OF RACKETEERING ACTIVITY AND RELATED CLAIMS**

On April 18, 2016, *Pro Se* Plaintiff Dr. Lakshmi Arunachalam (hereafter "Dr. Arunachalam") filed a complaint for patent infringement of Plaintiff's U.S. 7,340,506 Patent/US

7,340,506 C1 (“the ‘506 patent”) against the Defendant(s) and a verified complaint for declaratory and injunctive relief and damages from racketeering, conspiracy to engage in a pattern of racketeering activity and related claims. She sent the complaint, her declaration in support thereof and Exhibits, a money order for the filing fees, a cover sheet and the Summons Form by Express Mail via the United States Post Office on April 18, 2016 for overnight delivery to the Clerk of the Court. She sent an original and a copy. In the copy, she correctly included all the Exhibits. In the original, she realized after returning home from the post office that she had inadvertently left Exhibit J at home. She is hereby attaching Exhibit J, so that the Court has it for their records to be filed with the original. Dr. Arunachalam already sent Exhibit J along with the copy of the complaint, but inadvertently forgot to attach it with the original. Dr. Arunachalam is attaching herewith the full original file with ALL the Exhibits, including Exhibit J and all the other Exhibits.

A certificate of mailing by Express Mail via the U.S. Post Office to the Clerk of the Court, United States Federal District Court for the District of Delaware, is attached.

Dated: April 19, 2016
