@Bill Demmon. Not gonna attack Q. But Q has been posting threats towards a small YT channel & others recently. If Q can attack (and I mean attack) why can't others publicly disagree with Q?

Q has posted over 400 of our URLs. 'Q' uses AIM as its primary source, not a President Trump 'insider'. So as long as Q follows [AIM4Truth.org](https://aim4truth.org), we are cool. If this is not the case, then the Q needs to identify itself and debate Douglas - one on one - any subject. We have moved into an era of full disclosure and transparency. And we say our CONCLAVE is better than anyone who claims to be Q. Gauntlet thrown down.

If you know Q, send him-her-they-it our way. You might say that **Yoda sent you** (<https://aim4truth.org/2017/02/19/source-of-the-force-secret-behind-star-wars-inspiration/>). Wink.

If Q was really concerned about truth and justice, one would think that the Q would heartily agree to join forces. United we stand divided we hang. Can Q Imagine the forces that would be created in a union?
