

History

A brief history of The Installed Masters Association

The inaugural meeting of the Association was held on the 18th March 1904 in the Masonic Hall, Great George Street, when WB Richard Wilson took the chair and became the first President of the Association. The reasons for forming the Association were firstly to give Past Masters the opportunity of meeting together and renewing the friendships formed with Masters of their various Lodges and secondly, to receive letters and hold discussions appertaining to the welfare of the Craft. The Rules were drawn up in such a way as to allow any Past Master from within the Province to become members.

The first lecture delivered to the Association was on the subject of "Masonic Clothing" given by WB FJW. Crowe, PPGR (Devon), PGO Eng. During the first year other Lectures covered "The Landmarks of Freemasonry", "Freemasonry from 1600 to the Grand Lodge Era", "King Solomon's Temple and the story of the Third Degree" and "Notes on Browne's Old Tracing Boards".

On the 13th March 1907 the Association was visited by Right WB Joseph Inglis and Brethren of Lodge Canongate Kilwinning No.2 Scotland who rehearsed the "Raising" Ceremony as practised in their own Lodge. On April 8th 1932 RWB Inglis, now Past Substitute GMM. of Scotland together with several other brethren of his Lodge again visited Association to renew old acquaintances.

Between June 20th and June 23rd 1929, at the invitation of the Association, Quatuor Coronati Lodge No.2076 held its annual summer in Leeds and District. On June 20th, after having dined at the Mansion, the visitors were entertained with a short musical programme performed by members of the Association at Great George Street, In the following days visits were made to local places of interest including Kirkstall Abbey, Adel Church, Leathley Church, Bolton Abbey, Barden Tower, Fountains Abbey and Skipton.

The MW. The Pro Grand Master, The Rt. Hon. Lord Amphill, GCSI., GCIF. Visited the Association on February 29th 1932 and due to the large number of brethren present to hear his address all could not be accommodated in the Lodge room and arrangements were made to relay it to the remainder in the dining room.

In 1937 WB Frederick Duffield, a Past Master of Coronation Lodge, presented to the Association a Badge of Office to be worn by the President. This was to celebrate the Coronation of King George VI and the fact that the then President was WB F.G. Harmer a Past Master of Coronation Lodge. On April 14th WB J.F. Cawthorn, PAGDC invested WB Harmer with the Badge of Office. The Leeds Corporation had granted permission for the City's Coat of Arms to be used on the pendant attached to the chain.

Meetings of the Association were suspended from November 1938 until July 22nd 1947 due to the Second World War since the President, Secretary and other members were engaged on duties connected with the war effort.

On the 28th February 1949, the Association was honoured with a visit from the Deputy Grand Master, RW Bro The Right Hon. The Earl of Scarborough who after the reception held in the dining room at Great George Street gave an address in the Temple entitled "The Past Development of English Freemasonry Overseas".

The Association from time to time published the many interesting and instructive addresses delivered to it's meetings, including that by the Earl of Scarborough, under the title of "Transactions". Also in 1935 the Association published the "Yorkshire" Old Charges of Masons, compiled by WBs Poole and Worts, the latter was made an honorary member of The Lodge at its Consecration.

In 1954 the Association celebrated its "Golden Jubilee" at which time its membership numbered 280.

A decline in numbers attending the Association was the real concern which led to the movement seeking to establish the Leeds & District Lodge of Installed Masters, No. 7918, in 1962 to 1963.

Although the Association's membership was large, at one time over 400, in the early 1960's attendances were often under 25. The attractions of a regular festive board, of ritual and prospects of office, and the success elsewhere of such lodges were apparent and in the latter half of 1962 it was agreed, albeit not without dissenters, that the Association should be discontinued and a lodge formed in its place.

This was to be the first such Installed Masters' Lodge (and there are still only two such) in the Province of the West Riding. The oldest of all such Lodges was and is the Humber Installed Masters Lodge No. 2494. In the sister Province and subsequently Installed Masters' Lodges have been formed in numbers of other Provinces and Districts.

They, and the proposed new Lodge, were essentially teaching lodges. At Leeds, the meetings were to be held around a lecture (with discussions) or some other Masonically educative event, while at the Installation the incoming Master would deliver a paper too, although not followed by any discussion.

Fidelity Lodge No. 289 agreed to sponsor the new Lodge and this having been reported to a meeting of the Council on 14th February 1963 along with the blessing of the Provincial Grand Master, a sub committee was formed consisting of the President, Secretary, Treasurer and Editor of Transactions along with the memorable W.Bro. K. Hirst, P.A.G.D.C. Prov. G. Secretary to make all the arrangements and suggest a list of officers.

With his assistance matters moved ahead quickly, the equally memorable H Clifford Smith, Provincial Grand Master strongly supported the scheme. The Association held its last meeting a month after the consecration of the new lodge on 30th September 1963 and transferred to it all its assets. The new lodge continued in essence the work of the old Association.

LIST OF FOUNDERS

APPENDIX 1

The 36 Founders of the Lodge represented 38 Lodges predominately from the Leeds area but some from neighbouring Cities and Towns a feature which has endured with the Lodge to this present time

FIRST OFFICERS**APPENDIX 2**

It is of note that all the first officers of the Lodge were Founders, with the exception of Bro. Joseph Childs who is recorded as first Tyler, and coincidentally also acted as Tyler for the Consecrating Team on this occasion. This anomaly is probably explained by the fact that Bro. Childs was not an Installed Master and therefore not eligible to be a member of the Lodge, it is a matter of record that he continued as Lodge Tyler until May 1965 when W.Bro. H.Bolton was appointed Lodge Tyler. by the new W.M. W.Bro. Percival John Hollands

The Consecration took place at the Former Masonic Hall still standing at the corner of Great George Street and Dudley Way (formerly St. Anne`s St. a direct reference to the Catholic Cathedral which is nearby,)

The building a Grade 11 listed building is now known as Cathedral Chambers, the Lodge was built to designs by J.M. Bottomley specifically as a Masonic Hall, there are Masonic symbols in the entrance and the square and compass are displayed above it.

The granite foundation stone being laid by Francis Greville, the Right Honourable 5th Earl of Warwick on the 18th July 1900. Greville was the Deputy Grand Master of the United Grand Lodge of England, the Grand Master being Albert Edward, Prince of Wales, later King Edward V11.

Lord Warwick was married to Francis Evelyn `Daisy` Maynard daughter of the Hon. Charles Henry Maynard in 1881, she was a well known British Socialite of that period reputed to have inspired that popular and well loved Music Hall song `Daisy, Daisy`.

Daisy was also reputed to be the long standing mistress of Albert Edward, Prince of Wales.

The Hall was formerly the home of the Provincial Grand Lodge of West Yorkshire, also housing the Leeds Masonic Hall Co. Ltd. and a number of Leeds Lodges including Philanthropic who in 1865 had built the other Masonic Hall still standing at 26 Great George St. but now an Irish Pub, O`Neill's.

Cathedral Chambers was converted to offices in 1991 becoming the home of Bowmans Family Law Solicitors. The Hall is currently empty and on the property market once more, perhaps another theme pub, who knows!

Prominent Founder member of the Lodge.

W.Bro. J.W.Reddyhoff P,P,G.D who passed away on 15th October 2012 aged 94 was a founder of the Lodge and a well respected Mason in the Leeds area .He was a member of The Lodge of Fidelity No. 289 the oldest existing Lodge in the Leeds area tracing its origins back to 1st. October 1792 when it met in the Old George Inn , Lower Briggate, Leeds. Bro. Jim was made a Mason of the Lodge in 1946, served as their W.M. in 1961 and whilst in the chair he was appointed PPSGD. He had been appointed Honorary Assistant Librarian to the Province in 1956 becoming Honorary Librarian in 1962 a position he held for 38 years.

Made W.M. of this Lodge in 1984 he was always active being a regular visitor to the Lodge throughout his life.

In 1990 he was elected a full member of Quatuor Coronati Lodge No. 2076 and contributed and had papers published up to his death.

The Provincial Grand Master R.W. Bro. Clayton who delivered an eulogy at his funeral at **St. Chads Church, Far Headingley, Leeds** concluded by saying " Bro. Jim Reddyhoff holds a special place in the affections of many Brethren with whom he has come into contact. We can truly say that he has lived respected and he dies regretted."

Development of the Lodge

The first regular meeting of the Lodge was held on Monday 11th November 1963 at Great George St. Leeds when the business included balloting for the Honorary Members proposed by the W.M. at the Consecration.

Balloting for and if elected admit as joining members those 25 W.B. proposed and seconded at the Consecration.

To receive an address from the Provincial Grand Master , R.W.Bro. H. Clifford Smith, J.P., entitled :-

“ The Purpose of Secrecy in Freemasonry ”

This address is fully recorded in the Transactions as previously reported.

The cost of the Festive Board was 10/- 55 W.B. and B are recorded as visitors and a further 40 candidates for joining were proposed and seconded, halcyon days indeed!

Great George St. remained the home of the Lodge until 1988, the last meeting being held on Tuesday the 4th October the W.M. at this time was W.B. Fowler Yates McKendrick.

The next meeting was held at Castle Grove Masonic Hall on 29th. November 1988, this remaining the permanent home to this day. This move appears to have gone without any problems and was probably brought about by the intended closure of Great George St.

The Lodge holds 4 meetings a year around a lecture (with discussions) or some other Masonically educative event while at the Installation in May traditionally the incoming Master delivers his inaugural lecture although not followed by discussion.

The Lodge today is in good heart having 46 members and 2 Honorary members R.W.Bro John K. Clayton and W.Bro. Frank A. Chappel, members are still drawn from Ilkley, Pudsey, Wetherby, Castleford, Wakefield, Heckmondwike as well as from the Lodges of Leeds.

the Lodge Liason Officer is W.Bro. Trevor D. Kent-Jones a regular visitor to our proceedings.

The Lodge still endeavours to promote a greater understanding of the world of Freemasonry from it`s home at Castle Grove, Headingley, currently an active programme of publicity is being implemented in order to inform brethren in Leeds and at a greater distance of the lodges` interests and significance.
