The 'Francis Ford' provides Pensions for One Man, 25s, and One Woman, 20s, and was specially subscribed in memory of the late John Francis, who died on April 18th, 1892, and was for more than fifty years Publisher of the *Athenæum*. The Horace Marshall Pension Fund is the gift of the late Mr. Horace Brooks Marshall, who died on April 18th, 1892, and was the primary right of election to its benefits, but this privilege never having been exercised, the General Pensions of the Institution have had the full benefit arising from this investment since 1897.
