FIG. 1—HILLARY CLINTON TESTIFYING TO CONGRESS AND BENGHAZI—The law firm she and Bill used in 1997 to set up **THE CLINTON FOUNDATION, WILLIAMS & CONNOLLY LLP**, is the same law firm representing Hillary in Congressional Hearings, and was also hired by the State Department (not to mention the IRS) to stonewall emails and documents related to The Clinton Foundation—actions for which the State Department Inspector General made a criminal referral to the FBI! What are those cozy relationships worth to the Clintons? Priceless. **Williams & Connolly LLP is very evidently covering up their own duplicity in this ghastly corruption.** Pictured in this photo on the right is [DAVID E. (SEP. 09, 2016)—This post will be short because it is so explosive. New evidence has just surfaced fingering the law firm Williams &

Connolly LLP at the epicenter of the corrupt Clinton Foundation machine. Hillary and Bill used this law firm in 1997 to set up The Clinton Foundation. It is the same law firm hired by the State Department (not to mention the IRS) to stonewall discovery of emails and documents related to The Clinton Foundation. What are those cozy relationships worth to the Clintons? Priceless.

Williams & Connolly LLP is also tied to the secret White House spy agency formed in 1995 by Bill Clinton's Executive Order 12958. This order was likely drafted by

Bill Clinton

Hillary Clinton

James P. Chandler, III

Clinton legal confidante James P. Chandler—who also advised the FBI, NSA and Judiciary. This secret agency grew legs under George W. Bush and has been running under Barack Obama using warrantless wiretaps on anyone on the planet to gather dirt for blackmail and coercion, we believe. **This explains how Bill Clinton's speaking fees could be so consistently extravagant. We believe that these globalists need Hillary Clinton's election to perfect their globalist takeover, which is not yet complete.**

In 2000, Chandler agreed to represent Columbus innovator Leader Technologies as their patent attorney after seeing Leader's pioneering social networking invention. What Leader had no way of knowing was Chandler's plan with IBM to control the emerging Internet (for national security, of course). On [Nov. 29, 2001](#), Chandler and IBM formed The Eclipse Foundation which would become the distribution vehicle for Leader's invention once Chandler got his hands on the proprietary Leader source code.

## WILLIAMS & CONNOLLY LLP—EPICENTER OF WASHINGTON CORRUPTION

Many winding trails are leading back to one Williams & Connolly LLP law firm.

AFI researchers located the State of Arkansas public incorporation records that identify the actual start date of The Clinton Foundation as [Oct. 23, 2007](#). The mainstream media uniformly says the foundation was only established after Bill Clinton left the Presidency in 2001. This misinformation is likely intended to obscure Hillary's liability in failing to disclose the 30 related Clinton Foundation entities in her [Jan. 05, 2009 Senate Ethics Statement](#) in which **she discloses only three of the 30 Clinton Foundation aliases.**

The difficulty in finding the mother lode with The Clinton Foundation is that it has over 30 different names in the form of various "initiatives," "foundations" and even at least two for-profit entities in Bogota, Columbia of all places—Acceso Fund LLC and Ciudad Verde Amarilo Frailejon III.

The [Arkansas Secretary of State](#) lists many of the Clinton Foundation iterations listed on its public certificate, but those recorded are incomplete and have been supplemented below with more current IRS Form 990 Foundation reports.

1. Acceso Fund LLC (Columbia),
2. Bill, Hillary & Chelsea Clinton Foundation,
3. Ciudad Verde Amarilo Frailejon III,
4. Clinton Climate Initiative,
5. Clinton Foundation,
6. Clinton Foundation HIV/AIDS Initiative,
7. Clinton Foundation Hong Kong,
8. Clinton Foundation Insalingstiftelse (Sweden),
9. Clinton Giustra Enterprise Partnership,

Who else do you know that needs 30 aliases?

A [Clinton Foundation IRS Form 990](#) annual financial disclosure for 1998 provided the proof regarding Williams & Connolly's duplicity on page 7.

Part II Compensation of the Five Highest Paid Independent Contractors for Professional Services (See instructions on page 1. List each one (whether individuals or firms). If there are none, enter "None.")		
(a) Name and address of each independent contractor paid more than \$50,000	(b) Type of service	(c) Compensation
WILLIAMS & CONNOLLY 752 12TH STREET N.W., WASHINGTON D.C.	LEGAL	88,200.

[IRS Form 990](#). (Apr. 13, 1999); William J. Clinton Presidential Foundation financial disclosure for FY 1998, p. 7.

It disclosed that the Clinton Foundation had paid the law firm \$88,200 in legal services. OK, so why is this a problem?

This means that Williams & Connolly LLP had a client relationship with the Clintons and The Clinton Foundation (including its 30 aliases) from 1997 while Bill Clinton was President and Hillary was First Lady.

This also means that Williams & Connolly LLP is forbidden from representing parties adverse to the Clintons in the future—like the State Department. The State Department Inspector General even referred

David E. Kendall,  
Williams & Connolly LLP

Catherine S. Duval,  
Williams & Connolly LLP

Paul Mogin,  
Williams & Connolly LLP

Hillary Clinton to the FBI for possible criminal charges for goodness sake. Normally this rule protects former clients. But in this case, the rule protects the public from this unscrupulous law firm.

FIVE CRITICAL AFI POSTS ON JUDICIAL COMPROMISE

Fully updated Mar. 25, 2014 in the wake of the Scribd censorship:

1. HOW PATENT JUDGES GROW RICH ON THE BACKS OF AMERICAN INVENTORS

Patent Office filings are shuffled out the USPTO backdoor to crony lawyers, banks and deep-pocket clients.

2. WAS CHIEF JUSTICE ROBERTS BLACKMAILED into supporting Obamacare by his ethical compromises in Leader v. Facebook?

3. JUSTICE ROBERTS MENTORED Facebook Gibson Dunn LLP attorneys.

4. JUSTICE ROBERTS HOLDS substantial Facebook financial interests.

5. JUDGE LEONARD STARK FAILED to disclose his Facebook financial interests and his reliance on Facebook's Cooley Godward LLP attorneys for his appointment.

BARACK OBAMA'S DARK POOLS OF CORRUPTION

# HILLARY MEMO TO THE U.S. CITIZENRY: MY LAW FIRMS AND I ARE ABOVE THE LAW.

On Sep. 9, 2016 at a fundraiser, Hillary referred to half of Donald Trump's supporters as a "basket of deplorables." This reveals her contempt for large swaths of humanity. Will she suddenly stand up for their rights once elected—approximately 25% of the population? Her loathing for those who oppose her greed and powermongering is not even being hidden any longer. They must be worried because yesterday, even the mousy Dustin Moskowitz, one of Mark Zuckerberg's larcenous Harvard sidekicks, just donated \$20 million to Hillary's campaign. The globalist hounds of hell have been unleashed.

One would have found great humor in being a fly on the wall at the Williams & Connolly LLP partner ethics conflicts check meeting where they convinced themselves they could represent both Hillary and the State Department in the same matters. (Shhhhh: Never mind they needed to cover-up their own duplicity.) Such large law firms really do believe they are above the law, along with their above-the-law clients like Hillary.

Such representation violates propriety and common sense, not to mention multiple Rules of Professional Conduct like [Rule 1.9 - Duties to Former Clients](#), including (b)(1)

"[A lawyer shall not . . . represent a person] whose interests are materially adverse to that person."

By representing the State Department in the Hillary Clinton private email scandal, Williams & Connolly has broken one of the most basic tenants of the public trust—avoid even the appearance of impropriety.

Thanks to Judicial Watch, Citizens United and other watchdogs, the evidence proves that Williams & Connolly LLP was likely protecting itself in stonewalling Hillary Clinton's collusion with the Clinton Foundation—their former client.

Could this sin get worse?

Yes. Williams & Connolly LLP ("W&C") is also covering up their culpability in multiple scandals involving the Clintons and their globalist retinue as enumerated below, **most occurring concurrently**:

1. IRS stonewalling—W&C represent IRS,
2. Benghazi stonewalling—W&C represents State Dept. ,
3. Hillary's private server stonewalling—W&C represents State Dept. & Hillary,
4. Secret White House Executive Order spy agency cover-up—W&C worked with James P. Chandler, III on Clinton executive orders,
5. Hillary secret contract with Facebook for an election rigging template stonewalling—W&C represents Hillary,
6. Leader v. Facebook and the theft of social networking (see [Timeline](#))—W&C colleague of James P. Chandler (Leader patent attorney) and Obama Admin. on The IBM Eclipse Foundation theft of Leader's proprietary software code,
7. Secret White House spy agency/NSA bulk surveillance of Americans via social networking cover-up—W&C worked with James P. Chandler, III on Clinton executive orders,
8. Energy stimulus funds fed to the Clinton Foundation via India by a shadowy figure by the name of Deepak Verma. [Verma incorporated the Clinton Foundation in India](#) in 2007. Verma was also director of at least [35 non-operating green energy Indian shell companies](#)—20 of which he resigned at the same time in Dec. 2011. **This all occurred during the Obama energy stimulus giveaway—overseen by Hillary's globalists cronies [McBee Strategic LLC & Cooley Godward LLP](#)—Facebook's attorney in Leader v. Facebook (yet more obstruction of justice). This was precisely when Facebook and Mark Zuckerberg were stonewalling release of his 2003-2004 Harvard information and emails in Leader v. Facebook, which they subsequently said they "lost," just like the IRS's John Koskinen "lost" Lois Lerner's emails.**

WILL HUMANKIND EVER LEARN? Facebook's Orwellian doublespeak about property and privacy (theft) merely repeats the eventual dehumanization of the individual under MAO's Red Star, Stalin's SOVIET Hammer & Cycle and Hitler's NAZI Swastika. Respect for the inalienable rights of each individual is a bedrock value of democracy. The members of the Facebook Cabal abuse this principle at every opportunity. They evidently believe that they deserve special privileges and are willing to lie, cheat and steal in order to treat themselves to these privileges.

**ASK CONGRESS: PASS THE INVENTOR PROTECTION ACT!**

## LEADER TECHNOLOGIES Inventor Protection Act (Proposed)

America needs to practice what it preaches.

We have no business lecturing the world about free enterprise and the rule of law, when we permit the investors in Ohio-based innovator Leader Technologies to go uncompensated for the risks they took to help invent social networking . . .

- a technology upon which the President and U.S. government now rely;
- a technology *stolen* by the "Facebook Cabal" who recruited the federal courts and Patent Office into their club of corruption.

Many roads in the Clinton Foundation corruption story are suddenly terminating at Williams & Connolly's front door.

As further evidence of [Williams & Connolly LLP's](#) duplicity in all things Clinton, they were James P. Chandler, III's choice under Bill Clinton for the first prosecution of the Economic Espionage Act (EEA) in US v. Hsu (1998).

The globalist club is suddenly getting quite small.

## ELECTION BOTTOM LINE

The choice in this election appears to boil down to: (1) Hillary/Soros globalism and return to the divine right of (banker) kings, or (2) U.S. Constitution.

**HILLARY CLINTON** wants globalism – **Rule of Man**. Her legal abuses prove she has no respect for the Constitution. Her and Barack Obama's community organizing mentor, Saul Alinsky, studied and used Chicago mobster tactics. He dedicated his book *Rules for Radicals* (1971) to Lucifer. All facts folks.

**DONALD TRUMP** is committed to restoring respect for and allegiance to the Constitution – **Rule of Law**. Say what you will about his shortcomings, at least he doesn't elevate them to the divine right of kings like Queen Hillary and King Bill. Constitutional ideals are what have made America great, wars and all.

Continue striving for greatness under a Constitutional Rule of Law, or get in line for handouts from globalist overlords under a Rule of (Wo)men?

We'll soon know which it will be.

All Americans have an interest in guarding against [Man-in-the-Middle](#) vote shifting. The real and present danger to a fair vote is the fact that the [technology vendors](#) are uniformly aligned with the globalists. The IBM Eclipse Foundation. The Allseen Foundation. Palantir. Diebold. ES&S. Sequoia. Microsoft. Oracle. Apple. IBM. EMC. Facebook (Hillary's "template for winning elections" State Dept. hidden contracts). LinkedIn. Ebay. Google. WhatsApp. Instagram. Reddit. YouTube. Skype. Yahoo. PalTalk. Amazon. Eurotech. SAP. Rational. Sybase, HP. Xerox. Dell. Intel. Cisco. Etc. All of these companies have installed NSA / White House spy agency backdoors. However, the backdoors are not all fully integrated since they want even more government "Big Data" to make their population control algorithms deadly accurate. They also want to hand control of domain naming to their globalist buddies offshore. That makes censorship factors easier. Then, to cut somebody off globally, they will simply delete that person's or company's ICANN registry listing (Internet Corporation for Assigned Names and Numbers). Censorship will be effortless.

[Globalist George Soros has been funding efforts to increase the use of electronic voting in the U.S.](#) As the Man-in-the-Middle overview above shows, electronic voting makes it much

### ECONOMIC ESPIONAGE ACT OF 1996

" Even the much ballyhooed Economic Espionage Act of 1996 (EEA)—authored by JAMES P. CHANDLER, III & promoted by WILLIAMS & CONNOLLY LLP—was a billy club to drag out whenever globalist monopolies are threatened by new inventions, and equally to be ignored whenever globalists are stealing those inventions, as occurred in LEADER V. ## GIBSON DUNN LLP exposed as one of the most corrupt law firms in America

Investigative Reporter Julia Davis investigates Facebook's Leader v. Facebook attorney Gibson Dunn LLP. She credits this firm with the reason why

not a single Wall Street banker has gone to jail since 2008. [Click here](#) to read her article "Everybody hates whistleblowers." [Examiner.com, Apr. 10, 2012](#). Here's an excerpt:

"Skillful manipulation of the firm's extensive media connections allows Gibson Dunn to promote their causes, while simultaneously smearing their opponents and silencing embarrassing news coverage."

This statement followed right after Davis cited Facebook's chief inside counsel in the Leader v. Facebook case, Theodore Ulyot, who appears to have helped lead the Leader v. Facebook judicial corruption. Interesting word choices associated with Gibson Dunn LLP: manipulation, smear. Attorneys swear a solemn oath to act morally, ethically, and in support of democratic principles. They promise to conduct themselves in a manner than instills confidence among the citizenry in the rule of law and the judicial system. These promises appear to be meaningless. Remember to put a mirror up to Hillary when she makes such slanderous comments. Its an old Saul Alinsky tactic:

PAINT YOUR OPPONENT WITH YOUR WEAKNESSES. THAT FORCES HIM TO CONSUME TIME PROVING A NEGATIVE.

Hillary's comment means she thinks HER SUPPORTERS are the "basket of deplorables". She knows she can slice and dice her polling data and punch their buttons like Pavlov's dogs right through the election... and they'll just obediently sit on her lap.

During the 2008 election one commenter stated, "It's like running against God. The media have anointed him." Clinton campaign manager Terry McAuliffe claimed 90 percent of the media were behind Obama. This was reflected in the unwillingness of the major media, such as The Washington Post, to subject candidate Obama to elementary vetting. Hence, his relationship with Communist Frank Marshall Davis and backing from the Democratic Socialists of America were topics considered off-limits. Even some conservatives in the media thought Obama would turn out to be a centrist.

After reading about The Clinton Foundation's DEEPAK VERMA and his 35 green energy Indian shell companies, thought we should remind ourselves what a cronyistic feeding frenzy the energy stimulus was.

Ashe Schow. (Oct. 18, 2012). President Obama's Taxpayer-Backed Green Energy Failures. The Daily Signal.

It is no secret that President Obama's and green energy supporters' (from both parties) foray into venture capitalism has not gone well. But the extent of its failure has been largely ignored by the press. Sure, single instances garner attention as they happen, but they ignore past failures in order to make it seem like a rare case.

The truth is that the problem is widespread. The government's picking winners and losers in the energy market has cost taxpayers billions of dollars, and the rate of failure, cronyism, and corruption at the companies receiving the subsidies is substantial. The fact that some companies are not under financial duress does not make the policy a success. It simply means that our taxpayer dollars subsidized companies that would've found the financial support in the private market.

So far, 34 companies that were offered federal support from taxpayers are faltering – either having gone bankrupt or laying off workers or heading for bankruptcy. This list includes only those companies that received federal money from the Obama Administration's Department of Energy and other agencies.

Democratic presidential candidate Hillary Clinton on Sunday left a remembrance ceremony on the 15th anniversary of the 9/11 attacks early after feeling unwell, U.S. media reported.

Clinton appeared to faint on her way into her van as she was leaving the memorial event, and had to be helped by her security. Fox News cited an unnamed source as saying Clinton was "clearly having some type of medical

## OUR MISSION

American citizens must fight abuse of the constitutional right for authors and inventors to enjoy the fruits of their inventions, as a matter of matter of basic property rights and sound public policy. Otherwise, instead of innovation, creativity, genius, ideas, vision, courage, entrepreneurship, respect, property, rejuvenation, morals, ethics, values, renewal, truth, facts, rights, privacy, solutions and judicial faithfulness,

. . . our society and economy will be dragged down (and eventually destroyed) by copying, infringement, thievery, counterfeiting, hacking, greed, misinformation, exploitation, abuse, waste, disrespect, falsity, corruption, bribery, coercion, intimidation, doublespeak, misconduct, lies, deception, attorney "dark arts," destruction, confusion, dishonesty, judicial chicanery and lawlessness.

If we do not speak up, impeach derelict judges and imprison corrupt attorneys, we cannot possibly hope to start fixing the current ills in our society. Without justice and respect for private property, democracy has no sure foundation.

## CURRENT EDITORIAL FOCUS

We are an opinion blog that advocates for strong intellectual property rights. We welcome commenters and contributors. The Leader v. Facebook patent infringement case first came to our attention after learning that the trial judge, Leonard P. Stark, U.S. District Court of Delaware, ignored his jury's admission that they had no evidence to support their on-sale bar verdict, but the judge supported it anyway.

The judicial misconduct has deteriorated from there, replete with two of the three judges on the Federal Circuit appeal panel, Judges Alan D. Lourie and Kimberly A. Moore, holding Facebook stock that they did not disclose to the litigants, and later tried to excuse through a quick motion slipped in at the last minute by the Clerk of Court, Jan Horbaly, and his close friends at The Federal Circuit Bar Association. (The DC Bar subsequently revealed that Mr. Horbaly is not licensed to practice law in Washington D.C.)

Aaron Klein. (Sep. 09, 2016). Leaked Memo: George Soros Foundation seeking to expand U.S. online voting. Breitbart.

NEW YORK - George Soros's Open Society Foundations is seeking to expand the use of electronic and online voting systems nationwide, according to a leaked Foundations document reviewed by Breitbart News.

While the directive was issued two years ago, the issue of electronic voting has become a hot button topic in this year's presidential election amid fears digital voting systems can be compromised.

The online voting plan was contained in a 67-page hacked file detailing the September 29-30, 2014 Open Society U.S. Programs board meeting in New York.

A significant portion of the board meeting was dedicated to methods the Foundation's U.S. Programs (USP) could use to further the use of President Obama's executive action authority to bypass Congress during Obama's final two years in office.

WASHINGTON, D.C. — A review of FBI Director James Comey's professional history and relationships shows that the Obama cabinet leader — now under fire for his handling of the investigation of Hillary Clinton — is deeply entrenched in the big-money cronyism culture of Washington, D.C. His personal and professional relationships — all undisclosed as he announced the Bureau would not prosecute Clinton — reinforce bipartisan concerns that he may have politicized the criminal probe.

These concerns focus on millions of dollars that Comey accepted from a Clinton Foundation defense contractor, Comey's former membership on a Clinton Foundation corporate partner's board, and his surprising financial relationship with his brother Peter Comey, who works at the law firm that does the Clinton Foundation's taxes.

Wow. THIS IS HUGE. The judge's response to this default judgment will tell all whether or not Hillary Clinton is above the law.

Default judgment is a binding judgment in favor of either party based on some failure to take action by the other party. Most often, it is a judgment in favor of a plaintiff when the defendant has not responded to a summons or has failed to appear before a court of law. The failure to take action is the default. The default judgment is the relief requested in the party's original petition.

VIA HAND DELIVERY

Mr. James H. Thessin  
Deputy Legal Adviser and  
Designated Agency Ethics Official  
U.S. Department of State  
Washington, D.C. 20520-6310

Subject: Ethics Undertakings

Dear Mr. Thessin:

I am committed to the highest standards of ethical conduct for government officials. If confirmed as Secretary of State, as required by 18 U.S.C. §208(a), I will not participate personally and substantially in any particular matter that has a direct and predictable effect on my financial interests or those of any person whose interests are imputed to me, unless I first obtain a written waiver, pursuant to section 208(b)(1), or qualify for a regulatory exemption, pursuant to section 208(b)(2). I understand that the interests of the following persons are imputed to me: my spouse; any general partner of a partnership in which I am a limited or general partner; any organization in which I serve as officer, director, trustee, general partner or employee; and any person or organization with which I am negotiating or have an arrangement concerning prospective employment.

I currently hold and will continue to hold my position with The Clinton Family Foundation, which maintains all of its assets in cash. If confirmed as Secretary of State, I will not participate personally and substantially in any particular matter that has a direct and predictable effect upon this foundation, unless I first obtain a written waiver or qualify for a regulatory exemption.

My husband founded The William J. Clinton Foundation. Although neither my husband nor I has any financial interest in or fiduciary role with The William J. Clinton Foundation (or The Clinton Global Initiative), my husband has been active with this not-for-profit organization since its inception. For the duration of my appointment as Secretary if I am confirmed, I will not participate personally and substantially in any particular matter involving specific parties in which The William J. Clinton Foundation (or The Clinton Global Initiative) is a party or represents a party, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d).

My spouse speaks, writes and consults for compensation. If confirmed, as required by 18 U.S.C. §208(a), I will not participate personally and substantially in any particular matter that has a

direct and predictable effect upon his compensation from persons or entities that pay him, unless I first obtain a written waiver pursuant to 18 U.S.C. §208(b)(1) or qualify for a regulatory exemption pursuant to 18 U.S.C. §208(b)(2). In addition, I will not participate personally and substantially in any particular matter involving specific parties in which a client of my spouse is a party or represents a party, unless I am first authorized to participate, pursuant to 5 C.F.R. § 2635.502(d). I understand that, for purposes of this commitment, a “client” of my spouse is anyone with whom he has a contract for his consulting services and anyone with whom he is negotiating for such a contract.

To avoid even the appearance of a conflict, my husband and I are also voluntarily taking steps that go above and beyond the requirements of the law and ethics regulations with respect to his personal income earned from speeches and consulting as well as with respect to the William J. Clinton Foundation and its initiatives. As these steps go beyond the requirements of the law and the ethics regulations, these additional steps are outlined separately in the attached MOU between the Clinton Foundation and the Office of the President-Elect and the attached letter from my husband's counsel, David Kendall. I understand that you intend to assess the facts and circumstances of the additional voluntary measures outlined in the MOU and attached letter – specifically reviewing potential speech hosts, business entities, and certain country contributions to the Foundation – in the context of the standards and the procedures of 5 C.F.R. § 2635.502 to determine whether an appearance of a conflict may exist, in consultation with the White House as appropriate. I ask that you advise me on applicable steps that may avoid any actual or apparent conflicts of interest.

I currently am associated with three federal political organizations, HillPAC, a multicandidate political committee of which I am Honorary Chair, and my two principal campaign committees, Friends of Hillary, which was formed to support my Senate elections, and Hillary Clinton for President, which was formed to support my presidential campaign. All three committees are registered with and report to the Federal Election Commission (“FEC”). If confirmed as Secretary of State, HillPAC will cease to be active and will terminate, by filing the appropriate termination report with the FEC, as soon as practicable. If confirmed, Friends of Hillary will become dormant; any funds associated with this entity will only be used during my service as Secretary of State for expenditures related to maintaining it and meeting any FEC requirements, including ongoing reporting requirements. Hillary Clinton for President will continue to exist to engage in activities necessary to retire any outstanding debt. To the extent required for these purposes, it will make expenditures to maintain it, retire its debt, and meet any FEC requirements, including ongoing reporting requirements. During my tenure as Secretary of State, I will not participate in the operation or decision-making of these three entities, and I personally will not solicit, accept or receive funds for them and will not use their funds to engage in any partisan political activities.

Finally, I will recuse myself from participation on a case by case basis in any particular matter in which, in my judgment, I determine that a reasonable person with knowledge of the relevant facts would question my impartiality, unless I have been authorized to participate under 5 CFR,

Part 2635, Subpart E. I ask that you also bring to my attention any matters that in your judgment could give rise to a conflict of interest or an appearance of a conflict of interest and that you advise me on applicable steps that may be appropriate to avoid such conflicts.

Sincerely,

  
Hillary Rodham Clinton

ARKANSAS  
SECRETARY OF STATE
