

Establish Legal Social Media

A Cascade of Benefits

Success in the 2nd American Revolution to fully implement a Free Press that the Founders envisioned, but we lost

Footnotes:

Establish Legal Social Media

A Cascade of Benefits

ACTIONS:

1. **Completed:** The First Revised Miller Act Notice has been served on the President at the White House
2. **Yet to be Completed:** President releasing the funds

BENEFITS:

3. Remedy historical and forward-looking U.S. theft of Leader Technologies' social networking inventions
4. Create \$6.1 trillion in new U.S. revenue over 10 yrs. without new taxes (\$557b per year)
5. Issue Master License to the Executive; require end user license to align with Bill of Rights
6. Establish Free Speech and Free Elections
7. Retake sovereignty over PKI (Federal Bridge) encryption keys, ICANN

OUTCOMES:

8. End personal data exploitation
9. Disempower MSM/globalist fake news propaganda and brain washing with real Patriot competition
10. Requires all corporations to comply with new license or lose government contracts
11. Set two-strike rule for data breaches before shutting them down
12. Defund USA Patriot Act, America Invents Act, Highlands Group, NIAC, In-Q-Tel, DARPA, SERCO, QinetiQ, Senior Executive Service (SES), Crown Agents, USAID, OPIC
13. De-cloak the British-US Pilgrims Society
14. Justice to those who have been the victims of the Pilgrims Society and its globalist control of elections, fake news, propaganda, intelligence, education, commerce, invention, entrepreneurship and banking
