

“Globalists Are Pedophiles” - Practices and Beliefs

Saturday, September 17, 2016 20:25 | Dave Hodges

One doesn't need to be an investigative journalist or a serious researcher to realize that human traits like virtue, morality, dignity, integrity, righteousness, honor, or even just common human decency are hardly in abundance in today's world. Because I do a lot of writing about the New World Order and the global elite, it was suggested that I look into a possible connection between globalists and child sex rings, child pornography, or pedophilia.

As a writer, I spend virtually all day reading and writing, so I come across a lot of subjects or issues that most people never see. With that said, the only “mainstream” report I can recall ever seeing on this subject related to Bill Clinton’s buddy, billionaire financier Jeffrey Epstein. As part of a plea deal, Epstein spent 13 months in prison and home detention for solicitation and procurement of minors for prostitution.

Allegedly, Epstein had a team of traffickers who procured girls as young as 12 to “service” his friends on “Orgy Island,” an estate on Epstein’s 72-acre island, called Little St. James, in the U.S. Virgin Islands. “But for” a certain passenger on his private plane, the Jeffrey Epstein story probably would have never seen daylight. It was only because one of Epstein’s friends and fellow sexual deviant, former President Bill Clinton, was being investigated by the political opposition that traced him to at least 26 trips aboard Epstein’s private jet, the ‘Lolita Express,’ that Epstein got so much attention. Fox News reports that Clinton even left behind his secret service agents on several occasions.

Here’s my point: Upon as much investigation as I could stomach, and as the lengthy report below by Aaron Kesel illustrates very clearly, Jeffrey Epstein and Bill Clinton seem to be more of the rule than the exception when it comes to the global elite with their sexual perversions and pedophilia. “Normal” people don’t even want to think about issues like this, but perhaps it’s time we start! The situation seems to be bordering on an epidemic!

As you read the work below by Aaron Kesel, and you watch some of the videos provided, or you listen to some of the interviews, it doesn’t take long to realize that for the number of incidents to be happening to that many children, there must be thousands, if not maybe even MILLIONS of people who are “covering” for the globalists by either not doing their jobs, or who are turning a blind eye deliberately to enable the elite to use children as party favors. Pass this along in hopes it gets people’s attention and a light starts being shined into some dark corners...

By the way, since Bill Clinton’s name came up, it’s worth noting that after 40 years, earlier this week a [Witness For Juanita Broaddrick Came Forward and Said it Was Undoubtedly Bill Clinton That Raped Juanita.](#)

[Sott.net writes:](#)

Pedophile rings are enormous and pervasive among the world's elites

For years it's been rumored that the globalist elite are involved in some pretty strange practices, from mock sacrificing a baby at Bohemian Grove to the testimony that a child was actually murdered in a Bohemian Grove ritual. The testimony and evidence in this article prove beyond a shadow of a doubt that the allegations of Bohemian Grove are just the tip of the iceberg.

Bohemian Grove

Paul Bonacci once told investigators Gary Caradori, Ted L. Gunderson, and ex-Senator and attorney John Decamp that he was forced to murder a boy at the creepy California resort Bohemian Grove.

Here's is Bonacci's testimony on Child Murder at Bohemian Grove:

The former Los Angeles FBI Director Ted L. Gunderson expanded that accusation with the famous [Macdonald Douglas Case](#). Helena Stoeckley testified in the case to all that goes on behind closed doors — including satanic robes, blood sacrifices, and more. The [MacDonald Douglas Case](#) documented evidence of an elite cult that included military, police, and justice system officials smuggling drugs and performing occult rituals. Stoeckley testified that Dr. MacDonald fought this gang and tried to stop the smuggling — and was subsequently framed for the murder of his wife and two daughters (5 years old and 2 years old). MacDonald was tried at a military tribunal and convicted. Helena Stoeckley [testified](#) that the murders were part of her initiation into [The Process Church of The Final Judgment](#).

In another case called [“The Finders,”](#) Director Gunderson claimed CIA connected “elite” were kidnapping and drugging kids in an operation called Operation Brownstone.

Pattern of Abuse Around the World

Another witness in Australia, [Fiona Barnett](#), matches the claims made by Stoeckley and Bonacci, [alleging](#) she was part of a VIP pedophile ring. Barnett described the debauchery that goes on, and said this — “He cut off the head, hung it in my face and made me partake in cannibalism.”

Another case Director Gunderson was investigating was the [“McMartin Pre-School”](#), where investigators dug up the school and [found tunnels and skeletons](#). Incredibly, a similar case emerged recently in Ireland where a septic tank at a Catholic orphanage was found full of [piles](#) and [piles of bodies](#). The causes of death included tuberculosis, undernourishment, pneumonia, neglect and [abuse](#).

The [Catholics' explanation](#) for those 800 dead babies found in a septic tank? “There’s a lot of speculation as to what went on in the home following these recent revelations,” Monsignor Sean Green, spokesperson for the Irish branch of the Catholic Church’s “Scandal Containment Unit,” explained.

The Truth Starts to Leak

Recently, a rock star seemingly confirmed the age-old secret suspicion of the rich and powerful elite’s involvement in sacrifice rituals sometimes involving children — that purport to date back to ancient Sumerian times.

Ralph Rieckermann, the former bassist for the Scorpions, admitted he has been to an elite snuff [“fetish” party](#) in Germany, where wealthy guests would attend and pay \$100,000 to watch or participate in murder — and other horrific activities he wouldn’t even repeat. What was more sickening than live murder — child rape?

What Rieckermann saw was the “Magick” spilling of the blood of the innocent — and the pure chemical of adrenaline found only in the human body. Absolute insanity.

Interestingly enough, Rieckermann then tried to retract what he said, saying it was misunderstood in a video he uploaded to YouTube. If true, why not sue TMZ for slander like everyone else? Also who jokes like that? He looked 100% serious.

Major Cracks in the Pedophile Ring

Former Pope Benedict's sudden resignation is speculated by many to have stemmed from rampant child abuse. These accusations are supported by a number of witnesses and a shocking story that got no air time in the mainstream media — that the former [Pope Benedict's brother abused at least 231 children at a catholic boys choir](#).

In another major outing of the pedophile culture, Scotland Yard obtained [video evidence](#) of a UK Politician [“Murdering a Child in a bizarre ritual.”](#) A Scotland Yard official said [“these accusations are true”](#) – and another [261 prominent people including politicians and TV stars are suspected](#) of partaking in the horrific evil of child abuse/murder. Some have speculated the criminal ritual is

used as a form of [blackmail](#) to [compromise individuals – and that high level people are preventing prosecutions](#).

The U.K. probe known as [Operation Midlands](#) was shut down in March for “insignificant evidence” despite a quote from MP John Mann saying [“that the victim total could be in the many tens of thousands.”](#) The probe had video evidence, and several victim’s testimonies, including [Alex Wheatle](#), [Steven George](#), [George Smith](#), [Darren](#), [Thomas](#), [Nick](#), and [several](#) additional [witnesses](#). The claims are backed up by [retired Scotland yard detectives](#). Yet the probe was shut down, and at least [114 documents](#) just vanished.

One document that turned up after 30 years showed that the [Thatcher government knew](#) and was told about the Westminster officials’ odd sexual behaviors. The [CIA and KGB](#) even knew about what was going on and hoped to blackmail the VIP pedophile ring in exchange for information.

[Sixteen MP’s were named in a 1984 dossier](#) of VIP pedophile abusers documenting the influence that the Pedophile Information Exchange lobby had on Westminster. A whistle-blower goes further to state that [20 powerful elitists abused children for decades, including a female MP](#). The ultimate goal of the pedophile lobby was to [lower the age of consent](#) and push the pedophilia agenda, which several people tried to do.

Even the High Court judge to the Queen, [Lord Justice Fulford](#), tried to lower the age of consent to four. Absolutely sick and twisted — four years old.

Another official, Patricia Hewitt, former Labour cabinet minister, was caught trying to push the pedophile’s agenda to [make incest legal and lower the age of consent to the age of 10](#).

The Pedophile inquiries which include investigations into [Kincora house](#), [Elm Guest House](#), [Dolphin Square](#), [St. Helena](#) and the [Lambeth Town Hall basement](#) were covered up and ignored to [protect the establishment from embarrassment](#), just like other investigations. Investigators were told to [back off investigating because a royal was suspected to be involved](#) and several others even warned police, including MP [John Mann](#). [Buckingham Palace and Balmoral Castle](#) have even come up in the current investigation as a witness has claimed he was sexually assaulted there at the age of 16.

Put simply this is utterly disgusting... Children are being put below politics, because psychopaths are in control and believe that they are [entitled to abuse people](#) . It's even alleged that they used [children's foster homes as a supply](#) to fulfill their sick urge.

Actor and comedian Russell Brand did a very good expose on the UK Pedophilia scandal. So did Australia's [60 minutes](#) and another Australian comedy show called “The Last Leg”. Using comedy to shed light on a dark subject is an old practice made well known by comedian's like [George Carlin](#).

Jimmy Savile and the BBC

Oh and speaking of entertainers, who can forget ole Jimmy Savile?

The sick entertainer with royal connections raped dozens of kids – including a boy who was just [two years old](#) – while working at the BBC.

Decades ago, journalist Jill Dando alleged the BBC might be involved in a pedophilia ring. Then [Jill Dando](#) was found dead on her front doorstep.

Jill Dando was assassinated under orders of someone called [Mr.BIG](#), but the [police failed to even follow the suspects](#) to find out who murdered her. She is far from the only person killed

or [threatened](#) to cover up these elite pedophile rings, and this is only a fraction of how many people have been [murdered](#) to keep this thing covered up — even an [SNP activist was killed](#) .

What kind of sick twisted monsters rape a two year old? A satanic pedophile ring does and there is proof [Savile was involved in a Satanic Pedophile Ring](#).

Although, there have been several historic victories in the UK exposing some of these pedophiles, like [Lord Janner](#) and [Cyril Smith](#), this stories are somehow just [scratching the surface of the guilty parties involved](#) in such horrific unspeakable acts. Other cases continue to be covered up and hushed as various links to the pedophiles setting up their own inquiries by [friends](#) have shown. Investigations have been outright shut down as [30 former detectives](#) have testified.

How has all this been kept secret? When they can't simply [murder witnesses](#) and victims to shut them up, these sick psychopaths have infiltrated into every part of society and call on judges, [law enforcement, and media to cover for them](#).

With the advent of social media, even publications like [TIME](#) have been forced to report on the allegations swarming the UK. We Are Change and independent media won't stay silent and neither should any potential whistleblower.

The good thing about such massive exposure is that these disgusting practices by [current politicians](#) are now known and harder for the elite to partake in. It also sets them all up for failure if one gets caught — it will be like a domino effect. This will set things into motion to [re-open investigations into whistleblower deaths](#) and the living victims will be brought forward. No longer [victim's testimonies be “accidentally” permanently deleted](#) .

So be afraid [Sir Nicholas Fairbairn](#) , [Peter Righton](#) , [Sir Peter Morrison](#) , [Leon Brittan](#) , [Peter Hayman](#) , [John Allen](#) , [Keith Harding](#) , [Mr Herman](#) (Prince Philips Former Aide), [Doug Richard](#) (David Cameron's Adviser), [Harvey Proctor](#) , [Enoch Powell](#) , [Bishop — Peter Ball](#) , [Paul Kidd](#) (Royal Butler), [Michael John Carroll](#) , [Peter Righton](#) , [Greville Janner](#) , and [Edward Heath](#) (Former Prime Minister).

Be afraid, pedophiles of Hollywood and Washington, D.C.

The [Franklin Cover Up](#) will be exposed. The White House call boy ring involving the Reagan and Bush administrations will be exposed. Eighty different children came forward claiming to be involved in a large scale child kidnapping ring. Four of the victims and photographer Rusty Nelson testified. All claimed the reach of the pedo ring went deep into government.

Lobbyist Is Arrested in New York

Craig J. Spence, a Washington lobbyist who is a subject of a Federal investigation of male prostitution in Washington, is facing cocaine and gun possession charges in New York, the Manhattan District Attorney's office said yesterday.

Mr. Spence, 48 years old, was arrested July 31 at the Barbizon Hotel at 140 East 63d Street in Manhattan. Gerald McKelvey, a spokesman for District Attorney Robert M. Morgenthau, said Mr. Spence had called the police to say a man in his room had just robbed him of \$6,000 at gunpoint.

When the police arrived, Mr. McKelvey said, they found Mr. Spence and another man, Casey Regan, 22, in the room arguing. Mr. Spence told the police that Mr. Regan had stolen a gun from him and then used it to rob him. The police also found a small amount of cocaine in an envelope, Mr. McKelvey said.

Mr. Spence was charged with criminal possession of a loaded .32-caliber

Craig J. Spence, who faces cocaine and gun charges.

The evidence is seemingly endless.

There was a documentary set to be aired called the “Conspiracy of Silence” on the Discovery Channel, but that documentary was canceled at the last minute and all copies bought up until a copy leaked online years later...showing the influence these pedophiles have on the media. Not only that but several people were threatened, murdered or imprisoned to keep this sick secret hushed up.

Don't think for a minute that the pedophilia accusations end there — more recently known is Jeffrey [Epstein](#) and pals' pedophilia adventures at Lolita Express and Lolita Island. Of course [covered up by the feds](#) because its involving some very big names... including Bill Clinton.

Over the years, Bill Clinton was on a plane with Jeffrey Epstein more than [26 times and he ditched his Security detail](#) too... how lovely! Now he's accused of underage sex by Epstein's ex-sex slave Virginia Roberts.. keep it up Bill! Another person that Virginia Roberts has accused was Prince Andrew. Roberts claims she had an [orgy with him and eight other girls](#) .

Elijah Woods and Corey Feldman

The exposure of the elite's dark secret has truly only just begun.

Actor [Elijah Woods said](#) Hollywood is about to be gripped by a scandal comparable to Jimmy Savile. Another Actor, Corey Feldman has said [“I Would Love to Name, Names.”](#) In a twitter exchange with Corey we learn why he won't name names, as it seems these sick pedophiles have [likely threatened to murder or harm Corey's kids](#) if he comes forward.

I stand with Corey and all those witnesses who want to come forward and will assist anyone who has information they want to go public. My source who will remain nameless leaked me information in Hollywood before regarding a castle with hidden rooms — where a woman was brutally anally raped multiple times. She had to have her sphincter stitched up.

Also leaked to me via another inside Hollywood source was an uncensored copy of the movie “An Open Secret” — this copy of which is Amy Berg's Masterpiece — before the edits came. She was sued for libel by the pedophiles who confessed on hidden camera to their disgusting acts and how open it was in Hollywood and “normal”.

The movie an Open Secret documents Hollywood's obsession with child sex abuse. You can find the film by googling my twitter handle “Akilluminati.” It's time to get the world talking about elite pedophilia and snuff parties and break down the taboo wall so more whistleblowers can step forward to tell their shocking stories.

My goal is to show the general public that this goes on globally and to give a voice to the voiceless and an outlet for them.

The State Department

DYNCORP was found to have trafficked children, and continued to receive government contracts. Congresswoman Cynthia McKinney asked then Secretary of Defense Donald Rumsfeld why this corporation continues to receive funding. His answer admitted abuse happened.

Further information on DYNCORP's trafficking of children can be found from a whistle-blower, Kathryn Bolkovac – a human rights investigator who saw UN officials, military and state department officials involved in human trafficking in Bosnia. Her story was then turned into a Hollywood movie called [“The Whistleblower.”](#)
