

Roll of Patrons

The extraordinary contribution of our Patrons is acknowledged by our President, HRH The Prince of Wales, who takes a keen interest in those who give so generously to his Trust.

We value the bespoke nature of our relationship with our most significant supporters, and we work collaboratively to achieve the greatest impact possible for our young people. We provide detailed reporting to our supporters on the impact of their giving every year. Of the many benefits, the most compelling is the opportunity to see our work in action and understand the significant difference that patronage makes to the lives of disadvantaged young people across the UK.

To become a Patron of The Prince's Trust, please contact us and we would be delighted to discuss this further and answer any questions.

Please contact Kat Farram, Director of Philanthropy on 020 7543 1360 or email Kat.farram@princes-trust.org.uk (<mailto:Kat.farram@princes-trust.org.uk>)
