

The 1 %, The Ruling Elite, The Global Elite
a.k.a. The Powers That Be ([PTB](#)),
sarcastically "the powers that shouldn't be".

Today (October 2011) we could start calling them...
"The Powers That Were" ([TPTW](#))

The purpose of this Section is to alert the public of the existence, and activities of the 'ELITE,' and to encourage active participation by all concerned citizens to stop the takeover of the US, and the rest of the world by the Elite - the Neoliberal Order - in their efforts to form their 'Global Union' or [New World Order](#)

"Fascism should more appropriately be called [Corporatism](#)
because it is a merger of State and Corporate Power"
Benito Mussolini
