**BREAKING: THE PILGRIMS
SOCIETY 2004 MEMBERSHIP**

LIST REVEALS THE IRONCLAD CONTROL OF AMERICA BY THE PILGRIMS

A Scottish friend just discovered a copy of the 2004 membership

roster of the British Pilgrims Society and its American “branch.” It surfaced on eBay, probably part of an estate library sale of a dead Pilgrim.

[Secretary. \(Jan. 28, 2004\).](#) Pilgrims Society Officers and Membership List, Allington Castle, Maidstone, Kent ME16 0NB. The Pilgrims Society, eBay.

“Article I: The name of the Society shall be The Pilgrims. Article II: The object of the Society shall be the promotion of Anglo-American good fellowship.” The roster reveals 1,018 British and 732 American members with a maximum of 1,100 allowed. The Rules focus on member selection with all power invested in the Executive Committees. The members are prohibited from disclosing their participation without Committee consent which is evidently rarely permitted.

The two Presidents, Vice Presidents, and Executive Committees direct the organization. That is 17 British members and 17 Americans.

This 2004 membership roster proves that 34 Pilgrims run the

world and the annexation of America. The ruse of welcoming U.S. & British ambassadors is laughable.

TWELVE POINTS TO DEFEAT THE PILGRIMS SOCIETY'S DEMONIC GRIP ON AMERICA & THE WORLD:

[*Note: Georgetown historian Carol Quigley does not write about this history at all, see below.*]

After the Pilgrims Society was organized in London in **1902** , they developed a [24-point strategy to "Annex America"](#) into their secretive plan for a one-world imperial government controlled by TheCityofLondon banks, merchants, navy, and newspapers. [In 1908](#), Lillian Scott Troy, an American journalist, discovered their plan. She was initially asked not to publish it by Pilgrim W.T. Stead ("The father of tabloid journalism" and author of "Government by Journalism") who was directing the planning for the First Imperial Press Conference, **1909** that empowered the Babylonian Rādhānite demon of Mammon to torment our lives to this day. Lillian was in London to cover the conference and did not publish it then, but she doggedly exposed key Pilgrims including Andrew Carnegie, JP Morgan, and

Elihu Root, calling them the "Benedict Arnold Society" in newspapers. On Feb. 17, **1912** Lillian published the Pilgrims' strategy in San Francisco. Two months later W.T. Stead, who Lillian had convinced that the plan was foolhardy, perished on the Titanic. At the same time, Pilgrim co-founder J.P. Morgan (the owner of the Titanic and its twin, the Olympic) was busy purchasing editorial control of all major U.S. newspapers for the Pilgrims. Indeed, the Pilgrims have always been sinister megalomaniacs.

**America's 12-point strategy to throw off the Pilgrims
Society's 24-point plan:**

1. Outlaw the seditious "special relationship" of surveillance and population control called "Five Eyes."

2. Banish, or heavily tariff, TheCityofLondon banks from all financial activity in America, most especially the Federal Reserve Bank, Bank for International Settlements (BIS),

NYSE, NASDAQ, Cede & Co, DTCC, Chicago Board of Trade, World Bank, IMF, European Bank for Reconstruction and Development (EBRD), ban derivatives, bank stock and corporate holdings, ban Reuters (Rothschild, Barings, Warburgs, Barclays, NatWest, Coutts, and their ilk) from ownership in US

exchanges, ban KYC ("Know Your Customer" that is managed offshore), delink NYSE and FTSE.

3. Banish, or severely restrict, all British media (Pilgrims) propaganda, esp. Pilgrims-controlled Reuters, Associated Press, *The Daily Mail*, *The Daily Telegraph*, *The Financial Times*, *The Economist* (Rothschilds), *The Guardian*, *The Observer*, *The Daily Mirror*, *The Sun*, *The Spectator*, *Sunday Mirror*, *Metro*, *Evening Standard*, *Daily Express*, ITV, BBC, DSMA Committee in American life and culture, esp. TV, movies, publishing, news, and advertising—all offspring of the Pilgrims' [First Imperial Press Conference, 1909](#) where modern mind control, propaganda, "'creating' public opinion," false flags, biotech warfare, and surveillance grew horns.

4. Being a lawyer is a privilege, not a right; prohibit American lawyers from having actual or honorary titles of nobility (13th Amendment—no "Esquire" titles); prevent lawyers from being judges, being law makers, holding political office, being lobbyists, or being members of the Inns of Court, Inner Temple, Middle Temple, Temple Bar, King's Court, or conspiring in bar associations—all hidden agenda caldrons against *We The People*; discipline attorneys and judges only with rotating lay citizens; almost half of Congress are lawyers (of the Crown) who do little but stir up controversy and charge outrageous fees that only fellow conspirators against America can afford; disconnect all their interlocking relationships.

5. Prohibit family, faith, human, country-destroying promotion of eugenics, abortion (Babylonian child

sacrifice), assisted suicide and LGBTQIA2S+ curricula in education, media, public health, and government.

6. Bar participation of British citizens in U.S.

government, public corporations, public contracts, and NGOs, e.g., Fiona Hill.

7. Cancel dual American-British citizenship (allegiance cannot be both ways).

8. Ban SERCO Group Plc (UK) and its subsidiaries and its interlocked conspirators from processing patent applications at the U.S. Patent and Trademark Office.

9. Close the American operations of SERCO (UK) and interlocked relationships, QinetiQ (UK) and interlocked relationships, Lockheed Martin, BAE, Strategic Communication Laboratory and interlocked relationships, Crown Agents, Royal Over-Seas League, Prince's Trust, King's Trust, English-Speaking Society, Pilgrims Society, American Academy of Achievement, Rhodes Scholarship (recruitment of Americans), Schwarzman Scholarship (recruitment of Chinese), bar all entities controlled by the British Monarch's preferred "golden share."

10. Close the Senior Executive Service (SES) and disperse government agencies away from Washington, D.C., New York, Chicago, Boston, Atlanta, LA, San Francisco, Austin, and the left and right coasts; implement substantive competitive bidding and abolish interlocked cronyism in public contracts.

11. Shut down TheCityofLondon-funded biotechwarfare research, especially Wellcome Trust, The Pirbright

Institute, Rothschild Asset Management, Pfizer, AstraZeneca, GlaxoSmithKline, Sanofi, BioNtech, 46 U.S.-funded L4 labs in Ukraine, DEFRA, UKRI, Ft. Detrick, Merial-Boehringer Ingelheim Animal Health, and their ilk.

12. Cease all TheCityofLondon-funded wars immediately (all wars); these wars are merely excuses to hide crashes of fiat currency usury, seize property, seize human creativity, and maintain demonic bloodlines.

The 12-point list above are the virtues needed to *counter* the vice-outcomes of the 24-point Pilgrims Society plan. America and humanity must make a conscious, concerted effort to *reverse* the Pilgrims' vices with the Christian virtues of faith, hope, and love in our lives, communities, governments, and nations.

With the help of God we will achieve this virtuous higher ground. **Satan, get behind us.**

THE PILGRIMS SOCIETY OUTTED ITSELF IN AN UNPRECEDENTED DUMP OF MEMBER DATA

OVERVIEW: The Pilgrims Society of Great Britain, founded Jul. 16, 1902, in London (UK)

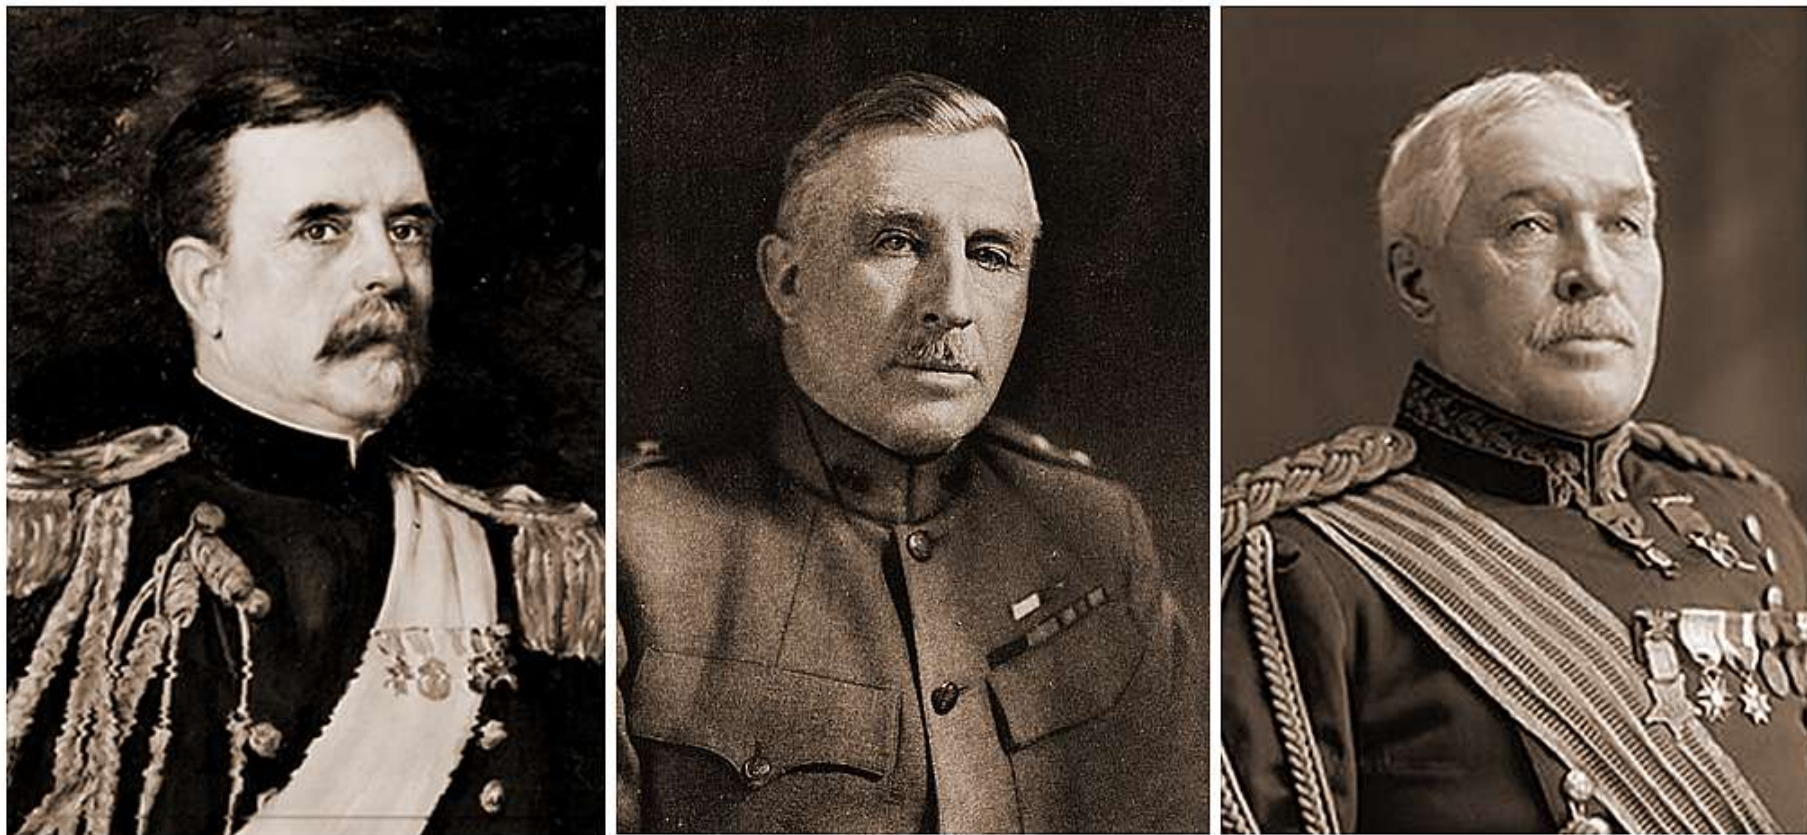

THE ST. JAMES'S GAZETTE

No. 6929—Vol. XLV. WEDNESDAY, OCTOBER 8, 1902. [28 PAGES] Price One Penny.

American Generals to Visit His Majesty.

The luncheon arranged by the "Pilgrims" Society in honour of Generals Corbin, Young, and Wood, of the United States Army, for Monday next at the Carlton Hotel, London, has been postponed, the American Generals having received a command from the King to attend at Buckingham Palace on the same day. The "Pilgrims'" luncheon will probably take place at a later date next week.

General Henry Clark Corbin became *Adjutant General of the U.S. Army*; **General B.M. Young** became *Chief of Staff of the U.S. Army*; **General Leonard Wood** was chief surgeon to multiple U.S. Presidents, became *Governor of Mindanao, Philippines*, created the Reserve Officers' Training Corp (ROTC) in universities across America. **The American Army, OSS, FBI, and C.I.A. became the British Pilgrims Society policemen for the world.**

CORBIN, General Henry Clark (1842-1909)

YOUNG, General Samuel B.M. (1840-1924)

WOOD, Leonard Wood (1860-1927)

The Pilgrims Society of Great Britain was founded on Jul. 16, 1902 in London with a "branch" in the United States founded on [Feb. 04, 1903](#) in New York. Their propaganda presents it as an innocuous dinner society to welcome U.S. Ambassadors to Britain, but their sinister agenda oozes out of every pore. It took them only months after founding to signal their treachery. On Oct. 08, 1902 the newly-crowned King Edward VII, the titular head of the Pilgrims Society, *commanded* three [US Army Generals Corbin, Young, and Wood](#) to Buckingham Palace (to help fight Britain's evil wars?) At that time Britain had wars actual or brewing in at least Borneo, Somolia, Makran, Shona, Venezuala, Sudan, Egypt, Ottoman Empire, Tibet, Sokoto—all wars of TheCityofLondon merchant-banker conquest.

These merchant-bankers trace their blood lineage and religion to Babylon after the Hammurabi Code made usury the law of the land in 1755 B.C. They managed the business and banking of Babylon that included child sacrifice, debt slavery, promiscuity, slavery and all sorts of other human exploitations. They learned how to control the fiat currency that they could create backed by Solomon's gold. They practice this sorcery to this day. They are worshippers of the pagan religions of Solomon's 1,000 wives and concubines after he forsook God, most notably Mammon. They now embrace antinomianism that encourages followers to practice the Seven Deadly Sins, but hide themselves in the Christian, Jewish, and Muslim religions of their surroundings. They came to England along the Silk Road trading routes from China to Iceland and solidified their presence in England in the chartering of

The City of London in 1067 AD by William the Conqueror. Ever since then they have passed their secrets from father to son inside the British aristocracy.

Precursors to the Pilgrims included the British South Africa Company (1889), the Lord Rosebery PM Cabinet (1894-1895), the Round Table, Milner's Kindergarten, the Fabians, and "The Society of the Elect." The Society of the Elect was a W.T. Stead trial balloon in 1889 suggested to Cecil Rhodes, but never implemented. Stead had proposed involvement of his pet project, the Salvation Army, to staff South Africa's factories with poor whites. However, Rhodes said he was preoccupied at that time with being appointed to the Privy Council by Lord Rosebery (maternal Rothschild) and the politics of chartering the British South Africa Company. Note: [W.T. Stead](#) had earlier met Rhodes for the first time and in their two hour meeting, Rhodes invested £20,000 UKP (\$684,000 USD today) and promised more to promote Stead's newspapers, *Review of Reviews* and *Pall Mall Gazette* (who presented Rhodes favorably thereafter).

The core principles for the Pilgrims Society emerged from Privy Counsellor Cecil Rhodes' vision to reorganize the British Empire into a new form of imperial corporate federalism and a government run by banks, army, and journalists. The society would promote the white race, initially, then that was changed to the "English-speaking race." This society would practice Jesuit and Masonic secrecy that Rhodes admired for their long term cohesiveness. That said, the Pilgrims are neither Jesuit nor Masonic *per se*, although they recruit adherents from both. Their 24-point strategy to ANNEX AMERICA was discovered by American journalist [Lillian Scott Troy](#) in 1908.

Cecil Rhodes' premature death on Mar. 26, 1902 at age 49 triggered his followers to found the Pilgrims Society three months later. Contrary to their official story that Sir Harry Brittain founded the Pilgrims, the real founders included Lionel Rothschild, Lord Pirbright (Henry de Worms, a maternal Rothschild), Lord Rosebery

(a Rothschild by marriage), Alfred Beit (De Beers), JP Morgan (a Rothschild acolyte), Andrew Carnegie, John D. Rockefeller, Elihu Root, Field Marshall Frederick Roberts (founding president and military "butcher of the Transvaal"), and Viscount Alfred Milner, among others. Indeed, the *Who's Who* of British aristocracy and business wanted in on this evident gravy train. Rhodes, Roberts, Milner oversaw [South African Boer War concentration camps](#) where 60,000 whites and blacks in equal numbers were administered toxic vaccines, and starved to death. Indeed, the Pilgrims Society was morally stillborn from founding in 1902.

Rhodes' Will has led to perpetual funding of the Rhodes Scholarships to recruit Americans into Rhodes' insistence that America must agree to his scheme for it to work. Thus, the "annexation of America" plan was hatched and continues to this day, loosely referred to as the "deep state" or "shadow government," when it is and always has been the British Pilgrims Society and its New York "branch" of Babylonian Rādhānites masquerading as Jews.

The term "[special relationship](#)" was created on Mar. 05, 1946 by Pilgrims Winston Churchill and Harry Truman to hide the Pilgrims treachery against America. This was the *same day* that the Ultra Secret "[Five Eyes](#)" conspiracy among British and American spies was agreed. This agreement was *hidden* from the American people until 2010.

(August 23, 2024)--The most comprehensive Pilgrims Society current verified membership list in their 122-year history just appeared. It contains over 1000 names of present and dead members.

We see that the British aristocracy and monarchy is counting on its Pilgrims influence over America to save them from ruin. They set out in 1902 to "Annex America" into a newly envisioned imperial corporate empire controlled from the City of London. The British South Africa Company was their first experiment in bank-run government and "[government by journalism](#)."

This evidently mistaken release of a current membership list for this secret society is a sign that they are moving fast and getting sloppy. Or, their younger members are getting bored with the wait which their godfather Cecil Rhodes predicted would be 200 years from 1900.

The members list includes Lord Mayors and Sheriffs of The City of London, First Sea Lords, Secretaries General of NATO, the monarch's private secretary, mockingbird media (the usual: *BBC*, *Guardian*, *Daily Telegraph*, *Daily Mail*, *The Times*, etc.), the King's National Westminster Group/Coutts bank, SERCO, and a raft of Royal Army, Air Force and Navy warmongering admiral lord whatevers and chiefs of staff.

* * *

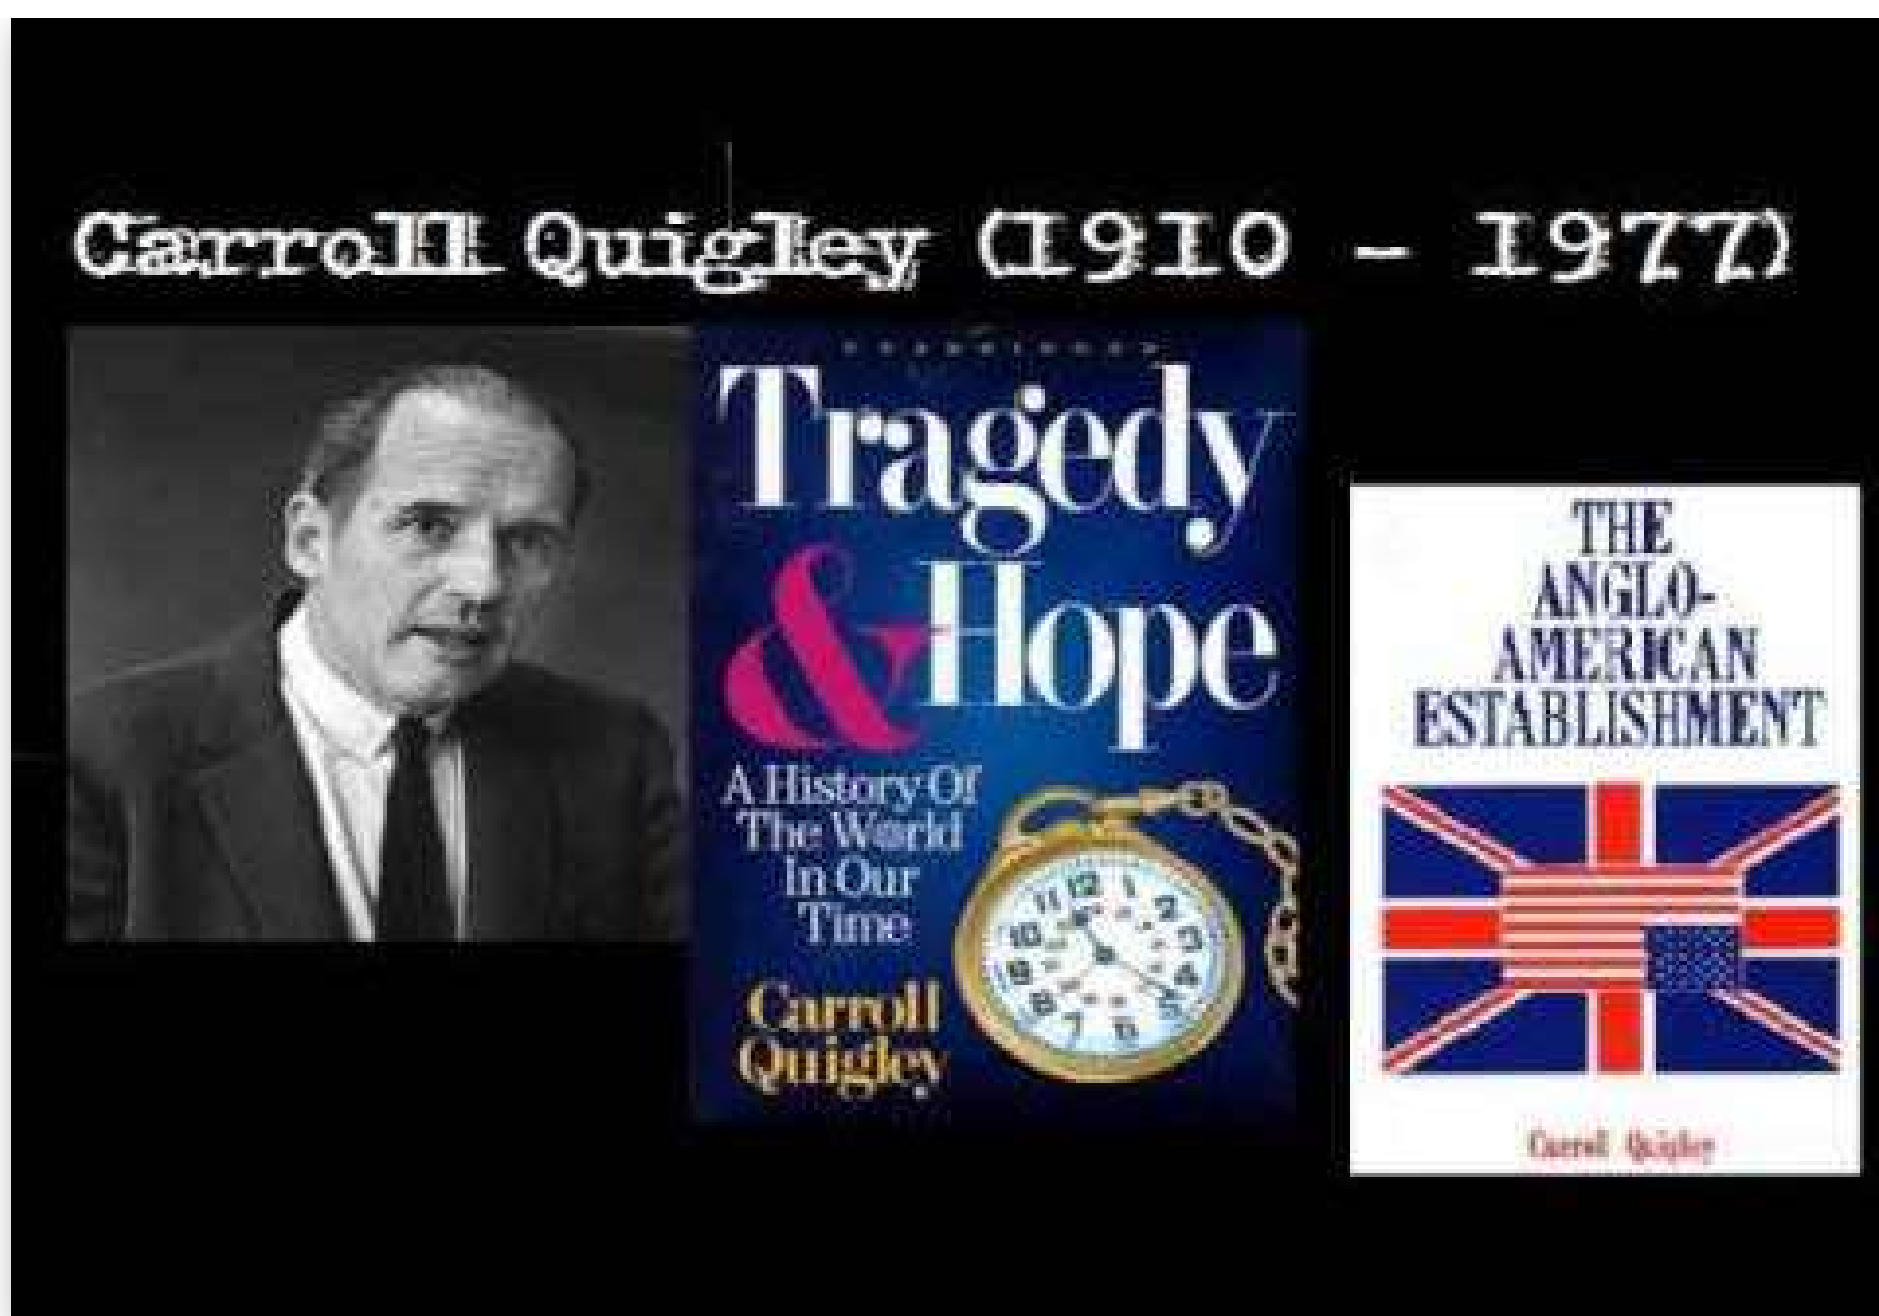

The Pilgrims Society was founded in 1902 to orchestrate the annexation of America into a reformed imperial corporatist British empire. It was to be an upgrade of the British East India Company after enslavement of Africans had been outlawed.

They envisioned different ways to enslave peoples and races including indentured servitude, human trafficking, debt, withheld investing, grooming through the YMCA and Salvation Army, 15-min. cities, slow poisoning, poor nutrition, pandemics, poisonous vaccines, brainwashing, blackmail, mind control, and poor education.

Cecil Rhodes said bluntly that without America in their fold this dream could not be achieved. America's Robber barons were already on board, including JP Morgan, John D. Rockefeller, Andrew Carnegie, Bacharachs (American Rothschilds), Elihu Root, and Cornelius Vanderbilt.

Lillian took her findings to the American press and to Congress, but most (not all) turned a blind eye while pocketing fat checks from the likes of JP Morgan, Walter Rothschild, Paul Warburg, Baring Brothers, Barclays (Bevans, relatives of [Carrie Johnson \(Boris Johnson's new wife\)](#) whose mother was the love child of Prime Minister Herbert Asquith—a Pilgrims co-founder and founder of MI6, MI5, GCHQ, Empire Press Union), HSBC, Coutts Bank, Boston Brahmins, Lord Rosebery, Queen Victoria, The Knights of Malta English Priory, Andrew Carnegie, John D. Rockefeller, King Edward VII, Roosevelts, Burroughs Wellcome, and Cornelius Vanderbilt.

GEORGETOWN HISTORIAN CAROL QUIGLEY HID THE PILGRIMS SOCIETY FROM MODERN HISTORIES

Tellingly, the infamous Georgetown Professor Carol Quigley, the classical go-to expert on this period, **DOES NOT EVEN MENTION THE PILGRIMS SOCIETY ONCE** in his two works: *The Anglo-American Establishment (1981)* and *Tragedy and Hope (2004)* .

Go to the Wayback Machine and search "pilgrims society" and "first imperial press conference, 1909" for yourself using the search tool: [Tragedy and Hope](#) | [The Anglo-American Establishment](#) . You get a big fat, goose egg.

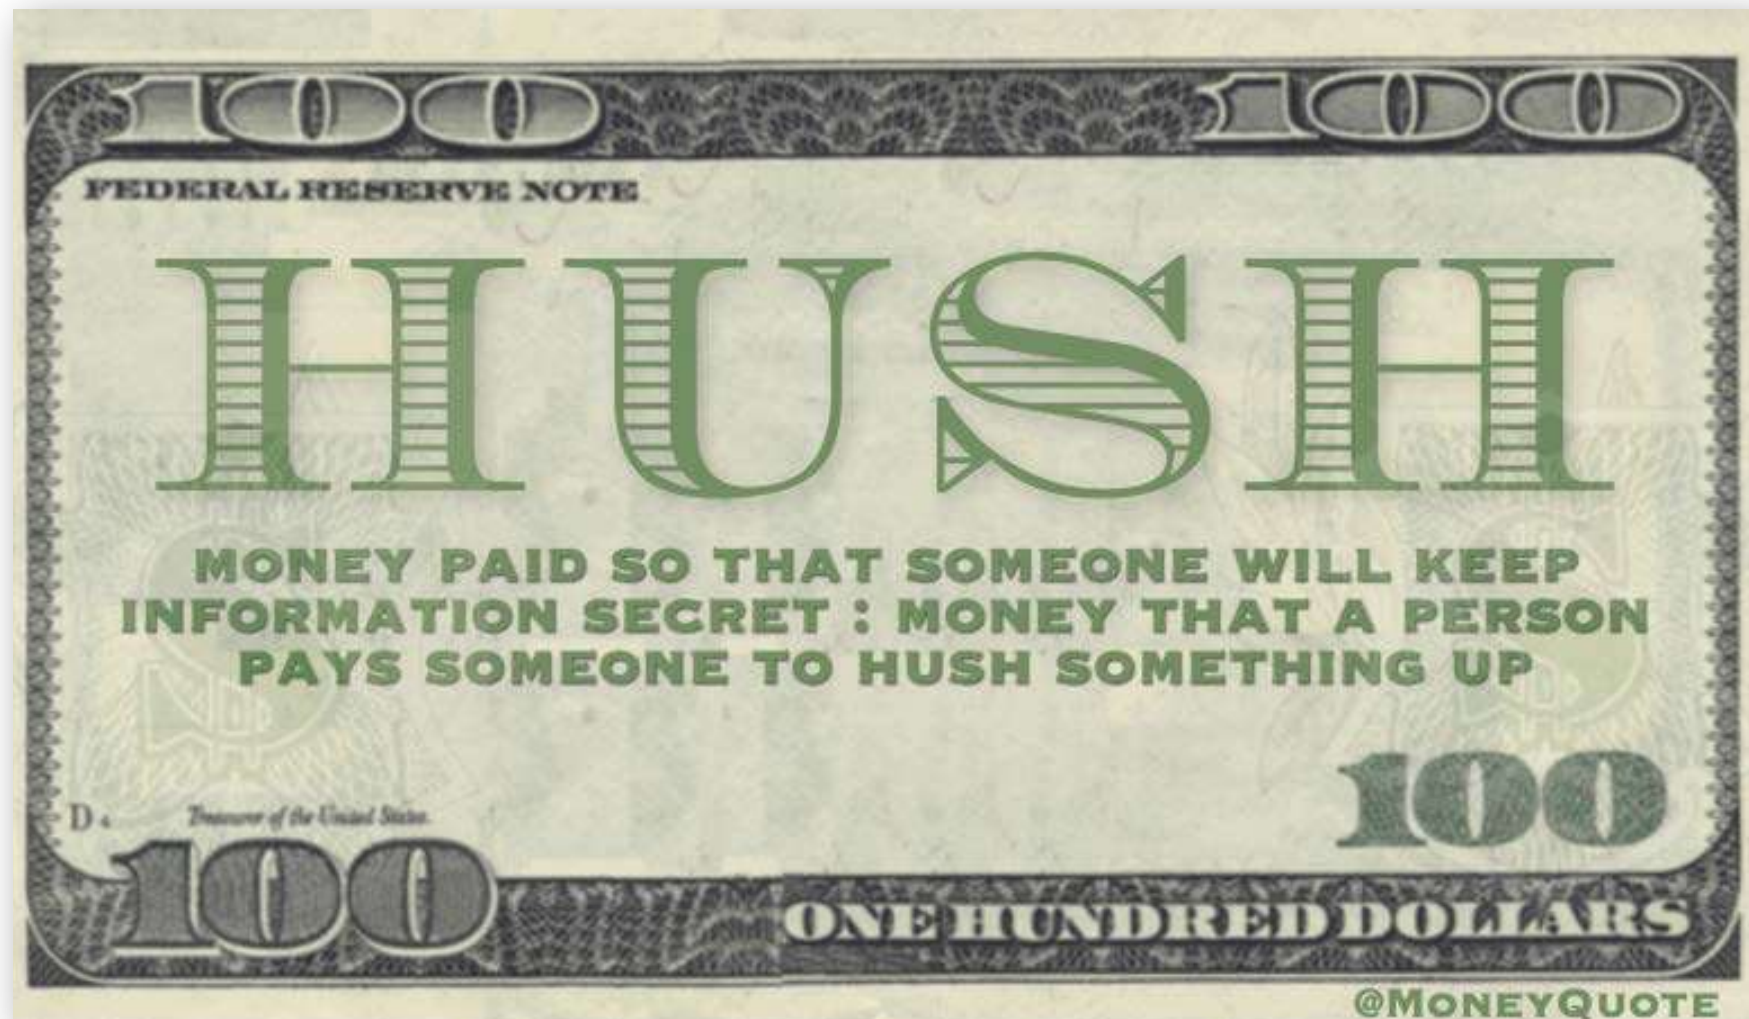

In our opinion, Quigley *maliciously* ignored the Pilgrims' [First Imperial Press Conference, 1909](#) when modern *Reuters-Associated Press* propaganda-mind control media was spawned as well as were British intelligence MI6, MI5, GCHQ. AFI researchers have pieced this historical record back together by discovering records of this time that were almost lost to history. See [Truth History](#).

Quigley ignored the fact that British Pilgrims were the handlers and trainers for [Vladimir Lenin](#) and that they bankrolled Lenin in London during the formation of the Bolshevik Revolution.

Quigley's silence alone should convince you that something

demonic was and is still afoot. Historians are not supposed to be so negligent and dishonest with their research and publishing.

The reason is now obvious: the Pilgrims are a secret society and **Quigley was paid by the Pilgrims** to keep his historian mouth shut, because to reveal their membership is to diminish the power of their secrecy to control the world from the shadows.

SERCO has taken over all patent examinations at the U.S. Patent Office since 2006. Yes it is true.

SERCO runs practically everything in the UK from trash collection, to parking, prisons, athletic and entertainment facilities, air traffic control, and rail service to migrant invasion housing and funding.

In the US, SERCO manages FEMA Regions 2 and 9. Yes, also true.

SERCO also manages 76 U.S. air traffic control towers, at last count.

SERCO manages many US Navy and Space Force SPAWAR contracts, including the global satellite network on the Indian Ocean island of Diego Garcia that also houses the ".io" domain for crypto currency.

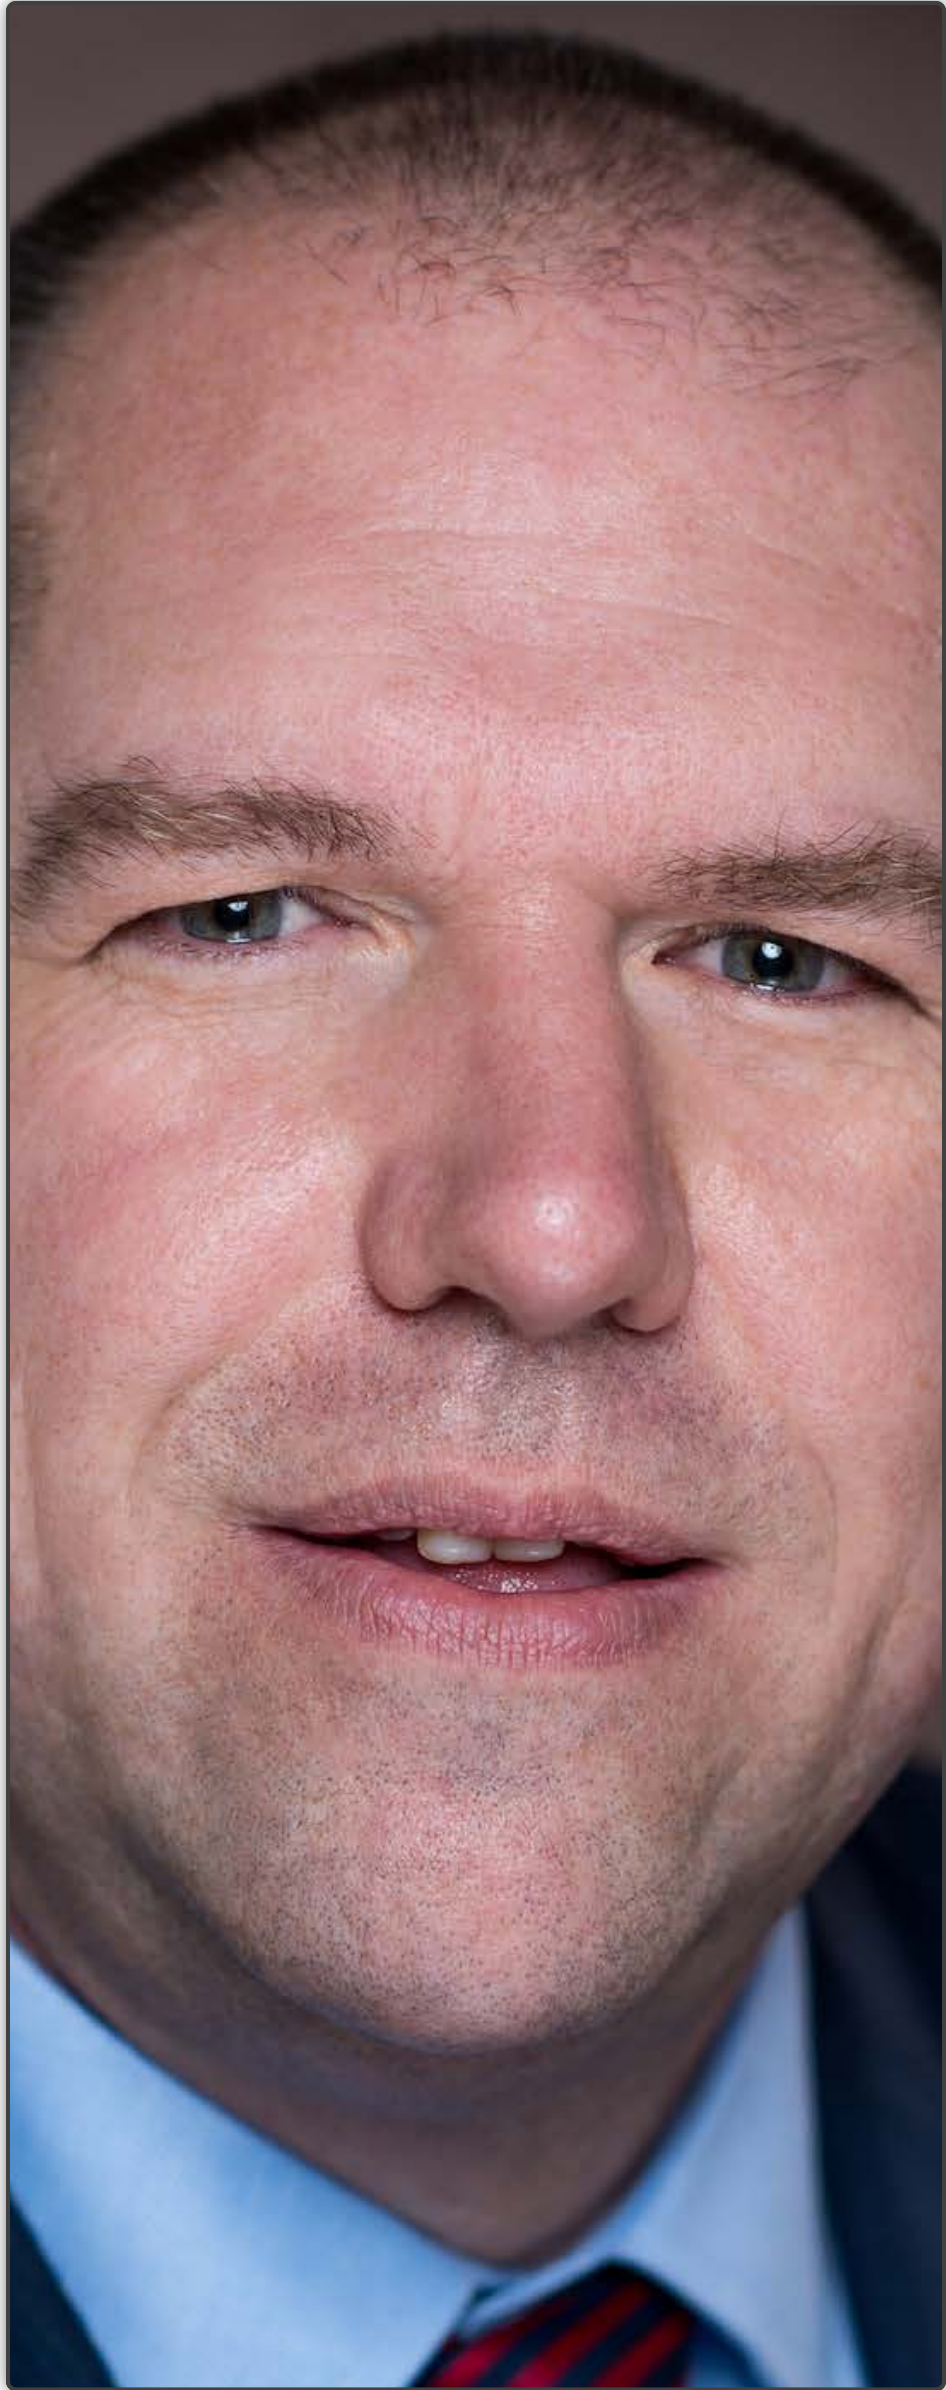

This overview of SERCO tentacles is just getting warmed up. [See The Shadow Government uses SES, SERCO, and OPIC as portals into horrific corruption.](#)

PILGRIMS SOCIETY DINNER, JAN. 28, 1930—28 YEARS AFTER THEIR FORMATION

This film shows Naval Conference delegates as guests at a Pilgrim Society Dinner (“Anglo-American Institution”) in their honor evidently working for a Pilgrims-dictated outcome to controlling naval warfare.

See shots of the assembly and toasts being declared. The speakers were Sir Edward Grey (dark glasses), then Chancellor of Oxford University (ca. 1925-33); Signor Dino Grandi, then Italian Minister of Foreign Affairs, 1929-32); and Mr. Arthur Henderson, then British Secretary of State for Foreign Affairs.

See also shots of other speakers. Pick out J. Ramsay MacDonald, M.P.; [Mr. Henry L. Stimson](#), then U.S. Secretary of State (1929-1933) ([hiding his face with a program--](#)

Stimson led the establishment of the Pilgrims' Marshall Plan at the end of WWII); André

Pierre Gabriel Amédée Tardieu, then French prime minister, Baron Wakatsuki Reijirōki, Japanese prime minister within the year; and Charles G. Dawes, former U.S. Vice President (1925-29) and U.S. Comptroller of the Currency (1898-1901), U.S.

Ambassador to Great Britain (1929-31). Stimson and Dawes, along with Lord Rothschild, J.P. Morgan, Harriman Brown Brothers, Allan W. Dulles and Dean Acheson, would go on to play pivotal roles in the confiscation and laundering of Nazi and Japanese gold by the Bank for International Settlements in Zurich that funded the post war Pilgrims Society's globalist exploits at forming a "new world order."

Oxford University provided a steady stream of Rhodes Scholars to staff the Pilgrims' secret, seditious global racketeering operation. See London

Naval Treaty, signed Apr. 22, 1930. (Accessed Aug. 25, 2020). Arms control negotiators Stimson (US), MacDonald (UK), Tardieu (Fr.), Signor Dino Grandi(It.), Reijirōki (Jp.), effective Oct. 27, 1930. Wikipedia.

THE PILGRIMS SOCIETY IS DEMONIC

Shown above is a gaggle of secret, demonic, self-anointed world controllers that you have never heard of, until this Pilgrims Society newsletter dump.

A list of some 1,500 Pilgrims living and dead appeared unredacted on [their website](#), including currently active members.

No matter their age, once a Pilgrim, always a Pilgrim. Their demons jump from host to host, blood to blood, in usurious Babylonian Radknight [1] merchant-banker succession. Anciently Rādhānite, and even more anciently Solomites—are the Mammon-worshiping children of a reprobate King Solomon. St. John the Revelator ca. 80 AD called them "the synagogue of Satan" who "say they are Jews and are not." Rev. 2:9, 3:9.

[1] Anciently Rādhānite, and even more anciently Solomite—the Mammon-worshipping children of a reprobate King Solomon.

Rādhān was the southeastern suburb of Babylon-Baghdad on the fertile ground between the Tigris and Euphrates where Silk Road banking transactions were settled by these imposter Jews.

These non-blood fake Jews [2] who were not semitic lived in Babylon and controlled the usurious banking and commerce of Babylon since ancient times. In 600 B.C. those practices were condemned by the Hebrew Prophets, who Christianity says spoke the voice of God's Holy Spirit (Nicene Creed: "I believe... in the Holy Spirit... who spoke by the Prophets.").

[2] Modern genetics reveals that Rādhānites are a mixed blood of Turkic, Khazarian, Persian, Sogdian, and some Chinese—the blood of the kingdoms of the ancient Silk Road - not Hebrew.

Ashkenazi and Sephardic peoples have this DNA, distinguished anciently by their aquiline nose--a genetic defect DNA tracer.

Ashkenazi merchant banker tribes did not appear in history until the 11th century A.D. Sephardic even later.

The Rādhānite or Radknight (mentioned in the English Domesday Book in 1086) terms used to describe these usurious Babylonian bankers disappeared from the history books at the same time. The fact is, these were the merchant-banking agents of the Silk Road trade routes from China in the East to Iceland in the West. They are not Hebrew nor even semitic. They are merchant-banker pilgrims who coopted Judaism and thus hide their demon-worshipping, child sacrificing, human trafficking Babylonian heritage. Pogroms were their smoke screens to get out of town when their usury loan bubbles crashed.

Figure—Gigaku Mask [No. 47] of Suiko-ō [“Intoxicated Barbarian King”] Japan, 8th century CE. Japanese mask depicting Silk Road traders from as far away as Iran. The aquiline nose genetic defect was common among these Babylonian Rādhānite Silk Road merchant-bankers claiming to be Jews. <https://sogdians.si.edu/suiko-o/>

PROTECTING PRIVACY AND PROPERTY IS A BI-PARTISAN ISSUE

Both our elected representatives and our appointed bureaucrats swear oaths to protect our Constitutional rights to privacy and property. They are currently failing to do their jobs, no doubt disturbed by the Pilgrims Society's agenda to annex America and stop following the Constitution.

If they do not, then they are being treasonous, if not seditious.

CAN AMERICA UNCHAIN HERSELF FROM THE PILGRIMS SOCIETY'S 24- PT. PLAN TO ANNEX AMERICA?

We did not heed [Lillian Scott Troy's warnings in 1913.](#)

We let her be deported
and robbed by England

and robbed by England
without protest.

Will we listen to her
now, 111 years later?

Time will tell.

"WOULD ANNEX AMERICA."

WOULD ANNEX AMERICA. Suffragette Says This Is Purpose of British Peace Mission.

LONDON, May 12.—Miss Lillian Scott Troy, a novelist and magazine writer from San Francisco, who interested herself in obtaining the release from prison of Miss Zelle Emerson, a Michigan suffragette, has written a letter to Senator O'Gorman, which contains some extraordinary charges against Andrew Carnegie and other noted Americans.

Senator O'Gorman should receive the communication tomorrow. In it Miss Troy makes the extraordinary allegation that the annexation of the United States to England is the ultimate object of the peace movement promoted by Mr. Carnegie and others.

The accusations by Miss Troy became known here today. They are not taken seriously.

She names Elihu Root and the late John Hay as prime movers in behalf of the peace propaganda, since the inauguration of which, she declares, the relations between the United States and Germany and the United States and Japan have become strained.

Miss Troy suggests it is to England's interest to see the United States weakened in conflict with Germany or Japan. She asserts that while Theodore Roosevelt was in Africa the duke of Connaught's aid suggested he should influence the United States to hand the Philippines over to Japan; that the idea of the arbitration treaties was not Taft's, but that of Carnegie and King Edward, who sent it to America to be labeled "Made in the U. S. A.;" The Hague tribunal is essentially a British product, instituted simply for the ultimate undoing of the United States, and that Dr. Nicholas Murray Butler, president of Columbia University, and others are rewriting American history to disparage the heroes of the Revolution.

THE BRITISH PILGRIMS SOCIETY THROUGH THE CITY OF LONDON AND THE BABYLONIAN RĀDHĀNITE (RADKNIGHTS) MERCHANT-BANKER PAGANS WHO CONTROL THE BRITISH CROWN.

Their flunkies doing their bidding in the USA during the American Revolution was British Spy No. 7 Alexander Hamilton's American banks, notably JPMorgan, Bank of America, Bank of New York Mellon, State Street along with asset managers like BlackRock, Fidelity, T. Rowe Price and Vanguard, who are controlled by the British Crown and the Rothschilds in the City of London via the Monarch's "Golden Share."

Don't believe that the British run America? Just look at the false flag they are trying to orchestrate in Poland right now. Poland is historically one of the favorite choke points of the British Empire to try and take down Russia to seize control of Russia's 11 times

Figure—The City of London is controlled by the Pilgrims Society who carry on the pagan control of the Rādhānite merchant-bankers of Babylon. "The City of London Corporation" was chartered in 1067 by Radknights after the coronation of Norman (French) William I, William the Conqueror, on Dec. 25, 1066 AD at Westminster Abbey.

Described above is abject immorality on the part of the British Pilgrims Society and their Babylonian Rādhānite synagogue of demons.

Morality must win the day.
