Subject: Re: Follow up on the call

Talked to Todd. He's enthusiastic (and discreet). I think he will be very valuable on recruitment. I need to ck with WH Counsel on what rules apply to WH SGE's, but I don't think that will be a problem. On Oct 17, 2014 11:18 AM, "Robert Mook" <robbymook@gmail.com> wrote:

Tor is an encrypted anonymising network that makes it harder to intercept internet communications, or see where communications are coming from or going to. Tails is a live operating system, that you can start on almost any computer from a DVD, USB stick, or SD card. It aims at preserving your privacy and anonymity. The Courage Foundation is an international organisation that supports those who risk life or liberty to make significant contributions to the historical record. Bitcoin uses peer-topeer technology to operate with no central authority or banks; managing transactions and the issuing of bitcoins is carried out collectively by the
