Name variants used:

- 1. Jeannie S. Rhee
- 2. Jeannie Hae Rhee
- 3. Jeannie H. Rhee
- 4. Jeannie Sclafani Rhee

n addition to the obvious DNC, Hillary, Clinton Foundation and Obama insider relationships, a previously unreported conflict of interest was discovered during this research:

Jeannie H. Rhee's husband Christopher M. Rhee (aka Christopher M. Sclafani aka Christopher M. Sclafani-Rhee) is employed as a "Contributor" for Quartz, funded by Knight Foundation, which funds Newsguard, whose #1 political target is Infowars, Alex Jones and Roger Stone. It would appear Chris consumes too many soy products.

<u>NEWSGUARD</u> begins famously attacking pro-Trump alternative media sites, notably Alex Jones, Roger Stone and Infowars

2019 (Jan 24)

Figure: Jeannie S. Rhee. The vitality of the American Republic appears to be a big joke to Korean-American Jeannie S. Rhee who appears to be Mueller's goto girl for corruption and self-enrichment. Quiz Mueller about his secret offshore accounts including Mellon Optima L/S Strategy Fd LLC and Defenders Multi-Strategy Hedge Fund LLC (Caymans). Rhee appears to be Mueller's bag (wo) man.

Special Counsel Robert Mueller sued Roger Stone on juvenile process charges unconnected to Russian election hacking allegations with Rhee as lead prosecutor <u>US v. Stone</u>

Jeannie Rhee is the Special Prosecutor assigned to prosecute Roger Stone, despite the fact that: (a) she is an obvious career-long DNC/WilmerHale hack, and (b) her husband's Knight Foundation-funded (Quartz-NewsGuard) employer viciously attacks Roger

Stone's employer, Infowars and Alex Jones.

Rhee's bias is unmistakable. Her resume is off-the-charts unimaginable unless she was being groomed for these events at WilmerHale by Robert Mueller.

The evidence shows that Robert Mueller and Wilmer Hale LLP are the instigators of this attack against Roger Stone, President Donald J. Trump, and America as a Republic.

# Who is Arvinder Sambei and why is a British lawyer/spy involved in Mueller's activities?

Remarkably, Mueller's Special Counsel staff includes a <u>British</u> Senior Crown Prosecutor, <u>Arvinder Sambei</u>. Another lawyer is <u>Zainab Ahmad</u>. Both of these

lawyers are colleagues of the presumed Russian spy and Maltese Professor Joseph Mifsud who is with the Global Center on Cooperative Security and the London Center for International Law Practice—both international spy training centers fot the staybehind units of the rogue C.I.A. and Five Eyes.

<u>See Mar. 05, 1946 Secret Spy Agreement with</u> Britain and the Dominions of the Empire.

Rhee's involvement in the Mueller prosecutions likely taints all Special Counsel activity as **the fruit of a poisonous tree** since she will have gathered information during the prosecution under false and misleading **pretenses of impartiality**—all without in

fact being impartial at all, as these facts prove
