Seems the craziness never ends.

Our advances have checked out all the restaurants and made reservations as well. Re-welcome to the state department! Yes want to hold the residence reservation. They have held the hotel restaurant and chapter 1 as well but I'm telling them to release.

I think he may have phoned a few places. Welcome to Ireland! :)

Anyway, doesn't matter. Not a problem. Will I confirm that place then?

Who should I put them in touch with for advance/logistics etc etc?
