnson's candidacy was being hammered by the arguments against him by two non-profits: [Facts Forum, funded by H.L. Hunt, and the Committee for Constitutional Government \(CCG\)](#). CCG had distributed 82 million pieces of literature, made over 100,000 radio transcriptions, sent 350,000 telegrams, and issued thousands of news releases. CCG was adamantly opposed to Johnson's election and vociferously supported Dougherty—and Johnson suspected Facts Forum was clandestinely backing CCG.

## THE DEMONIC MUZZLE

The PRESIDING OFFICER. The Senator from Texas [Mr. JOHNSON] has been recognized.

Mr. JOHNSON of Texas. Mr. President, I have an amendment at the desk, which I should like to have stated.

The PRESIDING OFFICER. The Secretary will state the amendment.

The CHIEF CLERK. On page 117 of the House bill, in section 501 (c) (3), it is proposed to strike out "individuals, and" and insert "individual," and strike out "influence legislation," and insert "influence legislation, and which does not participate in, or intervene in (including the publishing or distributing of statements), any political campaign on behalf of any candidate for public office."

Mr. JOHNSON of Texas. Mr. President, this amendment seeks to extend the provisions of section 501 of the House bill, denying tax-exempt status to not only those people who influence legislation but also to those who intervene in any political campaign on behalf of any candidate for any public office. I have discussed the matter with the chairman of the committee, the minority ranking member of the committee, and several other members of the committee, and I understand that the amendment is acceptable to them. I hope the chairman will take it to conference, and that it will be included in the final bill which Congress passes.

Mr. MILLIKIN. Mr. President, I am willing to take the amendment to conference. I understand from the minority leader that the distinguished Senator from Georgia [Mr. GEORGE] feels the same way about it.

The PRESIDING OFFICER. The question is on agreeing to the amendment of the Senator from Texas [Mr. JOHNSON].

The amendment was agreed to.

Described above is abject immorality.

Morality must win the day.

Email comment by Yelper:

I just sent out this post with the following headline:

British infiltration of America was hidden, disguised as "Christian," and in plain sight

Massive British socialist paramilitary Y.M.C.A. and Salvation Army disguised as "Christians" invaded America in the mid-1800s & staffed British-American banker corporations

Y.M.C.A. "secretariats" and Salvation Army "settlements" prototyped communism and eventually organized the United Nations via Rothschild-Rockefeller-Carnegie-JPMorgan-funded Royal Institute of International Affairs (British Chatham House), Council on Foreign Relations (CFR) and the Institute of Pacific Affairs (IPR)

British Pilgrims are now compelled to force deadly vaccines and a global heath 666 tracking ID to fool, and try and subdue, real Christians before they themselves are exposed, imprisoned and hung for treason

Read (don't skim) this entire post and see the unmistakable evidence.

Maybe the British war on Christianity started with the announcement of it to George Washington 1781 by General Cornwallis. Could this be their beginnings for social engineering to be built on.

Also, to remember is that George Washington never declared the Americans as the victor in the Revolutionary War with a Doctrine of Conquest. This conquest document would have documented that a victorious nation (America) in war acquired sovereignty over the conquered nation (British Crown) and could exert its own legal and political jurisdiction chosen by its sovereign residents.

In another not so honorable act, Washington allowed the actual loser of the physical war King George III to dictate the terms for ending the war with his 1783 Treaty of Peace. Isn't that special documentation not explained to us. The Americans by Treaty/Contract lost all that they fought for.

Christianity is contrived. It is a fake institution of control which has led to death and destruction to all its unwitting adherents since inception. It's a tool of the enemy.

Dear Anonymous:

Yours is the comment of a paid troll. No facts, no arguments, just a vituperous screed. If Christianity is your enemy, what are you? Taking your diatribe on its face, you say Christianity "has led to death and destruction to ALL its unwitting adherents since inception." If that were true, then the Church would have vanished from the world several millennia ago. That fact alone disproves your thesis. Such comments as yours might fool people whose minds have become historical mush, but we suggest they were captured by your brainwashing long ago. As an argument to find new adherents, your comment has a sulphurous odor.

People need to stop looking at Trump like he's a God or a savior.

They need to put the Lord Jesus Christ and their heart inviting to come in and start seeking out the word of God. Read Psalms 91 10.

It's almost like people are hypnotized. Too many believe everything the government tells them. I cannot believe how many Christians got this "vaccine" (it's NOT a vaccine, it is an untested gene therapy. Calling it a vaccine is a fraud, a lie.)

I have read today over 46,000 people have died from the Pfizer vaccine. This was done to us intentionally. They stopped Trump for getting hydroxychloroquine. They shut doctors up from speaking truth. Where people have failed they started listening to science and not listening to the Lord Jesus Christ. People, get your heart right with God before it's too late. Things are going to start getting really Rocky.

God's Wrath is coming. He's going to pull the wicked out of here, just like he did in the days of Noah. Eight people survived. God didn't take man off the Earth. He took the wicked off the Earth. I'm begging and pleading with anybody reading this if you don't know Jesus as your personal savior, I'm asking and pleading with you to invite Jesus into your heart and mind.

Email comment by TG:

THE AZAR-FAUCI-TRUMP CORONAVIRUS PANDEMIC FIAT ON JAN. 31, 2020 WAS BASED ON HHS FRAUD

Only five people had died from COVID—there was no statistical health threat. Four months earlier, on Sep. 24, 2019, Trump issued Executive Order 13887 on pandemic speed scenarios describing COVID-19, uncannily; hindsight shows this COVID-19 madness was seemingly premeditated.

Azar backdated to Jan. 27, 2020—five days earlier—his one-sentence declaration. (Trollers are claiming this was a clerical error by \$1,000 per hour corrupt attorneys—redundant, we know).

Azar was not following his WHO handlers since his U.N. WHO co-conspirators had not yet declared a “pandemic,” which they did later, on Mar. 11, 2020—six weeks later.

Azar and Trump evidently jumped the gun to protect their bio-nano-5G-chemical warfare super-spy-agent, Harvard-NIH Dr. Charles M. Lieber who had been indicted on Jan. 28, 2020—one day after the backdate.

On Feb. 13, 2020—two weeks later, Kristin Debord, PhD, Acting Director of the Assistant Secretary for Preparedness and Response, made no mention of the COVID-19 “emergency” declaration in her presentation to the National Vaccine Advisory Committee (NVAC). The CDC said the opposite: “The immediate risk in the United States is low at present.” No immediate risk, or pandemic? Contradictory official statements and pregnant silences are lies/fraud... by bureaucrats who nevertheless want to mass inject the public with untested cocktails using any deception that works.

Yet, just nine weeks later, Debord initiated Operation Warp Speed on Apr. 29, 2020—she went from no emergency to hair on fire. Government agencies cannot tie their shoes in nine weeks.

Tellingly, the FDA issued a deceptively worded warning on Apr. 10, 2020 against using IVERMECTIN to treat COVID—four weeks after secretly declaring the pandemic. (Note: The FDA had approved it for human use on Oct. 8, 1998. Japanese researchers call it a “wonder drug” and “astonishingly safe for human use”).

Why did “You’re Fired!” Trump hire so many British Pilgrims Society globalists like Cohen, Mnuchin, Ross, Fauci, Birx, Tillerson, Pompeo, Devos, Haspel, Chao, Pence, Mattis, Votel, Milley, Barr, Sessions?

Was Trump duped, or in on the scam with Azar, Fauci, Gates?  
Fraud always unwinds judgments and resulting actions as the fruit of a poisoned tree—backdating legal orders is not a clerical error, it is criminal. HHS lawyers were playing games with the American Republic.

[EDITOR] Attorney trolls who follow this site are trying to excuse the backdating issue we raise as an irrelevant typo. This is an evident violation of their license to practice law because they are WILLFULLY DECIVING THE PUBLIC, which violates their Rules of Professional Conduct. File an ethics complaint against any attorney who tries to convince you that dates on contracts don't have important legal significance.

Backdating like that is always suspicious. They didn't notice the public on Jan 27, but rather on the 31st. We have dealt with too many scumbag lawyers not to assume that they were hiding something material, otherwise, they would not have done it.

The trolls can drone on about the insignificance of this discrepancy, but think about this. This backdating occurred in a ONE SENTENCE pronouncement. You mean they could not even get a one-sentence legal statement right? And yet we are nonetheless supposed to follow them into the mRNA fake vaccine abyss (Fauci's maternal family name ABYS). When they say “for your health and safety.” Read the opposite: To poison and kill you.

We're on to your lawfare you devils.
