📌 What is a Lien?

Consensual liens are very common, such as mortgages and car loans.

Tax liens are not consensual – they are placed by federal, state, or local government for non-payment of taxes. In addition to penalty fees, tax liens can affect a person's credit score and their ability to get credit.

Over 8 Million

Americans owe back taxes,
penalties and fees.

The Impact of Judgments

If a person or company sues you for damages or other unpaid debt—and they win—the court will enter a judgment against you. The creditor then has the legal standing to collect that debt.

If the debt is not paid in a timely manner, a creditor can garnish your wages or bank accounts. They may even use local law enforcement to enforce the judgment and physically collect what's owed.

✓ SEARCH COMPLETE

No criminal records found for Jeffrey

This report included an extensive search for criminal records that were digitally released as public records, covering thousands of jurisdictions at the local, state, and federal levels.

What this could mean:

- Some jurisdictions may be slow in making their criminal records digitally available.
- Also, some counties have not released their records in a digital format.
- In some situations, criminal records are not available because they have been sealed or expunged. When this occurs, only a handful of agencies are able to see the record, such as law enforcement, the military, and governmental agencies.

Traffic Violations

Traffic violations are often speeding tickets, but can include illegal lane changes, no fastened seat belt, broken tail light, and other citations.

No traffic violations found for Jeffrey
