

## EVANGELICALS, AWAKE FROM THIS DEEP HISTORICAL PROPAGANDA:

**Cyrus Ingerson ("C.I.") Scofield (1843-1921).** "Sallywag" lawyer-politician turned evangelical Y.M.C.A. Bible commenter for the pagan Babylonian Radhanite merchant-bankers of the Pilgrims Society in The City of London. Progenitor of "The Rapture," dispensationalism and Christian Zionism. Duped generations of evangelicals into silence, social passivity, and British political and economic debt slavery.

**Cyrus I. ("C.I.") Scofield , the infamous publisher of the "Scofield Bible Commentary" that popularized much current thinking on End Times Bible prophesy re. "The Rapture," dispensationalism, pre and post Millennialism, was deeply associated with and funded by Babylonian Radhanite pagan members of the British Pilgrims Society in The City of London**

*"Without the Scofield Bible, it [British Zionism] never would have happened"*

## Why has America fought Britain's wars? This is why: Evangelicals were duped (and still are).

**WANG:** *“The conferences attracted some of the most well known Christian leaders of the time, including D. L. Moody, a world known evangelist who founded the **Young Men’s Christian Association (YMCA)**, the Moody Bible Institute in Chicago, and the Bible Institute of Los Angeles (BIOLA). Cyrus Scofield’s financiers knew that if Scofield could be moved into those organizations, the dispensationalist doctrine could be spread faster and further into the Christian community.”*

**WANG:** *“In 1901, Scofield was offered a membership in the **Lotus Club of New York**, a prestigious club in the literary circles of the United States catering to non-Christians. This was a club in which one had to be invited and have a sponsor. He settled there and listed it as his residence for the next 20 years. It was here that he presented his ideas for a new Christian Bible concordance, and was taken under the wing of **Untermeyer (1858-1941)**—a criminal attorney well known for his political connections, bribery and for being a fanatical Zionist agent of the **Rothschild banking cartel**.”*

“Untermeyer introduced Scofield to numerous Zionist and socialist leaders, including **Samuel Gompers, Fiorello LaGuardia, Abraham Straus, Bernard Baruch and Jacob Schiff**. These people financed Scofield’s **research trips to Oxford** and arranged for the publication and distribution of his concordance.”

**Note:** “The Lotus Club” [https://en.wikipedia.org/wiki/Lotos\\_Club](https://en.wikipedia.org/wiki/Lotos_Club) was led by prominent founders of the Pilgrims Society including ANDREW CARNEGIE and NICHOLAS MURRAY BUTLER, President of the Pilgrims Society, 1928-1946.

**WANG:** *“One of Scofield’s first moves in producing his reference Bible was to take a trip to the **British Isles** for research. He immediately sought out the controversial scholars **Westcott and Hort** in London. Hailed as Bible scholars, both men were very active in **occult rituals**. Westcott had*

formed **a secret club called "Hermes,"** noted for **aggressive homosexual activities** between its members. In 1851, Hort and Westcott also started the **Ghost Society**, which was first billed as the **study of spiritual events**, but in time it became more of a **séance group**<sup>1</sup>. Its members included **Arthur Balfour** who, in 1917, bequeathed Palestine to the **Rothschilds** as "a national home for the Jewish people."

Evangelical support for the modern state of Israel (founded by Great Britain and Babylonian Radhanite merchant-banker pagans from The City of London), can largely be credited to this "dispensationalist" fabrication of Biblical prophecy promoted by Scofield's Concordance. **WANG:** "Why would a wealthy German Jew like Untermeyer living in America sponsor Scofield and spend money on a man who was working on a new Bible translation and preaching Jesus Christ?" Torell asked. Jewish leaders long ago recognized the bonanza for them if they could force the teaching of an imminent rapture on Christians and move them to **abandon their moral hold on society. . . Removal of Christians from politics and public schools would** leave the door open for Jewish [**read: Babylonian Radhanites**] writers and political leaders to move in and **remove the Bible and prayer from public schools and political institutions.** The ACLU is a Jewish organization, having only a few Gentiles in it for window dressing, he stated. "

"In 1907, the International Zionist movement had its "payday" when, after some 120 years they were finally able to have a document produced that would **forever change the theology of Christian churches around the world** so that, in time, believers in Christ would be transformed into **Christian Zionists.** Even though they had to "pay good money" to further the cause of fundamentalism, it was worth it to them because the **fundamentalists would be led like a bull with a ring in his nose** in the direction the Jewish [**read: Babylonian Radhanites**] masters wanted them to go."

"Forty-one years later, the political state of Israel came into existence. **"Without the Scofield Bible, it never would have happened,"** Torell said. It is impossible to overstate the influence of Cyrus Scofield on 20th century Christian beliefs. **The Scofield Bible is the standard reference work in virtually all Christian ministries and divinity schools.** It is singularly responsible for the Christian belief that it is Hebrew Prophecies that describe the pre-Tribulation Second Coming of Jesus, and not, instead, a Zionist vision of a man-made New World Order."

"Embarking upon the **exact research model** that revealed the invented genealogies of the **"Bush (Scherff)/Walker"** clan, the **"McCain"** (McCann) clan and the **"Dunham/Obama/Soetoro** families," this author immediately recognized the **prototypical obfuscation and deceit** that follows those whose **life mission is dictated by the international bankers**

*[read: **Babylonian Radhanites**]who bribe INS agents, government officials and anyone else likely to stand in their way."*

Pick the fakes below:

The Scofield commentary, printed in the margins of study bibles, is still widely published, read and embraced today by “pre-Trib” Christians.

[Scofield’s biography](#) reveals an attorney quite skilled in the art of the confidence trick. How many evangelists since Scofield’s day have acted similarly from the pulpit? Too many. The difference with Scofield is that he had deep Pilgrims Society merchant-banker pockets in The City of London financing his publishing. These were Babylonian Radhanite pagans, not Christians or Jews. Their objective was to Annex America back into the British Empire, and Scofield was an evident tool to marginalize the moral influence of evangelical Christianity.

Did Scofield leave his evil attorney ways behind when he converted to Christianity?

Scofield’s 20-year association with the Lotus Club in New York would indicate that he just changed his psychopathic target.<sup>2</sup>
