

[Editor's Note: This resume is evidently doctored to obscure research into Sir David Alan Walker's background. Sir David is one of the most prominent bankers in the world. Bloomberg normally does not make such mistakes in these biographies. We believe Sir David's association with Commerce Secretary Wilber Ross at Sir David's failed NBNK Investment bank is the purpose of this obfuscation.]

Sir David E. Walker

David Walker

Background

Sir David A. Walker serves as the President at ABSG Consulting Inc. Sir Walker serves as the Chief Operating Officer of ABS Group of Companies, Inc. Sir Walker serves as an Executive Officer of British Venture Capital Association. Sir Walker serves at British Private Equity and Venture Capital Association. He served as a Senior Vice President of Public Sector of ABSG Consulting at ABS Group of Companies Inc. Sir Walker served as the Vice President of Technology of ABS Consulting at ABS Group of Companies. He served as Senior Advisor of Morgan Stanley. He served as the Managing Director of Morgan Stanley Group Inc. since May 1995. He served as Managing Director at Morgan Stanley & Co. Inc. since November 1994. His background includes more than 20 years in risk management, process safety, loss prevention, incident investigation/root cause analysis, system reliability and asset integrity management. His experience includes applications for several branches of the federal government (including DHS, DOD, DOT, DOE and NASA), transportation (especially maritime), chemical and hydrocarbon processing, energy, pharmaceuticals, forest products, consumer products, semiconductors/electronics and other major manufacturing operations. He specializes in using innovative applications of risk and reliability technology and cultural change to help government agencies and major corporations with significant loss exposures make the best use of their limited resources to achieve their organizational performance goals. His work includes a number of key security risk and vulnerability analysis programs for various DHS agencies/branches. He serves as the Chairman of RVC (Reuters Venture Capital). He served as Group Chairman of Barclays PLC and Barclays Bank PLC from November 1, 2012 to April 23, 2015. He served as the Executive Chairman at Morgan Stanley Group (Europe) PLC, subsidiary of Morgan Stanley Group Inc., since December 1994. He served as the Chairman of Morgan Stanley International of Morgan Stanley. From 1988 to 1992, he served as the Chairman of the Securities and Investments Board. He served as Deputy Chairman at NBNK Investments PLC until August 13, 2012 and also served as its Senior Independent Director and Director. Sir Walker served as Vice Chairman of Legal & General Group PLC from April 28, 2004 to May 25, 2011. Prior to joining Morgan Stanley Group Inc., he served as Deputy Chairman of Lloyds Bank PLC in England. He has been a Non-Executive Director of Barclays PLC and Barclays Bank PLC from September 1, 2012 to April 23, 2015. He has been a Non Executive Director of Reuters Holdings PLC since April 1994. He served as an Independent Non Executive Director of Legal & General Group PLC from March 2002 to May 25, 2011 and as its Senior Independent Non-Executive Director until May 25, 2011. He served as a Director of Morgan Stanley International of Morgan Stanley. He served as a Director of Morgan Stanley & Co. Inc. ('MS&Co.'), subsidiary of Morgan Stanley Group Inc., since February 1995. He served as a Director of Morgan Stanley Group Inc. since November 1994. From 1982 to 1988, he served as an Executive Director of Lloyds Bank PLC in England and a Non-Executive Director until early 1993. He served as a Director of Morgan Stanley. He is an Instructor for the Process Safety Institute and the System Reliability Institute (affiliates of ABS Group Inc) as well as the American Society of Mechanical Engineers, the American Institute of Chemical Engineers, the University of Tennessee's Maintenance and Reliability Center and the University of Dayton's Center for Competitive Change. Sir Walker holds a Master's and Bachelor's degree in Mechanical Engineering from the University of Tennessee.
