The Barristers' Register

The Register is an online database which displays details of all barristers who are authorised to practise in England and Wales and who have a current practising certificate. The register will display the dates for which a barrister's practising certificate is valid.

It includes information about barristers' practising status, their practising address, the reserved legal activities they are authorised to undertake and whether they have been the subject of any disciplinary findings which are published on our website in accordance with our current policy.
