I
The membership shall be divided into resident, non-resident, and honorary. All members shall be elected by the Board of Directors.

Resident members shall be limited to five hundred in number, who shall have their residences or places of business within fifty miles of City Hall, in the Borough of Manhattan, City of New York, and who shall be citizens of the U. S. A.

Non-resident members shall be limited to five hundred, who shall neither reside nor have places of business within the said specified distance from City Hall, and who shall be citizens of the U. S. A.

The Board of Directors in its discretion may elect honorary members.

II
There shall be no entrance dues. Resident members shall pay \$100 per annum, except that those members who are thirty-five years of age and under shall pay \$50 per annum, and that those members who are regular members of the faculty of any university or college, or accredited writers or newspaper men shall pay \$15 per annum; non-resident members shall pay \$50 per annum, except that those members who are regular members of the faculty of any university or college, or accredited writers or newspaper men shall pay \$10 per annum. All dues shall be paid annually—or semi-annually in equal instalments at the option of the members—in advance. Default in the payment of any dues for a period of sixty days shall be equivalent to resignation.

III
There shall be a Board of eighteen Directors. The Board shall be divided into three classes of six Directors each, each class to serve for three-year terms and until their successors are elected. At each annual meeting of the Council there shall be elected six Directors to replace the outgoing class. The Board shall have power to fill, for the unexpired term, any vacancy that may occur in its own body. A Director absent from meetings of the Board for a period of two successive years shall be considered to have submitted his resignation from the Board.

IV
The Annual General Meeting of the Council shall be held in New York City on the second Wednesday of October. At this

meeting the Board of Directors shall present a report of the activities of the Council during the past year; candidates shall be elected to fill vacancies on the Board of Directors of the Council in accordance with regulations laid down by the Board; and such other business shall be considered as shall be brought forward by or with the sanction of the Board of Directors, and which shall have been stated in the notice convening the meeting.

A majority of the members of the Council shall constitute a quorum for the transaction of business. Members may be represented by proxy.

V

The Board may constitute such committees of the Council as may from time to time be required, including an Executive Committee, a Finance and Budget Committee, a Membership Committee, and a Committee on Studies.

The Finance and Budget Committee shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. It shall have general supervision of the investment of the funds of the Council and of its financial affairs, and shall present the budget at the annual meeting of the Board. In connection with the preparation of the budget, it shall be the duty of this Committee to allocate charges to the various departments and activities of the Council.

The Membership Committee shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. It shall report at each regular meeting of the Board on all nominations for membership. The Membership Committee shall also act as a nominating committee to present names for officers and committee members at the annual meeting of the Board of Directors.

The Committee on Studies shall be composed of five members of the Board of Directors elected at the annual meeting of the Board. The Committee shall have power to co-opt not to exceed four additional members, who need not necessarily be members of the Board of Directors. All suggestions relating to matters of research shall be referred to it, and it shall be responsible for the initiation of research projects. The Committee on Studies shall submit a report of its activities in writing at the annual meeting of the Board.

VI

The officers of the corporation shall be a President, one or more Vice-Presidents, a Secretary, and a Treasurer, who shall be elected annually by the Board of Directors.

The President shall preside at all meetings of the Board of Directors, may call meetings of the same, and shall have general executive direction of the corporation.

The Vice-Presidents in order of seniority shall discharge the duties of the President in his absence, and shall perform such other duties as from time to time shall be assigned them by the Board of Directors.

The Treasurer shall have custody of the funds of the corporation.

The Secretary shall conduct the correspondence of the corporation, and shall keep its records.

VII

The Board shall annually appoint an Executive Director or Executive Directors. The Board shall fix the compensation and assign the duties of the Executive Director or Executive Directors.

VIII

The funds of the corporation and of FOREIGN AFFAIRS shall be deposited with trust companies or banking institutions designated by the Board of Directors, or shall be invested by the Finance and Budget Committee. Disbursements shall be made only upon checks or vouchers approved by the Treasurer (or in the absence of the Treasurer by the Secretary) and either the Executive Director or the Editor of FOREIGN AFFAIRS. The President (or in his absence the Vice-President) shall have power in the absence of the Executive Director to appoint an Acting Executive Director, and in the absence of the Treasurer or the Secretary to appoint from the Directors an Acting Treasurer or Acting Secretary with authority to sign checks in all cases in which the Executive Director, the Treasurer, or the Secretary, respectively, is so authorized.

IX

The annual meeting of the Board of Directors shall be held after the annual meeting of the Council and not later than November 15th. Seven Directors shall constitute a quorum for the transaction of business at any regular or special meeting of the Board of Directors.

X

These By-Laws may be amended at any meeting of the Board of Directors, provided notice of the proposed amendment shall have been given at a previous meeting or circulated in writing to the members of the Board not less than five days in advance.
