

Promoting Private Sector Cybersecurity Information Sharing. Barack Obama.

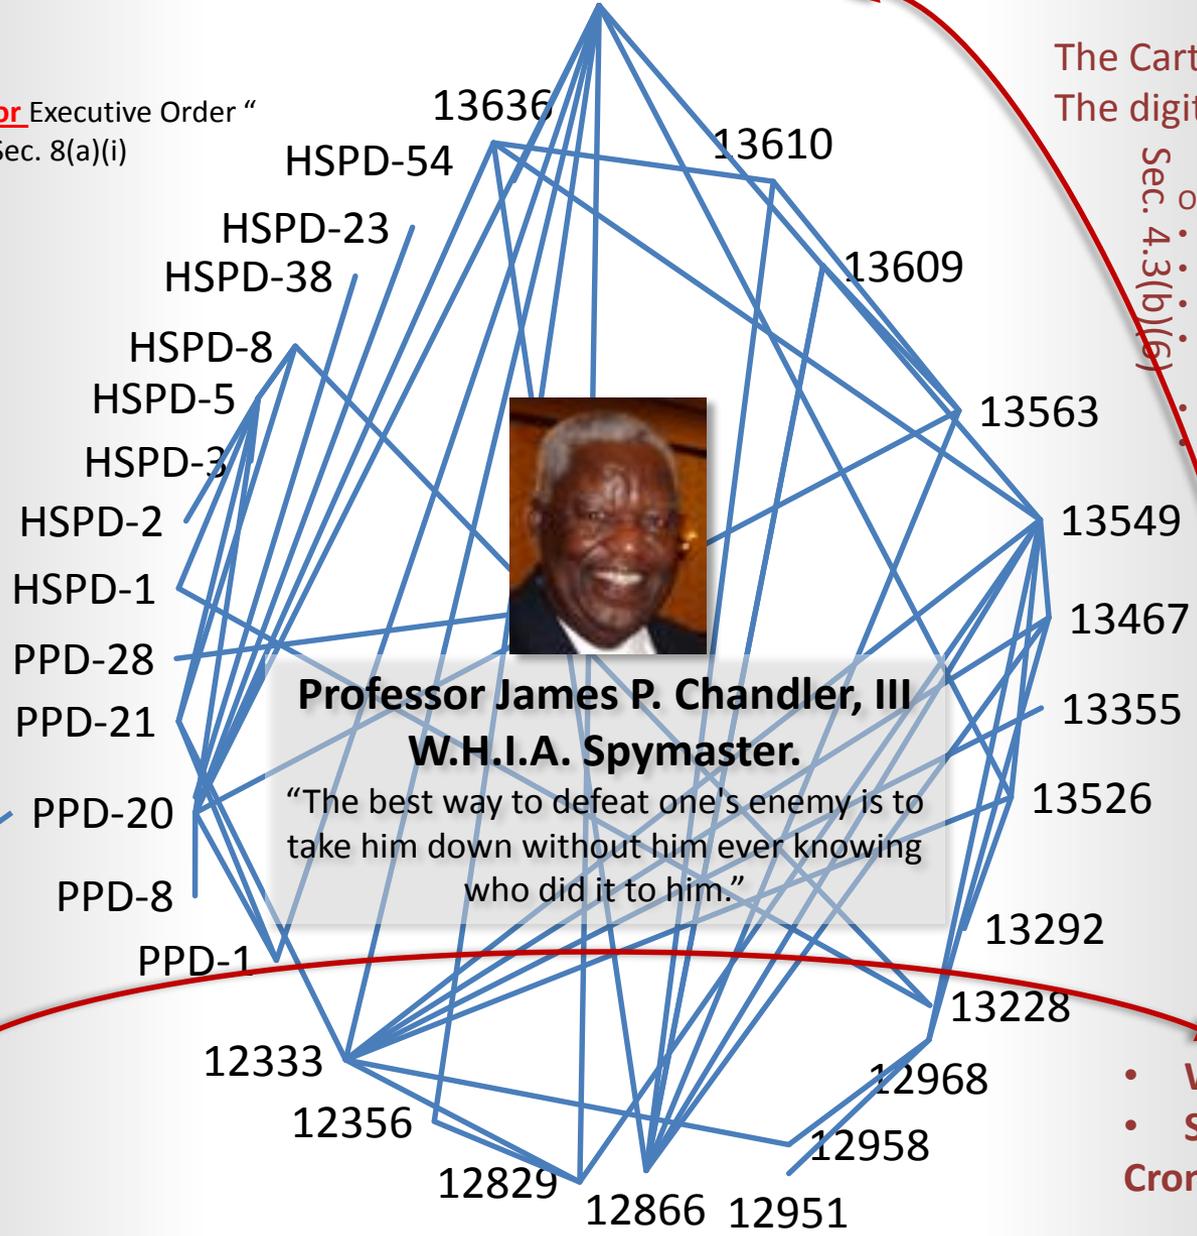

Spy-state Council

Ambiguity of authority:
"authority granted by law or Executive Order "
Read: the law, or Obama. Sec. 8(a)(i)

- E.O. 13961 includes:
- 128 nested orders
 - 22 nested directives
 - 1813 pages referenced

E.O. 13961 is an unintelligible hairball. The ambiguity guarantees that successive readers are forced to return to its author, James P. Chandler, the spy master himself, for interpretation.

"...develop partnerships with... the private sector"

Professor James P. Chandler, III
W.H.I.A. Spymaster.
 "The best way to defeat one's enemy is to take him down without him ever knowing who did it to him."

The Cartel, E.O. 13526
The digital spy state

- Sec. 4.3(b)(6) Oversight:
- Secretary of State
 - Secretary of Defense
 - Secretary of Energy
 - Secretary of Homeland Security
 - Attorney General
 - Director of National Intelligence (C.I.A.)

Feathers the nest for secret cyber world control by cronies

Long-term gov't contracts using E.O. authority
