Why

does Seagram's 7 Crown outsell any brand of whiskey in the U.S.A. by millions of bottles?

because... It's not where it was made—it's how it was made that counts... and Seagram's has processes belonging to no other distiller for "making fine whiskeys—making them taste better"; for making not just whiskey but making GREATLY in whiskey. The result is that in every bottle of Seagram's 7 Crown there is a quality and perfection of taste so fine that it can be found today only in a bottle of Seagram's 7 Crown!

Say Seagram's and be Sure
...of American Whiskey at its finest
