CORRUPTION, SENIOR EXECUTIVE SERVICE *March 9, 2019* *March 9, 2019*

When will President Trump realize that all SES staffers are MAGA sabateurs?

(<https://patriots4truth.org/2019/03/09/when-will-president-trump-realize-that-all-ses-staffers-are-maga-sabateurs/>)

Jessie K. Liu Nominated #3 at DOJ to Protect the Unelected Senior Executive Service (SES) Secret Government

No Question.

New Graham Senate Steele dossier document request

(<https://www.judiciary.senate.gov/press/rep/releases/chairman-graham-continues-investigation-into-fisa-abuse>) will likely be stonewalled by Liu, who is paid by . . . swamp rat Bruce Ohr!

All unelected, unaccountable SES members should be removed from *all* political inquiries due to their NWO, anti-Constitution bias

The SES is a globalist nation state undermining the U.S. Constitution

Photo: HuffPost. Most of the pictures of her are goeey sweet. In this version, her SES fangs come out.

Mar. 09, 2019—New investigations into AG Bob Barr's pick (<https://www.foxnews.com/us/trump-to-nominate-dcs-us-attorney-for-doj-no-3-job>) for #3 at the DOJ, **Jessie K. Liu** (from the Harvard and Yale Ivy League corruption cesspools), raises huge **red flags** among American patriots who urge the President to stop perpetuating fake justice at the Justice Department with these hires.

The SES 500 attorneys at the DOJ.

(<https://americans4innovation.blogspot.com/2018/03/obama-hired-them-trump-cannot-fire-them.html>) pay compensation to the 10,000 Obama stay-behinds who claim they cannot be fired by the President. This globalist Fifth Column is the reason Washington D.C. is the swamp. It is the Deep State. These people are only accountable to their new world order globalist handlers aligned with the British Privy Council (<https://americans4innovation.blogspot.com/2018/06/part-i-spy-gate-is-directed-by-crowns.html>).

The now totally discredited DOJ attorney Bruce Ohr is one of the DOJ SES 500.

Jessie K. Liu is an unmistakable SES Swamp Rat who will protect (1) the SES shadow government, (2) her many investments in Vanguard, Fidelity and T. Rowe who are (3) Clinton Foundation donors

Jessie K. Lius is SES. Here's proof from the Senior Executive Service (SES) 2008 Plum Book, PDF p. 107 (<https://www.fbcovrup.com/docs/library/2008-11-12-S-Prt-110-36-Plum-Book-Policy-and-Supporting-Positions-Committee-on-Homeland-Security-and-Governmental-Affairs-US-Senate-110th-Congress-2d-Session-Y4P84-10P75-GPO-Nov-12-2008.pdf#page=107>):

We believe President Trump's Make America Great agenda will continue to be undermined if he continues to allow SES swamp rats to be appointed to senior agency positions.

This is so jarring to learn. These snakes are everywhere. How do we get rid of this infestation?? I think every one of us should be mandated to learn how to use a gun for the protection of the Constitution as well as ourselves. Why can't POTUS just FIRE THE SES!?

We are on our own out here, patriots. Fake News is not going to report on SES army of bureaucrats because many of them are PAID by SES groups to keep us from knowing about them. Make sure to educate and enlighten your circle of influence about what is really going on. Fake News is the ENEMY OF THE PEOPLE.

He took an oath to “the constitution Of the United States” instead of the organic constitution title “the Constitution For the United States of America”. Words mean everything and the lack of then can mean more.

Always keep in mind no one has ever taken the oath of office swearing to “the Constitution for the United States of America”. This cannot be disproven as the 1789 First Act of congress made it so.
