

RUPERT SOAMES TO JOIN SERCO GROUP AS CHIEF EXECUTIVE

GOVCONWIRE

👤 Ross Wilkers 🕒 February 28, 2014 📁 Executive Moves, News

Rupert Soames

Rupert Soames, currently chief executive at Scotland-based power generation company **Aggreko**, will join international government services contractor **Serco Group** as chief executive on June 1.

Interim Chief Executive [Ed Casey](#) will continue to lead the company until that date and Soames will also **join Serco's board**, the company [said Friday](#).

Soames has **led Aggreko since 2003** and also serves as senior independent director at support services company **Electrocomponents**.

Before Aggreko, Soames led Misys Group's banking and securities division, an organization that represented half of Misys' overall revenue, according to Serco.

He also held **leadership roles at GEC**, including divisional managing director, and served as executive director for operations at **Avery Berkel UK Ltd**.
