DAYTON, OHIO, MONDAY, JULY 13, 1931

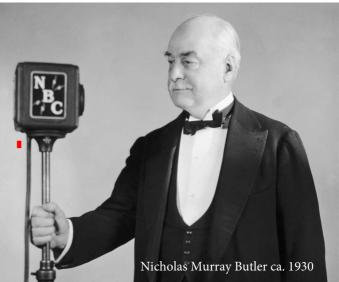

Nicholas Murray Butler divides mankind into three classes. First, there are those who make things happen; second, those who watch things happening; and third, the vast majority who have no notion what is happening. Harry Elmer Barnes estimates that less than a thousand men are responsible for the discoveries and inventions which sepa-

rate the New York of today from the New York of three centuries ago. The Watts, the Whitneys, the Faradays made things happen. Some of the rest of us look on and see what is happening. Still more do not even see.

The precise plan

of the British In Russia a central political committee, Pilgrims Stalin at its head, and representing at the Society who founded outside not over 2,000,000 members of the Bolshevism communist party, is managing the affairs for the two of 165,000,000 people. A dozen men make lower classes. things happen there. Two million more are seeing what goes on. The remaining 163,000,000 have no notion of what is happening.

> In the United States a Mark Hanna, a Boies Penrose, a Sepator Aldrich and a few others take charge of a political party. They make things happen. A few score senators, representatives, governors and local political managers see and understand what is happening. Ten million men and women vote 'er straight, having no notion of what is happeing.

[HISTORICAL CONTEXT:

BUTLER WAS A POMPOUS MASTER OF SELF-FULFILLING PROPHECIES IN 1931. At the time he made this statement, Butler was simultaneously:

1. President, British Pilgrims Society (self-anointed *secret society* - so how would the public know?) 2. President, Carnegie Endowment for **International Peace** 3. President, Columbia University 4. Overlord, former Columbia Law students/ groomed **Pilgrims** sychophants William J. Donovan, Franklin D. Roosevelt 5. Financial sychophant of J.P Morgan, John D. Rockefeller 6. Nobel Peace Prize, awardee (Note: In 1926, explosives manufacturer AkzoNobel merged with Brunner Mond (another Pilgrims Society founder - Sir Alfred M. Mond) to create Imperial Chemical Industries (ICI) that created AstraZeneca Pharmaceuticals in 1992 one of the purveyors of the **Pilgrims Society Coronavirus** hoax "vaccine" bio-chemical weapon - to depopulated

the first two classes.]

TRANSCRIPTION

Nicholas Murray Butler divides mankind into three classes. First, there are those who make things happen; second, those who watch things happening; and third, the vast majority who have no notion what is happening.

Harry Elmer Barnes estimates that less than a thousand men are responsible for the discoveries and inventions which separate the New York of today from the New York of three centuries ago. The Watts, the Whitneys, the Faradays made things happen. Some of the rest of us look on and see what is happening. Still more do not even see.

In Russia a central political committee, Stalin at its head, and representing at the outside not over 2,000,000 members of the communist party, is managing the affairs of 165,000,000 people. A dozen men make things happen there. Two million more are seeing what goes on. The remaining 163,000,000 have no notion of what is happening.

In the United States a Mark Hanna, a Boies Penrose, a Senator Aldrich and a few others take charge of a political party. They make things happen. A few score senators, representatives, governors and local political managers see and understand what is happening. Ten million men and women vote 'er straight, having no notion of what is happening.
