Michael McKibben and Leader Technologies Offer to Pay for the Wall

(<https://patriots4truth.org/2018/12/21/michael-mckibben-and-leader-technologies-offer-to-pay-for-the-wall/>)

“WE WILL PAY \$5 BILLION FOR THE WALL” MR. PRESIDENT

Michael McKibben, and some of his shareholders, just sent an open letter to President Trump offering to pay the \$5 billion needed for the Wall

**BOOM
DONE.**

*The federal government owes Leader literally trillions of dollars
<https://tinyurl.com/y719l8o7> (<https://tinyurl.com/y719l8o7>).*

Dec. 20, 2018—The political folderol surrounding the \$5 billion funding of the Wall should now be silenced by this offer.

Let's see what Congress, the 10,000 Senior Executive Service (SES) stay-behinds and the MSM do now to try and stop the will of We The People. Will MSM cover this news? McKibben has proposed also funding a **Conservative Free Press Initiative** to resurrect Thomas Jefferson's priority: **“The force of public opinion cannot be resisted when permitted freely to be expressed”** that has been lost in the current wave of authoritarian censorship sweeping the world.

We are reminded of the closing words of America's Founders in the Declaration of Independence:

“And for the support of this Declaration, with a firm reliance on the protection of divine Providence, we mutually pledge to each other our Lives, our Fortunes and our sacred Honor.”

Spread the word about Leader Technologies' offer to President Trump.

Somehow, I think of this as metaphorically instructive for the internet beast redemption project:

Uh.. the Wall is a joke. All this mass migration is being done on purpose by Lucifer the fallen one of this planet. The reason this wall is a joke is because they have technology that can jump room through time/ space portals. The technology is advance that the wall is a joke. It is just another illusion to give people the idea that they are safe when in fact the sun is the real enemy. That sun in the sky is a sun simulator designed by NASA. It is a weapon of choice to infiltrate your home via through the satellites / gwen towers/ smart meters to your bed room and can kill you in your bed. So, the wall is another swiss templar stupid move by the reptilians. Good luck people. The wall is to fuck you up and keep you in????
