Alfred Moritz Mond, 1st Baron Melchett (1868-1930), Industrialist, financier and Liberal politician; MP for Chester, Swansea and Carmarthen

Sitter in 10 portraits

Industrialist, financier and politician; The son of **Ludwig Mond**, a prominent industrialist, Melchett joined the family firm and through numerous amalgamations consolidated in 1926 the firm of Imperial Chemical Industries Ltd (ICI). An advocate of co-operation and co-ordination between employers and the employed, his considerable negotiating skills were a useful adjunct to his political career as a Liberal MP between 1906 and 1928. Minister of Health (1921-2).

Tell us more [back to top](#)

Can you tell us more about this person? Spotted an error, information that is missing (a sitter's life dates, occupation or family relationships, or a date of portrait for example) or do you know anything that we don't know? If you have information to share please complete the form below.

If you require information from us, please use our [Archive enquiry service](#). You can buy a print of most illustrated portraits. Select the portrait of interest to you, then look out for a **Buy a Print** button. Prices start at £6 for unframed prints, £25 for framed prints. If you wish to license an image, please use our [Rights and Images service](#).

Please note that we cannot provide valuations.

We digitise over 8,000 portraits a year and we cannot guarantee being able to digitise images that are not already scheduled.
