

Richard Allan

Former Visiting Fellow

Richard Allan is a member of the Information Select Committee and the Liaison Committee of the House of Commons. He speaks and writes on a range of technology related subjects, including the development of e-democracy and e-government.

 [Website](#)

Richard was born in Sheffield in 1966. He was elected as Liberal Democrat MP for Sheffield Hallam in May 1997, and held the seat in 2001 with an increased majority. He has a BA in Archaeology and Anthropology from Pembroke College, Cambridge and an MSc in Information Technology from Bristol Polytechnic. He worked as a Field Archaeologist in Britain, France and the Netherlands from 1984-85, and in Ecuador from 1988-89. Prior to his election he worked for the National Health Service from 1991-7, developing information systems to support primary health care. He is a member of Amnesty International and of local groups the Hallamshire Historic Buildings Society and Friends of the Porter Valley. He was Chairman of the Information Select Committee of the House of Commons from 1998 to 2001. He was a member of the Home Affairs Select Committee from 1997-8 and of the Employment Select Committee from 2000-1.

Richard is currently a member of the Information Select Committee and the Liaison Committee of the House of Commons. He is on the Board of the Parliamentary Office of Science and Technology and a trustee of the Industry and Parliamentary Trust. He is also an unpaid Director of Sheffield City Trust, a charitable company that runs the major Sheffield sporting and entertainment venues. Richard is active in several All Party Groups, including the Internet Group, the Latin America Group, the Colombia Group and the Modernisation Group. Richard is the Liberal Democrat Spokesman on Information Technology. He speaks and writes regularly on a broad range of technology related subjects and takes a particular interest in the development of e-democracy and e-government.

Positions held at the OII

- Visiting Fellow, October 2004 – October 2005

People

The OII employs academic research and teaching staff with expertise spanning a wide range of interrelated social, economic, political, legal, industrial, technical and ethical issues of the Internet. Press members wishing for comments on stories can contact the OII Press Officer at: press@oii.ox.ac.uk, telephone: +44 (0)1865 287237.

Directorate

Professor Philip Howard

Director, Professor of Internet Studies

Philip N. Howard is the Director of the OII. He is a professor of sociology, information and international affairs. He is the author, most recently, of *Pax Technica: How the Internet of Things May Set Us Free or Lock Us Up*.

Email:

philip.howard@oii.ox.ac.uk

Dr Victoria Nash

Deputy Director, Policy and Research Fellow

Victoria Nash is the OII's Deputy Director and Policy and Research Fellow. She focuses on linking OII research to policy and practitioner communities.

Email:

victoria.nash@oii.ox.ac.uk

Tel: +44 (0)1865 287231

Professor Andrew Przybylski

Associate Professor, Senior Research Fellow and Director of Research

Professor Przybylski is an experimental psychologist and Director of Research at the OII. His work is mainly concerned with applying psychological models of motivation and health to study how people interact with virtual environments.

Email:

andy.przybylski@oii.ox.ac.uk

Tel: +44 (0)1865 287230

Professor Greg Taylor

Associate Professor, Senior Research Fellow, Director of Graduate Studies

Greg's research focuses on the microeconomics of marketplaces that exist on, or are mediated by the Internet.

Email:

greg.taylor@oii.ox.ac.uk

Tel: +44 (0)1865 287201

Faculty

Dr Mohammad Amir Anwar

Researcher

Amir's research focus is on the political economy of neoliberal globalisation in the Global South, mainly in India and Africa, with a particular interest on the growth of knowledge economy in Sub-Saharan Africa and its developmental impacts.

Email:

mohammad.anwar@oii.ox.ac.uk

Dr Grant Blank

Survey Research Fellow

Grant Blank's work focuses on the social and cultural implications of the Internet and new media, quantitative and qualitative methods, and cultural sociology. He teaches on the OII social statistics courses.

Email:

grant.blank@oii.ox.ac.uk

Tel: +44 (0)1865 612336

Liliana Bounegru

Postdoctoral Researcher

Liliana Bounegru is a new media, digital methods and digital journalism researcher and a postdoctoral research fellow at the Oxford Internet Institute, University of Oxford.

Email:

liliana.bounegru@oii.ox.ac.uk

Dr Fabian Braesemann

Data Scientist

Dr Fabian Braesemann is Data Scientist at the OII working on the Geonet and Big Data and Human Development projects. His research interest is on the application of data mining techniques on data sources like Web of Science, Twitter or Wikipedia.

Email:

fabian.braesemann@oii.ox.ac.uk

**Dr Jonathan Bright****Senior Research Fellow**

Jonathan Bright is a political scientist specialising in computational and 'big data' approaches to the social sciences.

Email:

jonathan.bright@oii.ox.ac.uk

Tel: +44 (0)1865 287233

**Dr Christopher Burr****Postdoctoral Researcher**

Christopher Burr is a philosopher of cognitive science. His research explores how digital technologies have reshaped our understanding of wellbeing and the new opportunities and risks that these technologies pose for human flourishing.

Email:

christopher.burr@oii.ox.ac.uk

Tel: 01865 287225

**Chico Camargo****Postdoctoral Researcher in Data Science**

Chico Camargo is a Postdoctoral Researcher in Data Science. He develops and applies computational tools to study collective human behaviour, focusing on public opinion dynamics and human mobility.

Email:

chico.camargo@oii.ox.ac.uk

**Jamie Cameron****Research Assistant**

Jamie Cameron uses 3D imaging to support museum learning through the online education platform 'Cabinet'.

Email:

jamie.cameron@oii.ox.ac.uk

**Greetje (Gretta) Corporaal****Postdoctoral Researcher**

Dr. Gretta Corporaal is a Sociologist of Work and Organizations at the Oxford Internet Institute, specializing in online labor platforms and the future of work and organizations in the digital economy.

Email:

gretta.corporaal@oii.ox.ac.uk

Tel: +44 (0)1865 287210

Dr Huw C. Davies

Researcher

Huw's interests and projects can be broadly described as digital sociology - the study of how society shapes technology and vice versa.

Email:

huw.davies@oii.ox.ac.uk

Tel: 01590 616995

Dr Martin Dittus

Data Scientist

Researcher and data scientist in social computing. Mass-participation platforms, large-scale data analysis and visualisation, community engagement and crowdsourcing, social implications of emerging technologies.

Email:

martin.dittus@oii.ox.ac.uk

Dr Kathryn Eccles

Research Fellow

Kathryn Eccles has research interests in the impact of new technologies on Humanities scholarship, and the re-organisation of cultural heritage and higher education in the digital world.

Email:

kathryn.eccles@oii.ox.ac.uk

Tel: +44 (0)1865 612338

Professor Rebecca Eynon

Senior Research Fellow and Associate Professor

Rebecca Eynon's research focuses on learning and the Internet, and the links between digital and social exclusion.

Email:

rebecca.eynon@oii.ox.ac.uk

Tel: +44 (0)1865 287206

Professor Luciano Floridi

Professor of Philosophy and Ethics of Information and Director of the Digital Ethics Lab

Luciano Floridi's research areas are the philosophy of Information, information and computer ethics, and the philosophy of technology.

Email:

luciano.floridi@oii.ox.ac.uk

Tel: +44 (0)1865 287202

**Dr Nicolas Friederici****Postdoctoral Researcher**

Nicolas studies digital entrepreneurship and collaborative innovation in challenging environments, such as low-income and post-conflict countries in Africa.

Email:

nicolas.friederici@oii.ox.ac.uk

Tel: +44 (0)1865 6 16996

**Dr Bharath Ganesh****Researcher**

Bharath is a political geographer focusing on data science and local government and the ethics and politics of researching violent online extremism.

Email:

bharath.ganesh@oii.ox.ac.uk

Tel: +44 (0) 1865 612342

**Dr Andrew Graham****Senior Fellow, Founder**

Andrew Graham is the former Master of Balliol College, University of Oxford. He was the driving force in establishing the OII, and its Acting Director until July 2002. From 2001 to 2011 he was the founding Chairman of the OII's Advisory Board.

**Professor Mark Graham****Professor of Internet Geography**

Mark Graham is a geographer that focuses on economic development, labour, power, participation, and representation.

Email:

mark.graham@oii.ox.ac.uk

Tel: +44 (0)1865 287203

Dr Scott A. Hale

Dr Scott A. Hale
Senior Data Scientist and Research Fellow, Programme Director of the MSc in Social Data Science

Dr Scott A. Hale is a Senior Data Scientist & Research Fellow, Social Data Science Programme Director, and Turing Fellow. He develops and applies computer science techniques to the social sciences focusing on bilingualism, UX, mobilization, and mobility.

Email:

scott.hale@oii.ox.ac.uk

Dr Bernie Hogan

Senior Research Fellow

Bernie Hogan examines how to capture, represent and think about social networks, especially personal social networks. His work focuses on the role of design in social media, network capture techniques and theories of relationships.

Email:

bernie.hogan@oii.ox.ac.uk

Tel: +44 (0)1865 287198

Dr Otto Kässi

Researcher

Otto Kässi is a labour economist with a background in econometrics. His research concentrates on empirical study of online labour markets.

Email:

otto.kassi@oii.ox.ac.uk

Tel: +44 (0)1865 280793

Professor Vili Lehdonvirta

Associate Professor and Senior Research Fellow

Vili Lehdonvirta is an Associate Professor and Senior Research Fellow at the Oxford Internet Institute. He is an economic sociologist who examines how digital technologies are shaping the organization of economic activities in society.

Email:

vili.lehdonvirta@oii.ox.ac.uk

Tel: +44 (0) 745 6420012

Mimie (Dimitra) Liotsiou

Researcher

Mimie is a researcher on the Computational Propaganda project at the OII. Her research interests include online social influence, causal inference, computational social science, and data science.

People — Oxford Internet Institute

intelligence, computational social science, and data science, particularly using real-world data of online interactions.

Email:

mimie.liotsiou@oii.ox.ac.uk

Professor Helen Margetts

Professor of Society and the Internet

Helen Margetts is Professor of Society and the Internet, a political scientist specialising in digital government and politics. She was Director of the OII from 2011-18.

Email:

helen.margetts@oii.ox.ac.uk

Tel: +44 (0)1865 287207

Professor Viktor Mayer-Schönberger

Professor of Internet Governance and Regulation

Viktor Mayer-Schönberger is the OII's Professor of Internet Governance and Regulation. His research focuses on the role of information in a networked economy.

Email:

viktor.ms@oii.ox.ac.uk

Tel: +44 (0)1865 287232

Dr Graham McNeill

Researcher

Graham's research focuses on network science and visualization. He is particularly interested in geospatial and temporal networks.

Email:

graham.mcneill@oii.ox.ac.uk

Tel: +44 (0)1865 287303

Professor Eric T. Meyer

Senior Fellow

Eric T. Meyer is a Senior Fellow of the Oxford Internet Institute. His research looks at the changing nature of knowledge creation in science, medicine, social science, arts, and humanities as technology is embedded in everyday practices.

Email:

eric.meyer@oii.ox.ac.uk

Tel: +44 (0)1865 287218

Dr Silvia Milano

Postdoctoral Researcher

Silvia Milano is a Postdoctoral Researcher at the OII Digital Ethics Lab where she works on the ethics of Artificial Intelligence.

Email:

silvia.milano@oii.ox.ac.uk

Dr Brent Mittelstadt

Research Fellow & British Academy Postdoctoral Fellow

Brent Mittelstadt is a philosopher specialising in data ethics in relation to algorithms, machine learning, artificial intelligence, predictive analytics, Big Data, and medical expert systems.

Email:

brent.mittelstadt@oii.ox.ac.uk

Tel: +44 (0)1865 287221

Dr Vidya Narayanan

Researcher

Vidya recently joined the Oxford Internet Institute, as a post doctoral researcher in the Computational Propaganda Project.

Email:

vidya.narayanan@oii.ox.ac.uk

Professor Gina Neff

Associate Professor, Senior Research Fellow, Programme Director of the DPhil in Information, Communication and the Social Sciences

Professor Neff is a sociologist who studies innovation, the digital transformation of industries, and how new technologies impact work. She has studied digital change in the media, health care, and construction industries.

Email:

gina.neff@oii.ox.ac.uk

Tel: +44 (0)1865 612778

Dr Myrto Pantazi

Postdoctoral Researcher

Myrto is a social psychologist with a background in psycholinguistics. She uses experimental methods to study social cognition. She is particularly interested in how people process and validate information as well as in their (conspiracy) beliefs.

Email:

myrto.pantazi@oii.ox.ac.uk

**Laura Pinkerton****Research Assistant**

Laura Pinkerton is a social theorist. She uses qualitative methods to explore digital learning practices and computing education policy.

Email:

laura.pinkerton@oii.ox.ac.uk

**Anne Ploin****Research Assistant**

Anne works on the qualitative data side of the Creative Algorithmic Intelligence project, exploring creative human/AI collaborations and the automation potential of creative work.

Email:

anne.ploin@oii.ox.ac.uk

Tel: 01865 287239

**Professor Ralph Schroeder****Programme Director of the MSc in Social Science of the Internet**

Ralph Schroeder has interests in virtual environments, social aspects of e-Science, sociology of science and tech, and has written extensively about virtual reality technology. His current research is related to digital media and right-wing populism.

Email:

ralph.schroeder@oii.ox.ac.uk

Tel: +44 (0)1865 287224

**Dr Cohen R. Simpson****Research Fellow & British Academy Postdoctoral Fellow**

Cohen is a sociologist specialising in the quantitative study of human social networks. He has a particular interest in culture and the determinants of network formation.

Email:

cohen.simpson@oii.ox.ac.uk

Dr Mariarosaria Taddeo**Research Fellow**

Mariarosaria Taddeo's main research areas are information and computer ethics, philosophy of information, philosophy of technology, ethics of cyber conflicts and cybersecurity, and applied

ethics.

Email:

mariarosaria.taddeo@oii.ox.ac.uk

Tel: +44 (0)1865 287049

Professor Bertrand Venard

Marie Skłodowska-Curie Fellow

Bertrand Venard is a Professor, Anti-Fraud and Cybersecurity Chair Holder at Audencia Business School (France) & Marie Skłodowska-Curie Fellow at Oxford University. He will work with Prof. Mayer-Schönberger to understand the determinants of cybersecurity

Email:

bertrand.venard@oii.ox.ac.uk

Dr Sandra Wachter

Research Fellow

Dr. Sandra Wachter is a lawyer and Research Fellow (Asst. Prof.) in Data Ethics, AI, robotics and Internet Regulation/cyber-security at the Oxford Internet Institute.

Email:

sandra.wachter@oii.ox.ac.uk

Michel Wahome

Researcher

Michel Wahome researches the co-evolution of digital technologies, practices, markets and institutions in the Global South.

Email:

michel.wahome@oii.ox.ac.uk

Tel: +44 1865 612326

Dr Ning Wang

Research Associate, Researcher

Ning Wang holds a joint position between the OII and Oxford's Mathematical Institute. His work involves in the collection and analysis of a big dataset tracking patterns of communication in online social networks.

Email:

ning.wang@oii.ox.ac.uk

Dr Matt Willis

**Researcher**

Dr. Willis is investigating the potential needs and uses of automation technologies in NHS Primary Care, and how automation will shape the future design of work in healthcare.

Email:

matthew.willis@oii.ox.ac.uk

Tel: 01 865 287213

**Dr Alex J Wood****Researcher**

Alex J. Wood is a sociologist of work and employment, focusing on the changing nature of employment relations and labour markets. He is currently researching worker voice, organisation and action in the online gig economy.

Email:

alex.wood@oii.ox.ac.uk

Tel: +44 1865 612332

**Dr Jamie Woodcock****Researcher**

Jamie Woodcock is a sociologist of work, focusing on digital labour, the gig economy, and resistance. He is currently involved in the Fairwork Foundation, a project about online labour platforms.

Email:

jamie.woodcock@oii.ox.ac.uk

**Dr Joss Wright****Senior Research Fellow**

Joss Wright's research interests lie in cryptography, privacy-enhancing technologies and anonymous communications. His current research focuses on analysing Internet censorship, and data anonymization.

Email:

joss.wright@oii.ox.ac.uk

**Dr Taha Yasseri****Senior Research Fellow in Computational Social Science**

Taha Yasseri has interests in analysis of large-scale transactional data to understand human dynamics, government-society interactions, mass collaboration, information and opinion dynamics.

Email:

taha.yasseri@oii.ox.ac.uk

Tel: +44 (0)1865 287229

Ben Zevenbergen

DPhil Student, Research Assistant

Ben is an OII DPhil student and Research Assistant working on the EU Internet Science project.

Email:

bendert.zevenbergen@oii.ox.ac.uk

Tel: +44 (0)1865 612339
